State of the Town

It was another interesting, eventful, and community-spirit-filled year for the citizens of Rindge. There were truly too many notable Town events and accomplishments in 2018 to list them all but here are just some of the highlights:

► Rindge celebrated the 250th anniversary of its founding with a myriad of events which extended over a large portion of the year. The events included:

- A reading of Rindge's original charter at the Meeting House in February
- A tour of the Town's old, historic, and notable buildings in April
- An Independence Day celebration held at Franklin Pierce University on June 30th with music, food, games, softball, and fireworks
- Two (!) Great Crate Races (June & September)
- A terrific Rindge 250th parade on August 11th with marchers, many floats, bands, historic vehicles, and a team of oxen. And, to cap the day off, the event concluded with a concert by the famous Temple Band. And, although the rain eventually dampened the ground, it did not dampen the spirits of the participants in the celebration!

All-in-all, it was a terrific series of events with massive support from the community which left us all looking forward to the tercentennial celebration of Rindge's founding.

► Rindge held another successful property auction in early October which returned two properties to the tax rolls and yielded \$181,000 to use for needed replacements of Town equipment with no tax impact. On a related note, the volunteers of the CIP Committee again worked hard to develop and maintain a Capital Improvement Plan which provides a long term approach to meeting the capital needs of the town while avoiding severe fluctuations in the Town's tax burden. Their efforts are, as always, greatly appreciated!

► Thanks to the use of special revenue and revolving funds and previous auction proceeds, Rindge was able to replace, **with no tax impact**, the following vital but worn-out pieces of equipment:

- The Fire Department replaced its old Dodge sedan fire prevention vehicle with a much more useful $\frac{3}{4}$ ton crew cab pick-up truck.
- The Police Department replaced the old "Crown Vic" cruiser with a new pick-up style cruiser.
- The Highway Department was finally able to replace their old front end loader.
- The Highway Department replaced their old industrial mower (used for town right-of-way maintenance).
- The Highway Department was able to replace its old plow truck with a new truck with plow and wing-plow attachments.
- The Recreation Department was finally able to replace its worn-out, un-useable van.

State of the Town

- ▶ Other measures to improve Town facilities and equipment included the following:
 - The Meetinghouse roof was replaced with no tax impact thanks to the Ward Trust Fund and the work of Meetinghouse oversight committee.
 - The police department installed both a drug drop-off box and a “sharps” drop-off box in their lobby with no tax impact. Thank you to the many people and organizations who donated toward these efforts
 - Thanks to the use of Senate Bill 38 funds received from the State of New Hampshire in 2017, the Highway Department was able to re-pave about an extra mile of Town road (for a total of over five miles) without additional tax impact.
 - The Town Meeting voted to establish the Cemetery Trust Fund for the purpose of maintaining, repairing, and expanding the Rindge cemeteries. The \$12,000 appropriated for the fund was used for much needed work including re-sealing the Hillside Cemetery roads.
 - The Town Meeting voted to establish the Ingalls Memorial Library Trust Fund for the maintenance and repair of the Library and appropriated \$20,00 for the fund. In a related development, the Library received two grants (Moose Plate and LCHIP) totaling \$26,500 to aid in the restoration of this beautiful building's exterior.
 - The Town Meeting voted to allow the Town to enter into an agreement to lease/purchase a new fire engine which is scheduled to be delivered in May 2019.
- ▶ For the fourth year in a row, the Town issued the tax bills and collected the tax payments without the need for a Tax Anticipation Note. This continued success was due to the timely payment of their tax bills by Rindge's citizens, the dedication and hard work of our Tax Collector and her Deputy, our Assessing Clerk, and the strong support of our entire town-office team.
- ▶ Rindge commemorated the 100th anniversary of the end of World War I on Veteran's Day, November 11, 2018 with the first raising of the Town's new American flag on the Town's new flagpole. Fittingly, the flag raising ceremony was conducted by members of the Rindge Veteran's Association.
- ▶ The Town accepted the donation from Mr. David Graham of an emergency generator (for the second year in a row). The town also accepted the donation from the RAMS of a new dugout for the ball field at Wellington field. And, these are just two of many examples of how the people and local charitable organizations of Rindge constantly work to benefit our town.

And last, but not least, during 2017 the Town of Rindge once again provided a wide array of needed services while remaining within the budget approved by the Town Meeting and, for the third year in a row, actually achieved a modest decrease (!) in the municipal tax rate.

Respectfully submitted,

Jim Qualey

Chairman, Rindge Board of Selectmen.

Deliberative Session Minutes

First Meeting: Saturday, February 3, 2018

Voters on Checklist: **4,398**

Voters Attending Meeting: Approximately 99

Second Meeting: Tuesday, March 13, 2018

Ballots Cast: 1,462

Town Moderator Charlie Eicher called the meeting to order at 9am. Charlie introduced Girl Scout Troop of Rindge; Alexis Kulczyk, Olivia Richard, Caroline Weinhold. He also introduced Brian Kohlmorgan, who led the meeting in the Pledge of Allegiance. Charlie then introduced Town Administrator Joe Byk and Executive Secretary Michele Christian. He introduced the Board of Selectmen; Chair, James Qualey, Robert Hamilton, and Roberta Oeser. Department Heads; Police Chief, Daniel Anair, Director of Public Works, Michael Cloutier and Director of Public and Life Safety, Rick Donovan, Recreation Director, Daniel Bemis. Town Officials; Finance Director, Laurie May, Town Clerk, Nancy Martin, Deputy Town Clerk, Pat Hildreth, Deputy Town Moderator, Craig Clark. He introduced the Budget Advisory Committee Members; Chairman, Tom Coneys, Rick Sirvint, Sharon Rasku, Don Cook, and Kale Stenersen. Supervisors of the Checklist; Ida Mae Harman, Roberta Letourneau and Karla MacLeod were also introduced.

Charlie explained the process of the meeting and asked if anyone had any questions, he then explained article 1 is a non-amendable article for the election of officers and articles 2 and 3 are non-amendable zoning articles therefore he would not be reading them. He asked if there were a motion to move articles 1 through 3 as written, Roberta Oeser made the motion to move the articles with a second, a voice vote was taken the motion to move articles 1 through 3 passed.

Jim Qualey read article 4 to the public involving the budget.

Article 4:

To see if the Town will vote to raise and appropriate as an operating budget, not including appropriations by special warrant articles and other appropriations voted separately, the amounts set forth on the budget posted with the warrant or as amended by vote of the first session, for the purposes set forth therein, totaling Three Million Nine Hundred Seventy Eight Thousand and Six Hundred and Twenty Four (\$3,978,624) Dollars. Should this article be defeated, the default budget shall be Three Million Nine Hundred Sixty One Thousand and Six Hundred and Eleven (\$3,961,611) Dollars, which is the same as last year, with certain adjustments required by previous action of the Town of Rindge or by law; or the governing body may hold one special meeting, in accordance with RSA 40:13, X and XVI, to take up the issue of a revised operating budget only.

Jim stated that \$73,000.00 of the budget went to wages, benefits and insurance obligations, with a 24% increase from the year before leaving \$14,000 to \$15,000 for materials etc. He stated this was a very tight budget.

Deliberative Session Minutes

Laurie May, Financial Director of the town went over the financial budget and expenditures for 2017.

Charlie called on Jason Paolino from the CIP committee to explain what the committee does; which is to advise the BOS and BAC on capital expenditures, they advise on how to balance department needs with the affordability of the taxpayer in mind, they focus on ways to minimize taxes. Some of the things they have worked on are: fire engine, replace Wellington Bridge, replace GMC truck, purchase of fire utility vehicle, replace mower, replace CAT loader, purchase emergency generator, establish a library expendable fund, and raising and saving \$125,000 to be added to Highway and Fire reserve fund.

Yes – 961 No - 445

Article 5:

To see if the Town will vote to authorize the Selectmen to enter into a five (5) year lease agreement to purchase and equip a new Fire Engine to replace Engine 1 for the Fire Department in the amount of Four Hundred and Sixty Seven Thousand and Seven Hundred Twenty Nine (\$467,729) Dollars, to be payable over a term of five years with annual payments in years two through five of approximately Ninety-Nine Thousand (\$99,000) Dollars, and further to raise and appropriate up to the sum of One Hundred Four Thousand and Seventy Nine (\$104,079) Dollars for the first year's payment for that purpose. The lease agreement contains an escape clause.

Selectmen Roberta Oeser read the amendment and then moved to amend Article 5 to lower price to Four Hundred and Fifty Thousand (\$450,000) Dollars including engine detailing and to be offset by trading in Engine 1 with a 5 year lease agreement. She stated there was a better price of equipment and if it passes there would be less interest to pay. The motion was seconded.

Linda Brummer asked how old the engine is how long are do they last? Rick Donovan Director of Public and Life Safety said that Engine 1 is 23 years old and the life expectancy is about 25 years. Tom Coneys commented that the Budget Advisory Committee has no position on the amendment. Kelen Geiger asked how the chief feels about the amendment; Rick replied that it would ease the tax burden, because there has not been enough money saved to purchase a fire truck. Tom Coneys asked if a program truck would not ease the tax burden. Rick replied that it does not meet the safety standards and could possibly be a danger to the safety of our firefighters.

Roberta addressed the needs of the new truck and turned to Rick Donovan to speak. He stated Engine 2 is paid off and the plan is to replace Engine 1. Engine 1 is 23 years old and has had several maintenance issues involving electrical, body, door issues, pump components, and an alignment issue due to an accident in 1999. He also stated that Engine 1 was bought in 1999 and when purchased it met the NFPA 1901 Safety Standards, but the standards have changed. His main concern of Engine 1 is the hale pump, which is the main component of the truck. The pump has a 20 year life span which almost up.

As it stands now we have a quote that meets our specifications and will duplicate Engine 2 at approximately \$27,000 less than the quote on the original article, if purchased it will meet the ECE29R which is required by NFPA Safety Standards. The truck is constructed for better safety in case of a roll over. Because of some of the maintenance issues with Engine 1 the vendor has agreed to replace

Deliberative Session Minutes

anything on Engine 1 until the new truck is delivered, the vender has 395 days to deliver the new truck after the decision to purchase the new truck is approved.

Rick Sirvint stated he is against the proposal, and the method on which a fire truck was found. He stated that the Electric Trust Fund with Citizens Bank will be capping in 2 years and then would be the time to purchase a truck. Deborah Opramolla said that the money spent now rather than waiting 2 years for a safe, functional fire truck is more important to her. Jason Paolino said the CIP had done a lot of consideration on the funds but feels the need of the new truck is important and will investigate the Trust Fund. Roberta Oeser stated that they have looked into using these funds.

