DEDICATION

WITH GRATITUDE FOR THOSE WHO HAVE SELFLESSLY SERVED AND VOLUNTEERED IN THE TOWN OF RINDGE

WE DEDICATE THE 2025 ANNUAL REPORT TO

CHARLIE EICHER

It is with great respect that we honor a man who has worn “many hats” in the Town of Rindge and devotedly served our country in the United States Air Force.

Charlie has been on countless boards and committees for the Town, such as the Planning Board, the Capital Improvement Program Committee, the Roadway Committee, the Town & Gown Committee, the Jaffrey-Rindge School Board, and as the Rindge Town Moderator.

Charlie’s wisdom and depth of knowledge, which he selflessly applied to benefit the Town and its people, are extensive and admired by those who know him. He is a respectable gentleman who is always willing to answer questions with the utmost patience and a smile on his face. With Charlie, whether having a serious discussion or laughing together, he is always energetic.

We thank you, Charlie, for your numerous years of serving the Town of Rindge with enthusiasm and passion. We hope that you will still visit Town Hall and see you at meetings. All the best to you and Carleen.

STATE OF THE TOWN

2025 was an incredibly busy year. Larry Cleveland was welcomed to the Board of Selectmen in March. Early in the year, our Town Administrator and Finance Director submitted their resignations to pursue other ventures. We thank them both for their service and wish them well. Helene Rogers quickly stepped in to fill the void in the finance director position on a permanent part-time basis, and Roberta Oeser stepped in as the interim Town Administrator until the position was filled. Thank you to Helene for her willingness to serve the Town in this capacity and to Roberta for her service and expertise in the interim. Our new Town Administrator, Max Vandervliet, was hired in late September and immediately impressed the rest of the town staff and department heads. Max is a great fit and very welcome.

At year's end, we had to say, "see you later" (not goodbye) at the retirement of our fire chief/emergency management director, Rick Donovan, and our deputy emergency director/EMT/firefighter/building permit manager, Deb Douglas. I cannot express how deeply they will be missed and how grateful we are for their hard work, dedication, knowledge, and friendship.

Our new fire chief, Bob Faas, was sworn in at the very end of the year. Bob is a lifelong firefighter with vast experience. He and Rick Donovan overlapped in the chief position for one day, but were and are in contact during the transition process. They have both known each other for almost 30 years, as Bob was a Rindge firefighter and Rick's lieutenant about 24 years ago, before Bob moved on to another firefighter position in Maryland. Bob is also a Franklin Pierce *College* graduate. Bob is no stranger to the Town of Rindge and many of its long-term residents. Welcome back to Rindge, Bob Faas.

The town seems to have handled working with a default budget sufficiently, though it has been very tough. The mandated 5-year re-evaluation caused a huge uproar as homes and especially land values increased tremendously. We are still in dire need to replace a plow truck and a forestry firefighting vehicle. Both were not funded at the last town vote, and it is hoped that residents will approve of funding before the costs and waiting times escalate even further.

Progress in 2025

While it may sound small, the town overcame the resignations of two department heads smoothly and backfilled the two anticipated retirement positions in a timely manner. As of the writing of this statement, the transitions are going very well. The final touches of the Meeting House exterior renovations were completed this year. Most of the funding for the renovations was provided by grants and contributions, including the LCHIP Grant, the Moose Plate Grant, and a donation from the Roy A. Hunt Foundation. Also, a small portion was funded by town trust funds and the United Congregational Church. The entire building was painted, the windows were upgraded, the HP ramp was repaired, some of the foundation was re-pointed, and the steeple and all four clock faces were painted and repaired. Many thanks to the Hunt Foundation for the contribution, but especially to the "Meeting House Oversight Committee" who worked on funding, scope of work, and the bidding process for over three years. The building now looks new and beautiful again.

Lastly, this town works only because of its dedicated employees, boards, committees, commissions, charitable organizations, charitable clubs, societies, and volunteers. They are not listed individually for fear of missing even one. They have protected us, fought fires, responded to emergency medical assistance calls, plowed and maintained our roads, provided a library and programs, donated fences, supported scholarships, remembered Memorial Day, thanked and remembered our veterans, celebrated Independence Day with a Family Fun Day, held a Halloween Trunk or Treat, an FPU trick or treat at the dorms, a Christmas senior dinner, the annual tree lighting ceremony and more ...

A huge THANKS to you all.

Chair of the Board of Selectmen,

Bob Hamilton

FINANCIAL REPORTS

**REPORT ON INTERNAL CONTROL BASED ON
AN AUDIT OF BASIC FINANCIAL STATEMENTS**

To the Board of Selectmen
Town of Rindge, New Hampshire

In planning and performing our audit of the financial statements of the governmental activities, each major fund, and the aggregate remaining fund information of the Town of Rindge, New Hampshire (the Town) as of and for the year ended December 31, 2024, in accordance with auditing standards generally accepted in the United States of America, we considered the Town's system of internal control over financial reporting (internal control) as a basis for designing audit procedures that are appropriate in the circumstances for the purpose of expressing our opinions on the financial statements, but not for the purpose of expressing an opinion on the effectiveness of the Town's internal control. Accordingly, we do not express an opinion on the effectiveness of the Town's internal control.

A deficiency in internal control exists when the design or operation of a control does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct, misstatements on a timely basis. A material weakness is a deficiency, or a combination of deficiencies, in internal control, such that there is a reasonable possibility that a material misstatement of the entity's financial statements will not be prevented, or detected and corrected, on a timely basis.

Our consideration of internal control was for the limited purpose described in the first paragraph and was not designed to identify all deficiencies in internal control that might be material weaknesses. In addition, because of inherent limitations in internal control, including the possibility of management override of controls, misstatements due to error or fraud may occur and not be detected by such controls. Given these limitations, during our audit we did not identify any deficiencies in internal control that we consider to be material weaknesses. However, material weaknesses may exist that have not been identified.

This communication is intended solely for the information and use of management, the Board of Selectmen, and others within the organization, and is not intended to be, and should not be, used by anyone other than these specified parties.

Requirements for Semi-Annual Billing

Pursuant to RSA 76:15-a

76:15-a Semi-Annual Collection of Taxes in Certain Towns and Cities - I. Taxes shall be collected in the following manner in towns and cities which adopt the provisions of this section in the manner set out in RSA 76:15-b. A partial payment of the taxes assessed on April 1 in any tax year shall be computed by taking the prior year's assessed valuation times 1/2 of the previous year's tax rate; provided, however, that whenever it shall appear to the selectmen or assessors that certain individual properties have physically changed in valuation, they may use the current year's appraisal times 1/2 the previous year's tax rate to compute the partial payment.

DRA has provided a reference range of fund balance retention amounts below. Please utilize these ranges in the determination of the adequacy of your municipality's unrestricted fund balance, as currently defined in GASB Statement 54. Retention amounts, as part of the municipality's stabilization fund policy [1], should be assessed dependent upon your governments own long-term forecasts and special circumstances. Please note that current best practices published by GFOA recommend, at a minimum, that "...general purpose governments, regardless of size, maintain unrestricted fund balance in their general fund of no less than two months of regular general fund operating revenues or regular general fund operating expenditures." AMENDMENTS MADE TO THE 2026 WARRANT
at the Deliberative Session on January 31st, 2026

Article 3 Operating Budget

To see if the Town shall vote to raise and appropriate as an operating budget, not including appropriations by special warrant articles and other appropriations voted separately, the amounts set forth on the budget posted with the warrant or as amended by vote of the first session, for the purposes set forth therein, totaling ~~Five Million Six Hundred Seventy Thousand Dollars (\$5,670,000)~~ **Five Million Eight Hundred Ten Thousand Dollars (\$5,810,000)**. Should this Article be defeated, the Default Budget shall be Five Million Six Hundred Fifty-Four Thousand One Hundred Seventy-Seven Dollars (\$5,654,177), which is the same as last year, with certain adjustments required by previous action of the Town of Rindge or by law; or the governing body may hold one special meeting, in accordance with RSA 40:13, X and XVI, to take up the issue of a revised operating budget only. (Recommended by the Board of Selectmen 3 in favor, 0 opposed). (Recommended by the Budget Advisory Committee 7 in favor, 0 opposed).

Article 6 Ambulance Service ETF

To see if the Town shall vote to raise and appropriate the sum of Forty Thousand Dollars (\$40,000) to add to the Ambulance Service Expendable Trust Fund previously established for the purpose of ~~providing additional funds for ambulance services.~~ **funding the additional cost of ambulance services. If Article Three (3) (Operating Budget) passes, this article will become null and void. If Article 3 fails, and this article is approved, the appropriations will be included in the following year's operating budget and default budget.** (Recommended by the Board of Selectmen, 3 in favor, 0 opposed). (Recommended by the Budget Advisory Committee, 7 in favor, 0 opposed).

Article 14 Land Use Change Tax

To see if the Town shall vote to ~~amend~~ **reduce** the percentage of Land Use Change Tax revenue deposited into the Conservation Fund ~~to Twenty Percent~~ **from its current One Hundred percent to Ninety-Nine percent**, pursuant to RSA 79-A:25, IV. (Recommended by the Board of Selectmen, 3 in favor, 0 opposed). (Recommended by the Budget Advisory Committee, 5 in favor, 2 opposed).

