Appreciation

“Volunteerism is the voice of the people put into action. These actions shape and mold the present into the future of which we can be proud.”

~Helen Dyer~

Our volunteers are the mainstay of our community and we would like to extend our deep appreciation to them for their tireless efforts on behalf of the people of Rindge. Every success we have as a community is because of them.

We would like to send a special note of appreciation to David Tower for his 44 years of service to Rindge as our Town Moderator. Mr. Moderator, thank you!

<i>Notes</i>

State of the Town

This report *must* be started by thanking those residents who take it upon themselves to volunteer for a multitude of local groups, run for town offices, accept appointments to committees and who give of themselves to make this town work. These people work for little to no compensation for the betterment of Rindge. Thanks must also go out to all of our town employees who work loyally, diligently and competently. This town would not be what it is today without these people's willingness, dedication and selflessness.

Our town has had quite a list of accomplishments, in 2015, which include the following:

- ★ We completed upgrades at the Rindge Police Department building that were recommended by the Municipal Resources Incorporated study. Almost all of this work was done by employees of the town's Highway Department.
- ★ We completed the transition to our new IT consultant, Spaulding Hill Networks, and finished upgrades to our computer systems.
- ★ We sold, at public auction, several town owned properties taken by tax deed which garnered \$205,000 for future town improvements at the voters' discretion. More importantly these properties are now back on the tax rolls and will provide future revenue to offset taxes.
- ★ We have finally transferred ownership of the Payson Village Well to Southwest Community Services. This transfer relieves the town of quite a burden and responsibility.
- ★ We successfully re-invigorated the CIP Committee which completed a new Capital Improvement Plan. Their new plan provides a long term outlook into the capital needs of the town while keeping these costs smooth and manageable.
- ★ We wrote and gained sponsors for Senate Bill 241 (SB241). This bill was passed and signed into law. It now enables the voters of Rindge to more easily appropriate and spend funds from the "Rindge Municipal Electric Light Fund" at the Rindge voters' discretion with a 3/5ths vote. This trust fund had been nearly untouchable since 1957.
- ★ We completed the Town-wide re-evaluation as required, every 5 years, by state statute.
- ★ We initiated a new Sunoco Gas Card program which stands to save the town thousands of dollars in fuel costs. Heating fuel costs were also greatly cut by both the lesser fuel costs and by seeking out prices from a larger market.
- ★ We appointed and swore in (now) Eagle Scout Ben Germano as the official "Town Perambulator." Under Ben's direction and leadership, Boy Scout Troop 308 completed the state mandated perambulation on time.
- ★ We re-roofed the Rindge Fire Department building, under the watchful eyes of town residents. We now keep water from coming through the roof onto the fire trucks and firemen but inside the fire trucks. The expense of shoveling snow off the roof and placing tarps and buckets to catch water is over.
- ★ We hope, pending voters' approval of the budget, that our town employees will receive a wage increase and we will also be able to do more road paving. While the cost of oil has depressed the cost of asphalt, this seems a prudent time to get more paving done for less money.
- ★ We assembled a Pipeline Task Force which studied and then presented recommendations for "prior to" and if need be "during" and "after" the pipeline construction.
- ★ We have continued to meet with Franklin Pierce University, monthly, to our mutual benefit. When called upon, both the university and the town have benefited from our "Town and Gown" relationship. We welcome to FPU their new President Andrew Card and C.O.O. Nathaniel Peirce.
- ★ We had enormous citizen participation, which enabled us to have a very successful Memorial Day Commemoration, a joyous 4th of July celebration, a solemn and fitting Veterans Day Ceremony and Christmas Festivities, all at the Center Village.

There are things that were unfortunately left un-accomplished. Making this town a more resident

“user-friendly” place to live and to decrease the “total tax rate.” (Though we did manage to decrease the town’s portion of the tax rate.) While not looking for excuses, the proposed Kinder Morgan/ Tennessee Gas Pipeline NED Project consumed an extra-ordinarily large amount of time and effort. As taxpayers, we must also oversee and concentrate further on the ever increasing district school spending. Decreasing student enrollment along with newer, better and more efficient technologies seems to have no impact on their spiraling costs.

Town governance is being better scrutinized by local groups, public attendance at meetings and citizen participation. This is not only welcomed but *encouraged*. Rindge is now better positioned for the future, financially sound and in a forward looking stance thanks to those who choose to be involved.

Proudly submitted,

Bob Hamilton

***Town of Rindge
Minutes of Deliberative Session
Saturday, January 31, 2015***

First Meeting: Saturday, January 31, 2015

Voters on Checklist: 4,121

Voters Attending Meeting: Approximately 60

Second Meeting: Tuesday, March 10, 2015

Ballots Cast: 1,232

Town Moderator David Tower called the meeting to order at 9am. David introduced Troop 308 who led the meeting to the Pledge of Allegiance. David explained the process of the meeting and then introduced non-resident Department Heads; Town Administrator, Jane Pitt,

Police Chief, Todd Muilenberg, Director of Public Works, Michael Cloutier, Recreation Director, Timothy Goodwin. He introduced the Board of Selectmen; Chairman, Roberta Oeser, Daniel Aho and Robert Hamilton, Town Officials; Finance Director, Ellen Smith, Town Clerk, Nancy Martin, Deputy Town Clerk and Executive Secretary, Nicole Sesia and Deputy Town Moderator, Charles Eicher. He introduced the Budget Advisory Committee Members; Chairman, Thomas Coneys, Rick Sirvint, Susan Emerson, Sharon Rasku, Don Cook, Kale Stenersen and Andrew Alajajian (absent), Supervisors of the Checklist; Ida Mae Harman, Roberta Letourneau and Karla MacLeod.

Articles 1 through 8 are Town Officials and Zoning Articles

Article 9.

Shall the Town vote to raise and appropriate as an operating budget, not including appropriations by special warrant articles and other appropriations voted separately, the amounts set forth on the budget posted with the warrant or as amended by vote of the first session, for the purposes set forth therein, totaling \$3,706,400 Dollars? Should this article be defeated, the default budget shall be \$3,791,227 Dollars which is the same as last year, with certain adjustments required by previous action of the Town or by law, or the governing body may hold one special meeting in accordance with RSA 40:13, X and XVI, to take up the issue of a revised operating budget only. Note: This warrant article (operating budget) does not include appropriations in ANY warrant article.

Dan Aho presented the article; he thanked all the department heads for all of their efforts working on the budget.

Ellen Smith presented a power point slide show to explain the budget in detail; she mentioned that the proposed budget is \$100 less than the 2014 approved budget. Ellen went over some of the savings for the town, we now have a part time administrator; a part time consultant in the Planning Department instead of a full time director, legal expenses for the town have decreased as well as the estimated cost of gasoline has decreased.

Tom Coneys read the Budget Advisory Committee Report and thanked the Board of Selectmen for working with them.

No changes to article 9.

YES: 1037 NO: 134

Article 10.

Shall the Town vote to raise and appropriate the sum of Seventy Four Thousand and Eleven (\$74,011) Dollars for the fourth of five lease payments on the fire truck lease approved by the voters at the 2012 Annual Town Meeting? This lease agreement contains an escape clause.

Bob Hamilton presented the article; he stated the BOS supports the article.

No changes to article 10.

YES: 987 NO: 194

Article 11.

Shall the Town vote to raise and appropriate the sum of Eighteen Thousand (\$18,000) Dollars to be added to the Wellington Road Bridge Replacement Capital Reserve Account previously established?

Roberta Oeser presented the article; Rick Donovan stated the Emergency Management Department is working with the State of New Hampshire for a grant program for the bridge replacement.

No changes to article 11.

YES: 936 NO: 246

Article 12.

Shall the Town vote to raise and appropriate the sum of One Hundred Fifty Six Thousand Five Hundred Ninety (\$156,590) for the purpose of replacing the 19 year old 1996 Highway Department 6 wheel dump/plow truck and equipping the truck with items such as radio, emergency lights and plow attachments?

Dan Aho presented the article; he stated the current truck is being” held together by threads”, Capital Improvement Committee Member Jason Paolino presented a power point slideshow, he explained that the town has 64 miles of Class 5 roads; seven plow routes, each plow route has an average of 10 miles per route. He stated that the annual maintenance expense for the truck over the last 5 years has been \$4,500.

No changes to article 12.

YES: 849 NO: 342

Article 13.

Shall the Town vote to raise and appropriate the sum of Ten Thousand (\$10,000) Dollars to fund municipal energy projects as approved by the Board of Selectmen?

Dan Aho presented the article; he stated there has been a 50% energy cost reduction over the past 4 years. Pat Martin spoke on the article stating there has been \$35,300.00 invested in energy projects since 2013, so far the return on the investment is \$53,538.00.

YES: 655 NO: 514

Article 14.

Shall the Town vote to establish an Expendable Trust Fund for the purpose of supporting the Town’s 250th Anniversary celebration in 2018 and to raise and appropriate the sum of Five Thousand (\$5,000) Dollars for that purpose and for incidental expenses related thereto and to appoint the Selectmen as agents to expend from the Fund.

Roberta Oeser presented the article; she stated that she strongly supports the article.

Rick Sirvint stated the Budget Advisory Committee is not in support of the article, they do not believe the taxpayers should be paying for a celebration.

No changes to article 14.

YES: 524 NO: 648

Article 15.

Shall the Town vote to raise and appropriate the sum of Thirty Thousand (\$30,000) Dollars for the purpose of purchasing a 15 passenger mini-bus or similar vehicle with lettering and a radio to replace the 13 year old Recreation Department van; and to authorize One Thousand (\$1,000) Dollars of the purchase amount to be raised from taxes; and to authorize the acceptance of Twenty Nine Thousand (\$29,000) Dollars of the purchase amount from donations. This shall be non-lapsing until January 1, 2018 or until the \$29,000 in donations have been raised, whichever is sooner?

Bob Hamilton presented the article;

YES: 789 NO: 399

Article 16.

Shall the Town vote to pass the following non-binding resolution, which reads: "The Ingalls Memorial Library Board of Trustees should continue to work on the Ingalls Memorial Library expansion and renovation project which was started in the middle 90's?" (Submitted by the Ingalls Memorial Library Trustees).

**Dan Aho presented the article; Flo Marsh stated the trustees are looking for support.
No changes to article 16.**

YES: 919 NO: 254

Article 17.

Shall the Town vote to raise and appropriate the sum of Twenty Five Thousand (\$25,000) Dollars for the purpose of developing design documents for the expansion and renovation of the Ingalls Memorial Library? (Submitted by the Ingalls Memorial Library Trustees).

Dan Aho presented the article; he stated the article is just giving the trustees permission to spend funds that are already in the library's restricted funds.

Flo Marsh made a motion to amend the article with a second, a voice vote was taken, motion to amend passed. The amended article would read "Shall the Town vote to raise and appropriate the sum of Twenty Five Thousand (\$25,000) Dollars, the total amount to be withdrawn from the Library's Restricted Funds, for the purpose of developing design documents for the expansion and renovation of the Ingalls Memorial Library? (Submitted by the Ingalls Memorial Library Trustees)."

**The amended article will be on the ballot.
No changes to article 17.**

YES: 862 NO: 303

Article 18.

Shall the Town vote, pursuant to RSA 35:9-a-II, to authorize the Trustees of the Trust Funds to pay for capital reserve fund investment management services, and any other expenses incurred, from capital reserve fund income? No vote by the Town to rescind such authority shall occur within five (5) years of the original adoption of this Warrant Article.

Roberta Oeser presented the article;

YES: 839 NO: 289

Article 19.

Are you in favor of repealing the Town of Rindge Impact Fee Ordinance? (Submitted by Petition).

This is a zoning article petition therefore there was no discussion on the article.

YES: 545 NO: 629

Kirk Stenersen made a motion to reconsider article 14 with a second; a voice vote was taken the motion to reconsider failed.

Article 20.

Shall the Town of Rindge vote to oppose approval by the NH Energy Facility Site Evaluation Committee of the construction and installation of a natural gas pipeline by Tennessee Gas Pipeline Company, LLC (a Kinder Morgan Company) as part of the Northeast Energy Direct Project because the proposal is inconsistent with the basic tenet of individual property rights whereas if approved, Tennessee Gas Pipeline Company LLC shall have the power to force private property owners to give up rights under Eminent Domain proceedings in order to create a new corridor for the installation of the pipeline project? (Submitted by Petition).

Petitioner MaryAnn Harper presented articles 20, 21 and 22 with a power point slideshow presentation. She stated Kinder-Morgan; the largest private pipeline company in the United States is proposing the project, which is a 36-inch buried pipeline carrying fracked natural gas 416 miles from Pennsylvania and New York going through Massachusetts and New Hampshire to Dracut, Massachusetts. The project is proposed to meet projected energy shortfalls in New England, although the bulk of the gas is slated for export. The pipeline will cut right through and dig up numerous wetlands in town that been protected previously by town ordinances.

Right now, all drinking water in town, whether from private or community sources, comes from wells. Converse Meadow sits over one the prime aquifers in town and was conserved, in part, because of its potential to serve as a public water source if ever needed in the future.