Charlie asked if there were any more questions on the motion to amend, there were none. He asked if there was a motion to amend article 5, a motion was made and seconded; Charlie called for a hand count vote and article 5 was amended.

Jed Brummer made a motion to move the question with a second; Charlie took a hand count, the motion to move the question passed. Roberta Oeser made a motion to move to restrict consideration and it was seconded. Motion was carried by a hand count.

Article 5 will be amended and will read as follows:

To see if the Town will vote to authorize the Selectmen to enter into up to a five (5) year lease/purchase agreement to purchase and equip a new Fire Engine to replace Engine 1 for the Fire Department in the amount of Four Hundred and Fifty Thousand (\$450,000) Dollars, to include the engine, engine detailing, and lender legal fees, said amount to be offset by trading in Engine 1 for approximately Ten Thousand (\$10,000) Dollars, said lease to be payable over a term of up to five (5) years with annual payments in years two (2) through five (5), if needed, of approximately Ninety – Three Thousand Two Hundred Fifty-Five (93,255) Dollars, and further to raise and appropriate up to One Hundred Thousand Seven Hundred and Fifty-Five (\$100,755) Dollars for the first or down payment for purchasing and detailing said engine. The lease agreement contains an escape clause.

The amended article will appear on the ballot.

Yes – 707 No - 700

Article 6:

To see if the Town will vote to raise and appropriate the sum of Eighteen Thousand (\$18,000) Dollars to be added to the Wellington Road Bridge Replacement Capital Reserve Account previously established.

Bob Hamilton read article 6 and he mentioned that the town would pay 20% of the cost same as last year and there would be no increase in tax payment. No discussion on the article.

No change to article 6, the article will appear on the ballot.

Yes -1197 No - 217

Deliberative Session Minutes

Article 7:

To see if the Town will vote to raise and appropriate the sum of Twenty Eight Thousand (\$28,000) Dollars to be added to the Revaluation Capital Reserve Account previously established for the 2020 Revaluation. This will be a non-lapsing appropriation pursuant to RSA 32:7, VI and will not lapse until the work is completed or by December 31, 2020, whichever is sooner.

Jim Qualey read article 7, and he stated that we have to reevaluate every 5 years.

No changes to article 7, the article will appear on the ballot.

Yes – 1027 No - 375

Article 8:

To see if the Town will vote to raise and appropriate the sum of One Hundred Fifty Thousand (\$150,000) Dollars for the purpose of purchasing a Freightliner M2 truck with plow, wing and radio to replace the 2006 GMC 2 ton, 4 wheel dump/plow and wing, and to authorize withdrawal of One Hundred Fifty Thousand (\$150,000) Dollars from the unassigned fund balance for this purpose, said amount to be offset by trading in the old truck for approximately \$6,000.

Roberta Oeser read article 8, she stated that there would be no tax impact.

No changes to article 8, the article will appear on the ballot.

Yes - 1136 No - 291

Article 9:

To see if the Town will vote to raise and appropriate the sum of Thirty Five Thousand (\$35,000) Dollars for the purpose of purchasing a Fire Utility vehicle, ¾ ton crew cab pick-up, to replace the current 2008 Dodge Fire Prevention vehicle, and authorize the withdrawal of Thirty Five Thousand (\$35,000) Dollars from the Fire Department Equipment Capital Reserve Account created for that purpose.

Bob Hamilton read article 9 and stated there would be no tax impact.

No changes to article 9, the article will appear on the ballot.

Yes – 904 No - 523

Article 10:

To see if the Town will vote to raise and appropriate the sum of Fifteen Thousand Seven Hundred and Twenty Three (\$15,723) Dollars for the purpose of purchasing a Kubota zero-turn industrial mower to replace the old mower and to authorize withdrawal of Fifteen Thousand Seven Hundred and Twenty Three (\$15,723) Dollars from the unassigned fund balance for this purpose, said amount to be offset by trading in the old mower for approximately \$2,000.

Jim Qualey read article 10, he said the old mower is worn out and there would be no tax impact.

Deliberative Session Minutes

No changes to article 10, the article will appear on the ballot.

Yes – 975 No – 450

Article 11:

To see if the Town will vote to raise and appropriate the sum of Two Hundred Six Thousand (\$206, 000) Dollars for the purpose of purchasing a three and one-half (3 1/2) yard bucket rubber tire Loader with attachments to replace the 1998 Cat Loader, and to authorize withdrawal of One Hundred Sixty Six Thousand (\$166, 000)) Dollars from the unassigned fund balance for this purpose and Forty Thousand (\$40,000) Dollars from the Transfer Station Special Revenue Fund, said amount to be offset by trading in the old loader for approximately \$30,000.

Roberta Oeser read article 11, she stated there would be no tax impact.

No changes to article 11, the article will appear on the ballot.

Yes – 1018 No - 400

Article 12:

To see if the Town will vote to raise and appropriate the sum of Forty Thousand (\$40,000) Dollars for the purpose of purchasing a generator for the Highway Department, said amount to be offset by a FEMA grant or other grants, if awarded. If the grant is not received, the generator will not be purchased.

Bob Hamilton read article 12, he stated there would be no tax impact and if the grant is not received they will not purchase the generator.

No changes to article 12, the article will appear on the ballot.

Yes – 1192 No -241

Article 13:

To see if the Town will vote to raise and appropriate Five Thousand (\$5,000) Dollars to be added to the Rindge 250 Expendable Trust Fund per RSA 31:19-a for the purpose of honoring the Town's 250th Anniversary, with this amount to come from taxation.

Roberta Oeser read article 13, she stated the funds would pay for fireworks, the parade, etc. there would be a small tax impact.

Rick Sirvint said he supported the celebration, but does not support the town paying for it. He feels the money should come from private donations, Linda Bummer said money is being raised and she also said that we are looking for funding from private donations and where is your town pride? Jason Paolino asked how the 1968 celebration was funded? Roberta Oeser replied that the town paid \$10,000 toward the celebration in 1968. Julie Flood Page wanted to know what kind of tax impact would occur. Craig Clark said it would be less than 1%. Mary Ann Harper thanked Roberta for chairing the 250th Committee and it was only a small amount and that there were several events to be funded. Roberta Oeser also read the schedule of events that will be happening for the 250th Celebration.

Deliberative Session Minutes

No changes to article 13, the article will appear on the ballot.

Yes -715 No -715

Article 14:

To see if the Town will vote to establish an expendable trust fund under the provisions of RSA 31:19-a to be known as the Ingalls Memorial Library Trust Fund for the purpose of repairing and maintaining the Library and to raise and appropriate the sum of Twenty Thousand Dollars (\$20,000) toward this purpose and name the Selectmen as the agents to expend the fund.

Jim Qualey read article 14, he reminded everyone that this is a town building and we are obligated to maintain it. Karla Macleod, a trustee of the library, also spoke about the library. The building is in the State Registry and we need to maintain it. Mike Cloutier went over some of the issues with the building, such as the cement mortar and later on address the slate roof, those are the biggest concerns.

No changes to article 14, the article will appear on the ballot.

Yes – 989 No - 388

Article 15:

To see if the Town will vote to establish an expendable trust fund under the provisions of RSA 31:19-a to be known as the Cemetery Trust Fund for the purpose of repairing, maintaining and expanding the Rindge Cemeteries and to raise and appropriate the sum of Twelve Thousand Dollars (\$12,000) toward this purpose and name the Selectmen as the agents to expend the fund.

Bob Hamilton read article 15, he said the total cost would be \$60,000. Burt Goodrich said it was important to maintain the cemetery because it is part of the history of the towns' people. The fund would be used for repairing and preserving graves, monuments, stone walls and fences. It would also be used to provide new burial lots. It is consistent with the Rindge Master Plan to preserve historical places. Jim Paolino said he also supported the article.

No changes to article 15, the article will appear on the ballot.

Yes – 1038 No - 333

Article 16:

To see if the Town will vote to raise and appropriate the sum of Fourteen Thousand (\$14,000) Dollars for the purpose of purchasing a 15 passenger mini-bus or similar vehicle with lettering and a radio for the Recreation Department with said funds to come from donations already received.

Article 16 was read by Jim Qualey, he said the balance of funds would come from the Revolving Recreation Fund.

Deliberative Session Minutes

Recreation Director, Daniel Bemis spoke of the need of a van. The Recreation Department currently has a school bus. A van would help in transporting for senior events, it would reduce the number of steps seniors would have to use to board the van and it would be used for smaller groups of youth to be transported to different destinations.

No changes to article 16, the article will appear on the ballot.

Yes – 979 No - 412

Rick Sirvint asked if there was a rule about video- taping people at the meeting without their consent. Charlie stated that it was a public meeting and the RSA gives the right to video.

Article 17:

To see if the Town will vote to raise and appropriate the sum of One Hundred and Twenty Five Thousand (\$125,000) Dollars, Twenty Five Thousand (\$25,000) Dollars to be added to the Fire Department Capital Reserve Fund previously established and One Hundred Thousand (\$100,000) Dollars to be added to the Highway Capital Reserve Fund previously established.

Article 17 was read by Roberta Oeser she said this would involve taxation.

Rick Sirvint made the motion to amend the article to reduce the amount to a \$1.00, he said there is one million dollars in the trust and there is no reason for this. Motion was seconded. Charlie asked how he would want the \$1.00 to be spent. Rick amended his motion by designating .50 cents to the Fire Department and. 50 cents to the Highway Fund. Jim Qualey seconded the motion. Deb Opramolla said that every year we need to budget for expenses, we cannot make taxes \$0 dollars, we cannot go backwards, and we have to move forward. Craig Clark said we have to set aside money and save for future expenses. Arwen Mellor said this needed to go to the voters. Tom Coneys said the BAC has been trying to get the Budget Committee to save, Jim Qualey said he doesn't feel the need to put money in the Capital Reserve because we are selling several properties and the money can come from that. Roberta Oeser said the sale of the properties would still be a shortfall.

Jed Brummer made the motion to move the question with there was a second. Charlie called for a vote on the amendment. The motion to amend failed.

No changes to article 17, the article will appear on the ballot.

Yes – 606 No - 771

Article 18:

To see if the Town will vote to allow the operation of Keno within the Town pursuant to the provisions of NH RSA 284:41 through 51.