BUDGET ADVISORY COMMITTEE

The members of the 2025/2026 Budget Advisory Committee (BAC) are: Chairman Dan Whitney, Tina Sbrega, Roberta Oeser, Casey Burrage, James Burger, Mark Hower, and Select Board Ex-Officio, Tom Coneys.

The BAC met jointly with the Select Board (BOS) several times in public meetings, as well as having meetings of their own throughout the annual budget cycle. During these meetings, we reviewed the various expenses of Town Departments from 2025 and the Department requests for the proposed 2026 budget.

The town, while operating from a Default Budget based on voting results in March of 2025, worked very diligently to operate within the limitations of the default budget while still providing services to the town and its residents. The department heads and staff, as well as the Select Board, should be thanked for their efforts to effectively manage its resources and come in approximately at the budget figure.

During the past year, there were also some changes in key roles at the Town Office, most notably in the role of the Town Administrator (TA). While transitioning from the previous TA, developing and reviewing the job description, and then the search process itself, the town was more than well served by the efforts of Roberta Oeser of this committee stepping in to be the Interim TA. With her background in multiple roles for the town, including Select Board experience, it was a significant help in moving the town along and helping our new TA, Max Vandervliet, onboard. We thank her for her efforts and are very glad to have Max with us going forward.

The BAC worked with the BOS and the Departments to listen intently, look at the departments in total, and inquire about line items that warranted special attention. That part of the process seemed to work well, and we believe all sides share that opinion. We share the opinion that the work done recently, and as we progress through the next fiscal year, will improve the process in the future.

The town is dealing with numerous fixed costs that are increasing significantly and are beyond the control of the town. As in past years, the town must keep working hard to maintain its staff. This may be the biggest obstacle of all in the next 12 months. Working as a town and a team to retain and recruit valuable employees to build on for our future is our best hope of maintaining the levels of service the residents of Rindge expect. Retention of employees is far more cost-effective and allows departments to provide a better level of service for the people of Rindge.

One of the things that the BAC has been discussing and working on is trying to develop new modes of income for the town to either replace modes that no longer exist or to bolster modes that have been reduced. That will be a point of focus for the next year for the BAC as well.

The BAC thanks the Department Heads and our Town Employees for their efforts, and we look forward to working with everyone again next year. Our meetings are open, posted, and the public is invited and welcomed. We will continue the important work of advising our Select Board on the Town Budget with an eye to the future needs of Rindge. We appreciate your support.

Respectfully submitted,

Dan Whitney
Chair of the Budget Advisory Committee

CAPITAL IMPROVEMENT PROGRAM COMMITTEE

The Capital Improvement Program (CIP) is a strategic planning tool with the purpose of helping the Town of Rindge make good planning choices for the future based on goals and resources. The Committee members of 2025 were Chairman, Casey Burrage, Planning Director, Almyr L. Bump, Craig Clark, Sharon Rasku, Roberta Oeser, Jane Fedorowicz, and Larry Cleveland, Ex-Officio from the Board of Selectmen.

The CIP Committee met several times, in the fall of 2025, to consider the near- and long-term needs of town departments and facilities. Department Heads provided written and verbal recommendations for Committee consideration.

Budgetary appropriations over the last 6 years have not kept pace with the burgeoning needs of town infrastructure and heavy use placed on town equipment, as well as the rapid pace of inflation. The Committee identified three lines of effort within the overall Capital Improvement Strategy that deserve emphasis. The equipment needs for the Fire Department and DPW are immediate, as these vehicles have reached the end of the expected useful life span. There is an ongoing need to fund maintenance of the current facilities while also looking forward to future new construction needs.

1. Fire Department funding for a new brush truck and command vehicle
2. DPW funding for a new dump/plow truck
3. Funding for facilities maintenance

The Committee voted to recommend that the Select Board fund the following amounts as a priority:

- To place \$150,000 in the Fire Department Equipment Reserve account.
- To place \$165,000 in the Highway Capital Reserve account.
- To place \$35,000 in a Facilities Construction Trust Fund

The Committee recognized that the Town would further benefit from funding the following:

- To place \$50,000 in the Recreation Facility Reserve account
- To place \$20,000 in the Library Expendable Trust Fund
- To place \$25,000 in the Meetinghouse Maintenance Fund

Total appropriations for the 2026 Town Warrant: \$445,000.

Respectfully submitted,

Casey Burrage
Chair of the CIP Committee

CEMETERY TRUSTEES

Keeping our cemeteries in good condition requires an ongoing effort for routine maintenance and capital improvements. The Cemetery Fund Established by the Town in 2018 is being used to address needed improvements at the Meeting House Cemetery on Payson Hill Road and the Hillside Cemetery on Goddard Road.

During the Summer and Fall of 2025, the following projects were completed:

- The cemetery conducted 8 cremation burials and 4 full burials
- Repaired several headstones in the Hillside and Meeting House Cemetery
- Installed 250 feet of aluminum fencing along the roadway and entrance
- Removed several bushes and trees around several headstones as requested by lot owners

CEMETERY TRUSTEES

I would like to thank the Rindge Women's Club for the generous donation of new aluminum fencing along the roadway in front of the cemetery. I would also like to thank Lake Shore Landscaping and crew for supplying a machine with a post hole digger and labor to install the fencing.

The Cemetery Trustees, as required by the State of New Hampshire, establish cemetery regulations, maintain records, and oversee the care of cemeteries and lot burials. A line item is included for cemeteries in the Rindge Department of Public Works budget. All maintenance, care, and burials are conducted by the Rindge Department of Public Works. The DPW director, Michael Cloutier Sr., serves as the Sexton for our cemeteries.

The cemeteries of Rindge provide a dignified, final resting place for our citizens. From the time that Rindge was chartered as a town to the present, these cemeteries have provided an important service and outdoor history. The Cemetery Trustees express their gratitude to the Board of Selectmen and Department of Public Works for their ongoing care of Rindge's Cemeteries.

Respectfully submitted,

Michael Cloutier Sr.
DPW Director and Cemetery Sexton

CONSERVATION COMMISSION

To our Rindge neighbors,

2025 was another busy year for your Rindge Conservation Commission, the Conservation Corps, Friends of Conservation, and many other volunteers, all in the pursuit of protecting the natural resources of Rindge, resulting in over 700 hours of donated time in those endeavors.

One item that we are very excited to introduce to the public before the end of 2026 is the Rindge Interactive Maps for Natural Resources. It is a simple web application where anyone can select a parcel of property on the Town map and get an immediate display of the natural resources. A single click can turn on layers that show terrain, wetlands, wildlife corridors, aquifers, soil types, and other features; all currently available but difficult to gather and use. And now it will be much more convenient and practical. We see this as a very useful and user-friendly tool for landowners, planners, town officials, and numerous other stakeholders. One of the features of this Interactive Map was created with extensive effort to map the various trail systems throughout Rindge for updated and easily available trail maps for use by all.

The Commission this year awarded the first annual Conservationist of the Year to a deserving individual or organization that best represents the efforts to conserve the best of Rindge. Congratulations to Pat Martin on being the first awardee ever!

The Commission teamed up with four other local conservation commissions for an Earth Day event at the Cathedral of the Pines for a day of presentations, discussion, and learning in a spirit of collaboration that benefitted all. Look for this event again in April 2026.

The Commission continued with a series of hikes at the various Rindge properties it manages, most with a theme based on the time of year or some natural feature, and we continued with several presentations at the Wellington Community Center on bats, invasive plants/pests, and the geology of the Monadnock region. More to come in 2026!

CONSERVATION COMMISSION

The Commission received a Merrimack Community Grant for signage installations, and we continue to support the efforts of Franklin Pierce students as they produce more signs for the Mattabeseck property. Regarding Mattebeseck, we are developing a small trailhead to the south of the property to improve access, and we upgraded the parking and trailheads at Schoolhouse Park on Able Rd and the Contoocook Complex on County Rd. Thank you to Paul Knight and Rindge Stone and Gravel for their assistance in completing these projects.

Monthly workdays were held on the second Saturday of the month on six different properties that have proved to be productive and popular for all involved. Our new Trail Stewards program has proved to be very popular, where individuals sign up to adopt a trail in Rindge to care for.

One of the last things the Commission did before cold weather came was the purchase and installation of a 45-foot Liberty Elm on the southeast lawn of the Meeting House in honor of the 250th birthday of the United States on July 4, 2026. Thank you to the Rindge Highway department and 202 Truck and Equipment for their efforts in making it all happen. Look for a dedication and unveiling of a bronze plaque in the early summer of 2026.

The Conservation Commission is only able to accomplish these things because of the generosity of the people of Town, be that financial, moral, or practical. We want to thank the numerous volunteers, local businesses, Town employees, and Board members for their support; we are very grateful. We also thank those who have donated to the Conservation Fund through annual or memorial donations.

I also personally want to thank all of the Conservation Commission members for their continued efforts, dedication, and passion in protecting the natural resources of Rindge. These collective efforts to keep Rindge the rural community we all treasure, as the state grows, make Rindge the town where we want to live and raise our families.

Respectfully,

David G. Drouin
Chair of the Rindge Conservation Commission

ENERGY COMMISSION

We wish to thank Dwight Schenk for over 15 years of service with the Rindge Energy Commission. He's moved to Peterborough and will be greatly missed. The Energy Commission meets on the third Friday of every month. New members and the public are always encouraged to join us. We are actively seeking new members to help us expand our services to the Town.