Property owners have the right to deny Kinder-Morgan access to their property. If you grant Kinder-Morgan an easement you should consider that you still own the land and will pay the taxes on it; you will be offered a lump sum payment however your mortgage company may demand the lump sum payment against principal as you have released some of their collateral. Kinder-Morgan can add more pipes or bigger pipes to an existing easement; they can change the product (including change from gas to oil); they can transfer the easement and a band on the pipes.

The easement will affect the value of your property.

YES: 848 NO: 342

Article 21.

Shall the Town of Rindge vote to oppose approval by the NH Energy Facility Site Evaluation Committee of the construction and installation of a natural gas pipeline by Tennessee Gas Pipeline Company, LLC (a Kinder Morgan Company) as part of the Northeast Energy Direct Project because the proposal is inconsistent with the Town's goal of protecting its aquifers, drinking water including community and private wells, wetlands, streams and other bodies of water. In addition, the proposal to extract water to use in drilling or other operations, whether from a body of water or well, is inconsistent with the Town's goal to protect such waters? (Submitted by Petition).

YES: 847 NO: 348

Article 22.

Shall the Town of Rindge vote to deny permission to the Tennessee Gas Pipeline Company, LLC (a Kinder Morgan Company), its representatives, contractors, sub-contractors, or associates to enter any Town-owned property, including but not limited to Converse Meadow, to perform surveys or for any other purpose in furtherance of a pipeline infrastructure project. Any such physical entry onto Town-owned property will be considered unauthorized, and treated as trespass and prosecuted as such? (Submitted by Petition).

MaryAnn Harper made a motion to amend with a second, a voice vote was taken the motion to amend passed. The amended article would remove the words “or for any other purpose”. After discussion from the floor, the amended article will be on the ballot.

YES: 853 NO: 348

Al Lefebvre made a motion to restrict reconsideration with a second; a voice vote was taken the motion to restrict reconsideration passed.

David Tower concluded the meeting at 10:35am.

Respectfully submitted,

**Nancy A. S. Martin
Rindge Town Clerk**

ARTICLES

2. Are you in favor of the adoption of this Amendment as proposed by the Planning Board for the Town of Rindge Zoning Ordinance as follows:

To amend Article XIII of the Town of Rindge Zoning Ordinance to ~~eliminate~~ Section F, which currently states: "An owner of contiguous lots, any one of which has less than the required frontage and/or area, must combine such lots to conform to the frontage and area requirements of this Zoning Ordinance before any building permit may be issued, unless said lots have been previously approved by the Planning Board or exceed five (5) acres in area." (The Planning Board recommends this amendment. Vote: 6-0-0)

YES ☐
NO ☐

3. Are you in favor of the adoption of this Amendment as proposed by the Planning Board for the Town of Rindge Zoning Ordinance as follows:

To amend Article XIII of the Town of Rindge Zoning Ordinance to ~~eliminate~~ Section G, which currently states: "Any lot sold or transferred by the owner of a lot contiguous to said lot on or after March 12, 1991, that does not meet the frontage or area requirements of this Zoning Ordinance will not be considered a separate building lot." (The Planning Board recommends this amendment. Vote: 6-0-0)

YES ☐
NO ☐

4. Are you in favor of the adoption of this Amendment as proposed by the Planning Board for the Town of Rindge Zoning Ordinance as follows:

To amend the following three sections: Article V Section B.3, Article VI Section C.3, and Article VII Section B.3 to read as follows:

3. Area:
- Each lot shall have an area of no less than two (2) acres.
 - Single family dwelling lots shall have an area of no less than two (2) acres.
 - Two family dwelling lots shall have an area of no less than three (3) acres.
 - Multi-family dwelling lots shall have an area of no less than two (2) acres for each dwelling unit.

(The Planning Board recommends this amendment. Vote: 6-0-0)

BALLOT 2 OF 2

Nancy A. S. Harte
TOWN CLERK

ARTICLES CONTINUED

11. Shall the Town vote to raise and appropriate the sum of Eighteen Thousand (\$18,000) Dollars to be added to the Wellington Road Bridge Replacement Capital Reserve Account previously established? (Recommended by the Board of Selectmen, 3 in favor, 0 opposed. Recommended by the Budget Advisory Committee, 7 in favor, 0 opposed.) YES ☐ NO ☐
12. Shall the Town vote to raise and appropriate the sum of One Hundred Fifty Six Thousand Five Hundred Ninety (\$156,590) for the purpose of replacing the 19 year old 1996 Highway Department 6 wheel dump/plow truck and equipping the truck with items such as radio, emergency lights and plow attachments? (Recommended by the Board of Selectmen, 3 in favor, 0 opposed. Recommended by the Budget Advisory Committee, 7 in favor, 0 opposed.) YES ☐ NO ☐
13. Shall the Town vote to raise and appropriate the sum of Ten Thousand (\$10,000) Dollars to fund municipal energy projects as approved by the Board of Selectmen? (Recommended by the Board of Selectmen, 2 in favor, 1 opposed. Recommended by the Budget Advisory Committee, 7 in favor, 0 opposed.) YES ☐ NO ☐
14. Shall the Town vote to establish an Expendable Trust Fund for the purpose of supporting the Town's 250th Anniversary celebration in 2018 and to raise and appropriate the sum of Five Thousand (\$5,000) Dollars for that purpose and for incidental expenses related thereto and to appoint the Selectmen as agents to expend from the Fund? (Recommended by the Board of Selectmen, 2 in favor, 1 opposed. Not recommended by the Budget Advisory Committee, 3 in favor, 4 opposed.) YES ☐ NO ☐
15. Shall the Town vote to raise and appropriate the sum of Thirty Thousand (\$30,000) Dollars for the purpose of purchasing a 15 passenger mini-bus or similar vehicle with lettering and a radio to replace the 13 year old Recreation Department van; and to authorize One Thousand (\$1,000) Dollars of the purchase amount to be raised from taxes; and to authorize the acceptance of Twenty Nine Thousand (\$29,000) Dollars of the purchase amount from donations. This shall be non-lapsing until January 1, 2018 or until the \$29,000 in donations have been raised, whichever is sooner? (Recommended by the Board of Selectmen, 3 in favor, 0 opposed. Recommended by the Budget Advisory Committee, 7 in favor, 0 opposed.) YES ☐ NO ☐
16. Shall the Town vote to pass the following non-binding resolution, which reads: "The Ingalls Memorial Library Board of Trustees should continue to work on the Ingalls Memorial Library expansion and renovation project which was started in the middle 90's?" (Submitted by the Ingalls Memorial Library Trustees). (Recommended by the Board of Selectmen, 3 in favor, 0 opposed.) YES ☐ NO ☐
17. Shall the Town vote to raise and appropriate the sum of Twenty Five Thousand (\$25,000) Dollars, the total amount to be withdrawn from the Library's Restricted Funds, for the purpose of developing design documents for the expansion and renovation of the Ingalls Memorial Library? (Submitted by the Ingalls Memorial Library Trustees). (Recommended by the Board of Selectmen, 3 in favor, 0 opposed. Recommended by the Budget Advisory Committee, 6 in favor, 0 opposed, 1 abstention.) YES ☐ NO ☐
18. Shall the Town vote, pursuant to RSA 35:9-a-II, to authorize the Trustees of the Trust Funds to pay for capital reserve fund investment management services, and any other expenses incurred, from capital reserve fund income? No vote by the Town to rescind such authority shall occur within five (5) years of the original adoption of this Warrant Article. (Recommended by the Board of Selectmen, 3 in favor, 0 opposed. Recommended by the Budget Advisory Committee, 7 in favor, 0 opposed.) YES ☐ NO ☐
19. Are you in favor of repealing the Town of Rindge Impact Fee Ordinance? (Submitted by Petition). (Recommended by the Planning Board, 4 in favor, 3 opposed.) YES ☐ NO ☐
20. Shall the Town of Rindge vote to oppose approval by the NH Energy Facility Site Evaluation Committee of the construction and installation of a natural gas pipeline by Tennessee Gas Pipeline Company, LLC (a Kinder Morgan Company) as part of the Northeast Energy Direct Project because the proposal is inconsistent with the basic tenet of individual property rights whereas if approved, Tennessee Gas Pipeline Company LLC shall have the power to force private property owners to give up rights under Eminent Domain proceedings in order to create a new corridor for the installation of the pipeline project? (Submitted by Petition). YES ☐ NO ☐
21. Shall the Town of Rindge vote to oppose approval by the NH Energy Facility Site Evaluation Committee of the construction and installation of a natural gas pipeline by Tennessee Gas Pipeline Company, LLC (a Kinder Morgan Company) as part of the Northeast Energy Direct Project because the proposal is inconsistent with the Town's goal of protecting its aquifers, drinking water including community and private wells, wetlands, streams and other bodies of water. In addition, the proposal to extract water to use in drilling or other operations, whether from a body of water or well, is inconsistent with the Town's goal to protect such waters? (Submitted by Petition). YES ☐ NO ☐
22. Shall the Town of Rindge vote to deny permission to the Tennessee Gas Pipeline Company, LLC (a Kinder Morgan Company), its representatives, contractors, sub-contractors, or associates to enter any Town-owned property, including but not limited to Converse Meadow, to perform surveys in furtherance of a pipeline infrastructure project. Any such physical entry onto Town-owned property will be considered unauthorized, and treated as trespass and prosecuted as such? (Submitted by Petition). YES ☐ NO ☐

5. Are you in favor of the adoption of this Amendment as proposed by the Planning Board for the Town of Rindge Zoning Ordinance as follows:

To rescind Article III, Section K and replace it as follows:

YES ☐
NO ☐

K. Road Acceptance: Prior to the acceptance by the Board of Selectman of any road previously approved by the Planning Board as a public way, said road shall be reviewed and inspected in the following manner:

1. The Roadway Committee, consisting of the DPW Director, the Director of Public and Life Safety, the Chief of Police, the Planning Director, one member of the Planning Board and two qualified citizens, in this case one being an abutter to the road being considered, shall be convened to render an advisory opinion to the Board of Selectmen based solely on the construction and acceptability of the road as built.
2. The Roadway Committee shall seek the opinion of a qualified Professional Engineer of their choosing, registered in the State of New Hampshire, who shall provide them with a written report regarding the compliance with Town standards, bond and security issues, projected maintenance, and other items requested. The owner of the road is responsible for the payment of all consulting and engineering fees incurred and failure to do so is cause for disapproval.
3. The Board of Selectmen shall conduct the layout and acceptance of the road as prescribed in New Hampshire R.S.A. 43 and 231, as amended, or to determine that the acceptance of the road shall be by a petition warrant article.

(The Planning Board recommends this amendment. Vote: 6-0-0)

Auditor's Internal Control Report

CERTIFIED PUBLIC ACCOUNTANTS
608 Chestnut Street • Manchester, New Hampshire 03104
(603) 622-7070 • Fax: (603) 622-1452 • www.vachonclukay.com

REPORT ON INTERNAL CONTROL BASED ON AN AUDIT OF BASIC FINANCIAL STATEMENTS

To the Board of Selectmen
Town of Rindge, New Hampshire

In planning and performing our audit of the financial statements of the governmental activities, each major fund, and the aggregate remaining fund information of the Town of Rindge, New Hampshire (the Town) as of and for the year ended December 31, 2014, in accordance with auditing standards generally accepted in the United States of America, we considered the Town's internal control over financial reporting (internal control) as a basis for designing audit procedures that are appropriate in the circumstances for the purpose of expressing our opinions on the financial statements, but not for the purpose of expressing an opinion on the effectiveness of the Town's internal control. Accordingly, we do not express an opinion on the effectiveness of the Town's internal control.

A deficiency in internal control exists when the design or operation of a control does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct, misstatements on a timely basis. A material weakness is a deficiency, or a combination of deficiencies, in internal control, such that there is a reasonable possibility that a material misstatement of the entity's financial statements will not be prevented, or detected and corrected, on a timely basis.

Our consideration of internal control was for the limited purpose described in the first paragraph and was not designed to identify all deficiencies in internal control that might be material weaknesses. Given these limitations, during our audit we did not identify any deficiencies in internal control that we consider to be material weaknesses. However, material weaknesses may exist that have not been identified.

This communication is intended solely for the information and use of management, the Board of Selectmen, and others within the organization, and is not intended to be, and should not be, used by anyone other than these specified parties.

A large, stylized handwritten signature in black ink that reads 'Vachon Clukay & Company PC'.

2. Are you in favor of the adoption of this Amendment as proposed by the Planning Board for the Town of Rindge Zoning Ordinance and generally described as follows:

To amend Article III, General Provisions, Section K.1 by adding the following sentence at the end of the existing paragraph:

“A majority of the membership of the Roadway Committee shall constitute a quorum.”

(The Planning Board recommends this amendment. Vote: 7-0-0)

This amendment is intended to clarify what constitutes a quorum of the Roadway Committee.

3. Are you in favor of the adoption of this Amendment as proposed by the Planning Board for the Town of Rindge Accessory Dwelling Unit Ordinance and generally described as follows:

To amend the Accessory Dwelling Unit Ordinance by adding an Authority section as follows:

”Authority: Pursuant to the authority granted under RSA 674:16 and RSA 674:21 the Town of Rindge hereby adopts the following Accessory Dwelling Unit Ordinance.” (The Planning Board recommends this amendment. Vote: 7-0-0)

This amendment is intended to clarify by what authority the Ordinance was adopted in March of 2006.

