FIREFIGHTERS ASSOCIATION

HELP US TRAIN TODAY TO PROTECT RINDGE TOMORROW

TRAINING TODAY. SAVING TOMORROW. SERVING RINDGE.

The Rindge Firefighters Association is seeking your support to purchase a **Forcible Entry Training Door**, a critical piece of training equipment that will strengthen the skills and preparedness of our firefighters for years to come.

Forcible entry is one of the most important tasks firefighters perform on the fireground. Whether responding to a structure fire, rescuing occupants, or accessing a building during an emergency, firefighters must be able to gain entry quickly, safely, and effectively. These skills require continual hands-on training to maintain proficiency.

As a small community, funding specialized training equipment can be challenging. Professional-grade forcible entry training props can cost more than \$10,000, placing them beyond the reach of many department budgets. With your help, we can bring this invaluable training resource to Rindge.

This training prop will provide realistic, repeatable training opportunities for generations of firefighters. It will allow our members to practice essential forcible entry techniques in a controlled environment, helping ensure they are prepared when our residents need them most.

EVERY DONATION, REGARDLESS OF SIZE, BRINGS US CLOSER TO OUR GOAL.

Together, we can invest in the training, safety, and readiness of the men and women who proudly serve the Town of Rindge.

Thank you for supporting the Rindge Firefighters Association and helping us protect our community.