The Rindge Energy Commission began 2025 with the following objectives:

- 1.) Implement/identify energy efficiency/weatherization projects with paybacks of 5 to 7 years as identified in the 2011 Investment Grade Energy Audit Reports and more recent audits.
- 2.) Assist other town boards, departments, and committees in tracking and optimizing energy usage.
- 3.) Troubleshoot problems identified through tracking energy usage at various buildings.
- 4.) Support the efforts of the Jaffrey-Rindge School District to reduce energy consumption.
- 5.) Follow developments in New Hampshire's newly enacted Community Power legislation.

ENERGY COMMISSION

While weather conditions and fossil fuel costs vary widely from year to year, savings from our two streetlight projects are very consistent. Before the first streetlight project in 2011, the town spent nearly \$12,000 per year on outdoor lighting. With the recent 2019 LED streetlight project, the town spent \$5,345 in 2025 with a cost avoidance of \$6,655 this year.

The Energy Commission supports Community Power purchasing options. A petition warrant article at Town Meeting in 2025 indicated that Rindge voters approve of moving to Community Power by a large majority. Unfortunately, disruptions in the electricity market due to the utilities' response to Community Power have created a disadvantage for Community Power programs. The Energy Commission is waiting to see if the market stabilizes before asking the Rindge Selectboard to commit to membership in Cheshire Community Power.

In late 2022, NHSAVES financed a comprehensive energy audit for the Wellington Recreation building. The recommendations from that audit included sealing and insulation work estimated at \$8,000. A warrant article for this work at a cost of up to \$10,000 was approved at the 2023 Town Meeting. Eversource awarded matching funds of \$8,562 to complete the work since qualified bids were higher than the voter approved \$10,000. The weatherization and sealing project at Wellington was completed in February of 2024 at a cost to the town of \$8,562. Oil consumption at the Wellington Recreation building in 2025 was reduced by 36.5% compared with 2011.

The Energy Commission supports the design and implementation of a ventilation system for the Town Offices. No insulation or sealing work of the Town Offices has been possible due to poor air quality and high CO₂ levels within the building. This was called out in a 2011 energy audit. More importantly, testing by an environmental engineering firm revealed that radon levels were dangerously high. Mechanical ventilation would address both problems.

The Energy Commission is also following developments regarding potential large-scale and/or community solar projects in the region.

Total Energy

The Town of Rindge spent less money on energy consumption in 2025 compared to 2011. Rindge expended approximately \$79,055.35 in energy dollars in 2025 (excluding transportation but including the 50% paid by the Congregational Church for the Meeting House energy expense). In contrast, Rindge spent \$81,801 in 2024, \$87,143 in 2023, \$76,111.50 in 2022, \$60,872 in 2021, and \$86,874 in 2011. Since most of the energy efficiency projects were completed in 2012, the baseline year is 2011. Rindge spent \$23,928 on oil, \$3,466.80 on propane, \$46,315.55 for building electric, \$3,641 on streetlight electric, and \$1,704 on other outdoor lighting for a total of \$79,055.35 in 2025.

Oil and propane prices stabilized in 2024-25, but electricity prices continue to fluctuate, underscoring the value of reducing energy consumption with better controls and weatherization work. In 2025, Rindge paid 3% less than it did in 2024, but 30% more than it did in 2021 for comparable consumption.

Heating

2025 was a cool year with 6182 Heating Degree Days (HDDs)* compared with 5813 in 2011, and only 4911 in 2012. Overall, the Town used 5677 (38.2%) fewer gallons of oil in 2025 than in 2011. The town spent \$23,928 on oil in 2025. Oil consumption was down relative to 2011 at all buildings in 2025, except for the Town Offices, which saw a 56.5% increase (total of 983 gallons) in oil. The Town Office building has a ventilation problem that makes it difficult to do additional sealing and insulation of the building without negatively affecting air quality. The commission will continue to study these increases as well as advocate for proper ventilation in the Town Office building.

ENERGY COMMISSION

The Fire Department replaced its old oil furnace with a propane-fired furnace in 2023. This resulted in a 100% reduction in oil consumption, but propane usage will increase. Since the new propane furnace is more efficient, there should be an overall reduction in cost as well as emissions. The efficiency of the new propane furnace is evident in propane consumption approximately equal to 2011 levels, but without the 700 gallons of oil used before the conversion. * <https://www.weatherdatadepot.com/home/degree-day-comparison>

Electricity

In 2025, Electricity consumption for the town buildings was up by 7% compared with 2011 usage levels. However, because of the fluctuating electricity market, the town spent \$3,355 less on electricity compared with 2024. Increases in consumption occurred mostly at the Highway Garage (189%), Fire Department (24.5%), the Meeting House (37.5%), and the Wellington Recreation building (39.1%).

The Office Trailer and the Highway Garage were switched to be on the same meter in May of 2020. This caused the Highway Garage meter to more than double in consumption since the two buildings consumed similar amounts of electricity in 2020.

The Meeting House's electric consumption increased 37.5% over 2011 levels and nearly 14% over 2024. This increase follows a 21% increase over 2011 levels in 2024. This may have to do with increased usage, but it needs to be studied. The Energy Commission will investigate this increase in 2026.

The DPW should continue the excellent job it has been doing with procurement and energy efficiency projects.

MEETINGHOUSE OVERSIGHT COMMITTEE

This year has been about tying up loose ends and completing major maintenance projects on the Meetinghouse. The Meetinghouse, Horse Sheds, and Cemetery are listed on the National Register of Historic Places and are a great source of pride for the citizens of Rindge. Many who served in the Revolutionary War 250 years ago, participated in the planning and building of the second Rindge Meetinghouse in 1796. Our Meetinghouse is one of the last in the state of New Hampshire that serves both church and state.

In 2023, the Town contracted with Scully Architects for a historic property assessment. This allowed the Town of Rindge to apply for a grant through the NH Land and Community Heritage Investment Program (LCHIP) and the NH Moose Plate Grant Program. Several goals of the assessment were undertaken in 2024. The entire structure of the Meetinghouse and the Horse Sheds was painted, including the steeple. Repairs to the ramp and repointing the masonry were accomplished. The town clock was restored, and the numerals and hands were repainted in gold leaf.

The Meetinghouse Oversight Committee has decided to check another item off the recommended assessment list in 2026. The final exterior project in the 2023 assessment is to replace the wood shingles on the Horse Shed roof. Together with a contribution from the Gertrude and Ralph Ward Trust and a potential Moose Plate grant, the cost to the taxpayer will be minimal.

This year, the Selectmen have placed Warrant Article 9 on the ballot to add \$25,000 to the Meetinghouse Expendable Trust. Having funds available for matching grants is essential to the ongoing maintenance of the town's historic Meetinghouse.

Respectfully Submitted,

Karla MacLeod
Historical Society Representative of the Meetinghouse Oversight Committee

PLANNING BOARD

The Planning Board reviewed a total of 11 applications and/or proposals during the 2025 calendar year, and 4 conceptual consultations. An overview of the prior four years shows that in 2024, there were 7 applications /proposals reviewed; in 2023, there were 11 applications/proposals reviewed; in 2022, there were 13 applications/proposals reviewed. Of the 11 applications and/or proposals reviewed in 2025, there were four Technical Subdivisions /Lot Line Adjustments; one Major Subdivision; two major Site Plans; one Minor Site Plan; two Minor Subdivisions, and one Expedited Site Plan. The Board also reviewed four Conceptual Consultations.

This year, the Planning Board has one warrant article, proposing changes to the Zoning Ordinance; this is regarding ADUs (Accessory Dwelling Units), to bring the ADU ordinance in line with current state law. Planning Board staff were involved with the meetings of the Town-Gown committee, the Roadway Committee, as well as sub-committee meetings during the 2025 calendar year. Susan Hoyland continues in her role as the Planning Board secretary. The electronic filing system continues to be modified and improved, increasing the efficiency of the Planning Department.

The Board welcomed Matthew Olson and Curt Sauvola, who were elected at the March, 2025 Town Meeting. Robert Hamilton was appointed to the Planning Board as the Ex Officio member.

TELECOMMUNICATIONS AND TECHNOLOGY COMMITTEE

The Rindge Telecommunications and Technology Committee, also called the TelTech Committee, is comprised of a group of volunteers that offer advice to the town on matters relating to services, software, and systems used for telecommunications and technology.

The members of the committee are Phil Motta - Chair, Craig Clark - Vice-Chair, and Tim Wessels. The regularly scheduled public meetings are held as needed on the 3rd Monday of every other month. We may meet more frequently if there are any projects that the committee would need to undertake.

This year, the Committee has continued to provide information to people regarding the Fiber to the Premises. In 2020, the town voted in favor of the warrant article to move forward with a solution offered by Consolidated Communications to make high-speed internet available to all addresses in the town. This service has been adopted by many people in Rindge. Rindge now has other high-speed internet offerings from other service providers, but they do not guarantee availability to every address.

TELECOMMUNICATIONS AND TECHNOLOGY COMMITTEE

The Committee has also been communicating with Consolidated Communications, bringing them questions and concerns from people in town. Craig Clark has been answering many questions for people by phone, in person, and in online discussions. Craig Clark continues to go above and beyond in this work.

This year, the committee facilitated having a representative from Consolidated Communications attend a Select Board meeting. They answered questions related to the decommissioning of the traditional telephone service that used the antiquated copper wire system.