4. Are you in favor of the adoption of this Amendment as proposed by the Planning Board for the Town of Rindge Zoning Ordinance and generally described as follows:

To amend Article I, Preamble, of the Town of Rindge Zoning Ordinance to eliminate “5. Planned Unit Residential Development Regulation” and “6. Regulations Governing Earth Excavation” from the list of Ordinances incorporated in the Town of Rindge Zoning Ordinance. (The Planning Board recommends this amendment. Vote: 7-0-0)

This amendment is intended to clarify the list of ordinances in Article I. There is a difference between ordinances (adopted and changed by town meeting vote) and regulations (adopted and changed by the Planning Board with public hearings). It is being proposed to remove the two regulations from the list of ordinances, as they are not ordinances but regulations. This does not change the authority to regulate Planned Unit Residential Developments or Earth Excavations as the regulations will still be in full effect and will still be administered by the Planning Board.

5. Are you in favor of the adoption of this Amendment as proposed by the Planning Board for the Town of Rindge Zoning Ordinance and generally described as follows:

To amend Article XX, Definitions, by adding a new definition for Back Lots as follows:

”Back Lot: A lot of sufficient area that meets the requirements of this ordinance, but does not have the required road frontage of this ordinance. Such lot shall be paired with a lot which meets both the area and frontage requirements of this ordinance.”

To amend Article III, General Provisions, by adding a new letter “T” to read as follows:

“T. Back Lots are allowed in all Zoning Districts subject to the following requirements:

1. Each front lot, which is to be paired with only one specified back lot, must be of sufficient size to meet the requirements of this ordinance and must have sufficient frontage to meet the requirements of this ordinance.
2. Each back lot must abut the front lot for which it is paired.
3. Back lots are only allowed for Minor Subdivisions.
4. Each back lot must have at least 50 contiguous feet of frontage on a public right of way maintained by the town or state, or in a subdivision approved by the Planning Board. The access area from the frontage of the back lot to the buildable area of the backlot shall be a minimum of 50 feet.
5. The back lot minimum acreage shall be three times the minimum lot size in the district. The back lot minimum setbacks shall be two times the minimum in the district.
6. If entry to the back lot along the access area outlined above is impossible or undesirable due to topography, wetlands or other conditions, a perpetual easement for a driveway by some other route from the back lot to an approved roadway may be allowed. Such easements shall include the conditions for maintaining said driveway. (The Planning Board recommends this amendment. Vote: 4-3-0)

This amendment is intended to allow for back lots in the Town of Rindge with certain restrictions on lot size and yard setbacks.

6. To see if the Town will vote to raise and appropriate as an operating budget, not including appropriations by special warrant articles and other appropriations voted separately, the amounts set forth on the budget posted with the warrant or as amended by vote of the first session, for the purposes set forth therein, totaling \$3,756,400. Should this article be defeated, the default budget shall be \$3,786,926, which is the same as last year, with certain adjustments required by previous action of the Town of Rindge or by law; or the governing body may hold one special meeting, in accordance with RSA 40:13, X and XVI, to take up the issue of a revised operating budget only. (Recommended

by the Board of Selectmen, 3 in favor, 0 opposed. Not recommended by the Budget Advisory Committee, 3 in favor, 4 opposed.)

A “yes” vote would approve the operating budget of \$3,756,400. A “no” vote would result in a default budget of \$3,786,926.

7. To see if the Town will vote to raise and appropriate the sum of \$74,011 for the purpose of making the last lease payment on the fire truck lease. This lease agreement contains an escape clause. (Recommended by the Board of Selectmen, 3 in favor, 0 opposed. Recommended by the Budget Advisory Committee, 7 in favor, 0 opposed.)

A “yes” vote would authorize the expenditure of \$74,011 for the last of five lease payments on the fire truck that was put into service in 2012. The Town will own the fire truck at the end of the lease term. Last year the Town raised and expended \$74,011 for this purpose. Since the amount this year is the same as last year, there is no increased tax impact. The proposed appropriation of \$74,011 represents \$28.60 on the tax bill for a \$200,000 house.

8. To see if the Town will vote to raise and appropriate the sum of \$18,000 to be added to the Wellington Road Bridge Replacement Capital Reserve Account previously established. (Recommended by the Board of Selectmen, 3 in favor, 0 opposed. Recommended by the Budget Advisory Committee, 7 in favor, 0 opposed.)

A “yes” vote would deposit \$18,000 into the account established in 2012 for replacement of the Wellington Road bridge. This bridge is on the State’s list of bridges which must be replaced, the cost of which is estimated to be \$730,000. The Town has applied for State Bridge Aid which would cover 80% of the cost, if approved. The Town must save \$146,000 (its 20% portion of the cost) between now and 2020. The Town appropriated \$18,000 into the account in 2012, \$18,000 in 2013 and \$18,000 in 2014 and \$18,000 in 2015. This year’s appropriation would bring the total amount in the account to \$90,000. Since the amount of the proposed appropriation this year is the same as last year, there is no increased tax impact. The proposed appropriation of \$18,000 represents \$6.80 on the tax bill for a \$200,000 house.

9. To see if the Town will vote to raise and appropriate the sum of \$28,000 to be added to the Revaluation Capital Reserve Account previously established for the 2020 Revaluation. This will be a non-lapsing appropriation pursuant to RSA 32:7, VI and will not lapse until the work is completed or by December 31, 2020, whichever is sooner. (Recommended by the Board of Selectmen, 3 in favor, 0 opposed. Recommended by the Budget Advisory Committee, 7 in favor, 0 opposed.)

A “yes” vote would authorize the expenditure of \$28,000 to begin the measuring and listing of property in preparation for the 2020 Revaluation, which Revaluation is required by law. The proposed appropriation of \$28,000 represents \$10.80 on the tax bill for a \$200,000 house.

10. To see if the Town will vote to add to the purposes of the Public Safety Revolving Fund the purpose of training of first responders. (Recommended by the Board of Selectmen, 3 in favor, 0 opposed. Recommended by the Budget Advisory Committee, 7 in favor, 0 opposed.)

A “yes” vote would expand the purpose of the Public Safety Revolving Fund to allow the Town to provide training to first responders thereby offsetting the cost to the taxpayers.

11. To see if the Town will vote to raise and appropriate the sum of \$65,000 for the purpose of purchasing a used flail boom mower for brush cutting and roadside mowing. (Recommended by the Board of Selectmen, 3 in favor, 0 opposed. Not recommended by the Budget Advisory Committee, 2 in favor, 5 opposed.)

A “yes” vote would authorize the purchase of a used flail boom mower for, brush cutting and roadside mowing. This will replace the brush cutting function of our 22 year old mower/sweeper. The sweeper function will remain in service. The proposed appropriation of \$65,000 represents \$25 on the tax bill for a \$200,000 house.

12. To see if the Town will vote to raise and appropriate the sum of \$43,632 for the purpose of purchasing a GMC 3/4 ton pick-up truck with plow and equipping the truck with emergency lights to replace the 10 year old pick-up truck/plow, said amount to be offset by trading in the old truck for \$10,000. (Recommended by the Board of Selectmen, 3 in favor, 0 opposed. Recommended by the Budget Advisory Committee, 5 in favor, 2 opposed.)

A “yes” vote would authorize the purchase of a GMC ¾ ton pickup with plow attachments to replace the 10 year old truck which has mechanical and body problems that are becoming increasingly expensive to repair. The cost of the truck is as follows: \$38,943 for the truck; \$4,189 for the plow attachment; \$500 for emergency lights, totaling \$43,632. The old truck will be traded in for \$10,000 so the actual cost of the truck will be \$33,632 which represents \$13 on the tax bill for a \$200,000 house.

13. To see if the Town will vote to raise and appropriate the sum of \$25,000 for the purpose of replacing and re-lettering the body of Rescue 1 and authorize the withdrawal of \$25,000 from the Fire Department Equipment Capital Reserve Account created for that purpose. (Recommended by the Board of Selectmen, 3 in favor, 0 opposed. Recommended by the Budget Advisory Committee, 7 in favor, 0 opposed.)

Rescue 1 is 18 years old and its body is badly deteriorating with stress cracks and suspension problems. The replacement of the body of this vehicle will add 10 years to its life. Because the funds for this are being withdrawn from the Fire Department Equipment Capital Reserve Account, there is no tax impact.

14. To see if the Town will vote to raise and appropriate the sum of \$60,000, and to authorize the total amount to be withdrawn from the Library's Restricted Funds, for the purpose of developing construction plans, specifications and bidding documents for the expansion of the Ingalls Memorial Library. (Submitted by the Ingalls Memorial Library Trustees) (Recommended by the Board of Selectmen, 3 in favor, 0 opposed. Recommended by the Budget Advisory Committee, 7 in favor, 0 opposed.)

A “yes” vote would authorize the Library Trustees to withdraw \$60,000 from the Ingalls Memorial Library Restricted Funds account which contains donations and bequests for the benefit of the Library. This money would be used to provide the detailed plans and specifications through the construction of the expansion and renovation project. Approval of the Town is needed in order to use the money from this existing fund. Because the funds are being withdrawn from the Library's Restricted Funds, there will be no impact on the tax rate.

15. To see if the Town will vote to establish the Rindge 250 Expendable Trust Fund per RSA 31:19-a, for purpose of honoring the Town's 250th Anniversary and to raise and appropriate \$5,000 to put in the fund, with this amount to come from taxation; further to name the Selectmen as agents to expend from said fund. (Recommended by the Board of Selectmen, 3 in favor, 0 opposed. Not recommended by the Budget Advisory Committee, 3 in favor, 4 opposed.)

A “yes” vote would authorize the Town to begin saving for the Town's 250th Anniversary in 2018. The proposed appropriation of \$5,000 represents \$1.80 on the tax bill for a \$200,000 house.

16. To see if the Town will vote to allow the Selectmen to sell at public auction the following vacant parcel of land: a 1.25 acre vacant lot at Cromwell Court (Map 6, Lot 26-3-1). (Recommended by the Board of Selectmen, 3 in favor, 0 opposed.)

This small parcel of land is part of a larger subdivision known as Cromwell Court. Cromwell Court was taken by the Town for taxes in 2002. This small parcel was left out of this taking by mistake. In order to sell this parcel at auction with the rest of Cromwell Court a Town Meeting vote is required. The proceeds of the sale of this property will go into the General Fund.

17. To see if the Town will vote to allow the Selectmen to sell at public auction the following interest in vacant land: a 1/3 interest in a 22 acre parcel of vacant land on Rand Road (Map 2, Lot 15) along with the other 2/3 interest taken for taxes. (Recommended by the Board of Selectmen, 3 in favor, 0 opposed.)

This 22 acre parcel was owned by three people, each having a 1/3 interest in the land. The town took two (2) of these interests for taxes and the remaining 1/3 interest was voluntarily deeded to the Town. In order to sell the entire interest in this parcel of land at auction, a Town Meeting vote is required to allow the Town to sell the 1/3 interest that was voluntarily deeded. The proceeds of the sale of this property will go into the General Fund.

18. Shall the Town vote to oppose approval by both Federal and State Regulatory Agencies of the Northeast Energy Direct project proposed by Tennessee Gas Pipeline Company, LLC (a Kinder Morgan Company) for construction and installation of a natural gas pipeline because the proposal is inconsistent with the Town's goal of protecting and preserving its aquifers, drinking water including community and private wells, wetlands, streams, and other bodies of water and the proposal is inconsistent with the basic tenet of individual property rights whereas if approved, Tennessee Gas Pipeline Company, LLC shall have the power to force private property owners to give up rights under Eminent Domain proceedings in order to create a new corridor for the installation of the pipeline project. This Article shall be non-lapsing until rescinded. (By Petition)

A "yes" vote would direct the Selectmen to actively oppose approval of the pipeline project on the grounds that approval allows a private corporation, Tennessee Gas Pipeline Company, LLC (a Kinder Morgan company) to possibly endanger our sources of drinking water, wetlands, streams and other bodies of water during construction, installation and maintenance of a pipeline in Rindge.

19. Shall the Town vote to deny permission to the Tennessee Gas Pipeline Company, LLC (a Kinder Morgan Company), its representatives, contractors, sub-contractors or associates to enter any Town-owned property, including but not limited to Converse Meadow, to perform surveys in furtherance of a pipeline infrastructure project. Any such physical entry onto Town-owned property for such purpose will be considered unauthorized, and treated as trespass and prosecuted as such. This Article shall be non-lapsing until rescinded. (By Petition)

A "yes" vote would direct the Selectmen to continue to deny permission to Tennessee Gas Pipeline Company, LLC (a Kinder Morgan company) or anyone representing the Company access to Town-owned properties.

DEFAULT BUDGET OF THE TOWN

RSA 40:13, IX (b) "Default budget" as used in this subdivision means the amount of the same appropriations as contained in the operating budget authorized for the previous year, reduced and increased, as the case may be, by debt service, contracts, and other obligations previously incurred or mandated by law, and reduced by one-time expenditures contained in the operating budget. For the purposes of this paragraph, one-time expenditures shall be appropriations not likely to recur in the succeeding budget, as determined by the governing body, unless the provisions of RSA 40:14-b are adopted, of the local political subdivision.