Bob Hamilton read article 18.

Craig Clark asked which businesses? Bob answered Hometown Diner, Pizza Haven and Woodbound Inn. Deb Opramolla asked shouldn't it be written by the town? Bob answered the town can give permission but the State has to grant the permits.

Deliberative Session Minutes

No changes to article 18, the article will appear on the ballot.

Yes – 686 No - 698

Article 19:

To see if the Town will adopt the provisions of RSA 72:28-b, all Veterans' Tax Credit, under which all veterans who are residents of Rindge, who served not less than 90 days on active service in the armed forces of the US, and were honorably discharged, or an officer honorably separated from service, or the spouse or surviving spouse of such resident, provided that Title 10 training for active duty by a member of a national guard or reserve shall be included as service under this paragraph, provided however that the person is not eligible for and is not receiving a credit under RSA 72:28 or RSA 72:35, shall annually receive a \$500.00 veterans tax credit. (Submitted by Petition)

Craig Clark read article 19. Craig Clark said this article would help fill in the gaps for those who have served after war- time; the current article does not cover any wars after Vietnam.

Roberta Oeser asked how many veterans in town do not currently qualify? Craig stated he has no idea. The current veterans group has approximately 50 members.

No changes to article 19, the petition article will appear on the ballot.

Yes – 1043 No - 325

Article 20:

Shall the Town express its support to Governor Sununu for New Hampshire to join Massachusetts and Maine and study the feasibility of developing offshore wind power in the Gulf of Maine? The Town will provide written notice urging Governor Sununu request the Bureau of Ocean Energy Management (BOEM) to form an intergovernmental task force. A bipartisan NH legislative committee studied the potential for offshore wind in 2014 and recommended the establishment of this task force. Floating wind turbines located far offshore in federal waters and barely visible from land, combined with other renewable energy will move NH to 100% renewable energy by 2050. The building offshore wind farms will bring a significant number of jobs and revenue to New Hampshire. (Submitted by Petition)

Pat Martin read article 20 and presented a slide-show.

Rick Sirvint said he had spoken to several engineers and they are against the plan

No changes to article 20, the petition article will appear on the ballot.

Yes -904 No - 472

A motion was made by Roberta Oeser to restrict reconsideration and was seconded. The motion to restrict reconsideration passed by a voice vote.

No changes to article 20, the article will appear on the ballot.

Yes – 904 No - 472

Deliberative Session Minutes

Charlie asked if there was any more business to conduct, Jed Brummer stated that we need to address the appropriate pay plan for the Police Department.

The meeting adjourned at 11:35 am.

Respectfully submitted,

Patricia F. Hildreth

Deputy Town Clerk

Article 3:

Are you in favor of the adoption of Amendment No. 2 as proposed by the Planning Board for the Town of Rindge Zoning Ordinance as follows?

To amend Article V (Residential-Agricultural District) Section A.1 (Uses Permitted) to read:

It shall be a district of farms, and single and two family dwellings only. Up to one Home-Based Business is permitted per residence only upon the granting of a Conditional Use Permit by the Planning Board when said Board is satisfied that the proposed use meets the requirements imposed by Article XII and the following specific provisions:

1. There is at least one resident employee of the business and no more than five (5) non-resident employees.
2. The home-based business will not adversely affect the property involved, or neighboring properties, by reason of any unusual light, noise, dust or odor.
3. The home-based business does not change the residential character or appearance of the home or any accessory buildings.
4. The home-based business does not occupy more than thirty-five (35%) of the gross building area of the home or any accessory buildings.
5. The home-based business has no more than sixteen (16) visitors or more than eight (8) deliveries to the home on an average daily basis.
6. The home-based business has exterior storage of materials related to the business that does not exceed ten percent (10%) of the gross building area of the home and any accessory buildings, provided that said exterior storage is located to the side or rear of the home and is screened from view beyond the property line.
7. There are no more than two passenger cars or other vehicles associated with the home-based business that are regularly parked on the property. Said vehicles shall not have more than six wheels.
8. All vehicle parking shall be accommodated off-street and on the residential driveway.

(603) 622-7070 • Fax: (603) 622-1452 • www.vachonclukay.com

REPORT ON INTERNAL CONTROL BASED ON AN AUDIT OF BASIC FINANCIAL STATEMENTS

To the Board of Selectmen
Town of Rindge, New Hampshire

In planning and performing our audit of the financial statements of the governmental activities, each major fund, and the aggregate remaining fund information of the Town of Rindge, New Hampshire (the Town) as of and for the year ended December 31, 2017, in accordance with auditing standards generally accepted in the United States of America, we considered the Town's internal control over financial reporting (internal control) as a basis for designing audit procedures that are appropriate in the circumstances for the purpose of expressing our opinions on the financial statements, but not for the purpose of expressing an opinion on the effectiveness of the Town's internal control. Accordingly, we do not express an opinion on the effectiveness of the Town's internal control.

A deficiency in internal control exists when the design or operation of a control does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct, misstatements on a timely basis. A material weakness is a deficiency, or a combination of deficiencies, in internal control, such that there is a reasonable possibility that a material misstatement of the entity's financial statements will not be prevented, or detected and corrected, on a timely basis.

Our consideration of internal control was for the limited purpose described in the first paragraph and was not designed to identify all deficiencies in internal control that might be material weaknesses. Given these limitations, during our audit we did not identify any deficiencies in internal control that we consider to be material weaknesses. However, material weaknesses may exist that have not been identified.

This communication is intended solely for the information and use of management, the Board of Selectmen, and others within the organization, and is not intended to be, and should not be, used by anyone other than these specified parties.

A handwritten signature in black ink that reads 'Vachon Clukay & Company PC'. The signature is written in a cursive, flowing style.

ZONING BOARD OF ADJUSTMENT – 3 YRS – 2 SEATS

Marcia S. Breckenridge

Cynthia S. Childs

Article 2:

To see if the Town will vote to raise and appropriate as an operating budget, not including appropriations by special warrant articles and other appropriations voted separately, the amounts set forth on the budget posted with the warrant or as amended by vote of the first session, for the purposes set forth therein, totaling Four Million Fifty Three Thousand Five Hundred and Nine (\$4,053,509) Dollars. Should this article be defeated, the default budget shall be Three Million Nine Hundred Eighty Six Thousand Eight Hundred and Eighty Three (\$3,986,883) Dollars, which is the same as last year, with certain adjustments required by previous action of the Town of Rindge or by law; or the governing body may hold one special meeting, in accordance with RSA 40:13, X and XVI, to take up the issue of a revised operating budget only.

2019 Town Warrant with Explanations

(Recommended by the Board of Selectmen, 3 in favor, 0 opposed. Recommended by the Budget Advisory Committee, 7 in favor, 0 opposed.)

A "yes" vote would approve the operating budget of \$4,053,509. The budget is an increase of \$74,885 more than last year or a 1.9% increase.

Article 3:

To see if the Town will vote to raise and appropriate the sum of Ninety Thousand (\$90,000) Dollars for the second payment on the Fire Department Engine One replacement voted on and approved by the Town pursuant to Article 5 of the 2018 Town Warrant. The lease agreement contains an escape clause.

(Recommended by the Board of Selectmen, 3 in favor, 0 opposed. Recommended by the Budget Advisory Committee, 7 in favor, 0 opposed.)

This is the second payment of the fire truck. The Town will own the fire truck at the end of the four year lease term. This is a "lapsing lease" i.e. there is an escape clause requiring an annual appropriation for the each year's lease payment. The approximate interest rate is 3.75% per annum. Since the amount of the proposed appropriation this year is \$10,000 less than last year. The tax impact is approximately \$4 less than last year's warrant article for a home assessed at \$200,000

Article 4:

To see if the Town will vote to raise and appropriate the sum of Twenty Thousand (\$20,000) Dollars to be added to the Wellington Road Bridge Replacement Capital Reserve Account previously established and vote to appoint the Board of Selectmen as Agents to expend from said Fund.

(Recommended by the Board of Selectmen, 3 in favor, 0 opposed. Recommended by the Budget Advisory Committee, 7 in favor, 0 opposed.)

A "yes" vote would deposit \$20,000 into the account established in 2012 for replacement of the Wellington Road Bridge. This bridge is on the State's list of bridges which must be replaced, the cost of which is estimated to be \$730,000. The Town has applied for State Bridge Aid which would cover 80% of the cost, if approved. The Town must save \$146,000 (its 20% portion of the cost) between now and 2020. The Town appropriated \$18,000 into the account in 2012, 2013, 2014, 2015, 2016, 2017, in 2018. This year's appropriation would bring the total amount in the account to \$146,000. The proposed appropriation of \$20,000 is \$2,000 more than last year. The anticipated tax impact is an increase of \$1 on a home assessed for \$200,000. This article also appoints the Selectmen as agents to expend in order to have plans prepared or other work done to prepare for the bridge replacement.

Article 5:

To see if the Town will vote to raise and appropriate the sum of Thirty Three Thousand Six Hundred (\$33,600) Dollars to be added to the Revaluation Capital Reserve Account previously established for the 2020 Revaluation. (Recommended by the Board of Selectmen, 3 in favor, 0 opposed.)

(Recommended by the Budget Advisory Committee, 7 in favor, 0 opposed.)

2019 Town Warrant with Explanations

A “yes” vote would authorize the deposit of \$33,600 to save for the 2020 Revaluation, which is required by law. The proposed appropriation of \$33,600, is \$5,600 more than last year. The anticipated tax impact is an increase of \$2 on a home assessed for \$200,000.

Article 6:

To see if the Town will vote to raise and appropriate the sum of One Hundred Ninety Five Thousand Two Hundred Twenty Five (\$195,225) Dollars for the purpose of purchasing and equipping a comparable replacement truck for the 2004 International 7600 ten wheel dump/plow truck with said amount to be offset by trading in the old truck for \$35,000 and to authorize withdrawal of One Hundred Sixty Thousand Two Hundred Twenty Five (\$160,225) Dollars from the unassigned fund balance for this purpose.

(Recommended by the Board of Selectmen, 3 in favor, 0 opposed. Recommended by the Budget Advisory Committee, 7 in favor, 0 opposed.)

A “yes” vote would authorize the purchase and equipping of a comparable replacement truck for the 2004 International 7600 ten wheel dump/plow truck that has reached the end of its useful life and requires expensive repairs. Since the amount of the appropriation will come from the unassigned fund balance, there is no tax impact. This is part of the proceeds from the sale of tax deeded properties that the Town has sold over the last several years.