Faithfully submitted,

Phil Motta
Chair of the TelTech Committee

TOWN AND GOWN COMMITTEE

The Town of Rindge and Franklin Pierce University (FPU) work collaboratively on the Town-Gown Committee. The committee consists of representatives from Franklin Pierce University, the Town of Rindge, and members from the Rindge community. The committee meets monthly, more often as needed, alternating between the Franklin Pierce campus and the Rindge Town Offices.

The Town-Gown Committee's Vision: Rindge is a community of people who live, work, and learn together in a positive, synergistic way on a daily basis.

The Town-Gown Committee's Mission: The mission of the Rindge-Franklin Pierce University Town-Gown Team is to ensure a vibrant working relationship and reliable communication between the organizations, for the betterment of all.

During 2025, the committee collaborated on the following:

- Partnering together with the Police Department (RPD), Fire Department (RFD), and Emergency Medical Services (EMS) for event safety during Senior Week events, Commencement with traffic and pedestrian flow, Alumni Weekend, Orientation events for new students, Community Trick-or-Treat, and Football Tailgating. FPU promptly responded to guidance from the RPD regarding additional signage and fencing for tailgating at FPU Football home games.
- Fostered relationships with new FPU leadership. President Peter Eden offered several "State of the University" updates throughout the year
- Supported FPU Campus Safety Transitions and had training sessions for Campus Safety with RPD & RFD/EMS
- Partnership between Residence Life and RPD, RFD/EMS for Health and Wellness checks
- Continued collaboration on various MOU (memorandum of understanding) documents
- FPU staff and students assisted in supporting the RFD 100th Anniversary Celebration
- FPU students continue to serve as members of the RFD with Engine 1 stored at the University
- Supported the Town Administrator transition
- Created a contact list for the committee members
- Discussions regarding event permitting, University Policies, and Rindge Ordinances

Respectfully Submitted,

Kristine Nolan
Director of Procurement and Campus Services at FPU

ZONING BOARD OF ADJUSTMENT

The Zoning Board of Adjustment (ZBA) plays a vital role in ensuring fairness, consistency, and transparency in the application of Rindge's zoning ordinances. Through monthly public hearings, the Board provides residents and property owners with an opportunity to request variances, special exceptions, and appeals, while carefully balancing individual circumstances with the intent of the Town's zoning regulations as adopted by voters.

During the past year, the Board experienced an unusually high number of applications involving nonconforming parcels, many of which sought to create additional building lots beyond what zoning allows. These cases required detailed review, multiple hearings, and careful deliberation. Several decisions resulted in rehearing requests and legal challenges, underscoring the importance of a thorough, impartial, and well-documented process.

In all variance matters, the ZBA evaluated applications in accordance with New Hampshire law, applying the five statutory criteria required for the granting of a variance. By consistently adhering to these standards, the Board worked to ensure that decisions were equitable, legally sound, and protective of both individual property rights and the broader interests of the community.

Authority and Responsibilities

The Zoning Board of Adjustment is authorized to hear appeals of administrative decisions, grant variances and equitable waivers, and approve special exceptions.

TOWN STAFF REPORTS

BUILDING DEPARTMENT

The Rindge Building Department conducted over 1000 inspections in 2025. In 2026, we will be conducting a survey for Building Permit Fees and updating our Fee Schedule. We will also update the department's website (rindgefire.org) with all permit applications, worksheets, inspection schedules, permit fees, and information pertaining to obtaining a permit. We continue to look forward to working with all homeowners and contractors performing work in the Town of Rindge.

At the end of 2025, the Rindge Building Inspector, Rick Donovan, and the Building Office Manager, Deb Douglas, retired. Rick and Deb started in February 2001 and worked together in the Building Department until December 31st, 2025. The town has hired a new Building Inspector, Roger Seppala. Roger will be managing the building department, reviewing Building Permit Applications, and conducting all inspections. Roger will also be attending Building Code Training and obtaining his Inspector Certification. Please welcome him when you see him on the job sites or in the office.

The Town of Rindge Building Department issued: Twelve (12) Residential Single Family Dwelling Permits; Four (4) Replacement Single Family Dwelling Permits; Seventy-Three (73) Residential Accessory Permits; Three (3) Residential Accessory Dwelling Unit Permits; Four (4) Commercial Building Permits; Five (5) Commercial Accessory Permits; Seven (7) Swimming Pool/Hot Tub Permits; Nine (9) Demolition Permits; One Hundred Seventeen (117) Electrical Permits; Twenty-Eight (28) Solar Array System Permits; Eight (8) Generator Permits; Forty Eight (48) Plumbing Permits; Seven (7) Fire Safety Permits; One Hundred Forty-Four (144) Mechanical Permits; and One (1) Occupancy Permit.

PERMIT REQUIREMENTS

Permits are required for all construction within the Town of Rindge, including remodeling, additions, sheds, outbuildings, decks, pools, sundecks, demolition of a structure, etc. A permit is also required for all electrical, plumbing, mechanical, oil, and gas appliances, including piping, wood-burning equipment, chimneys, etc. Permit applications and information may be obtained at the Rindge Building Office located in the Rindge Town Office Building on Payson Hill Rd. Permit applications may also be downloaded from the town's website.

All contractors are required to file a permit application to obtain a permit for their respective trade prior to starting the work. Examples are electrical, plumbing, mechanical permits, etc. This process will ensure better management of building projects within the town. This procedure will guarantee the contractor's endorsement for the building project.

The Rindge Building Department encourages all residents and contractors planning any remodeling or construction projects to first contact the Building Office prior to construction, remodeling, repairing, demolishing, altering, etc., to obtain information on the permit process and what permits may be required, as well as what codes and code editions are adopted.

NOTE: A permit must be obtained prior to the commencement of work unless it is an emergency, in which case a permit must be obtained the next business day. Any work started prior to obtaining a permit will result in the permit fee being doubled.

DEPARTMENT OF PUBLIC WORKS

The Rindge Department of Public Works strives to provide the citizens of Rindge with quality roads. Our main priorities are assessing the condition of and maintaining town roads. The Town of Rindge maintains sixty-five miles of roads.

In the fall, the Department starts evaluating the roads to decide which ones will need to be repaved. Many factors influence our decisions. The major factors to consider are the age and condition of the existing pavement, the condition of the road base, and the condition of the drainage structures in and along the roadway. This year, for funding, we received \$176,492 from the Highway Block Grant, and \$273,591 was appropriated to address the roads in need of maintenance or rebuilding. Every year, we put the cost of paving out for competitive bidding. In trying to maintain a level budget, we have not been able to fund the gravel road maintenance line item. But we have put some gravel and stone on dirt roads in the last several years and will continue to do so if monies allow. Our other fall projects consist of preparing the Town trucks and equipment for the Winter months, raking and picking up leaves on all town grounds, preparing the Town parks for Winter by draining the water lines and winterizing bathrooms at Wellington Park, re-grading and ditching all the gravel roads, and patching potholes.

The winter months keep us very busy. Our main challenge is keeping the roads clear of snow and ice. This can be very challenging and exhausting. It is not unusual for our crew to work 24-30 hours consecutively during major storms. We spend many sleepless nights ensuring the roads are safe for the citizens of Rindge. The highway crew also services and maintains the equipment during the winter months and assists other town departments as needed. The Town is fortunate to have such a talented and diverse group of individuals to provide this service. We have very dedicated crew members who really care about their jobs and take a lot of pride in their work. I would like to personally thank them for their dedication and many hours of work put in during the winter months, keeping all the town roads safe for our citizens.

The spring months keep us busy cleaning up from winter and preparing for summer. Projects in the Spring consist of: placing gravel and stone on the dirt roads during mud season, patching potholes, raking and picking up the rest of the leaves from the Fall, power sweeping all the town parking lots, line striping all parking lots and crosswalks and roadways, opening the cemeteries, maintaining lawns, fertilizing, cutting brush, and trimming trees in preparation for Summer projects, repairing damages to property and road signs from Winter plowing, and preparing and advertising bids for the major Summer projects such as paving road ways and drainage.

The major Public Works projects are performed in the summer. These consist of: replacing drainage pipes, ditching, trimming brush in preparation for paving, grading dirt roads and line striping several roads, maintaining the Town Common, Police Station, Fire Station, Library, Meeting House, cemeteries, and the Town Office lawns, preparing Wellington Park fields for Summer recreation, and roadside mowing.

Highway Projects

- Resurfaced and line-striped Forristal Road
- Resurfaced Old Military Road
- Resurfaced Daria Drive
- Resurfaced Camri Court
- Resurfaced the lower portion of Robbins Rd
- Replaced several culvert pipes
- Placed 500 yards of stone in the spring on dirt roads
- Placed 600 yards of gravel on dirt roads
- Several miles of roadside mowing

DEPARTMENT OF PUBLIC WORKS

Transfer Station

The Transfer Station and Swap Shop use continues to grow every year. We would like to thank the volunteers for all their personal time to organize and staff the Swap Shop. Without their help, the Swap Shop would not be the success it is today. The Swap Shop is open on Saturdays and Tuesdays.

Hazardous Waste has taken a new direction due to the lack of grant funding for smaller municipalities. We have partnered with the City of Keene in their Household Hazardous Waste Days in the spring and fall. Rindge citizens can take their hazardous waste to the Keene Recycling Center located on Route 12 in Keene. Those dates can be found in the Keene Shopper Newspaper in the spring and fall. Rindge Citizens are required to provide proof of residency to dispose of their hazardous waste. Cost of disposal is the responsibility of the citizen at the facility's disposal rate.