This form was posted with the warrant on: Jan 25, 2016

Instructions

1. Use this form to list the default budget calculation in the appropriate columns.
2. Post this form or any amended version with proposed operating budget (MS-636 or MS-737) and the warrant.
3. Per RSA 40:13, XI, (a), the default budget shall be disclosed at the first budget hearing.

Board of Adjustment

During the calendar year 2015, the Zoning Board of had 10 applications, heard 9 cases, granting 6 variances and 3 special exceptions. The number of cases has continued to remain low, likely a reflection of the overall economy.

The Board of Adjustment is a quasi-judicial board that property owners apply to for relief from zoning ordinances or administrative rulings. It has five elected members and three appointed alternates.

Board members are: Phil Stenersen, Janet Goodrich, Marcia Breckinridge (Vice-Chair), William Thomas and David Drouin.

Alternate members are: Joseph Hill, Rick Sirvint.

Submitted Respectfully,

David G. Drouin
Chairman

2015 Budget Advisory Committee

The Budget Advisory Committee met over a dozen times this year. Half of those meetings were joint meetings with the Selectmen and department heads so we all could hear the same thing. One was held with the Capitol Improvement Committee and the Selectman to hear their new capital spending plan. The committee also met six other times to discuss information received at the joint meetings.

Early in the process the committee discussed the potential for significant savings due to reduced fuel costs and other operational costs including the lack of an additional pay week. Resulting from that discussion the committee made a recommendation to the Selectmen at the beginning of the budget process in October. The committee unanimously recommended that the 2016 budget should be equal the two previous budget cycles and be the same as the 2015 budget.

The budget review process was difficult this year due to the fact that the committee typically received the budget proposals from the financial director just before joint meetings with the department heads. All members of the committee felt that it was a piece meal process making it hard to review and judge the total budget. The total budget proposal was not available to the committee until the final meeting with Selectman, just days before we were scheduled to provide a recommendation.

The 2016 budget as proposed included increased costs (approx. \$15,000) for a full time bookkeeper (currently part time) and the associated benefits. It also included a part time deputy town clerk (20 hrs./week), roughly \$17,000. The Town clerk is an elected position and the deputy position has in the past been covered utilizing existing staff. It included raises for the call fire fighters and a \$35,600 wage pool for all other employees representing a roughly 3 % wage increase to Town employees. The across the board increases from last year's wage pool were in the routine wage lines. It also included \$50,000 for additional road paving. Other line items had smaller minor increases.

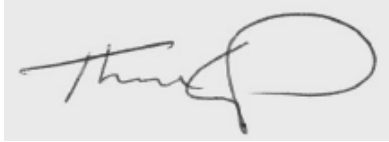

The 2016 proposed budget also had significant cost reductions from the 2015 budget. The budget was reduced by \$35,000 by the lack of a 53rd pay week this year. Major savings were seen in the cost of heating oil, down \$12,000. Gasoline and diesel were down by roughly \$7,000. The welfare depart had reductions of \$7,000. Planning had a reduction of \$5,000. Along with some smaller savings in other areas.

The committee also reviewed an extensive report provided by the Chief of Police, in his efforts to improve retention in the department. The committee concurred with part of the report in that we agreed that at the patrolman ranking wages were below the average.

A final BAC recommendation was made to the Board of Selectmen Dec 23, 2015. The committee's unanimous recommendation was that the 2016 budget should be \$3,706,000 equal to last year's budget. That recommendation again highlighted the significant operational cost reductions in heat, fuel and gasoline, welfare, etc. and the lack of a 53rd pay week. The board felt those savings should be passed back to the taxpayers with a lower budget rather than simply being used to offset proposed increases in other fixed cost line items. The committee supported some sort of wage adjustment in the Police Department primarily at the patrolman level and felt it would help with retention. The committee also supported additional monies being put towards paving as all taxpayers benefit from good roads. The committee did not support any wage increases, with the exception of the police department. The primary reason being, wage increases have been give over the last three years and no federal increases were being given this year in social security for a cost of living adjustment. The committee felt wage increases should be merit based.

In reality, the budget is increasing and that fact is being masked by redistributing operational budget savings for budget increases elsewhere creating the appearance of a level budget increased only by the cost of paving. With the proposed budget being set at \$3,756,400. The committee voted 3 (in favor) - 4 (opposed) not to support the proposed budget as it exceeded our recommendation and could have been lower.

Respectfully,

A handwritten signature in black ink, appearing to read "Thomas Coneys", with a large, stylized loop at the end.

Building Department

The Rindge Building Department conducted approximately 500 inspections in 2015. In 2016 we will continue to update the inspection process to ensure that all applicable codes are met and all contractors performing the work are properly licensed in the State of New Hampshire. We will continue to look at ways to clarify the process for obtaining the necessary permits and documentation for commercial and residential building, occupancy and operation permits. This information will hopefully help the permit process go smoothly. In 2016 we will continue to update the town's new website with all permit applications, worksheets, inspection schedules, permit fees, and information pertaining to obtaining a permit. I continue to look forward to working with all homeowners and contractors performing work in the Town of Rindge.

Spring of 2015, we conducted a survey on Building Permit Fee's and updated our Fee Schedule. The new fees were adopted May 27 2015 by the Board of Selectmen at the Public Hearing. Please be aware of the new fees.

The Town of Rindge Building Department issued nine (9) Residential Single Family Dwelling Permits, one (1) with an ADU; three (3) Replacement Single Family Dwelling; two (2) Residential Multi-Family Permits; zero (0) Commercial Building; sixty-four (64) Residential Accessory Permits; fourteen (14) Commercial Accessory Permits; five (5) Swimming Pool/Hot Tube; Twelve (12) Demolition Permits; ninety-four (94) Electrical Permits; three (3) Solar Array Systems; thirty-four (34) Plumbing Permits; seventy-nine (79) Fire Safety Permits; forty-one (41) Mechanical Permits; nineteen (19) Occupancy Permits, 13 single-family dwelling, 3 multi-family units, and 3 commercial.

REVENUE SUMMARY:

Building Permits: \$28,799.45
Mechanical Permits: \$2,140.00
Reports: \$87.50

Electrical Permits: \$6,585.00
Fire Safety: \$3,420.00
Impact Fees: \$92,332.00

Plumbing Permits: \$3,299.00
Filling Fees: \$487.63

PERMIT REQUIREMENTS

Permits are required for all construction within the Town of Rindge including Remodeling, Additions, sheds, outbuildings, decks, pools, sundecks, Demolition of a structure, etc. A permit is also required for all electrical, plumbing, mechanical, oil and gas appliances including piping, wood burning equipment, chimneys, etc. Permit applications and information may be obtained at the Rindge Building Office located in the Rindge Town Office Building on Payson Hill Rd. Permit applications may also be downloaded from the town's website.

All contractors are required to file a permit application to obtain a permit for their respective trade. Examples are electrical, plumbing, mechanical permits, etc. This process will ensure better management of building projects within the town. This procedure will guarantee the contractor's endorsement for the building project.

The Rindge Building Department encourages all residence and contractors planning any remodeling or construction projects to first contact the Building Office prior to construction, remodeling, repairing, demolish, altering, etc. to obtain information on the permit process and what permits may be required as well as what codes and code editions are adopted.

Respectfully Submitted,

Rickard J Donovan
Director of Public and Life Safety

Capital Improvements Plan Committee

A Capital Improvement Plan (CIP) is a planning and fiscal management tool used to coordinate and finance capital improvements over a multi-year period. Capital improvements are major long-lived physical items such as roadways, buildings, vehicles and equipment.

The purpose of the CIP is to forecast and match projected revenues and capital needs over a multi-year period. Long range capital planning is an important management tool that strengthens the ability of the Town to meet and finance its capital needs. A properly developed CIP will do the following:

- Coordinate capital needs with the Town's operating budget
- Provide careful financial planning to avoid sudden spikes in the Town's tax rate
- Identify the most economical means of financing
- Insure that the Town's vehicles, equipment, roadways and buildings are in good, serviceable condition

In 2015, the Capital Improvements Plan Committee worked with the Town Administration and Department Heads to ascertain the Town's capital needs over the next several years. Each Department's needs were carefully vetted and priorities were established. The Committee then reviewed the Town's budget goals and identified sources of funding.

This year the Committee is recommending the following:

- The purchase of a flail boom mower to replace the existing mower which is frequently out of service. This will allow the DPW to catch up on mowing and brush hogging along all of the Town's roads.
- The purchase of a $\frac{3}{4}$ ton pick-up/plow truck to replace the existing truck whose maintenance has become expensive and whose reliability is questionable.
- The replacement of the body of the Fire Department's Rescue 1 which will extend the life of this vehicle for another 10 years. The funds for this purchase will come out of the Fire Department's Capital Reserve account.

The Capital Improvements Committee is grateful to the Board of Selectmen for their support and for recommending the purchase of these three capital items this year. It is our hope that the voters of the Town will see the wisdom of careful capital planning and support the CIP.

Respectfully submitted,

Charlie Eicher, Chair, Capital Improvements Plan Committee

Cemetery Trustees Report

The Cemetery Trustee's met and reviewed the status and conditions of the town own cemeteries with regards to historical value to the town and future expansion of the Hillside Cemetery several times in 2015. Hillside Cemetery will be carefully reviewed in 2016 with regards to expansion and the possible incorporation of a section for green burials. The Meetinghouse Cemetery located in the town center is listed on the register of Historical Places and is an important part of the town of Rindge's historical history. The Meetinghouse Cemetery contains many of the town's founders and veterans of both the Revolution and Civil Wars along with so many other contribution that were made to the town of Rindge. The Cemetery Trustees will continue to identify the historical and critical gravestones in the Meetinghouse Cemetery for repair and cleaning so that these important gravestone remain in good condition as part of Rindge's historical heritage. The Cemetery Trustees hope to put up a new cemetery sign for the Hillside Cemetery like the cemetery sign in front of the Meetinghouse Cemetery with the help and generously of the Rindge Athletic Men's Club (RAMS).

There were 7 Cremations in 2015, 8 full burials and 6 cemetery plots sold.

Respectively Submitted

Rindge Cemetery Trustees

Code Enforcement Officer

The Rindge Board of Selectmen is responsible to enforce town zoning and sign ordinances, land use decisions of the Planning Board, and all Board of Adjustment (ZBA) rulings. The Board has appointed the Code Enforcement Officer to carry out their enforcement responsibilities as the need arises.

Generally, people who violate town ordinances are unaware that the ordinances may prohibit or inhibit their actions. Do you know the building setbacks in your District? Do you even know in what District your property rests? Do you know how far from a stream or the lake shore you may erect a shed or a deck? Generally, a telephone call to my office is sufficient to learn of the Zoning Ordinance's requirements. Sometimes it takes a bit more.

Fortunately the list of situations I am monitoring remains small. Most violations involve unregistered or junk vehicles, truck tires, or a new shed or deck constructed within a setback or without a Building Permit.

I represent the Board of Selectmen at ZBA hearings, interpreting applicable laws or regulations when asked. Some cases call for a Variance from town ordinances and others a Special Exception for a permitted action, such as constructing an apartment (we call an Accessory Dwelling Unit, or ADU) which requires approval from the ZBA. Occasionally, I represent the town in District Court.

If you need assistance to review a neighborhood situation or a possible zoning violation, please let me know (my extension is 113) Mondays, Wednesdays, or Fridays during business hours.

Respectively submitted,

David E. DuVernay
Rindge Code Enforcement Officer

Code Enforcement Officer

NOTICE

The New Hampshire legislature has enacted HB 316 in 2011 which states:

“I. In this section:

‘Involuntary merger’ and ‘involuntarily merged’ mean lots merged by municipal action for zoning, assessing, or taxation purposes without the consent of the owner.

‘Owner’ means the person or entity that holds legal title to the lots in question, even if such person or entity did not hold legal title at the time of the involuntary merger.’

‘Voluntary merger’ and ‘involuntarily merged’ mean a merger under RSA 674:39-a, or any overt action or conduct that indicates an owner regarded said lots as merged such as, but not limited to, abandoning a lot line.

II. Lots or parcels that were involuntarily merged prior to September 18, 2010 by a city, town, county, village district, or any other municipality, shall at the request of the owner, be restored to their premerger status and all zoning and tax maps shall be updated to identify the premerger boundaries of said lots or parcels as recorded at the appropriate registry of deeds, provided:

The request is submitted to the governing body prior to December 31, 2016.

No owner in the chain of title voluntarily merged his or her lots. If any owner in the chain of title voluntarily merged his or her lots, then all subsequent owners shall be estopped from requesting restoration. The municipality shall have the burden of proof to show that any previous owner voluntarily merged his or her lots.”

III. All decisions of the governing body may be appealed in accordance with the provisions of RSA 676.

IV. Any municipality may adopt local ordinances, including ordinances enacted prior to the effective date of this section, to restore previously merged properties that are less restrictive than the provisions in paragraph I and II.

V. The restoration of the lots to their premerger status shall not be deemed to cure any non-conformity with existing local land use ordinances.”