Article 7:

To see if the Town will vote to raise and appropriate the sum of Three Hundred and Fifteen Thousand (\$315,000) Dollars for the purpose of purchasing a replacement grader for the 1988 CAT grader, with said amount to be offset by trading in the old grader for \$30,000, and to authorize withdrawal of Two Hundred Eighty Five Thousand (\$285,000) Dollars from the unassigned fund balance for this purpose.

(Recommended by the Board of Selectmen, 3 in favor, 0 opposed. Recommended by the Budget Advisory Committee, 7 in favor, 0 opposed.)

A “yes” vote would authorize the purchase of a replacement grader for the 1988 CAT grader which is so old that obtaining replacement parts is getting very difficult. Since the amount of the appropriation will come from the unassigned fund balance, there is no tax impact. This is part of the proceeds from the sale of tax deeded properties that the Town has sold over the last several years.

Article 8:

To see if the Town will vote to raise and appropriate the sum of up to One Hundred Forty Five Thousand (\$145,000) Dollars for the purpose of purchasing emergency generators for the Highway Garage, the Town Office, the Recreation Center Building and the Meeting House and to authorize withdrawal of up to One Hundred and Forty Five Thousand (\$145,000) Dollars from the Electric Light Trust Fund for this purpose. (60% Majority Vote required)

(Recommended by the Board of Selectmen, 2 in favor, 1 opposed. Recommended by the Budget Advisory Committee, 7 in favor, 0 opposed.)

A “yes” vote would authorize the purchase of four emergency generators for the Highway Garage, Town Office, Recreation Center and Meeting House. The Recreation Center is a designated

2019 Town Warrant with Explanations

'emergency shelter' and needs a generator in case of a power failure. The Town Office is designated as the back-up command center and also needs one in case of a power failure. The Highway garage needs a generator to be able to function in case of a power failure. The need for a generator at the Meeting House is to prevent pipes from freezing in the event of a power failure. Since the amount of the appropriation will come from the Electric Light Trust Fund, there is no tax impact. The Electric Light Trust Fund can only be used for capital expenditures.

Article 9:

To see if the Town will vote to raise and appropriate the sum of Twenty Thousand (\$20,000) Dollars for the purpose of adding to the Ingalls Memorial Library Trust Fund previously established.

(Recommended by the Board of Selectmen, 3 in favor, 0 opposed. Recommended by the Budget Advisory Committee, 7 in favor, 0 opposed.)

A "yes" vote will add \$20,000 to the money already in the Fund and be used for replacing the asphalt shingle roof on the library with additional funding coming from a donation of \$10,000 by Beverly Covert to the Library. Since the amount of the proposed appropriation this year is the same as last year, there is no increased tax impact.

Article 10:

To see if the Town will vote to raise and appropriate the sum of Twelve Thousand (\$12,000) Dollars for the Cemetery Expendable Trust Fund previously established.

(Recommended by the Board of Selectmen, 3 in favor, 0 opposed. Recommended by the Budget Advisory Committee, 7 in favor, 0 opposed.)

A "yes" vote will add \$12,000 to the Cemetery Expendable Trust Fund. This fund will be used for repairing and preserving graves, monuments, stonewalls, and fences; repairing and extending avenues; providing new burial lots. Since the amount of the proposed appropriation this year is the same as last year, there is no increased tax impact.

Article 11:

To see if the Town will vote to raise and appropriate the sum of Fifteen Thousand (\$15,000) Dollars for the purpose of replacing the Town's sand shed roof.

(Recommended by the Board of Selectmen, 3 in favor, 0 opposed. Recommended by the Budget Advisory Committee, 7 in favor, 0 opposed.)

A "yes" vote will enable the replacement of the Town sand shed roof which is now leaking, thereby interfering with winter sanding operations. The anticipated tax impact is an increase of \$6 on a home assessed for \$200,000.

Article 12:

To see if the Town will vote to raise and appropriate the sum of Fifty Five Thousand (\$55,000) Dollars to purchase a new server, software and the cost to facilitate the changeover to new assessing and tax collecting systems and authorize withdrawal from the unassigned fund balance of Fifty Five Thousand (\$55,000) Dollars for this purpose.

2019 Town Warrant with Explanations

(Recommended by the Board of Selectmen, 3 in favor, 0 opposed. Recommended by the Budget Advisory Committee, 7 in favor, 0 opposed.)

The Town currently has separate software vendors for assessing and collection and a third vendor for "bridging" the assessing and collection software. This has caused significant issues which jeopardize the timely collection of taxes. The software proposed performs all three components under a single vendor. A new server is required to accept the software upgrades. Since the amount of the appropriation will come from the unassigned fund balance, there is no tax impact.

Article 13:

To see if the Town will vote to discontinue the Rindge 250th Expendable Trust Fund. Any remaining funds and accumulated interest to date of withdrawal are to be transferred to the Town's general fund.

(Recommended by the Board of Selectmen, 3 in favor, 0 opposed.)

The Town successfully celebrated its 250th Anniversary and the fund no longer serves its original purpose.

Article 14:

To see if the Town will vote to raise and appropriate the sum of Twenty Four Thousand (\$24,000) Dollars for the purpose of purchasing replacement radios for the Fire Department, and to authorize withdrawal of Twenty Four Thousand (\$24,000) Dollars from the Fire Department Capital Reserve Fund for this purpose.

(Recommended by the Board of Selectmen, 3 in favor, 0 opposed. Recommended by the Budget Advisory Committee, 7 in favor, 0 opposed.)

A "yes" vote would authorize the purchase of six replacement radios for the Fire Department for which the useful life has expired. Similar radios in the Fire Department have already failed. Since the amount of the appropriation will come from the Fire Department Capital Reserve Fund, there is no tax impact.

Article 15:

To see if the Town will vote to raise and appropriate the sum of Eight Thousand (\$8,000) Dollars for the purpose of purchasing energy efficient replacement street lights.

(Recommended by the Board of Selectmen, 3 in favor, 0 opposed. Recommended by the Budget Advisory Committee, 7 in favor, 0 opposed.)

A "yes" vote would authorize the purchase of 47 streetlight fixtures and replace existing fixtures with energy efficient LED technology and will be subsidized with up to a \$100 per fixture rebate from Eversource. The cost is estimated to be recouped within 18 months. From then on there will be annual cost savings. The anticipated tax impact is an increase of \$3 on a home assessed for \$200,000.

2019 Town Warrant with Explanations

Article 16:

To see if the Town will vote to establish a revolving fund pursuant to RSA 31:95-h, for the purpose of maintenance and replacement of equipment and the general operating expenses of the Transfer Station. All revenues received from the sale of Transfer Station permits, punch cards and recyclables will be deposited into the fund, and the money in the fund shall be allowed to accumulate from year to year and shall not be considered part of the Town's general fund balance. And, further to raise and appropriate the sum of Seventy Nine Thousand Six Hundred Sixty Seven Dollars Cents (\$79,667) with such funds to come from the unassigned fund balance, to be added to the Transfer Station Revolving Fund. The Town Treasurer shall have custody of all money in the Fund and shall pay out the same only upon order of the governing body and no further approval is required by the legislative body to expend. Such funds may be expended only for the purpose for which the fund was created.

(Recommended by the Board of Selectmen, 2 in favor, 1 opposed. Recommended by the Budget Advisory Committee, 7 in favor, 0 opposed.)

A "yes" vote would establish a revolving fund that would be funded by the sale of 'dump' stickers and punch cards. The funds can be used to offset the expense of operating the transfer station in addition to paying for equipment replacement and repairs. Money used to offset the operating expenses will reduce the line item in the budget therefor reducing the tax impact of operating the transfer station. Basically this is to apply the fees collected to the operating costs of the 'dump'. The amount of money being put into the fund from the unassigned fund balance is the amount that is currently in the Special Revenue Fund that the next article proposes to discontinue. Since the amount of the appropriation is to come from the unassigned fund balance there is no tax impact.

Article 17:

Shall the Town rescind the provisions of RSA 31:95-c to restrict revenues from the sale of Transfer Station permits, punch cards and recyclables to the Special Revenue Fund for the Transfer Station as approved in the 2012 Town Warrant Article 15 and all remaining funds and accumulated interest to date of withdrawal are to be transferred to the general fund.

(Recommended by the Board of Selectmen, 2 in favor, 1 opposed. Recommended by the Budget Advisory Committee, 7 in favor, 0 opposed.)

A "yes" vote will discontinue the Special Revenue Fund for the Transfer Station. This fund was originally established to set aside the funds from the sale of 'dump' stickers and punch cards to replace equipment including the 'haul' truck. The Town is no longer hauling the solid waste long distances so the 'haul' truck will not be replaced. The previous article, if passed will replace the Special Revenue Fund with a revolving fund that much better serves the Town. There is no tax impact.

Article 18:

To see if the Town will authorize the transfer of a 3.9 acre portion with deeded development restriction of Town owned property shown on Tax Map 3, Lot 50 to the Owner of property shown at Map 3, Lot 44 in exchange for the transfer of a 17 acre portion of Map 3, Lot 44 to the Town.

2019 Town Warrant with Explanations

This exchange will require Boundary Lot Adjustment approval from the Planning Board and verification there are no Federal restrictions against transfer.

(Recommended by the Board of Selectmen, 2 in favor, 0 opposed, 1 abstention.)

A “yes” vote would authorize the transfer of 3.9 acres of Town-owned land (Parcel B), being a property located at the western end of the (Recreation area) lot in exchange for approximately that adjoins on the north side of the Wellington (Recreation) lot (Parcel A). It will provide access to Town owned lot that is currently ‘land-locked’. This Wellington Road lot by approximately 21 acres. This portion of land transferred will have restrictions placed on it to prevent development and will only be transferred if there are no restrictions against it.

approximately portion of the Wellington Road 17 acres of land Road another 8+ acre will expand the

Article 19:

To see if the Town will vote to raise and appropriate the sum of Fifty Thousand (\$50,000) Dollars to be added to the Highway Department Equipment Capital Reserve Fund previously established.

(Recommended by the Board of Selectmen, 2 in favor, 1 opposed. Recommended by the Budget Advisory Committee, 5 in favor, 2 opposed.)

A “yes” vote would authorize the appropriation of \$50,000 to the Highway Department Capital Reserve Fund to be expended for future capital expenditures as recommended by the CIP Committee, Budget Advisory Committee, and Board of Selectmen and voted on by the Town. The anticipated tax impact is an increase of \$19 on a home assessed for \$200,000.