The Recycling Program recycled 278.44 tons in 2025; in 2024, we recycled 288.21 tons to Monadnock Disposal of Jaffrey, NH. This is a difference of - 9.77 tons. Disposal of Demo/Household waste to Monadnock Disposal in 2025 was 631.35 tons. In 2024, we disposed of 682.68 tons. This is a difference of - 51.33 tons from last year. We have seen an increase of citizen use of the facility during the 2025 calendar year. This year, our contract with Monadnock Disposal expired, so we agreed to a 1-year contract. Next year, we will be renewing our annual contract. We would like to thank the citizens of Rindge for their conscious effort in recycling, and those citizens who participate in the annual Earth Day roadside cleanup in the spring keeping Rindge clean. Keep up the good work.

Building Maintenance Department

The full-time Maintenance Technician has worked hard all year at keeping up the buildings and repairing major safety and building issues. He also works with the Energy Committee on improvements to the town facilities with BOS approval. This has saved the town from having to hire out some of these projects to contractors. The Maintenance Technician, along with the DPW Director work with other department heads to devise a yearly maintenance/repair plan to address maintenance issues for all town buildings. He is also responsible for winter plowing, which includes roads, parking lots, sidewalks, and walkways for all of the public buildings.

Building Projects Performed In 2025

The Transfer Station metal roof replacement was put out to bid and awarded to Pento & Sons roofing, and installed. The Library received a donation, and with the approval from the Trustees and the Board of Selectmen, we installed a diesel generator for the building and replaced 4 air conditioners. The scale on the common also received a donation from the Rindge Women's Club to replace the main beams and boards that were rotten, and replace them with pressure-treated wood.

The Crew and I wish to thank the citizens of Rindge and other departments and boards for their cooperation and assistance during the past year. I especially wish to thank our Board of Selectmen and Town Administrator for all their guidance and assistance throughout the year.

Sincerely yours,

Michael Cloutier, Sr.
Director of Public Works

EMERGENCY MANAGEMENT

In 2025, the Rindge Emergency Management Department replaced the Equipment Storage Shelter behind the fire Station. This shelter was purchased from the American Rescue Plan Act Fund (ARPA) in 2024. The department continued to introduce the Rindge Alerts App. This App is used to update all who have subscribed to it with important information about emergencies, road closures, storm-related notifications, and important town meetings. The department will continue to maintain and promote this App.

The Emergency Management Committee completed the town's Hazard Mitigation Plan. This plan was adopted by the Board of Selectmen and FEMA and is currently in effect. The plan is used to identify potential hazards and plans to help prevent and/or respond to issues that can result from the hazard. Jane Hubbard Consultants assisted with this plan through an Emergency Management Grant (EMPG) provided by the State of New Hampshire Homeland Security (NHHS). The plan was adopted, and the grant was closed.

In 2026, the Emergency Management Team, made up of the Town Department Directors, will work on updating the town's Local Emergency Operations Plan (LEOP). We will seek Grant approval to assist with funding this project. The Hazard Mitigation Plan and the LEOP must be updated, approved, and adopted every five years to meet the requirements of FEMA. Plans must be updated to qualify for FEMA Grants.

We will also seek NH DOT or EMPG for funding for Traffic Control Devices (Illuminated Stop Signs, Speed Control Radar Signs, and Illuminated Crosswalk Signs). We will also continue to seek an easement from the State of New Hampshire DOT to place a Variable Message Sign at the NH RT 202 & NH RT 119 intersection. The second sign will be placed at the Transfer Station, and both signs will be used to notify citizens of emergency events and notices, town important events such as voting and important meetings. It is a town policy NOT to use the signs for fundraisers or private events.

Respectfully Submitted,

Rickard J Donovan

FIRE DEPARTMENT

In 2025, the dedicated men and women of the department responded to a total of 819 calls for service. This represents a 19% increase in calls for service over a period of 10 years (2015 – 2025). Attached to this report is a document outlining the department's statistics. The increase in calls for service is related to the growth of the town, along with the growth of our elderly population. These calls include, but are not limited to, medical calls, fire calls, motor vehicle accidents, weather-related incidents, residential and commercial fire alarms, HAZ-MAT incidents, and service calls.

In 2026, the Fire Department will continue to find ways to build its call membership and provide these dedicated men and women with the necessary training and equipment to respond to emergencies and preserve the safety of the town and its residents. The dedication and hard work of these residents, who spend hundreds of hours (859) training and earning certification, allow the department to provide a high level of professional service to the town and protect its residents.

FIRE DEPARTMENT

These emergency responders are paid per call instead of manning the station at all hours. Without a full-time Fire Department, Rindge relies on service-minded citizens to work on behalf of the community. Anyone interested in making a difference for their community as a first responder can contact the Director of Life and Public Safety, Robert Faas, at the Fire Station (603-899-3324) for details.

On December 31st, the Fire Chief, Rickard Donovan, and the EMS Deputy Chief, Debra Douglas, retired. Chief Donovan joined the department in 1997 and worked up the ranks to Chief in February 2001. Deputy Chief Douglas joined the department in 1996 and worked up the ranks to EMS Deputy Chief.

The town has hired Robert Faas as the new Fire Chief. Chief Faas served with the department from 1995 to 2001, when he moved to become a full-time firefighter in Maryland. Chief Faas returns to the Town of Rindge to become your next Fire Chief. Please welcome Chief Faas to the town. Brittany Fahey has been appointed as the new EMS Deputy Chief.

In 2026, the department will continue to offer free home fire safety guidance, fire prevention programs to school and civic groups, and fire extinguisher training. We will also continue to perform mandatory annual Life Safety inspections in Places of Assembly, Business and Mercantile Occupancies, Educational Facilities, and multi-family dwellings throughout the year. The department also offers CPR/AED and First Aid classes to citizens, businesses, and civic groups that are interested in improving their lifesaving knowledge. If you are interested in more information about these programs, please contact us at (603) 899-3324.

The department extends a sincere thank you to all the people, businesses, and organizations that have provided their support during the past year.

Respectfully Submitted,

Rickard J Donovan, Director of Public and Life Safety

The Rindge Fire Department maintains minimum training and certification levels for all emergency responders in accordance with the National Fire Protection Association and National EMS Registry requirements and recommendations. All members are required to participate in mandatory fire, rescue, and EMS training, infectious disease training and monitoring, and leadership training.

Apparatus Brief

The Rindge Fire Department will continue its Preventative Maintenance Program on all vehicles and equipment in an effort to keep all emergency equipment in a state of constant readiness. This program also helps keep repair costs down and ensures the equipment meets its recommended life span. The maintenance program consists of in-house weekly vehicle and equipment inspections; in-house fluid, filter, and lubrication service; oil changes; pump and ladder maintenance; small engine service; and building maintenance.

FIRE PREVENTION, EDUCATION, AND INSPECTION OFFICE

The Rindge Fire Department will continue its Fire Prevention and Education Programs in schools and other public and private events. We also continue to offer Fire Safety Programs, Fire Extinguisher and Prevention Programs to local businesses for their employees. The Rindge Fire Department also offers free Home Fire Safety Inspections to the residents of Rindge and continues to perform mandated inspections at businesses and multi-family dwellings located in town. The Rindge Fire Department maintains an open-door policy for the citizens to visit the station during business hours to check out the equipment and apparatus the town owns. This is also a great time to see what is available and the importance of different equipment used in the fire service. Fire prevention materials are also available at the fire station.

Under the NH State Fire Code and State Statutes, all businesses and residential rental units are subject to annual life safety inspections. The Town of Rindge currently inspects these properties. Our goal is to assist businesses and rental property owners in providing a safe environment for their customers, employees, guests, and tenants.

CPR, AED, AND FIRST AID TRAINING

The Rindge Fire Department offers CPR, AED, and First Aid classes to the general public and businesses within the Town of Rindge. We are planning on scheduling monthly classes, and more if necessary. To receive more information or to sign up for a class, please contact the Department's CPR/First Aid Coordinator, Marie Pugh, at 603-899-3324. Our goal is to train as many citizens as possible in CPR, AED, and First Aid.

FIRE DEPARTMENT

The Rindge Fire Department would like to thank the Town of Rindge residents and businesses for all their support throughout the years.

BURN PERMIT AND FIREWORKS PERMIT SCHEDULE

FIRE STATION

Mon – Fri: 3:30 PM – 6:00 PM & Sat: 10:00 AM – 4:00 PM

Note: On days that it is actively raining, you may obtain a permit at the fire station for that day (Monday – Saturday) starting at 10:00 AM

There will be no permits issued on Sundays or holidays, so if you plan to burn on these days, please obtain a permit beforehand. Permits for those days may be obtained after 3:30 PM on the Friday before, depending on the weather forecast. If you are unable to obtain a permit on Friday, you can call ahead to make arrangements at (603) 899-3324.

Permits may also be obtained through the NH Division of Forests and Lands' online burn permitting system. <https://nh.burnsafeamerica.com/> These are available 24 hours a day, weather dependent.

Burn Permits are required for all outside open burning unless there is 100% coverage of snow. When there is 100% snow coverage, please call the fire department and leave a message with your name and address where the burn is taking place.

Anyone who wishes to burn clean, ordinary combustibles such as leaves, brush, or untreated lumber, or have a camp or cooking fire must have written permission from the landowner and a fire permit from the Rindge Fire Warden before the fire is kindled. You must be at least 18 years of age to obtain a written fire permit.