If you need any assistance in understanding the import of this legislation or its applicability to you, please do not hesitate to inquire of the Town Administrator, Planning Director, or Assessing Clerk.

(This Notice must be posted prior to January 1, 2012 and remain posted until December 31, 2016.)

Conservation Commission

The Rindge Conservation Commission (RCC) strives to monitor and preserve the natural resources of Rindge. Its members work closely with the public, Town Boards and the N.H. Department of Environmental Services to give advice and make recommendations in an effort to protect environmentally sensitive areas now and for the future.

ACTIVITY HIGHLIGHTS:

Pursuit of conservation land, easement acquisition and facilitation
Conservation land and easement holdings management
Wetland permit application reviews
Environmental violation investigations and reports
Promotion of environmental education

A large part of the Rindge Conservation Commission's time, energy and efforts in 2015 were related to the proposed Kinder Morgan/Tennessee Gas Northeast Energy Direct natural gas pipeline scheduled to go through 17 towns in southern NH, bisecting Rindge for nine miles. The Commission is opposed to this project for many environmental issues, but most importantly the very real threat to our local wetlands, vernal pools, open spaces, forested lands, water aquifers and conserved lands. Of special concern is the Town owned Converse Meadow property, which in spite of its protective easement, is threatened by the pipeline crossing a section of it. The Commission has been working with the conservation commissions of other local towns regarding the pipeline and will continue to act to protect the natural resources of the Town of Rindge. We look for and appreciate all support from the residents of Rindge in these efforts.

Camp Wildwood's Leadership Camp volunteers again worked this summer on trails at Converse Meadow and built tent platforms at Tetreault Park. In the fall, the Native Pollinator Project at Roger's Landing began with the planting of native shrubs, plugs and grasses with the help of many volunteers. Be sure to watch the progress of this very important, long term project.

The Commission is made up of seven appointed regular members and five alternate members. We encourage any interested persons to join us for a regular meetings or special projects. The Commission members have over eighty-five years of Commission experience combined and in 2015 there were over 715 volunteer hours between Commission members and associated volunteers.

We are very pleased to partner with Franklin Pierce University and the Pearly Pond Association in the long term analysis of the pond's water quality, Phase I was completed this year and Phase II is being developed to implement corrective action.

Again this past year the Commission selected a Rindge youth to be awarded a summer camp scholarship to attend Camp Wildwood and we want to thank the Audubon Society for their continued generosity and we encourage all eligible Rindge youth to apply for this wonderful opportunity.

Property owners, who wish to help insure Rindge's natural future, and who may be interested in conserving their land under easement, through donation or possibly in conjunction with estate planning, should contact the Commission to discuss the range of possibilities.

The Commission, with the support of the residents of Rindge, will continue to work hard to forward the goals of the Town regarding conservation and actively seeks the input of all in these efforts. The Commission meets on the second Monday and fourth Thursday of every month and we invite the public to attend and to join as either a member or a supporter. If you have the time or other resources to assist the Commission, we would like to hear from you.

Become part of Rindge's natural heritage future-today.

Respectfully Submitted,

David G. Drouin
Chair
Rindge Conservation Commission

Economic Development Task Force

The Economic Development Task Force (EDTF), functioning under the auspices of the Rindge Planning Board, focused primarily in 2015 on updating the Rindge Economic Development Initiative (REDI) Action Plan dated 4/11/2011. The membership concurred the revision because the plan ought to reflect recent town meeting decisions and also provide a more current vision for Rindge. The volunteers utilized the 2011 report as a reliable foundation for the rewrite. The initial draft has been written and sent to all members. It is scheduled to be discussed by the task force in early 2016 and once approved, be presented to the Rindge Planning Board for their consideration. The revised plan will then be posted on the EDTF website.

An EDTF real estate inventory subcommittee (REIS I) continued its research in 2015 and finalized its report to the Rindge Planning Board in the spring detailing an inventory of town-owned properties. It was approved by the Planning Board and afterwards forwarded to the Board of Selectmen for their decision on which parcels are to be retained and which to be conveyed. One of several goals of REIS I was to instill potential economic opportunities for the town. The Town Administration contracted with an auctioneer to schedule an auction which was conducted on October 31st and resulted in land sales and revenue for Rindge in excess of \$200,000.

Reportedly, additional auctions are intended to be held in future. My thanks to all who served on this subcommittee for their expertise and dedication.

A second subcommittee (REIS II) was created that cataloged all privately owned commercially zoned properties. This research is also complete and will be presented to the Rindge Planning Board in early 2016 for their review and approval, then subsequently posted on the EDTF website. This data will assist prospective business owners anxious to invest in the town with basic yet useful information concerning the four districts zoned for commerce. Once more my appreciation to everyone who participated.

The task force also heard reports on other matters that involve economic activity. This included the Ingalls Memorial Library expansion/renovation project, Franklin Pierce University involvement with the historical properties inventory in conjunction with the Rindge Historical Society, a Rindge Chamber of Commerce trail map project and also activities offered by the Rindge Recreation Department for senior citizens.

The task force regrettably accepted the resignation of Roberta Gordenstein who had served since the summer of 2012. She will be replaced by Jed Brummer.

Bruce Donati-Chair

Emergency Management Department

The Rindge Emergency Management Department applied for a grant and was approved to update our LEOP (Local Emergency Operation Plan). We Started to project at the beginning of 2015, but had to stop and wait for the grant approval to continue. The grant is to help offset the cost with labor and materials to complete the update. The award amount of the grant is \$6,000. The Emergency Management Team is meeting with all town department heads to review and update the plan which will be filed with FEMA in 2016. After the plan is approved by FEMA, we will schedule a table top exercise to test the plan. This exercise should be completed by Sep 2016.

The LEOP and the Hazard Mitigation Plan must be updated and filed with FEMA every five (5) years in order to be in compliance with all Federal Grant request.

I would like to take a moment to thank Ron Osimo for his dedicated service. Ron was appointed by the Board of Selectmen as a member of the Rindge Emergency Team in 2015. Ron has been extremely helpful with many projects completed in 2015 that will enhance our capabilities in emergency situations. Ron assisted with updating the communication systems in the Emergency Operation Center (EOC), which consisted of the following items:

- The installation of a Davis Weather Station
- Installation of two new Antenna Towers and upgrading the radio antennas
- Installation of a CB Radio
- Installation of a HAM Radio System
-

Ron also assisted with many other projects within the fire station and EOC along with assisting with the installation of an Equipment Shelter for the trailers.

In times of storm events, the Emergency Management Department asks all residents and visitors to respect all road barricades for closed roads and partially closed roads. We experience road barricades being run down or thrown off the roads into the woods or over the shoulder. These barricades are placed to indicate a hazardous condition and for public safety. Your cooperation in this matter would be greatly appreciated.

In 2016 we will continue to implement a town-wide notification system. The department will utilize the Electronic Message Board trailer to notify citizens of any important information and/or meetings that needs to be relayed to the community. The sign will be place at Rindge Fire Department or Rindge Transfer Station entrance. We will also be working on approval to install a message center at the NH RT 119 & US RT 202 intersection. I would also encourage all residence to install NH Alerts app on their cell phones and computers. This app allows us to send important information about affected areas of the town in an event, along with what to do messages. You can also find a wide range of valuable information regarding preparedness information and notifications at ReadyNH.gov. I encourage all Rindge residence to visit the site and be prepared before an event happens.

The team will also work on updating the town's website with important preparedness information and other storm related material. We will also be researching grants for equipment and other needs of the town. If you have any concerns, comments, suggestions, or interest in helping the Emergency Management Team in anyway, please feel free to contact Rick Donovan at 603-899-3324 or Deb Douglas at 899-5181 X109.

Respectfully Submitted,

A handwritten signature in black ink, appearing to read "Rickard J. Donovan". The signature is fluid and cursive, with the first name "Rickard" being more prominent.

Rickard J Donovan, Emergency Management Director

Energy Commission

The Rindge Energy Commission began 2015 with the following objectives:

- 1.) Implement energy efficiency/weatherization projects with paybacks of 5 to 7 years as identified in the 2011 Investment Grade Energy Audit Reports.
- 2.) Assist other town boards, departments, and committees in tracking and optimizing energy usage.
The \$10,000 funding approved by the town voters for use in energy efficiency projects was not expended by the Rindge Energy Commission this year. Funding from previous years was sufficient to complete projects recommended in the 2011 Investment Grade Energy Audits. Unfortunately, this year's funding was not enough to undertake any of the projects in the list of priorities. One weatherization candidate, the Town Offices, requires an upfront investment of at least \$15,000 and the payback is approximately 10 years. Wellington Recreation Building is an energy efficiency candidate, but it requires an energy audit which was not authorized this year.

The DPW used the energy funds to make investments in energy projects that were not included in the energy audits, but provided upgrades such as LED outdoor lighting at the Meeting House, a new water heater in the Town Offices, and windows in the Police Station. The Energy Commission provided analysis on the LED lighting and water heater in support of the projects.

Last year's major project of installing mini-splits in the Fire Department office areas was expected to save approximately 500 gallons of oil per year and \$500 annually on electric consumption compared with resistive heating. In addition, this project met the RFD and DPW goal of heating the dispatch room. Occupancy and use of the Fire Station changed significantly after 2011 when the Fire Station relocated its offices there from the Town Offices. 2015 was the first year in which oil consumption at the Fire Station dropped compared with 2011. The Fire Station used 211 fewer gallons than 2011, but 898 fewer gallons than 2013 and 613 fewer gallons than in 2014.

Electricity consumption at the Fire Station increased by 14.24% over 2011 levels and 8.8% over 2014 usage. This increase in electric usage is due to the fact that the mini-splits run on electricity. However, the mini-splits are 300% more efficient than the resistive heaters previously used in the dispatch room and also displaced at least 600 gallons of oil used to heat upstairs office areas.

At the same time, use of propane to heat the bays of the Fire Station increased from 2240 gallons in 2011 to 2985 gallons in 2015 for an increase of 745 gallons or 33.2%. Although the Energy Commission, RFD and DPW have identified a major heat loss problem from the bays due to an uninsulated crawl space that acts like a chimney to the roof, this issue can't be addressed until related plumbing issues are resolved and our energy consultant gives us an estimate of costs and savings.

Total energy costs at the Fire Station were down about \$900 at \$11,943.44 in 2015 versus \$12,851 in 2014.

The Town of Rindge spent \$3,797.96 less on energy consumption in 2015 compared with 2011. Rindge expended \$83,076.04 in energy dollars (excluding transportation, but including the 50% paid by the Congregational Church for the Meeting House energy expense) in 2015. In contrast, Rindge spent \$81,336.63 in 2014 and \$86,874 in 2011. Since most of the energy efficiency projects were completed in 2012, the baseline year is 2011.

Heating

2015 was another cold year with 6068 Heating Degree Days (HDDs) compared with 5813 in 2011 and only 4911 in 2012. Despite 2015 having 4.4% more HDDs than in 2011, overall the Town used 2345.15 (15.7%) fewer gallons of oil than in 2011.

Electricity

In 2015, Electricity consumption for the town buildings was up 8.1% over 2011 usage levels. This is the first major increase since 2011. The Wellington Recreation building saw the largest increase of 71% over 2011 usage and 31.7% increase over 2014. The Meeting House saw the next largest increase of nearly 34% over 2011 levels. In the case of the Meeting House, higher electricity usage combined with increased fuel consumption (33% over 2014 usage) suggests a change in occupancy levels. On the other hand, reduced fuel consumption at the Wellington Recreation building coupled with much higher electric consumption presents a puzzle that warrants an energy audit to determine the cause.

The Streetlight conversion project continues to save at least \$5000/year compared with the higher rate paid prior to 2010 (Streetlight conversion project occurred in mid-2011).

The Energy Commission has recommended to the BOS that each department should have budget line items for energy usage in order to ensure that accountability for energy consumption rests with those who have control over building operation. The DPW should continue the excellent job it's been doing with procurement and energy efficiency projects.

Patricia A Martin, Chair

Fire Department

In 2015 the Fire Department responded to 688 calls for service. Fire-related incidents accounted for 340 calls and EMS related incidents accounted for 348 calls for service. The department's annual activity remained about the same as 2014.

In 2016 the Fire Department will continue to build its call membership and provide all these dedicated men and women with the necessary training and equipment to respond to emergencies and preserve the safety of the town and its residents. This is very important to ensure firefighter safety and help keep the town tax rate in check. The dedication and hard work of these residents, who spend hundreds of hours to train and certify, allows the department to provide a high level of professional service to the town and protect its residents.

These emergency responders are paid per call instead of manning the station at all hours. Without a full-time Fire Department, Rindge relies on service-minded citizens to work on behalf of the community. Anyone interested in making a difference for their community as a first responder can contact Director of Life and Public Safety Rick Donovan at the Fire Station (899-3324) for details.

During the past year the department and its members have made several improvements to the fire station. Those improvements, designed to bring the station up to code in order to provide a safe, efficient and professional service to our citizens and visitors. Those improvements include rebuilding of equipment storage shelves in the equipment storage area, installation of a Davis Weather Station, upgrade fire department communication systems, new roof, installation of a new fire danger sign (Thanks to the Boy Scouts – Eagle Project), and improvements to the station's parking lot drainage.