Article 20:

To see if the Town will vote to allow the operation of Keno within the Town pursuant to the provisions of NH RSA 284:41 through 51. (Submitted by Petition)

Article 21:

To see if the Town will vote to raise and appropriate the sum of Two Thousand Five Hundred (\$2,500) Dollars in support of Contoocook Lake Area Preservation Association (formed August 1969). (CLAPA) is a non-profit 501c3 organization whose sole purpose, as its name states, is to preserve Contoocook Lake and its watershed (monies will be used for variable milfoil weed control using divers for hand weeding along with PROCELLACOR EC Treatment). CLAPA is a members association NOT and owner’s association; therefore, membership is open to ALL. CLAPA’s web site www.contoocooklake.org. Using US Census 2016, population of Rindge is (5,907); the support that each resident would contribute to the preservation of Contoocook Lake would be (\$2,500 divided by 5,907 or 42.3 cents per resident) (Submitted by Petition)

(Not recommended by the Board of Selectmen, 0 in favor, 3 opposed. Not recommended by the Budget Advisory Committee, 0 in favor, 7 opposed.)

The anticipated tax impact is an increase of \$1 on a home assessed for \$200,000.

2019 Town Warrant with Explanations

Article 22:

Shall the town vote to increase the Optional veteran's tax credit for service connected total disability from \$2,000 to \$4,000, as allowed by New Hampshire RSA 72:35, I-a, effective January 1, 2019, pursuant to NH Senate Bill 41. The optional tax credit for service-connected total disability shall replace the standard tax credit in its entirety and shall not be in addition thereto. (Submitted by Petition)

(Not recommended by the Budget Advisory Committee, 1 in favor, 6 opposed.)

A "yes" vote would increase the veteran's tax credit from the current \$2,000 to \$4,000. Using the current number receiving the credit, the anticipated tax impact is an increase of \$16 on a home assessed for \$200,000.

Article 23:

Shall the Town vote to request pursuant to RSA 195:25 that the Jaffrey-Rindge Cooperative School Board initiate a study of the feasibility and suitability of a plan for dissolution of the cooperative school district? Issues to be considered shall include, but not be limited to, the process for ongoing education following dissolution, maintenance of student records, employment, ongoing liability, capital issues, bond issues and disposition of district properties. (Submitted by Petition)

This is not a vote to withdraw from the district. If this warrant article passes, this study has to be done in accordance with the RSA mentioned and in a timely manner. After several years of trying (and failing) to have the apportionment of the costs of the J-R Cooperative District modified, this is the logical 'next step'. Requesting a study to determine how each town would fare if the district were dissolved will hopefully show that it would be better to re-apportion the costs. Or it may result in showing that Rindge should consider having its own schools. Either way, it would be good to know.

Article 24:

Shall the town vote to raise and appropriate Eight Thousand Dollars (\$8,000.00) to be added to the 2019 library budget for the purpose of creating a full time youth librarian position. (Submitted by Petition)

A yes vote would authorize the additional spending needed to fund a full-time youth librarian for 6 months (July 1, 2019 until December 31, 2019). The anticipated tax impact is an increase of \$3 on a home assessed for \$200,000.

(Not recommended by the Board of Selectmen, 1 in favor, 2 opposed. Recommended by the Budget Advisory Committee, 6 in favor, 1 opposed.)

Default Budget of the Municipality

Rindge

For the period beginning January 1, 2019 and ending December 31, 2019

RSA 40:13, IX (b) "Default budget" as used in this subdivision means the amount of the same appropriations as contained in the operating budget authorized for the previous year, reduced and increased, as the case may be, by debt service, contracts, and other obligations previously incurred or mandated by law, and reduced by one-time expenditures contained in the operating budget. For the purposes of this paragraph, one-time expenditures shall be appropriations not likely to recur in the succeeding budget, as determined by the governing body, unless the provisions of RSA 40:14-b are adopted, of the local political subdivision.

This form was posted with the warrant on: 1/28/2019

Wetlands	<u>\$36,201</u>
Total	\$1,731,212

182 Owners with land in Current Use
 249 Parcels in Current Use
 175 Acres receiving 20% Recreation Adjustment
 5.33 Acres removed from Current Use in 2018

Board of Adjustment

During 2018, the Board of Adjustment acted on 7 Variance requests [4 granted, 2 denied, 1 withdrawn], 3 Special Exception requests [2 granted, 1 withdrawn], 1 Equitable Waiver Request [granted], and 1 Rehearing request [granted].

The BOA is composed of five elected regular members and three alternate members appointed by the board. As a quasi-judicial board, all decisions are made based on the evidence presented during a hearing and on defined criteria that must be met.

There are five basic functions served by the BOA:

- 1] Interpreting terms of the zoning ordinances or applying them to a particular set of facts
- 2] Determining if any aspect of the application is grandfathered from having to comply
- 3] Acting on requests for a Variance from regulations that intend to be prohibitive. Five criteria must be met for it to be granted: *a/* Denial would result in an unnecessary hardship, *b/* It would not cause a decrease in the value of surrounding properties *c/* It's not contrary to the spirit and intent of the ordinance *d/* It's not contrary to public interest, *e/* It would do substantial justice.
- 4] Acting on requests for a Special Exception from an ordinance that specifically states it is to be allowed subject to meeting specific criteria: *a/* It doesn't create excessive traffic, congestion, noise or odors, *b/* It won't reduce the value of surrounding properties, *c/* There is adequate sewage, water facilities and off-street parking *d/* It will preserve the attractiveness of the town
- 5] Acting on an Equitable Waiver request which would legalize a dimensional violation when would be unfair to require correcting it.

The hard work and dedication of all Members, Alternates, and our Clerk is greatly appreciated. A Special thank you to Dave Drouin, a long time member and chairman, who recently stepped down from the board due to work commitments.

Respectfully Submitted,

Janet Goodrich,
Board of Adjustment Chairperson

Regular Members: Marcia Breckenridge, Cynthia Childs, Phil Stenersen, Bill Thomas
Alternate Members: Joseph Hill, Martin Kulla, Susan Wessels
Clerk: Michele Christian

Budget Advisory Committee

The Budget Advisory Committee (BAC) begins its year by the committee electing a Chairperson, Vice Chairperson and Secretary. However, the committee's second meeting on April 25th resulted in controversy and disruption causing the meeting to conclude after nine minutes.

For this year the BAC had a total of thirteen (13) meetings, four (4) joint with the Board of Selectmen (BOS) with a total of eight (8) department heads, and two (2) committee members, one (1) joint meeting with the Capital Improvement Committee (CIP) and eight working BAC Board Meetings.

In addition to the six (6) members of BAC and a Selectperson (Ex-Officio) we elected the following individuals as Alternates of the BAC, they are Phil Motta, Karl Pruter and Ellen Smith. Also, after several changes this year we drafted, and voted approval for the Rules and Procedures for the BAC. In addition, we now list on the Town's Web-Page all minutes for our working meetings.

For 2019 the Selectman's proposed an operating budget that totaled \$4,078,090.00, however the default budget was listed as \$3,985,256, which indicates an increase of \$92,834.00, over last year (2018). The BAC voted in support of a budget no greater than \$4.1 million. (voted: 6 in favor, 1 opposed, and 0 abstention).

In the performance of our duties as members of BAC, we reviewed several departments that needed a second review. **Ingalls Library** was first on our list, with a request for a full time Youth Librarian. After a thorough discussion and review of the improvements, the members agreed by a vote of: (5 in favor, 2 opposed, and 0 abstention) to approve the budget request. The next department under review was Michael Cloutier's **DPW**. We were aware of certain line items going over this year's budget, but given the winter we experienced last year we felt that the DPW's requests for next year should be approved.

Sixteen (16) departments came under review on November 14th. However only three (3) needed a further review. The major unresolved discussion concerned **Technology** and that pertained to the replacement of hardware and software for the KRT Revaluation and the Tax Billing and Collections software. A further review of salary increases that pertained to two (2) departments who asked for five (5%), increase, was not supported.

There were no issues pertaining to the next seven (7) departments under review on November 28th.

Lastly, we met with the **Police and Animal control**: After a conversation we learned that this year two (2) officers resigned. Even with these losses, the budget was kept as low as possible under these circumstances. However, Chief Anair expressed a need for additional part time coverage at the front desk, and a new TASER system. This request caused repeated review and it was decided that upon review by the Selectmen of the contract for the new system, the BAC will approve the purchase. It was also suggested that the Animal Control Officer reduce mileage.

I would like to thank all the Budget Advisory Committee Members and the Alternate Committee Members for their time to review and discuss the process this year. Their efforts have proved educational to all attending the meetings of the proposed 2019 Operating Budget and the Special Warrant Articles on behalf of the taxpayers.

Respectfully,
Sharon Rasku, Chairperson

Budget Advisory Members: Don Cook, Vice Chair; Cheryl McCabe-Charron, Secretary; Rick Sirvint; David Graham; Al L'Eplattenier. BAC Alternate Members: Phil Motta; Karl Pruter and Ellen Smith
Selectman, Ex-Officio: Roberta Oeser

Building Department

The Rindge Building Department conducted over 500 inspections in 2018. In 2019 we will continue to update the town's new website with all permit applications, worksheets, inspection schedules, permit fees, and information pertaining to obtaining a permit. I continue to look forward to working with all homeowners and contractors performing work in the Town of Rindge.

The Town of Rindge Building Department issued twenty-five (25) Residential Single Family Dwelling Permits; six (6) Replacement Single Family Dwelling Permits; seventy-three (73) Residential Accessory Permits; one (1) Residential ADU Permit; seventeen (17) Commercial Accessory Permits; six (6) Swimming Pool/Hot Tub Permits; eight (8) Demolition Permits; one hundred twenty-two (122) Electrical Permits; three (3) Solar Array System Permits; forty-six (46) Plumbing Permits; twenty-eight (28) Fire Safety Permits; one hundred fifty-four (154) Mechanical Permits; twenty-eight (28) Occupancy Permits.