Seasonal permits can be issued for established fire rings containing small camp and cooking fires. Such camp or cooking fires shall be in an area cleaned to mineral soil at least 8 feet across, have at least 6 inches of sand or gravel under the fire for any fire built on the ground, and have no limbs or other burnable material to a height of 10 feet above the fireplace area.

Woody debris or brush less than 5 inches in diameter, or untreated wood and untreated dimension lumber (subject to Env-A 1001.05(g) below) can be burned. For any open burning, a written fire permit is required. Even with the permit, no open burning is allowed between the hours of 9:00 am and 5:00 pm unless it is raining. When the ground where you are burning is completely covered with snow, no fire permit is required. However, it is asked that you contact the Fire Department before burning.

FIREWORKS PERMIT

A fireworks permit is required to display fireworks within the Town of Rindge. Applications for Class C fireworks must be submitted at least 2 business days before the intended display. The permit fee for Class C consumer permissible fireworks is \$10. Class B fireworks require a permit and must be obtained and displayed by a licensed fireworks operator.

Permit Requirements:

- The applicant shall appear in person before the Fire Chief, or his/her authorized designee.
- The applicant shall provide proof that he or she is the landowner of where the fireworks discharge is to occur, or has the landowner's written permission.
- The applicant shall provide a valid photo identification.
- The applicant shall be at least 21 years of age or older. (NH RSA 160-C:II)
- Fireworks shall be purchased from licensed Permissible Fireworks retailers in New Hampshire only. (Copy of Receipt for permit may be requested)

FIRE DEPARTMENT

- The applicant shall only purchase the quantity of fireworks needed for the permitted display. The storage of Permissible Fireworks is prohibited.
- Fireworks shall not be ignited by minors (anyone under the age of 21).
- Fireworks shall be ignited a minimum of 50' from any structure or overhead utilities.
- The applicant is required to have a means of fire extinguishment readily accessible.
- The permit shall be valid only for the date (or rain date) it is issued.
- Anyone discharging or igniting fireworks shall not be under the influence of any drugs or alcohol.
- Permissible Fireworks shall only be discharged between the hours of 10:00 AM and 10:00 PM.
- Permits will only be valid on days when the Daily Fire Danger is Class One (low) or Class Two (moderate) as determined by the New Hampshire Division of Forests and Lands – Bureau of Forest Protection without a Fire Detail.

Detail Requirements:

The Rindge Fire and/or Police Chief reserves the right to determine if a detail is required. However, a detail will be required for the following: (SAF-C 5024.10)

- All Class B Displays
- Class C Display if permission granted on a Class 3 or Higher Fire Danger Day
- Class C Display with 100 or more attendee's
- Class C Display operated (fired) by a NH Pyrotechnic
- Class C Display at a Place of Assembly where a Place of Assembly Permit is required

NO FIREWORKS WILL BE DISPLAYED ON A CLASS 5 OR RED FLAG FIRE DANGER DAY

FOREST FIRE WARDEN & STATE FOREST RANGER

In 2025, New Hampshire experienced a lower-than-average spring wildfire season. However, flash drought conditions quickly took hold as New Hampshire experienced the driest summer on record in 130 years. This led to deep-burning wildfires across the state. The state assisted local fire departments on these multi-day events, providing resources and technical assistance. This included our thermal imaging unmanned aircraft system, which was deployed on multiple incidents, including in North Hampton, where a wildfire burned for 5 days. Wildfire risk increased to the level where the Governor and Council set forth a statewide prohibition on outdoor burning. This resulted in fewer wildfires and reduced the risk until rain came in late October.

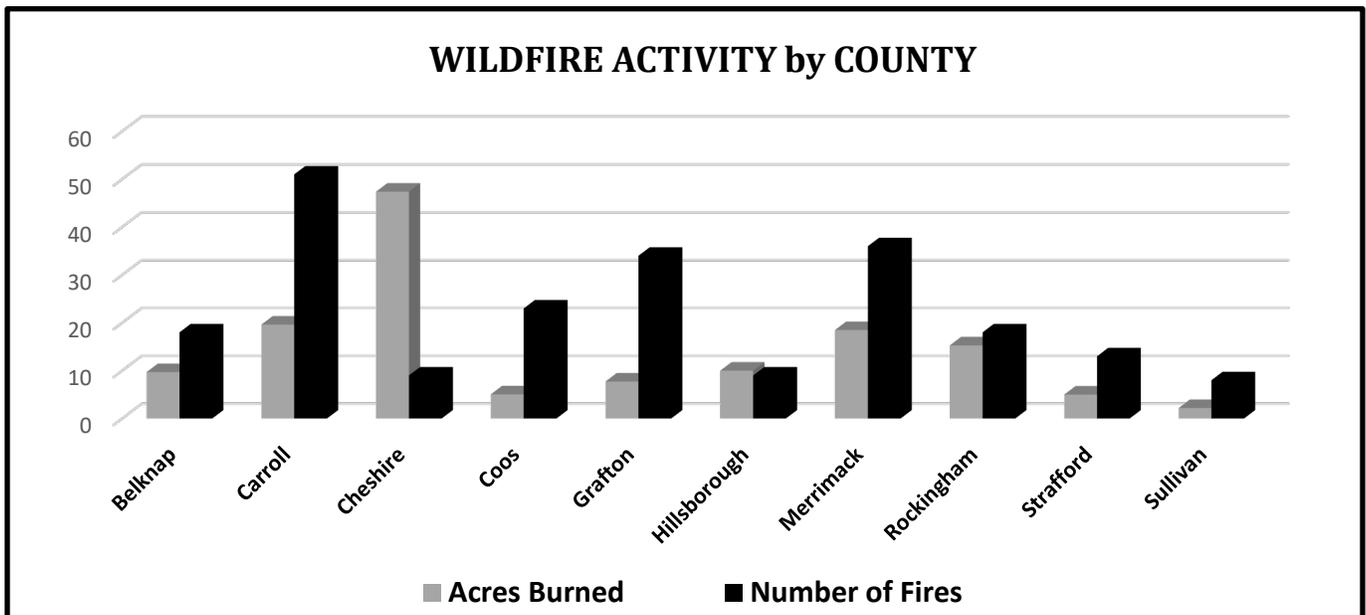

Many homes in New Hampshire are located in the wildland urban interface, which is the area where homes and flammable wildland fuels intermix. Every year, New Hampshire sees fires that threaten or destroy structures, a constant reminder that wildfires burn more than just trees. In 2025, New Hampshire properties within the Wildland Urban Interface were impacted, with 10 structures threatened by wildfires. Homeowners should take measures to prevent a wildfire from spreading to their home. Precautions include keeping your roof and gutters clear of leaves and pine needles, and maintaining adequate green space around your home free of flammable materials. Additional information and homeowner recommendations are available at www.firewise.org. Please help Smokey Bear, your local fire department, and the state's Forest Rangers by being fire-wise and fire-safe! We ask everyone to remember Smokey's message about personal responsibility and follow his ABC's: **Always Be Careful** with fire. If you start a fire, put it out when you are done. **"Remember, Only You Can Prevent Wildfires!"**

FOREST FIRE WARDEN & STATE FOREST RANGER

As we prepare for the 2026 fire season, please remember to contact your local Forest Fire Warden or Fire Department to determine if a fire permit is required before doing ANY outside burning. Under State law (RSA 227-L:17), a fire permit is required for all outside burning unless the ground is completely covered with snow. Fire permits are also available online in most towns and may be obtained by visiting <https://nh.burnsafeamerica.com/> or using the QR code. The burning of household waste is prohibited by the Air Resources Division of the Department of Environmental Services. You are encouraged to contact the local fire department for more information. Safe open burning requires your diligence and responsibility. Thank you for helping us to protect New Hampshire's forest resources. For more information, please contact the Division of Forests & Lands at (603) 271-2214, or online at www.nhdf.dncr.nh.gov. For up-to-date information, follow us on X and Instagram: @NHForestRangers

INGALLS MEMORIAL LIBRARY

Another year in the books at Ingalls Memorial Library!

A few remarkable accomplishments this year:

- With the assistance of the Department of Public Works, the generator project was completed. The library will now be able to offer services during long-term power outages – giving residents a place to warm up, have a cup of coffee, charge their devices, and find a good book or puzzle to pass the time. This project was funded through a bequest from Don Burness in 2023.
- The windows in the original library were updated. The wind no longer rattles and whistles through them, and the front rooms remain comfortable regardless of the weather. We can now open them to let fresh air in. This project was also funded through the bequest.
- A magical mural, created by local artists Laurel Cameron and Liana Ecklund, was unveiled during a June reception and open house.
- During 2025, over 4,300 items were shared among the members of the Monadnock Regional Library consortium at no cost to taxpayers! This has been a welcome benefit for our patrons!

During 2025, we received a \$4,000 grant from the Roy A. Hunt Foundation and a \$5,000 grant from the Greater Washington Community Foundation on behalf of Andy Burness and his family. These funds were used to upgrade computers, plan an oral history project about libraries, add movie streaming services to the library's offerings, and more! We also hosted a painting program for adults, a first aid program for children, an ongoing nature program with the Massachusetts Audubon Society, a mushroom walk with the Harris Center, and a Young Scientists STEM Club. It is wonderful to have the opportunity to offer residents Rindge programs, services, and materials like this without adding to the tax burden. We are always on the lookout for these opportunities.