The Fire Department provides Fire Prevention and Education Programs at the schools and during public events. The department also offers Fire Safety Programs, Fire Prevention programs, Fire Extinguisher Training, and CPR and First Aid training to local businesses and their employees as well as Rindge residents. The department also offers free Home Fire Safety Inspections to Rindge residents and performs mandatory annual State Fire Code inspections of town businesses, public buildings and multi-family dwellings. If you are interested in more information about these programs, please contact us at 603-899-3324.

The department extends a sincere thank you to all the people, businesses, and organizations that have provided their support during the past year.

Come see us. The department has an open door policy and Rindge residents are invited to come visit the station during regular business hours to look at the town's emergency apparatus and equipment. Fire prevention materials are also always available.

Respectfully Submitted,

Rickard J Donovan, Director of Public and Life Safety

Mission Statement

"To protect the citizens of the Town of Rindge from emergencies and disasters through aggressive fire suppression, emergency medical response, hazardous materials emergency management, fire prevention and public education, and pre-emergency planning."

The Rindge Fire Department maintains minimum training and certification levels for all emergency responders in accordance with the National Fire Protection Association and National EMS Registry requirements and recommendations. All members are required to participate in mandatory fire, rescue, and EMS trainings, infectious disease training and monitoring, and leadership training.

Apparatus Brief

The Rindge Fire Department will continue its Preventative Maintenance Program on all vehicles and equipment in effort to keep all emergency equipment in a state of constant readiness. This program also helps keep repair costs down and ensures the equipment meets its recommended life span. The maintenance program consists of in-house weekly vehicle and equipment inspections; in-house fluid, filter, and lubrication service; oil changes; pump and ladder maintenance; small engine service, and building maintenance. In 2015 we finished refurbishment of 26 Hose 1, which included a complete evaluation of cab, chassis, pump, and hydraulic system. The vehicle was also repainted and re-lettered. This project will allow us to move its replacement out another 10 years.

FIRE PREVENTION, EDUCATION, AND INSPECTION OFFICE

The Rindge Fire Department will continue its Fire Prevention and Education Programs in the schools and other public and private events. We also continue to offer Fire Safety Programs, Fire Extinguisher and Prevention Programs to local businesses for their employees. The Rindge Fire Department also offers free Home Fire Safety Inspections to the residents of Rindge and continues to perform mandated inspections at businesses and multi-family dwellings located in town. The Rindge Fire Department maintains an open door policy for the citizens to visit the station during business hours to check out the equipment and apparatus the town owns. This is also a great time to see what is available and the importance of different equipment used in the fire service. Fire prevention materials are also available at the fire station.

Under NH State Fire Code and State Statutes, all businesses and residential rental units are subject to annual life safety inspections. The Town of Rindge currently inspects 6 Businesses twice annually, 162 Businesses in 89 buildings annually, 15 Multi-Family Units annually, 54 Residential Rental Units annually and 10 Town and State Buildings annually. All single-family dwelling units or rental rooms within a dwelling used as rental units are subject to annual inspections under the State Fire Code.

CPR, AED, AND FIRST AID TRAINING

The Rindge Fire Department offers CPR, AED, and First Aid classes to the general public and businesses within the Town of Rindge. We are planning on scheduling monthly classes, and more if necessary. To receive more information or to sign up for a class, please contact the Departments CPR/First Aid Coordinator, Marie Pugh at 603-899-3324. Our goal is to train as many citizens as possible in CPR, AED, and First Aid.

The Rindge Fire Department would like to thank the Town of Rindge residents and businesses for all their support throughout the years.

2015 BURN PERMITS

Category 1 & 2 Seasonal Permits: 302

Category 3 Permits: 314

Forest Fire Warden & State Forest Ranger

Your local Forest Fire Warden, Fire Department, and the State of New Hampshire Division of Forests & Lands, work collaboratively to reduce the risk and frequency of wildland fires in New Hampshire. To help us assist you, please contact your local Forest Fire Warden or Fire Department to determine if a permit is required before doing ANY outside burning. Under State law (RSA 227-L:17) a fire permit is required for all outside burning, unless the ground is completely covered with snow. The ability to obtain fire permits on line was initiated in 2015. Approximately 120 towns participated in the online system with over 4,000 permits issued. To obtain a permit on line visit www.NHfirepermit.com. The New Hampshire Department of Environmental Services also prohibits the open burning of household waste. Citizens are encouraged to contact the local fire department or DES at 603-271-3503 or www.des.nh.gov for more information. Safe open burning requires diligence and responsibility. Help us to protect New Hampshire's forest resources. For more information please contact the Division of Forests & Lands at (603) 271-2214, or online at www.nhdf.org.

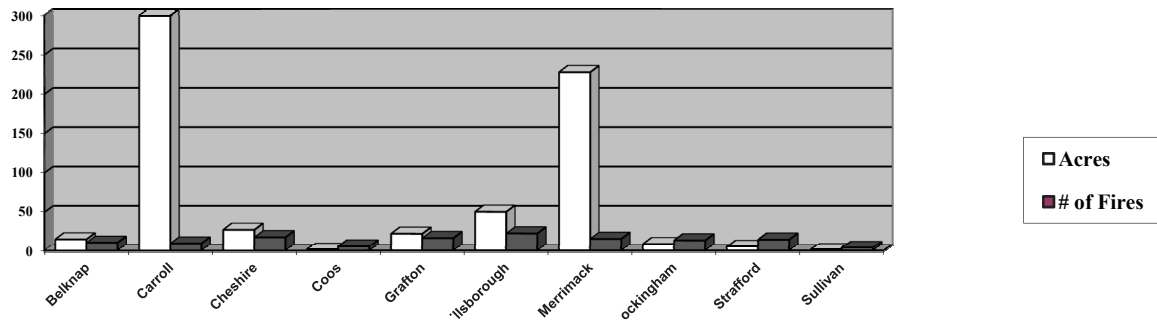

This past fire season burned **661 acres** which was the most recorded since 1989 when 629 acres burned. The fire season began in early April with the first reported fire occurring on April 8th. The largest fire was the 275 acre Bayle Mountain fire in Ossipee. This fire started on May 5th and burned for several days. The Bayle Mt. fire was also the largest individual fire in NH in over 25 years. There were also a number of other sizable fires in May which definitely kept NH's wildland firefighting resources stretched to the limit. These larger fires increased the average wildland fire size to 5.12 acres. As usual our higher fire danger days correlated well with the days that there were fires actually reported. The statewide system of 16 fire lookout towers continues to operate on Class III or higher fire danger days. Our fire lookouts are credited with keeping most fires small and saving several structures due to their quick and accurate spotting capabilities. The towers fire spotting capability was supplemented by the NH Civil Air Patrol when the fire danger was especially high. Many homes in New Hampshire are located in the wildland urban interface, which is the area where homes and flammable wildland fuels intermix. Several of the fires during the 2015 season threatened structures, and a few structures were burned, a constant reminder that forest fires burn more than just trees. Homeowners should take measures to prevent a wildland fire from spreading to their home. Precautions include keeping your roof and gutters clear of leaves and pine needles, and maintaining adequate green space around your home free of flammable materials. Additional information and homeowner recommendations are available at www.firewise.org. Please help Smokey Bear, your local fire department, and the state's Forest Rangers by being fire wise and fire safe!

Rindge Fire Department Burn Permit Schedule

Burn Permits

Permits will only be issued after the state “Daily Fire Danger Class” announcement at 3 PM.

FIRE STATION

Mon – Fri 3 PM – 6 PM

TOWN OFFICES

Mon. – Thurs. 3 PM – 4:30 PM

There will be no permits issued on Saturday, Sunday or Holiday’s so plan ahead if you plan to burn on these days. Permits for those days may be obtained after 3PM on the Friday before, depending on the weather forecast. Permits may also be obtained through the NH Division of Forests and Land online burn permitting system.

<https://nhdflweb.sovsportsnet.net/> these are available 24hrs a day, weather dependent.

Anyone who wishes to burn clean, ordinary combustibles such as leaves, brush or untreated lumber, or have a camp or cooking fire must have written permission from the landowner and a fire permit from the Rindge Fire Warden before the fire is kindled. You must be at least 18 years of age to obtain a written fire permit.

Seasonal permits can be issued for established fire rings containing small camp and cooking fires. Such camp or cooking fires shall; be in an area cleaned to mineral soil at least 8 feet across; have at least 6 inches of sand or gravel under the fire for any fire built on the ground; and have no limbs or other burnable material to a height of 10 feet above the fireplace area.

Woody debris or brush less than 5 inches in diameter, or untreated wood and untreated dimension lumber (subject to Env-A 1001.05(g) below) can be burned. For any open burning a written fire permit is required. Even with the permit, no open burning is allowed between the hours of 9:00 am and 5:00 pm unless it is raining. When the ground where you are burning is completely covered with snow no fire permit is required. However, it is asked that you contact the Fire Department before burning.

The permittee will be required to have suppression equipment on site while the burning is being done and the fires will have to be totally extinguished or be constantly attended. Air quality regulations restrict the type of material burned in the open. Stumps, painted or treated lumber, tires, tubes, plastics, foam rubber and shingles are some of the prohibited materials (see Department of Environmental Services, Air Resources Division Open Burning Rules). Per Env-A 1001.05(g) "On-site burning, by the owner of a private, single-family residence occupied by the owner, of untreated wood, provided the material originates on site."

If you ignite a fire without a permit, the Rindge Fire Department will extinguish it at the owner’s or responsible party’s expense. (RFD Policy: \$250 base fee for UNAUTHORIZED BURNING.)

Report of the Ingalls Memorial Library for 2015

The Ingalls Memorial Library Trustees, Friends of Ingalls Library, volunteers and members of my staff work very hard to make our library a great meeting place for our community. Our volunteers have put in 680 hours of service this year and help make the library such a friendly place to visit. Thanks to: Jan Lashua, Kathryn Strasser, Priscilla Leslie, Bev Rice, and Maura Keegan. Thank you all.

Passes to local attractions are provided to us by the Friends of Ingalls Library. Passes offered this year were: The Cheshire Children's Museum in Keene; See Science Center in Manchester; Fort at No. 4 Charlestown; American Textile Museum, Lowell, MA; and the USS Constitution, Boston.

Programs included Kevin Gardner who builds stonewalls and actually built a small version of a stone wall right in front of our eyes as he spoke and answered questions on the subject and signed books. Colleen Keegan, a local woman that works at Plimoth Plantation, gave a very interesting talk about this historic place in Massachusetts. Another event was a book talk with authors Patricia Peters Martin and Helene Montreux Houston about inspirational stories on women's wisdom in therapy co-sponsored with the Rindge Woman's Club. Also, new programs this year included a Classic Book Group, Scrabble Games and Conversational Spanish which started in January 2016.

We had 10 Children's Room programs with total attendance for all programs being 2,337. The Summer Reading Program had 110 registered readers with 80 actual participants that read a total of 93,840 minutes in the eight weeks. Story time is held twice a week, Boys and Girls Reading Clubs once a month, Lego Club once a month, Snacks & Stories, Pizza & Pages and Storytelling Club plus the Homeschoolers continued to meet at the library for activities. A new activity this year was Paws to read where a therapy dog is read to by a child visiting the library.

The Summer Reading Program for young adults had a total of 20 and 14 actual participants and was seven weeks long. We started and ended with a pizza party which included awarding prizes to all that participated. A Mask making night and decorate your own cookie plus Ultimate Frisbee on the common were the three extra social activities available to participants. A combined ice cream social was also held for both Children and Young Adult Summer Reading programs.

The Ingalls Memorial Library is open 35 hours per week. M, W, F 10-5; TU, TH 2:30-8; SAT 9-12 noon. The Library was open 295 Days and 1722 hours in 2015.

Number of Registered Borrowers: 1885 with 171 patrons added in 2015.

Number of Materials Owned: 44,565.

Adult Materials Checked Out in 2015:	23,299	<u>New Acquisitions:</u>	
Children's Materials Checked Out in 2015:	<u>25,924</u>	Adult Books 929	Children's Books 685
Total Number of Checked-Out Materials in 2015:	49,223	Adult Media 348	Children's Media 189

Internet Use: 1003 patrons used this service. This does not include people that use our 24/7 Internet service while we are closed.

Volunteer Hours: 680 Hours served

This will be my last report to the Towns people as I am retiring in November of 2016. I have enjoyed my 28 years as your Library Director and wish you many happy library visits in the years to come.

Respectfully Submitted,

Diane Gardenour

Meeting House Oversight Committee

With the exterior painting completed, the Committee started a Comprehensive Interior Beautification Plan, consisting of many projects.

After reviewing the list of projects and prioritizing them, it was decided to paint the complete Sanctuary including resurfacing the bare wood floors.

Specification will be drawn up and the project put out to bid in early 2016.

Jane Pitt, Town Administrator

Planning Board

Once again 2015 remained a modest year for development proposals. The Planning Board reviewed a total of 17 formal applications during the 2015 calendar year. Of the 17 applications, there was one Major Site Plans; three Minor Site Plans; one Excavation Permit; three Minor Subdivisions; seven Technical Subdivisions and two Voluntary Mergers.