REVENUE SUMMARY:

Building Permits: \$38,362.84	Electrical Permits: \$8,310.00	Plumbing Permits: \$3,715.00
Mechanical Permits: \$7,315.00	Fire Safety: \$1,670.00	Filling Fees: \$637.50
Reports: \$30.00		

PERMIT REQUIREMENTS

Permits are required for all construction within the Town of Rindge including remodeling, additions, sheds, outbuildings, decks, pools, sun decks, demolition of a structure, etc. A permit is also required for all electrical, plumbing, mechanical, oil and gas appliances including piping, wood burning equipment, chimneys, etc. Permit applications and information may be obtained at the Rindge Building Office located in the Rindge Town Office Building on Payson Hill Rd. Permit applications may also be downloaded from the town's website.

All contractors are required to file a permit application to obtain a permit for their respective trade prior to starting the work. Examples are electrical, plumbing, mechanical permits, etc. This process will ensure better management of building projects within the town. This procedure will guarantee the contractor's endorsement for the building project.

The Rindge Building Department encourages all residents and contractors planning any remodeling or construction projects to first contact the Building Office prior to construction, remodeling, repairing, demolishing, altering, etc. to obtain information on the permit process and what permits may be required as well as what codes and code editions are adopted.

NOTE:

A permit must be obtained prior to the commencement of work unless it is an emergency, in which, a permit must be obtained the next business day. Any work started prior to obtaining a permit will result in the permit fee being doubled.

Respectfully Submitted,

Rickard J. Donovan, Director of Public and Life Safety

Capital Improvement Plan Committee

A Capital Improvement Plan (CIP) is a planning and fiscal management tool used to coordinate and finance capital improvements over a multi-year period. The CIP focuses on items such as roadways, buildings, vehicles and pieces of equipment that have long service lives, and large costs of replacement.

The purpose of the CIP is to forecast and match projected revenues and capital needs over a multi-year period. Long range capital planning is an important management tool that strengthens the ability of the Town to meet and finance its capital needs. A properly developed CIP will do the following:

- Coordinate capital needs with the Town's operating budget
- Provide careful financial planning to avoid sudden spikes in the Town's tax rate
- Identify the most economical means of financing
- Insure that the Town's vehicles, equipment, roadways and buildings are in good, serviceable condition

The CIP Committee in Rindge has received varied levels of success over the past two decades. As discussed in our recent annual reports, we have been facing a near-term "spike" of abnormally high CIP expenditures as we continue to catch up from a past where capital expenditures were not approved. Over the past four years, the CIP Committee has focused on regaining the trust and confidence of taxpayer so that this costly pitfall will not be repeated in the future. Getting through this spike has largely been a great success due to careful and creative planning, active CIP Committee involvement, and, most importantly, gracious taxpayer support.

This year, we have a plan to again rely on some of the proceeds from recent town-owned property sales to get through the last part of the expenditure spike. In order to minimize tax rate swings, this year's CIP related warrant articles are designed to offset much of their costs through the use of these finite town resources. We propose to utilize approximately \$460,000 dollars from the sale of these assets to offset the full cost of replacement of a 15 year-old 10-wheel dump/plow truck and the 31 year-old roadway grader.

In 2017, the voters authorized the CIP Committee to evaluate the responsible usage of the Electric Light Trust Fund to meet some of the Town's capital needs. As such, the Committee is recommending the appropriation of approximately \$160,000 from this asset to fund the procurement and installation of four emergency generators. These generators would serve to power the DPW, Town Office, Recreation Center, and Meetinghouse during town emergencies. Attempts to fund these through federal grants in recent years have been unsuccessful, thus the Committee's recommendation to no longer rely on external sources for these potentially critical pieces of equipment.

Although we've been able to get through the CIP expenditure spike by expending finite town-owned resources, the Town must once again start to allocate CIP funding from taxation to minimize future tax rate swings. This savings mindset will be critical for future planning to maintaining our capital "already on the books" in a responsible manner.

Going forward, will continue to work closely with department heads on subsequent annual budgetary recommendations related to town-owned capital, and to refine the CIP plan accordingly. We also expect to continue benefit from our solid working relationship with the Budget Advisory Committee and Select Board, with a focus on prudent ways to minimize tax fluctuations in a responsible manner.

Capital Improvement Plan Committee

On behalf of the CIP Committee, I would like to express our gratitude to those members of the BAC who have been involved with the CIP process this year. We have held several joint meetings to discuss Committee findings and the long terms goals of the CIP plan, efforts which have proved very educational for both groups. Finally, thank you to all CIP Committee members for their dedication this past year to ensure town needs are met, while being mindful of impacts to the taxpayers of Rindge.

Respectfully,
Jason Paolino, Chairman

CIP Committee Members: Daniel Aho, Joseph Byk (Town Administrator, non-voting), Craig Clark (Vice Chairman), Thomas Coneys, Richard Isakson, Laurie May (Town Finance Director, non-voting), Sharon Rasku, Ellen Smith (Secretary), James Qualey (Selectman, Ex-Officio)

The CIP Committee meets the third Tuesday of each month at 5pm. Please join us! We would appreciate hearing your thoughts and suggestions.

Cemetery Trustees

Maintaining our cemeteries in good condition requires on-going effort for routine maintenance and capital improvements. Therefore, in order to address capital improvements, the Cemetery Trustees, Board of Selectmen, and Budget Advisory Committee all recommended the establishment of a Cemetery Fund. At the 2018 Annual Town Meeting, citizens approved a warrant article to establish a Cemetery Fund, funded at \$12,000. This Cemetery Fund will be used to address needed improvements at the Meeting House Cemetery and the Hillside Cemetery.

The Cemetery Fund will be used to address specific capital projects such as resetting fallen and tipped memorials, repairing cracks and seal coating avenues, rebuilding stone walls, and removing encroaching brush and trees. During the summer and fall of 2018 an excellent start was made on these projects:

- repairing and resetting several historic monuments in the Meeting House Cemetery
- repairing cracks and seal coating a portion of the avenues in Hillside Cemetery
- removing brush and dead trees from the Meeting House Cemetery

The Cemetery Trustees, as required by New Hampshire, establish cemetery regulations and maintains records, oversees the care of cemeteries, lot sales, and burials. A line item is included in the Rindge DPW Budget for cemeteries. All maintenance, care, and burials are conducted by the Rindge Department of Public Works. The DPW Director, Michael Cloutier, serves as Sexton of our cemeteries.

In 2018 there were 4 full burials, and 6 cremation burials. Total revenue from grave openings was \$3200.00 which went into the Town General Fund.

In 2018 there were 5 full burial lots sold. No cremation lots were sold. Total revenue from sales was \$2000.00; of that \$1250.00 went into the Perpetual Care Trust Fund and the remaining \$750.00 went into the General Fund.

The cemeteries of Rindge provide a dignified, final resting place for our citizens. From the time Rindge was chartered as a town to the present, these cemeteries have provided an important service and outdoor history. The Cemetery Trustees express their gratitude to the Board of Selectmen and Department of Public Works for their on-going care of Rindge cemeteries.

Respectfully submitted,

Burton Goodrich, Chairperson

Cemetery Trustees:

Code Enforcement Officer

While the Rindge Board of Selectmen is responsible to enforce town zoning and sign ordinances, conditions attached to land use decisions of the Planning Board, and Board of Adjustment (ZBA) decisions, in 2002 the Board appointed a Code Enforcement Officer to carry out these responsibilities.

People who violate town ordinances are often unaware some ordinance may prohibit or limit their desired activities. Do you know what building setbacks are in your District? Do you know in what District your property is located? Do you know how far from a stream or lake you may build a shed or a deck or remove trees? Generally, a telephone call to my office is sufficient to learn the Zoning Ordinance's requirements. Sometimes a visit to the property is needed.

Fortunately, the list of situations I am actively monitoring remains small. Most violations involve unregistered and unlicensed, or "junk" vehicles, truck tires, or a new shed or deck constructed within a setback or without the required Building Permit.

The Code Enforcement Officer represents the Board of Selectmen at ZBA hearings, interpreting applicable regulations when requested. Some cases call for a Variance from town ordinances and others a Special Exception for a permitted action, such as constructing an apartment (an Accessory Dwelling Unit, or ADU) which requires approval from the ZBA. Occasionally, I represent the town in District Court or Small Claims Court.

If you need assistance to review a neighborhood situation or have a zoning question, please let me know (my extension is 113) Mondays, Wednesdays, or Fridays during business hours.

Respectfully submitted,

David E. DuVernay
Rindge Code Enforcement Officer

Conservation Commission

The mission of the Conservation Commission is to protect the natural resources of Rindge for the citizens of Town. The Commission has been busy this year with many projects.

The year started out with a presentation by the American Chestnut Tree Foundation discussing the history of the American Chestnut tree and the efforts to restore this very important tree. This culminated in the planting of five of these trees on Town property in honor of our 250th anniversary, assisted by some young people in Town that will be able to watch these trees grow as they themselves mature.

As part of the Commission's efforts to promote Town properties for recreation; walks, paddles and even a full moon hike were held at Converse Meadow, Tetreault Park and the Merriam Hunt Forest. We look forward to continuing these events, so look for them in local publications, The Town website or join the Friends of Conservation to stay informed.

The Camp Wildwood Leadership Camp, as part of their annual efforts to assist us, cleared a new trail at the Contoocook Marsh Complex.

In the spring of this year the Commission and the Recreation Dept. worked to clear an area at Tetreault Park for the future construction of a playscape with natural features, so the citizens of Town will have another facility to explore and enjoy the natural community of Rindge.

The Board of Selectmen entrusted the Commission with the care of a piece of Town property on Able Rd, now known as Schoolhouse Park, site of an early Rindge school. The Commission has installed a parking area and looks forward to developing this interesting and historic parcel along Tarbell Brook for recreational and historical opportunities.

Since one of our most important efforts is our educational outreach, the Rindge Library had a presentation for a home school group at Tetreault Park put on by the Harris Center sponsored by the Commission. The Commission also sponsored a deserving youth to attend Camp Wildwood once again this summer through a scholarship generously provided by the camp. If this is something a member of your family would be interested in for summer 2019, please contact the Commission.

The Conservation Corps, now in their second year has grown in size and scope and has been critical in the completion of trail creation and maintenance projects as well as a new roof on the cabin at Tetreault Park. We look forward to the continued growth of this important community asset and we encourage anyone interested in joining to contact the commission. The efforts of the Commission, the Conservation Corps, Camp Wildwood Leadership Camp, the Recreation Committee and many individuals has totaled over 900 hours of volunteer hours, and much equipment and materials dedicated to the protection of, and the recreation in, our precious natural resources. The Commission wishes to thank the Board of Selectmen, the Highway Department, the Town Office, the Conservation Corps, Camp Wildwood, the numerous individual volunteers and all the citizens of Rindge for their support in our efforts.