We added over 1,200 new books and nearly 300 DVDs to the collection throughout 2025. Some of these were donated by townspeople or purchased with generous donations from patrons. Others were obtained from Franklin Pierce University when they decided to reduce the size of their DVD collection. Thank you to all who support the operations of the library.

Digital services continue to grow. We are grateful to the NH State Library for curating the downloadable collections through NH Overdrive and the Libby app.

Our library truly offers something for everyone. In addition to offering a warm and welcoming environment and a wide variety of book clubs and other programs, we offer 24/7 internet access, local newspapers, magazines, movies, books, audiobooks, jigsaw puzzles, board games, craft kits, a ukulele, and a telescope! We offer photocopying, fax services, scanning, printing, 3D printing, art displays, a seed library, on-demand streaming movies from within the library, science kits, magnifiers, video games, access to Ancestry.com, and help with technology. Notary public services are offered Monday through Friday, and can be arranged during open Saturday hours. New in 2025 was the addition of a community room, complete with a small area with a refrigerator, microwave, coffee, and paper supplies, making the library a great place to go to get together with friends and associates! As we look to the future, we continue to look for opportunities to offer even more.

Our Youth Librarian, Mr. Joe, has rearranged and relabeled the Children's Room. It will now be easier for young readers to find materials that they enjoy! He's also added some great programs to the lineup in the Children's Room, including STEM programming, crafts, Dungeons & Dragons, Toddler Playtime, game socials, and video gaming. These are in addition to the ever-popular Story Times and LEGO Club.

The Ingalls Memorial Library is open 38 hours per week: Monday, Wednesday, and Friday, 10:00 am – 5:00 pm; Tuesday and Thursday, 1:00 pm – 8:00 pm; and Saturday, 9:00 am – 12:00 pm.

INGALLS MEMORIAL LIBRARY

As of December 31st, there were 2,029 active patrons, including 176 new members during 2025. Free library cards are available to people who reside, work, or own property in Rindge or attend Rindge schools. Non-residents are still able to purchase cards for a fee. Members of our consortium partners, the Jaffrey Public Library and the Frost Free Library in Marlborough, also have access to our collection.

Registered users have access to 32,910 items housed at the library. In addition to having access to the Jaffrey and Marlborough collections, cardholders have access to materials owned by libraries across the state through the Interlibrary Loan System and can directly search the state catalog and place holds on items owned by other libraries if they choose to do so. During the year, our patrons borrowed 2,818 items through the Interlibrary Loan system, and we sent 1,632 items to patrons of other libraries in the state.

Overview of Library Operations

Adult Materials Checked Out in 2025:	28,918
Children's Materials Checked Out in 2025:	27,098
Total Materials Checked Out in 2025:	56,016 – a decrease attributed to streaming services

Adult Books Acquired in 2025:	754	Children's Books Acquired in 2025:	495
Adult Media Acquired in 2025:	218	Children's Media Acquired in 2024:	73

There were 180 internet sessions during the year. This does not include access to our Wi-Fi, which is available 24/7 from inside and outside the library. As more people rely on cell phones for internet access, the number of people using public access computers continues to decline, but becomes more important for those who don't have access elsewhere.

Volunteers provided 234 hours of service to the library. Volunteers help with things like story times, book sale inventory, kit replenishment, shredding, and more.

Library programs were attended by 4,224 people. This is an increase of over 12%. There were nearly 18,000 visitors to the library this year.

I would like to thank the Library Trustees, Friends of the Ingalls Memorial Library, and volunteers for all they do to help the library. Thank you to the individuals, local businesses, RAMS, P.O.O.R., Charity Lodge #18, Rindge Chamber of Commerce, Jaffrey-Rindge Rotary Club, the Roy A. Hunt Foundation, the family of Andy Burness, and the New Hampshire State Library for your support of our operations, and the Ingalls 1894 Association for your fundraising efforts. Thanks to all who have generously donated materials to the library. Thanks to the Public Works Department for taking such good care of the building and the grounds. And thank you to all other town employees and departments. It takes a village.

And as always, thanks to our patrons. Without you, there is no "us." We appreciate your patronage!

I look forward to seeing you at the library!

POLICE DEPARTMENT

2025 kicked off with a term that the Rindge Police Department has seldom claimed during the last 10 years: “fully staffed”, with all nine of the voter-approved, full-time positions filled. This allowed us to increase patrols during holidays, evenings, and weekends, providing for a more consistent service for our residents. By mid-year, the increased proactivity had resulted in a 20% reduction in traffic crashes compared with the previous year. This proactivity also resulted in a noticeable decrease in the average speeds observed by officers on many Rindge roads. In 2025, the Department’s arrests increased by 24% over 2024. Calls for service increased by 30%, and motor vehicle stops increased by 43%. An article published in early spring by the Monadnock Ledger, “Small Towns Struggle to Compete in Bidding War for Police Officers”, the Rindge Police Department was hailed as having “distinguished itself as something of an anomaly when it comes to vacancies. The Department...has been fully staffed since October 2024...”

Along with employee retention came the ability to continue the growth and staff development of the Department with continuing education, a necessity when striving to become a self-sufficient Department. In addition to quarterly, in-house Department meetings and training sessions, officers had the opportunity to attend the following: OC Instructor, Criminal Investigations for Aspiring Detectives, Advance Crime Scene Photography, Field Training Officer, Drug Interdiction, Interview and Interrogation, Glock Armorer, Firearms Instructor, Taser Instructor, Rifle Instructor, Physical Fitness Testing Instructor, Crisis Intervention Training, and Advanced Roadside Impaired Driving Enforcement. Sergeant Nicholas Lavoie obtained the prestigious FBI LEEDA Trilogy Award after completing the third in a series of week-long leadership courses, over a three-year period, designed to provide comprehensive leadership education.

However, as they say, “all good things must come to an end”. As March concluded, we learned that the proposed budget had been voted down. Best efforts were made to ensure staffing retention and quality service as we continued operations on a default budget. In March, the Town parted ways with long-time Police Prosecutor Vint Boggis, and in July, Prosecutor’s Assistant Michelle Szalanski. The Department remained without a prosecutor for several months, with Detective Chris Martin temporarily filling the void and adding prosecutorial responsibilities to his regular duties. In July, the Department began a partnership with Attorney Anthony Gray, who has excelled in transitioning into the role of Prosecutor. Records Manager Susie DiMarzio added Prosecutor’s Assistant responsibilities to her existing role.

At the end of August, Master Patrolman Jeffrey Bain left Rindge to join the Cheshire County Sheriff’s Department. Two weeks later, Officer Eric Glover left Rindge to join the Keene Police Department. Along with them, we lost a total of 8½ years of experience and numerous certifications, to include the Firearms Instructor, Taser Instructor, Glock Armorer, and the Department’s only Field Training Officers. To date, both vacancies remain unfilled, and we have been striving to fill the voids with equitable sharing of caseloads and shifting responsibilities. As Sergeant Nick Lavoie and Detective Chris Martin have resumed more patrol shifts, there has been a delay in criminal investigations and administrative tasks, as we prioritize our caseloads.

In an effort to fill vacancies, we partnered with PoliceApp.com to advertise job vacancies to reach a broader audience and better track the hiring process. We conducted a wage study analyzing other local and similarly sized departments and towns. Based on that study, we concluded that: the Rindge Police Department is currently advertising the lowest starting salary range of all New Hampshire police departments currently advertising on PoliceApp.com, Rindge Police Officers are among the lowest paid in the region, and the starting wage for a new hire is not competitive with surrounding agencies. Becoming a police officer is no longer a highly sought-after career, and it is imperative that applicants are encouraged to apply and that employee retention becomes a priority for the Town of Rindge. On average, in 2025, the starting salary disparity between Rindge and surrounding hiring agencies was more than \$7,000.00, a difference that only a voter-approved wage adjustment will help mitigate. This has resulted in an extraordinarily low number of applicants for the open positions, causing the two vacancies to remain open and for current members of the Rindge Police Department to consistently receive employment offers from other Police Departments. In

POLICE DEPARTMENT

2026, the salary disparity is expected to increase more substantially as other agencies scramble to keep up with the supply and demand of the profession. Unfortunately, the Rindge Police Department has already been made aware that two additional members of the team anticipate departing in early 2026.

Due to our staffing shortage, we participated in fewer community-related events than we would have liked. Events we were able to attend included: Rindge Memorial School parades, RMS pre-school and third-grade class tours of the Police Department, Conant Career Day, the 4th of July Family Festival on the common, the Rindge Fire Department’s 100th Anniversary Parade and Event, Wreaths Across America at the Hillside Cemetery, and the Christmas Tree Lighting on the common.