The Planning Board submitted seven warrant articles for the Town's consideration at the March 10, 2015 Town Meeting and all seven articles passed easily. Five of the seven articles were clarification and/or articles which brought areas of the ordinances back into compliance with state statutes. The final two articles allow temporary real estate directional signs in the right-of-way and allow external internally illuminated signage in the Town while encouraging the use of LED lighting and/or efficient enclosed lighting.

The Planning Board formed a Master Plan subcommittee, which consists of 10 members, including the Interim Planning Director, two Planning Board members, one Conservation Commission member, one Franklin Pierce University representative and five citizen members. The subcommittee is working on review and amendment of chapter 1, the Vision Statement and chapter 2, the Land Use chapter. This work will continue into 2016 and it is anticipated that proposed changes will be brought to the full Planning Board early in 2016 for consideration. Planning Board members and staff continue to be involved with the meetings of the Economic Development Task Force and the Town Gown Committee. Members are also working on changes to zoning ordinances, results of which will be presented at the Town Meeting on March 8, 2016.

Kirk Stenersen continues to fill in as the Interim Planning Director on a part time basis and is in the office one day a week on Wednesdays from 9:00 a.m. to 1:00 p.m. Susan Hoyland, the Planning Board secretary, continues to do excellent job and goes above and beyond her job description to keep the Planning Office working smoothly and efficiently. Tina Eaton, the town's bookkeeper, continues to assist in the Planning Office organizing and updating the electronic and paper files in an effort to streamline the filing process. Tina has begun to scan in the paper files from older applications in an effort to have as many of the Planning Department files electronically as possible. She is doing an excellent job and having files, both electronic and paper, in an orderly manner has helped the efficiency of the Planning Department, exponentially. This work will continue in 2016 and has been valuable in research for applications and possible applications. The proposed planning budget was once again reduced for 2016, by approximately 6.5%. The Planning Board intends to continue with this reduced staffing in 2016.

2016 will include continued work on revisions to the Master Plan, review of the Site Plan Regulations, continued work with subcommittees to keep ordinances current and election and appointment of Planning Board officers.

Lyman "Hank" Whitney who served on the Planning Board for six years decided not to run again in 2015. He has been missed and the Planning Board thanks him for his dedicated service over the past six years and wishes him the best in his future endeavors. The Planning Board welcomed Jason Paolino to the Board; he was elected to the Board at the March 10, 2015 Town Meeting.

Police Department

Rindge Police Department

Honor~Integrity~Courage~Respect

2015 Annual Report

“The path of least resistance is flat and leads to mediocrity.
Climb a mountain instead. Excellence resides on the summit.” ~TM

From left to right: ACO Larry Harris, Chief Todd Muilenberg, Officer Rachel Malynowski, Officer Maximin Rocheleau, Detective Jeffrey Seppala, Sergeant Daniel Anair, Officer Mark Griffin, Officer Thomas Horne, Part-Time Officer David Blake

In 2015, the Rindge Police Department continued to strive for excellence and embraced our primary mission to protect and serve our community while providing the most professional and comprehensive law enforcement services possible. Once again, the men and women of the

Rindge Police Department, both sworn and civilian, demonstrated a tenacious dedication to our mission and commitment to the community. Although we faced formidable challenges, we answered more calls for service, took more reports, and made more arrests than in 2014. Ultimately, the year was a success marked by more internal improvements, enhanced professional development, and an optimistic vision of a RPD's future. The men and women of the Rindge Police Department are deservedly proud of their accomplishments and know that if we can demonstrate legitimacy in *our* pride, our citizens *will be* proud of us.

Staffing was our biggest obstacle in 2015. Part-Time Officer Ed Cody retired after many years of valuable service to Rindge. Officer Thomas Horne returned to us from New Ipswich, however, Officer Erin Minihan left the department for employment with another agency. In addition, one of our officers was on extended medical leave. That, once again, left us shorthanded for the majority of the year. Thankfully, Part-Time Officer David Blake filled the lion's share of the vacant shifts and Part-Time Officers Chris Martin and Joe Hazelrigg assisted. Regardless, the remaining full time officers had to contribute in the form of filling extra shifts far more often than desired. In response, we welcomed Tom Bishop to our team as a Part-Time Officer from Jaffrey. Lastly, Officer Maximin Rocheleau was hired to fill our full time vacancy and he graduated the Academy in December.

Statistically, compared to 2014, Rindge Police Officers responded to 23% more calls for service.

We saw an overall 15% increase in criminal offenses and subsequently a 23% increase in total arrests. Motor vehicle stops were down 4% as were DWI arrests which were down 52%. Motor vehicle accidents were up 7% but fortunately, we had no fatality accidents in 2015.

Many factors can impact a community's crime and accident statistics. The Heroin epidemic, for example, has certainly contributed to increased property crimes as it is a means to fund

2015 STATISTICS

	2014	2015	% change
Calls for service:	2544	3133	+23%
Misdemeanor Offenses	286	322	+12%
Felony Offenses:	53	69	+30%
Misdemeanor Arrests:	116	137	+18%
Felony Arrests	11	20	+82%
Juvenile Arrests	11	6	-54%
DWI Arrests	23	12	-52%
Motor Vehicle Stops	973	932	-4.4%
• Warnings	717	747	+4.2%
• Summons	256	185	-38%
Vehicle Accidents	113	121	+7.1%
• Fatalities	1	0	-100%
Animal Control Calls	477	451	-5.7%
Total Prosecution Cases	485	414	-17%

Records Manager Nick Roy
working hard to improve
our Technology.

addicts' drug habits. Another factor, that must be considered, is the reduction in proactive and preventative policing activities. The 2013 staffing allocation reduction from 8 to 7 full time officers, combined with increased calls for service, has left fewer officers to do more work. This causes proactive patrolling and traffic enforcement efforts to decline. In addition, high employee turnover rates, which cause consistent staffing shortages, result in even higher workloads for remaining officers, thus reducing potential "patrol" time even further. In 2016, we will work closely with the Town Administrator and Board of Selectmen to continue our efforts to enhance the recruitment and retention of officers as well as increase our staffing allocation to meet the rising needs of the community and elevate officer safety.

The MRI Report, issued in late 2014, has not been forgotten. Although we have made great progress, we are still working to complete all the recommended changes. Renovations of the Police Department continued in 2015 with the creation of an interview/juvenile detention room and the addition of a storage pod to help address space needs. This allowed us to complete a thorough audit and reorganization of our property and evidence. We also made strides to improve our records management and increased our use of technology in the form of Mobile Data Computers (MDCs) in the patrol cars. As suggested by MRI, a comprehensive Wage and Salary Survey was conducted and a Competitive Wage System has been presented to the Board of Selectmen for approval. The Municipal Services Facility Building Committee has also been reconstituted and work has begun to explore the possibility of constructing a new facility.

Collaboration with our community members continued to be a priority. The Rindge Crime Watch, a valuable partner, remained diligent in their efforts to help keep Rindge safe, and educate people in reference to crime prevention and security. Our relationship with Franklin Pierce University and the Town Gown is as strong as ever. This was demonstrated during our joint effort to host a Kinder Morgan Pipeline Scoping Session on campus. Although the meeting itself was contentious, the planning and execution of the event went flawlessly. It was a great team success. Rindge Officers also worked closely with the Rindge Memorial School staff and assisted with Fire, Evacuation, and Lock-Down Drills. We collaborated with the Ingalls Library staff on safety programs for the Home School Group, assisted the Recreation Department staff with multiple special events, and participated in the Harvest Festival, Memorial Day, and 4th of July Parades and activities. Other outreach activities included participation in Seniors' Holiday Banquet meal delivery program, and serving food at the monthly Welcome Table Community Dinner at the Meeting House. In addition, we participated in the Special Olympics Torch Run and the charity Cops vs. Fireman basketball game to benefit the Monadnock Valley Patriots.

Sgt. Dan Anair assisting with a K9 Demonstration for Crime Watch.

We would like to thank The Town Administrator, all the department heads, the Board of Selectmen, and most importantly our citizens for your support. It is greatly appreciated.

Respectfully submitted,

Todd A. Muilenberg

Chief of Police

Public Works Department

The Rindge Department of Public Works strives to give the citizens of Rindge quality roads. Assessing the condition of and maintaining the town roads are our main priorities. The Town of Rindge maintains sixty-five miles of roads.

The Department was asked to develop a 5-year Road Plan by the Board of Selectmen. This plan is a fact-based foundation/profile of Rindge roads to develop a thoughtful ongoing strategy for road construction and maintenance and to expand this strategy into a longer range plan. The Board of Selectmen accepted this plan; however, trying to maintain a level budget has somewhat hindered the full fruition of this plan. In addition, the state cut the Highway Block Grant by \$27,000 three years ago. This year the Highway Block Grant funding has increased \$18,000.00. The plan does give a solid direction for sections, evaluation of roads and year's sections need attention using the Hub and Spoke Paradigm. Again, trying to maintain a level budget we have not been able to fund the gravel road maintenance line item. Our other Fall projects consist of preparing the Town trucks and equipment for the Winter months, raking and picking up leaves on all town grounds, preparing the Town parks for Winter, draining the water lines and winterizing bathrooms at Wellington Park, re-grading and ditching all the gravel roads, and patching potholes.

The Winter months keep us very busy. Obviously, our main challenge is keeping the roads clear of snow and ice. This can be very challenging and tiring at times. It is not unusual for our crew to work 24-30 hours during major storms. We spend many sleepless nights to give the citizens of Rindge safe roads. The highway crew also services and maintains the equipment during the winter months and assists other town departments as needed. The town is fortunate to have such a talented and diverse group of individuals to provide this service. We have very dedicated crew members who really care about their jobs and take a lot of pride in their work. I would like to personally thank them for their dedication and many hours of work put in during the Winter months keeping all town roads safe for our citizens.

The Spring months keep us busy cleaning up from Winter and preparing for Summer. Projects in the Spring consist of: placing gravel and stone on the dirt roads during mud season, patching potholes, raking and picking up the rest of leaves from the Fall, power sweeping all the town parking lots, line striping all parking lots and crosswalks, opening the cemeteries, maintaining lawns, cutting brush and trimming trees in preparation for Summer projects, repairing damages to property and road signs from Winter plowing, and preparing and advertising bids for the major Summer projects such as paving roads, drainage and reclamation of roads.

The major Public Works projects are performed in the Summer. These consist of: replacing drainage pipes, reclaiming roads in preparation for paving, grading dirt roads and line striping several roads, maintaining the Town Common, Police Station, Fire Station, Library, Meeting House, cemeteries, and the Town Office lawns, preparing Wellington Park fields for Summer recreation, and roadside mowing.

Highway Projects

- Placing 500 cubic yards of gravel on dirt roads
- Resurfaced Abel Rd
- Resurfaced Quimby Rd
- Resurfaced West Main St, Bradford, Goodall Rd's
- Resurfaced Section of Thomas Rd
- 200 Feet of Underdrain on West Main St.
- Line striped Forristall Road, University Drive, Mountain Road, Main Street
- Continued major ditching on several roads and replaced several culverts

Converseville Road/Bridge Project

The Converseville Bridge over Miller's River is inspected annually by the NH DOT and was red-flagged for immediate replacement with an estimated replacement cost of \$700,000. As the DPW Director, I submitted a warrant article for voters to abandon the bridge and fund construction of a one hundred fifty foot section of road access to NH RT 119 to give access to 9 Converseville Road. The warrant article asked for \$28,000; however, only \$17,230 was expended to complete the project. All work was performed by the Rindge DPW personnel, which resulted in further savings.

I would like to express sincere thanks to the Esposito Family for working in conjunction with the town and the NH DOT to address the issue and making it possible to realize the substantial savings as a result.

Many thanks to the Rindge voters for passing this warrant article to complete this project.

Transfer Station

The Transfer Station and Swap Shop use continues to grow every year. We would like to thank the volunteers for all their personal time in organizing and staffing the Swap Shop. Without their help, the Swap Shop would not be the success that it is today. Hazardous Waste has taken a new direction due to the lack of grant funding for smaller municipalities. We have partnered with the City of Keene in their Household Hazardous Waste Days in the Spring and Fall. Rindge citizens can take their hazardous waste to the Keene Recycling Center located on Route 12 in Keene, NH. Citizens are required to provide proof of residency to dispose of their hazardous waste. Cost of disposal is the responsibility of the citizen at the facility's disposal rate.

The Recycling Program has recycled 328.19 ton in 2015; in 2014 we recycled 338.01 ton to Monadnock Disposal of Jaffrey, NH. This is a difference of -9.82 ton. Disposal of Demo/Household waste to Monadnock Disposal in 2015 is 784.59 ton. In 2014 we disposed of 829.68 ton. This is a difference of -45.09 from last year. We have seen an increase of citizen use of the facility during the 2015 calendar year. We would like to thank the citizens of Rindge for their conscious effort in recycling and those citizens who participate in the annual Earth Day roadside cleanup keeping Rindge clean. Keep up the good work.

Building Maintenance Department

The full-time Maintenance Technician has worked hard all year at keeping up the buildings and repairing major safety and building issues and working with the Energy Committee on improvements to the town facilities with BOS approval. This has saved the town in having to hire out some of these projects to contractors. The Maintenance Technician along with the DPW Director work with other department heads to devise a yearly maintenance/repair plan to address maintenance issues for all town buildings. He is also responsible for winter plowing which include roads, parking lots and sidewalks for all of the public buildings.