If you have a piece of property that you are interested in protecting for future generations, please feel free to contact the Commission if you need more information. You are also encouraged to join the Commission at any of our twice a month meetings, at one of our project days or one of our events. Watch the website and papers for future events, please join us.

Respectfully submitted,
David G. Drouin
Chair, RCC

Emergency Management Department

The Rindge Emergency Management Department updated and received approval from FEMA for the town's Hazard Mitigation Plan. The department did receive a grant to help offset the cost with labor and materials to complete the update. The award amount of the grant was \$7,500. The Emergency Management Team contracted with Jane Hubbard Consulting to assist with the plan update. We will be meeting with all town department heads to provide a copy and review the approved plan.

The Local Emergency Operations Plan (LEOP) and the Hazard Mitigation Plan must be updated and filed with FEMA every five (5) years in order to be in compliance with all Federal Grant requests and storm reimbursements.

I would like to take a moment again to thank Ron Osimo for his dedicated service. Ron was appointed by the Board of Selectmen as a member of the Rindge Emergency Team in 2015. Ron has been extremely helpful with many projects completed in 2018 that will enhance our capabilities in emergency situations.

In times of storm events, the Emergency Management Department asks all residents and visitors to respect all road barricades for closed roads and partially closed roads. We experience road barricades being run down or thrown off the roads into the woods or over the shoulder of the roads. These barricades are placed to indicate a hazardous condition and for public safety. Your cooperation in this matter would be greatly appreciated.

In 2019, the department plans on working with the Fire and Police Departments, Franklin Pierce University, and the public and private schools to design and implement an Active Shooter Plan. We will also continue to implement a town-wide notification system and continue to obtain approval to install a message center at the NH RT 119 & US RT 202 intersection.

The department will continue to utilize the Variable Message Sign (VMS) to notify citizens of any important information and/or meetings that need to be relayed to the community. The sign will be placed at the Rindge Fire Department or Rindge Transfer Station entrance. I would also encourage all residents to install NH Alerts app on their cell phones and computers. This app allows us to send important information about affected areas of the town in an event, along with what to do messages. You can also find a wide range of valuable information regarding preparedness information and notifications at ReadyNH.gov. I encourage all Rindge residents to visit the site and be prepared before an event happens.

Respectfully Submitted,

Rickard J Donovan, Emergency Management Director

Energy Commission

The Rindge Energy Commission began 2018 with the following objectives:

- 1.) Implement/identify energy efficiency/weatherization projects with paybacks of up to 5 to 7 years as identified in the 2011 Investment Grade Energy Audit Reports.
- 2.) Assist other town boards, departments, and committees in tracking and optimizing energy usage.
- 3.) Troubleshoot problems identified through tracking energy usage at various buildings.
- 4.) Support the efforts of the Jaffrey-Rindge School District to reduce energy consumption.

In 2018 the Department of Public Works Director (DPW) identified an opportunity to convert town streetlights to LED through an Eversource rebate program. The Energy Commission was asked to evaluate the proposal for payback. The project is estimated to cost the Town approximately \$8000 after rebates and should payback in about 18 months. The Energy Commission supports the warrant article requesting the funding for the streetlight conversion.

The Energy Commission also studied the combined impact of electricity consumption and demand charges for the “Sprinkler Shed” at the Meeting House. The Commission determined that an air source heat pump would be a cost-effective replacement for the electric space heaters currently in use and would have a payback of 5.6 years. The Congregational Church will share the approximately \$5,000 total cost of the project with the Town.

The Energy Commission will evaluate the effectiveness of the Energy Savings Performance Contract for the Jaffrey-Rindge School District when there is a data for the full year of 2019.

The Fitzwilliam Energy Committee, the Fitzwilliam Library, and the Rindge Ingalls Memorial Library partnered with the Energy Commission to sponsor a NHSAVES weatherization workshop at the Wellington Recreation Center in November. Twenty people attended the workshop to learn about weatherization techniques and NHSAVES rebate and grant programs. In 2019, the Energy Commission plans to offer Do-It-Yourself weatherization workshops in collaboration with the Ingalls Memorial Library.

In 2019, volunteers from the Rindge Energy Commission will partner with volunteers from the Fitzwilliam Energy Committee and the non-profit Monadnock Energy Hub to sponsor a “Solarize” campaign for residents of the two towns. The Energy Commission partnered with Jaffrey on a similar campaign in 2010 that led to about a dozen solar installations in the two towns. The Solarize campaign will launch in March of 2019.

In December of 2018, the Energy Commission welcomed Jeff Dickler as a new member.

Total Energy

The Town of Rindge spent approximately \$4,468.38 less on energy consumption in 2018 compared with 2011. Rindge expended approximately \$82,405 in energy dollars (excluding transportation but including the 50% paid by the Congregational Church for the Meeting House energy expense) in 2018. In contrast, Rindge spent \$63,276 in 2017 and \$86,874 in 2011. Since most of the energy efficiency projects were completed in 2012, the baseline year is 2011.

Energy Commission

Rindge spent \$33,721.20 on oil, \$1637.14 on propane, \$36,672.60 for building electric, and \$10,374.68 for streetlight electric for a total of \$82,405.62 in 2018.

Heating

2018 was a relatively cold year with 5701 Heating Degree Days (HDDs) compared with 5813 in 2011 and only 4911 in 2012. The Town used 120.3 (0.8%) more gallons of oil than in 2011, and there were dramatic increases in consumption at certain facilities. The town spent \$12,474 more for oil heating than in 2017. Although consumption was up over 2017 levels at every building, the largest percentage increases came in buildings that have not been weatherized because of physical constraints or marginal payback opportunities. Specifically, the most dramatic increases in oil consumption occurred at the Town Offices (96.4%), Wellington Recreation Building (32.97%), and the Transfer Station (86%). Although oil consumption was up by 61% at the Fire Station, propane use was down by 47%. With the help of the Department of Public Works, these buildings will be re-evaluated for weatherization and control system remedies.

Electricity

In 2018, Electricity consumption for the town buildings was down by 12.75% compared with 2011 usage levels. This is the second year in a row that overall electricity consumption has decreased significantly, but buildings using electric heat saw significant increases. These buildings will be evaluated as candidates for air source heat pumps.

The 2011 Streetlight conversion project continues to save at least \$5000/year compared with the higher rate paid prior to 2010 (Streetlight conversion project occurred in mid-2011).

The DPW should continue the excellent job it's been doing with procurement and energy efficiency projects.

Energy Intensity

Due to the Federal Government Shutdown in January of 2019, the EPA's Portfolio Manager online tools were unavailable for reporting on normalized Energy Intensity ratings for each building.

Electric Consumption – Municipal Buildings

FACILITY	2011 KWH	2018 KWH	Decrease (Increase) %

Respectfully submitted,

Patricia A Martin, Chair

Fire Department

In 2018 the Fire Department responded to 822 calls for service. Fire-related incidents accounted for 367 calls and EMS related incidents accounted for 455 calls for service.

In 2019 the Fire Department will continue to build its call membership and provide all these dedicated men and women with the necessary training and equipment to respond to emergencies and preserve the safety of the town and its residents. This is very important to ensure firefighter safety and help keep the town tax rate in check. The dedication and hard work of these residents, who spend hundreds of hours to train and certify, allows the department to provide a high level of professional service to the town and protect its residents.

These emergency responders are paid per call instead of manning the station at all hours. Without a full-time Fire Department, Rindge relies on service-minded citizens to work on behalf of the community. Anyone interested in making a difference for their community as a first responder can contact Director of Public and Life Safety Rickard Donovan at the Fire Station (899-3324) for details.

During the past year the department members continued to make improvements to the fire station. Those improvements, designed to bring the station up to code in order to provide a safe, efficient and professional service to our citizens and visitors, included insulation and sheetrock in the 3-bay area, installation of LED lighting throughout the building interior and exterior, updating the RO System and Water System including converting the Hot Water to propane on-demand hot water, and other miscellaneous items.

In 2019 we will continue ways to improve the storage and work space throughout the building. We will be upgrading the kitchen area and making minor improvements to the Emergency Operation Center (EOC).

In the spring of 2018 the department partnered with the NH Fire Marshal's Office for a free Smoke/CO detector program called "Get Alarmed". Through this Federally Funded Grant, we were able to install these detectors in 13 homes that did not already have adequate protection. The department offers free home fire safety guidance, fire prevention programs to school and civic groups and fire extinguisher training. We perform mandatory Annual Life Safety inspections in Places of Assembly, Business and Mercantile occupancies, educational facilities, and multi-family dwellings throughout the year. The department also offers CPR/AED and First Aid classes to citizens, businesses, and civic groups that are interested in improving their lifesaving knowledge. If you are interested in more information about these programs, please contact us at (603) 899-3324.

The department extends a sincere thank you to all the people, businesses, and organizations that have provided their support during the past year.

Respectfully Submitted,

Rickard J Donovan, Director of Public and Life Safety

Fire Department

Mission Statement

"To protect the citizens of the Town of Rindge from emergencies and disasters through aggressive fire suppression, emergency medical response, hazardous materials emergency management, fire prevention and public education, and pre-emergency planning."