We continued to collaborate with Franklin Pierce University and participate in monthly Town and Gown meetings. We remained involved with the Rindge Crime Watch and thank them for giving us the opportunity to speak and share current events at every meeting we were able to attend. We were only able to participate in one of the two National Drug Take-Back events during the year, but we continue to provide year-long services in our lobby. *(The drug intake box is available to the public, while the sharps collection box is available to Rindge residents only.)*

Adding to the complexities of the year was the long-term, grant-funded project spearheaded by the Cheshire County Sheriff’s Office to improve radio communications in Cheshire County. From this grant, we received a much-needed upgrade to our existing radio tower, but learned that the grant did not fund additional equipment. Unfortunately, once the project was nearing completion, we learned that after many years of transferring equipment from cruiser to cruiser rather than cycling out older equipment, several of our cruiser radios were too old and incompatible with the updated software. This rendered future radio communications for the Rindge Police Department nearly non-existent. Fortunately, through networking with the Keene Police Department, we were “gifted” 3 used radios, which Keene had already removed from their cruisers and labeled as “obsolete”. The used radios were a few years newer than the radios our Department has been using and are currently compliant with the new software. They were installed in three Rindge cruisers as a short-term solution in hopes that budgetary constraints will soon be lifted and more updated equipment can be purchased. We are extremely grateful to Keene for this contribution. We are currently researching available Motorola grants to update all cruisers with new radios, the first radio being installed in the replacement cruiser for Unit #2, a 2017 Ford Explorer, which will likely need to be taken out of service in 2026.

After a several-year hiatus, we resumed our partnership with the New Hampshire Department of Safety, securing \$8,500.00 in grant money to utilize for increased patrols from October 1, 2025, through September 30, 2026. This should assist the Department with filling 4–6-hour overtime patrols during State-required

POLICE DEPARTMENT

mobilizations and other times throughout the year when additional staffing is deemed appropriate. In July, we also partnered with the New Hampshire Liquor Commission to perform Alcohol Compliance checks of all licensed Rindge establishments, resulting in general compliance with only 2 arrests for Prohibited Sales.

This winter, we put together a survey which we asked residents and business owners to complete to better understand the community's knowledge and understanding of our Department as well as raise our awareness of the needs of the town and the services that residents expect. The results of the survey will be released in 2026. We will also be hosting a public forum during which Rindge residents and business owners will be encouraged to attend and participate in a Departmental presentation followed by a question-and-answer session.

The Police Department's Facebook page is continuously updated and maintained to provide information about major events, critical incidents, road closures, traffic hazards, important safety reminders, community events, weekly police logs, and monthly recaps.

End of Year Totals:

	2025	2024	2023
Total Calls for Service	7,932	5,511	4,678
Total Motor Vehicle Stops	3,216	2,249	1,658
Total Accidents	141	112	132
Fatal Accidents	2	0	1
Total Arrests	239	193	70
Total Criminal Investigations Conducted	223	351	261

In 2026 we will refocus our efforts and attention towards hiring and staffing retention. Population and commerce have grown rapidly, resulting in the Department being stretched to its maximum service capacity. This does not permit us to provide the level of quality services that we desire and that the town requires and deserves. This leads to the unavoidable side effect of employee burnout and the inability to retain staff. This has a direct impact on our ability to serve our community. Our goal for the coming year is to try to remedy these problems so that we can continue to provide the best possible level of care and service for our community.

Once again, we would like to extend our sincere gratitude and appreciation for the support of our community, other departments, committees, and outside agencies.

RECREATION DEPARTMENT

The Recreation Department enjoyed a productive and rewarding year in 2025, continuing to expand programs, strengthen partnerships, and provide meaningful opportunities for residents of all ages to connect, stay active, and enjoy our community. We remain deeply appreciative of the ongoing support and enthusiasm shown by residents, volunteers, and local organizations throughout the year.

We were pleased to have **Ally Faircloth** complete her second year as Program Coordinator. Ally has quickly become an integral part of the department, bringing exceptional organization, creativity, and attention to detail to her role. Her efforts have enhanced existing programs and helped lay the groundwork for new and exciting offerings moving forward.

Our **annual holiday and community events** once again brought residents together and remained a highlight of the year. These included the Easter Egg Hunt, Trunk-or-Treat, 4th of July Celebration, Town Tree Christmas Lighting, Breakfast with Santa, and the Senior Holiday Dinner.

The **Senior Holiday Dinner**, held at Hidden Hills, was especially meaningful, providing 260 meals to seniors both in person and through home delivery. We extend our sincere thanks to the Rindge Chamber of Commerce, Boy Scouts, Toah Nipi, and the many volunteers whose generosity and time made this event possible.

The **4th of July Family Festival** on the Town Common continued to grow in popularity, welcoming more than 600 attendees. This beloved tradition would not be possible without the ongoing sponsorship and support of the Rindge Chamber of Commerce.

Beyond special events, the Recreation Department offered a variety of **year-round programs**, including After-School Karate, knitting and crafting groups, the Rindge Woman's Club, Quilting Club, homeschool groups, and Senior Fitness—ensuring there are opportunities for residents of all interests and ages.

Our **Before and After School Program (EDP)** remained a cornerstone of the department and an essential resource for families. After 13 years of dedicated service, **Karen Chemello retired from her role as EDP Director**. Karen's commitment, leadership, and care for the children and families of our community left a lasting impact on the department. We are incredibly grateful for her years of service and wish her all the best in her well-earned retirement.

The **Recreation Center** continued to serve as a central gathering place for the community. In 2025, the building hosted 115 reservations and was in use for 266 days, reflecting a 72% utilization rate. Events ranged from birthday parties and baby showers to weddings, company gatherings, and holiday celebrations.

None of our programs and events would be possible without the dedication of **volunteers, parents, coaches, and community members** who generously give their time and energy. We are also thankful for the continued support of the **Recreation Committee**, whose guidance and hands-on assistance play a vital role in the department's success. New members are always welcome and encouraged to get involved.

TOWN CLERK

Regarded as the heart of local government, the Town Clerk’s office is where you go when you first move to town to find out what is required to become an “official” resident of the town. It’s the office you visit each year to register your motor vehicles and license your dogs. When your family expands, it’s where you can pick up your child’s birth certificate. When you are preparing to marry, it’s where you acquire a marriage license, and it’s where you go to register to vote or file for candidacy for public office. The Town Clerk is the official keeper of municipal archives and is responsible for maintaining a chronological record of vital records of the town, including births, deaths, and marriages that occurred in the town. In addition, as a chief election official, the Town Clerk is responsible for administering oaths of office to all elected officials and appointed members of local boards and committees. The Town Clerk’s office collected the following in 2025:

Motor Vehicles (including title apps.)	\$2,093,977.42
Agent Fees	\$ 47,900.00
Marriage Applications	\$ 2,700.00
Certified Copies	\$ 5,740.00
Unified Commercial Code Fees	\$ 1,905.00

Time certainly has passed quickly this year! It has been a relatively quiet year in comparison to 2024.

I attended the annual Town Clerk's Conference in the fall in beautiful Brentwood, New Hampshire. These workshops/conferences are crucial in keeping up with the ever-changing rules regarding motor vehicles, elections, and vital records. They are also a great way to network with clerks throughout the State.

This year, I have been able to issue Veteran and Antique plates. No more running to the local DMV for these plates, it has been a great convenience for everyone!

The 2026 dog tags are in; don't forget dog license renewals are due by the end of April. Please email me photos of your beautiful pals for entry into my "Dog of the Month" contest. At the beginning of each month, our Tax Collector pulls a name out of the box, and that pup has his or her picture posted on my Vet Pet rabies advertisement above my window, and it is our "spoke dog" of the month. We have had many beautiful dogs this last year and look forward to next year and many new photos.

The new Transfer Station stickers will be on sale at the end of February and will be available for sale at the Town Election on March 10, 2026.

Town Clerk Hours:

Monday & Wednesday - 8 a.m. to 4 p.m. (closed for lunch from 1 p.m. to 1:30 p.m.)

WELFARE DEPARTMENT

Welfare departments in NH exist to assist residents when they are unable to meet their basic needs. Assistance must be applied for once a month, for the month it is needed, and it is not ongoing. If found eligible, the department can assist paying for rent, electricity, heating fuel, food, medications, funeral costs, and emergency needs up to the amount you are eligible for.

Things to help reduce monthly expenses:

- ✓ **Fuel & Electric Assistance:** Call Southwestern Community Services: 352-7512
- ✓ **Prescriptions & Medical Bills:** Call your hospital or doctor's office to apply for a financial grant or medication program
- ✓ **Food Stamps, Health Insurance, Child Support:** Dept of Health & Human Services: 357-3510
- ✓ **For overdue rent, help with emergency rent, or to get a Security Deposit:** Call Southwestern Community Services: 352-7512
- ✓ **Unemployment Claims:** www.unemploymentbenefits.nh.gov/
- ✓ **Find a Job:** Call NH Works: 352-1904 or go to 149 Emerald Street Keene, or go on <https://nhworksjobmatch.nhes.nh.gov>. Also Indeed.com to search for a job.
- ✓ **Disability:** Call SSDI: 357-2034 for money; Call Voc Rehab for help to find work: 357-0266
- ✓ **Old Debt:** Call to set up payment plans to pay off
- ✓ **Savings & Retirement:** use to pay expenses until your income increases again
- ✓ **Phones:** Choose one – home or cell phone. Try www.consumercellular.com for \$35/month
- ✓ **Cable & Internet*:** Cancel it until your income increases *(it's free at the library)
- ✓ **Car Loan:** refinance your loan and extend the repayment term to lower your monthly payment
- ✓ **College Debt:** Put college loans into deferment or forbearance until income improves
- ✓ **Credit Cards:** Consolidate cards with www.greenpath.com, then cut up the cards.
- ✓ **Pay-Day Loans: DON'T!!** You will pay back 400% interest on money you get.
- ✓ **Homeless or Being Evicted?** Southwestern Community Services – Shelters: 352-7512, Shelter From The Storm: 532-8222, or Monadnock Area Transitional Shelter: 924-5033