The Crew and I wish to thank the citizens of Rindge and other departments and boards for their cooperation and assistance during the past year. I especially wish to thank our Board of Selectmen and Town Administrator for all their guidance and assistance throughout the year.

Sincerely yours,

Michael Cloutier, Sr.
Director of Public Works

Recreation Department

Once again the Recreation Department had a successful and very busy year. In 2015 we experienced the ongoing theme of changes and additions to the staff and programs. The Recreation Committee, many volunteers, and a dedicated part time staff pulled together and worked to maintain the well-established programs of the Recreation Department, to grow the existing programs, and start the development of new and exciting options for the future. One of the new programs included more involvement with the Fourth of July celebrations. The Recreation Department provided field games and some great “old fashioned fun on the common” with wheel barrow races, three legged races, a duck race, and much more. The highlight of the day for many was a renewal of a community band on the bandstand as the Jaffrey-Rindge Community Band played patriotic tunes under the leadership of my wife, Lisa Goodwin, and directed by James Murphy. The Extended Day Program (EDP; before and after school opportunities) continues to be a strong program of the Recreation Department. The morning EDP attendance has grown from 10 or less each morning to 20 or more almost every morning, and the afternoon EDP attendance has remained strong with over 30 students most every afternoon. Building rentals have been strong, and the facilities are being used for their intended purposes. A form has been developed for those who would like to offer a program through the Recreation Department; please ask for this form at the offices at Wellington Park, or download the form from the documents section in the recreation portion of the Town’s website and submit it to the Recreation Director at least three months prior to the time you would like to begin your program.

The following programs were offered:

Winter:

- Basketball, Instructional and league options
- Thursday Night Lights Ski Program
- Homeschool Ski Program Tuesdays
- Homeschool Physical Education Classes
- Homeschool Theater
- February Vacation Field Trips
- Safe Sitter class

Spring:

- Instructional Softball
- Coed T-Ball
- Girls Softball
- April Vacation Field Trips
- Martha’s Vineyard field trip for seniors

Summer:

- Pre-School Day Camp
- 7 weeks of Day Camp with 1-night option to “sleep-over”
- 5 weeks of teen Day camp with a special trip to the Boston Globe
- British Soccer Camp

Fall:

- Instructional Soccer
- Homeschool Physical Education Classes
- Foliage tour and visit to King Arthur’s Flour facilities in Vermont

Along with these seasonal events, the Rindge Recreation Department coordinated several ongoing activities as well. These include, but are not limited to: Denise Mazzolas Everything Dog classes with Amy Willey, an After School Karate class with Elizabeth Kenny, Senior Coffee on Wednesday mornings, a knitting group on Thursday afternoons, another knitting and crochet group on Monday evenings, the Rindge Woman’s Club crafters group, the now year-round Chaos Soccer program, etc. Another ongoing activity is the monthly “Night Out With The Family” events (they are not all necessarily at night!). In 2015 the NOWTF event included: Ice Skating at Wellington Park, Sky watch with the NH Astronomical Society, the Easter Egg Hunt, a Minute to Win It game night, Bicycle Safety Program, Memorial Day picnic in the Park, Fourth of July Family Festival with Fireworks (on July 3rd), a trip to the New

Hampshire Cats game with fireworks, a Block Party at Wellington Park, Trunk or Treat, a Family Dance fundraiser, Karaoke Night, tree lighting and breakfast with Santa.

Throughout the school year we continued the Extended (school)-Day Program for elementary students, with an average of 20 students each morning and 35 students each afternoon. There were again, over 400 options for participation in this program with over 13,000 registrations processed (more than 2x the number of registration options processed last year)!

There were 30 field trip options and 436 registrations processed. These included trips like a tour of the Isles of Shoals, the Boston Museum of Science, Legoland, Fisher Cats games, Canobie Lake Park, McAuliffe Shepherd Discover Center, Hampton Beach State Park, the Big Apple Circus, the See Science Center, the Basketball Hall of Fame, the Stone Zoo, and several others.

Our Holiday programs were a big hit this year with approximately 400 participants in the Halloween Trunk-or-Treat; over 300 attended the Tree Lighting; approximately 200 attended Breakfast with Santa; and there were 200 meals served to seniors and volunteers for the Senior Citizens' Holiday Dinner.

A number of organizations made use of the facilities at Wellington Park, including but not limited to Destination Imagination, RAMS, Rindge Women's' club, the Cub Scouts, Boy Scouts, the Senior Coffee group, Extended Day Programs, Knitters Group, Crime Watch, and there were many local family and business events.

We were able to purchase a second AED for the ball field to be available at the concession stand during ball games and field events. The first unit, purchased in the previous year, is now mounted in a well identified box just inside the door at the Recreation Building. Early in the spring of 2015, the fence safety rail guards were replaced all the way around both of the ball fields at Wellington Park.

In 2015 we were able to re-establish the Constant Contact email system. The monthly happenings newsletters and special notices are once again going out via email to those who have signed up for the service. If you would like to be added to the list-serve, please send your email address to the Recreation Director requesting to be added to the list. Be sure to add the Town of Rindge to your email contacts list so the emails are not discarded to your spam or junk folders.

2016 ICE RINK Skating Schedule

Monday through Thursday

8am to 5pm - Free Skate

5pm to 8pm - No Hockey

8pm to 10pm - Hockey

Friday

8am to 5pm - Free Skate

5pm to 10pm - Family Skate

Saturday and Sunday

8am to 4pm - Free Skate

4pm to 6pm - Hockey

6pm to 10pm - Family Skate

The Rindge Recreation Department has a need to replace its old 15-passenger van with a more user-friendly "cut out" type vehicle. The old van is difficult at best for people of any age to navigate their way into and out of the rear seats. The newer van will have a walk-in type access, and will accommodate our seasoned citizens and young children in a much more accessible manor.

The Town of Rindge voters have agreed to make this vehicle replacement with \$1,000 taxpayer funds and the \$29,000 remaining funds to be “fundraised.” We have raised just over three thousand dollars in 2015 toward the \$29,000 with fundraising events scheduled in 2016. Please consider a donation for this excellent cause. You may send your donation made out to the Rindge Recreation Department, 283 Wellington Road, Rindge, NH 03461.

Any funds raised above and beyond the purchase and set-up costs for a new van will be held in an account for vehicle operations and maintenance for the new vehicle.

We are looking for volunteers. There are many more programs and opportunities available to our community as more of you are willing to volunteer your time and services. We made an effort to re-open the concession stand during ball games over the summer, and we feel this service would be better appreciated and used if we had volunteers to keep it open more consistently. You may have other talents to share or a desire to see a program started. Be sure to communicate your availability to the Recreation Director.

Please join me in expressing a special “thank you” to the members of the Recreation Committee: Mike DiPasquale (chairman), Jaime Hennessey (vice-chair), Tom Ciglar (secretary), Lydia Hatch, Adam Patria (completed his service in 2015), David Graham, Roberta Oeser (Selectmen’s Liaison), and new in 2015 John Kohlmorgen and Sue Rennie; and we continue our thanks and appreciation to all of the part time employees. Additional thanks go to all individuals, civic groups, businesses, and foundations that made donations and grants to the Rindge Recreation Department. Without your support we would not be able to offer the diverse offerings we have. We look forward to another successful year in 2016!

Respectfully Submitted,

Timothy J. Goodwin
Recreation Director

Roadway Highway Safety Committee

The Roadway and Highway Safety Committee is an advisory body that addresses issues concerning Town roadways, highway safety and related bike, pedestrian and other transportation issues. Members this year included Mike Cloutier, Public Works Director; Rick Donovan, Public Safety Director; Charlie Eicher; Todd Muilenberg, Chief of Police; Jane Pitt, Town Administrator; Kirk Stenersen, Acting Planning Director; Phil Stenersen.

In 2015 the committee heard, participated in, resolved or provided recommendations to the Board of Selectmen concerning road safety, traffic control signage, bridge repair, road acceptance, road repair prioritization, road construction, DOT plans and requests and resident concerns/issues.

Highlights-

Board of Selectmen recommendations

- Highway Safety Grants
- Atlantic Ave, Acceptance
- Ingalls Road and Perry Road signage
- Franklin Pierce University crosswalk and signage
- Forristall/ Rte 202 intersection signage
- Renaming Estabrook Drive to Conifer Road

Items addressed

- Bancroft Rd. berm/dam brush removal and inspection
- Parking on School Street
- Thomas, Hunt Hill, Lisa snowmobile crossing
- 5 Year Road Plan

Safety Committee

The Safety Committee, also known as the Joint Loss management Committee, is mandated by New Hampshire Workers' Compensation Laws. This Committee oversees the safety of Town employees and members of the general public who use Town facilities. The committee meets quarterly and is composed of representatives of management and the labor force. Workplace accidents/injuries are investigated by this Committee and it makes recommendations for workplace safety improvements to reduce the Town's liability and workers' compensation claims.

The existence and work of the Safety Committee allows the Town to receive a 2 ½% discount from our insurer, PRIMEX. This discount applies to the Town's workers' compensation costs. The Safety committee has identified a number of safety issues in Town buildings and through the efforts of Town employees, has addressed them. The Committee has also sponsored a number of safety seminars for Town employees.

The Safety Committee will continue to monitor the safety of Town employees and Town facilities and we welcome your input and questions.

Respectfully submitted,

Jane Pitt, Town Administrator and Member of the Safety Committee

Town-Gown Team

The Town – Gown Team is made up of representatives from Franklin Pierce University, Town Government and the Rindge community. The Team meets monthly and strives to identify areas of common interest between the University and the Town and to maintain open and productive lines of communication.

In 2015 the Team welcomed the University's new President, Andrew Card as well as Nathaniel Peirce, the University's Executive Vice President for Administration. We bade farewell to the Team's Facilitator, Lee Bruder, whose guidance helped to build the Team into the effective organization it is today.

The Team's effectiveness was tested and confirmed this year when members of the University staff and the Town's public safety staff closely collaborated in overseeing a Scoping Session on campus conducted by the Federal Energy Regulatory Commission on the proposed Kinder Morgan/Tennessee Gas North East Direct pipeline. Because the pipeline will effect Rindge and surrounding communities, this Scoping Session was attended by hundreds of people and their safety was a prime concern. The event took place without incident.

The Town and the University continue to collaborate on a variety of activities including: the FPU Family Day Tour of Rindge, Trick or Treat for kids on the FPU campus and Camp Quest. The Rindge Fire Department's Engine #1 continues to be housed at FPU where student firefighters are trained and certified. The Rindge Recreation Department conducts Youth Days at FPU and FPU student athletes continue to volunteer and host Rindge youth events.

Respectfully submitted,

Jane Pitt, Town Administrator and Team Member

Nathaniel Peirce, FPU Executive Vice President for Administration

Jim Earle, FPU Vice President of Student Affairs

Rick Donovan, Rindge Director of Public and Life Safety

Todd Muilenberg, Rindge Chief of Police

Lisa Murray, FPU Vice President for Institutional Advancement

Charlie Eicher, Rindge Community Representative

Ken Smith, Rindge Community Representative

Bob Hamilton, Chair, Rindge Board of Selectmen

Maureen Sturgis, FPU Director of Campus Safety

Kirk Stenersen, Rindge Interim Planning Director

Welfare Department

HELPFUL RESOURCES AND TIPS.....

- Fuel & electric help, rent, and security deposits: Southwestern Community Services 352-7512
- Medical Bills Help - call your hospital and ask about financial grant and medication programs
- Food stamps, financial help, health insurance: Dept. Health & Human Services 357-3510
- Mortgage modification: <https://www.makinghomeaffordable.gov/pages>
- Emergency rent help: NHHFA Emergency Housing Assistance 800-439-7247 x 9283
- Unemployed? Apply to NH Employment for unemployment benefits
- Not receiving child support? Call Child Support Services 357-3510
- Homeless or evicted? Southwestern Community Services 352-7512, Shelter From The Storm 532-8222, or Monadnock Area Transitional Shelter 924-5033
- Have a disability but can work? Call Vocational Rehabilitation to find you employment
- Jobless? Register online at www.nhworks.org or call 357-1904
- Set up monthly payment plans with electric company, heating fuel supplier, doctor, and dentist
- Use savings and retirement money to pay living expenses until your income increases
- Cancel all voluntary deductions out of your paycheck to increase your take home pay
- If you have a home phone and cell phone, cancel one
- Cancel cable and internet until your income increases *(internet is free at the library!)
- Refinance your car loan to extend the repayment term and lower your monthly payment
- Look at more affordable car insurance - compare prices at www.insurance.com
- Put college loans into deferment or forbearance until your income increases
- Cut up credit cards (keep one with a credit limit of \$500. Consolidate cards with Greenpath
- Do not get a Payday Loan – you will end up paying back up to 400% interest!

2015 Expenses Breakdown By Category:

Rent & Shelter	\$10,892.00
Contracted Services	\$15,299.00
Fuel & Electricity	\$ 1,654.80
Food & Medical	\$ 727.74
Office Supplies	\$ 65.19

TOTAL: \$29,638.73