Rindge Fire Department Members

Full-Time Staff

Chief Rickard Donovan – FF-III/EMT - Years of Service: 21 Years, Director of Public and Life Safety
Deb Douglas – EMT - Years of Service: 23 Years, Admin. Assistant / EMS Deputy Chief
Casey Burrage – FF-III/Medic - Years of Service: 13 Years, Captain

Call Member Staff

Joe Bevilacqua – Call FF-II/EMR – Years of Service: 5.5 Years – Lieutenant
Gabriel Boulay – Logistic Member – Years of Service: 2.5 Years
John Ciarcia – Call FF-I/EMT – Years of Service: 3.5 Years
David Cloutier – Call FF-I – Years of Service: 6.5 Years
Kelsey Dumont – Logistic Member – Years of Service: 1 Year
Zach Face – Call FF/EMR – Years of Service: 4.5 Years
John Fahey – Call FF-III/Medic – Years of Service: 1 Year – Returning Member
Arthur Gardiner – Call FF-I/EMT – Years of Service: 2 Years
Danielle Gardiner – EMT – Years of Service: 2.5 Years
Chris Hill – Call FF-II/EMT - Years of Service: 15 Years – Captain
Ashley Huntington – EMT Candidate – Years of Service: 1.5 Years
David Jadlocki – Dept. Chaplain – Years of Service: 6 Years
Traci Juntunen – Call EMT - Years of Service: 8 Years
Zachary Lassila – Call FF-I – Years of Service: 3.5 Years
Andrew Leger – Call FF-I/EMR – Years of Service: 4 Years
Ron Osimo – Logistic Member – Years of Service: 2 Years
Brian Packard – Call FF-II/ EMT – Years of Service: 5.5 Years - Lieutenant
Karl Pruter – Call FF-I – Years of Service: 9.5 Years - Driver/Operator
David Pugh – Call FF-II/EMT – Years of Service: 24 Years – Deputy Chief
Marie Pugh – Call AEMT - Years of Service: 12.5 Years – Reporting Clerk
Stephen Robblee – Call FF-I – Years of Service: 20 Years – Retired

Hannah Schwack – Call FF – Years of Service: 6 Months
Beth Stewart – Call FF – Years of Service: 1.5 Years
Jeremy Wood – Call FF/EMT – Years of Service: 6 Months

The Rindge Fire Department maintains minimum training and certification levels for all emergency responders in accordance with the National Fire Protection Association and National EMS Registry requirements and recommendations. All members are required to participate in mandatory Fire, Rescue, and EMS trainings, Infectious Disease training and monitoring, and Leadership training.

Apparatus Brief

The Rindge Fire Department will continue its Preventative Maintenance Program on all vehicles and equipment in an effort to keep all emergency equipment in a state of constant readiness. This program also helps keep repair costs down and ensures the equipment meets its recommended life span. The maintenance program consists of in-house weekly vehicle and equipment inspections; in-house fluid, filter, and lubrication service; oil changes; pump and ladder maintenance; small engine service, and building maintenance.

The department is thankful for the Town's support and approval to replace the old Dodge Charger with a 2018 Chevy Silverado and the replacement of Engine 1. The new engine has been ordered and is currently in production. The department expects to receive the new engine in the early part of 2019.

FIRE PREVENTION, EDUCATION, AND INSPECTION OFFICE

The Rindge Fire Department will continue its Fire Prevention and Education Programs in the schools and other public and private events. We also continue to offer Fire Safety Programs, Fire Extinguisher and Prevention Programs to local businesses for their employees. The Rindge Fire Department also offers free Home Fire Safety Inspections to the residents of Rindge and continues to perform mandated inspections at businesses and multi-family dwellings located in town. The Rindge Fire Department maintains an open door policy for the citizens to visit the station during business hours to check out the equipment and apparatus the town owns. This is also a great time to see what is available and the importance of different equipment used in the fire service. Fire prevention materials are also available at the fire station.

Under NH State Fire Code and State Statutes, all businesses and residential rental units are subject to annual life safety inspections. The Town of Rindge currently inspects 6 Businesses twice annually, 162 Businesses in 89 buildings annually, 15 Multi-Family Units annually, 54 Residential Rental Units annually and 10 Town and State Buildings annually. All single-family dwelling units or rental rooms within a dwelling used as rental units are subject to annual inspections under the State Fire Code.

CPR, AED, AND FIRST AID TRAINING

The Rindge Fire Department offers CPR, AED, and First Aid classes to the general public and businesses within the Town of Rindge. We are planning on scheduling monthly classes, and more if necessary. To receive more information or to sign up for a class, please contact the department's CPR/First Aid Coordinator, Marie Pugh at 603-899-3324. Our goal is to train as many citizens as possible in CPR, AED, and First Aid.

The Rindge Fire Department would like to thank the Town of Rindge residents and businesses for all their support throughout the years.

Rindge Fire Department Burn Permit Schedule

FIRE STATION

Mon – Fri 3:30 PM – 6:30 PM

Sat 9:00 AM – 1 PM (Call Prior)

NOTE: On days that it is actively raining, you may obtain a permit at the fire station for that day (Monday – Saturday) starting at 10:00 AM

There will be no permits issued on Sunday or Holidays so plan ahead if you plan to burn on these days. Permits for those days may be obtained after 3:30 PM on the Friday before, depending on the weather forecast. You may call ahead to make arrangements at (603) 899-3324.

Permits may also be obtained through the NH Division of Forests and Land online burn permitting system. <https://nhdfweb.sovsportsnet.net/>. These permits are available 24hrs a day, weather dependent.

Anyone who wishes to burn clean, ordinary combustibles such as leaves, brush or untreated lumber, or have a camp or cooking fire must have written permission from the landowner and a fire permit from the Rindge Fire Warden before the fire is kindled. You must be at least 18 years of age to obtain a written fire permit.

Seasonal permits can be issued for established fire rings containing small camp and cooking fires. Such camp or cooking fires shall; be in an area cleaned to mineral soil at least 8 feet across; have at least 6 inches of sand or gravel under the fire for any fire built on the ground; and have no limbs or other burnable material to a height of 10 feet above the fireplace area.

Woody debris or brush less than 5 inches in diameter, or untreated wood and untreated dimension lumber (subject to Env-A 1001.05(g) below) can be burned. For any open burning a written fire permit is required. Even with the permit, no open burning is allowed between the hours of 9:00 am and 5:00 pm unless it is raining. When the ground where you are burning is completely covered with snow no fire permit is required. However, it is asked that you contact the Fire Department before burning.

The permittee will be required to have suppression equipment on site while the burning is being done and the fires will have to be totally extinguished or be constantly attended. Air quality regulations restrict the type of material burned in the open. Stumps, painted or treated lumber, tires, tubes, plastics, foam rubber and shingles are some of the prohibited materials (see Department of Environmental Services, Air Resources Division Open Burning Rules). Per Env-A 1001.05(g) "On-site burning, by the owner of a private, single-family residence occupied by the owner, of untreated wood, provided the material originates on site."

If you ignite a fire without a permit, the Rindge Fire Department will extinguish it at the owner's or responsible party's expense. (RFD Policy: \$250 base fee for UNAUTHORIZED BURNING.)

Forest Fire Warden & State Forest Ranger

This past year we were fortunate enough to have favorable weather conditions in the spring and summer which limited the amount of wildfire activity throughout the state. Your local fire departments and the Division of Forests & Lands worked throughout the year to protect homes and the forests. The statewide system of 16 fire lookout towers continues to operate on high fire danger days. Our fire lookouts are credited with keeping many fires small due to their quick and accurate spotting capabilities. The towers' fire detection efforts were supplemented by the NH Civil Air Patrol when the fire danger was especially high.

Many homes in New Hampshire are located in the wildland urban interface, which is the area where homes and flammable wildland fuels intermix. Several of the fires during the 2018 season threatened structures and one structure was destroyed, a constant reminder that wildfires burn more than just trees. Homeowners should take measures to prevent a wildfire from spreading to their home. Precautions include keeping your roof and gutters clear of leaves and pine needles, and maintaining adequate green space around your home free of flammable materials. Additional information and homeowner recommendations are available at www.firewise.org. Please help Smokey Bear, your local fire department, and the state's Forest Rangers by being fire wise and fire safe!

In 2019, we will be recognizing Smokey Bear's 75th birthday! Dressed in a ranger's hat, belted blue jeans, and carrying a shovel, he has been the recognized wildfire prevention symbol since 1944. The NH Forest Protection Bureau and local fire departments will be celebrating Smokey Bear's 75 years of wildfire prevention throughout the year. Smokey's message has always been about personal responsibility – remember his ABC's: Always Be Careful with fire. If you start a fire, put it out when you are done. **“Remember, Only You Can Prevent Wildfires!”**

As we prepare for the 2019 fire season, please remember to contact your local Forest Fire Warden or Fire Department to determine if a fire permit is required before doing ANY outside burning. Under State law (RSA 227-L:17) a fire permit is required for all outside burning, unless the ground is completely covered with snow. Fire permits are also available online in most towns and may be obtained by visiting www.nhfirepermit.com. The burning of household waste is prohibited by the Air Resources Division of the Department of Environmental Services (DES). You are encouraged to contact the local fire department or DES at 603-271-3503 or www.des.nh.gov for more information. Safe open burning requires your diligence and responsibility. Thank you for helping us to protect New Hampshire's forest resources. For more information please contact the Division of Forests & Lands at (603) 271-2214, or online at www.nhdf.org.

2018 WILDLAND FIRE STATISTICS

(All fires reported as of December 2018)

* Unpermitted fires which escape control are considered Wildfires.

Year	Number of Wildfires	Wildfire Acres Burned	Number of Unpermitted Fires*
2018	53	46	91
2017	65	134	100
2016	351	1090	159
2015	143	665	180
2014	112	72	53

CAUSES OF FIRES REPORTED

Ingalls Memorial Library

If asked to describe the year 2018 at the library with one word, I would say “EXCITING!”

The year started with the kick-off of our early literacy program, “1,000 Books before Kindergarten,” a program that was made possible through a Community Building Grant from the Children’s Literacy Foundation. We had twenty-five families sign up during the kick-off, and have continued building the program.

Our youth librarian has been actively involved in outreach programs – visiting the school to encourage Rindge students to take advantage of the public library, reaching out to other organizations in town to build relationships for collaboration, and building a robust learning program for area students who are homeschooled.

Our story time and afterschool programs continue to be well-attended, and our plans are to grow both over the coming year.

Teen services were in the spotlight at the library throughout the year. In addition to hosting a winter reading and summer reading program especially for the teens, our Youth Librarian created and led our Teen Advisory Board. Involved teens hold monthly meetings and host special programs. They even helped start our Teen Garden, which was made possible through generous donations from Belletete’s and KDI Landscaping. Using some of the ideas brought forward by the TAB, our Youth Librarian has created a welcoming space for teens --- a space where they can gather, read, study and create!

We have continued to build our “Learn @ Lunch” program for adults. This year, we had a series of author visits and programs led by local residents who were willing to share their experiences and knowledge with our patrons. It has been a successful addition to the programs we offer for Rindge adults.

We now have a new “Seed Library”, made possible through a donation from Seed Savers Exchange. Patrons can now “borrow” heirloom organic flower, herb and vegetable seeds to plant in their gardens at home. There is no obligation to “return” anything to the library, but we welcome donations of seeds saved by our patrons. Our goal is to support local families in their gardening efforts. We have offered a program on saving seeds, and hope to do more before the end of the growing season in 2019. We have also added some great printed materials on the subject.

The Library Trustees applied for and received two major grants during the year: a \$16,500 LCHIP (Land & Community Heritage Investment Program) Grant and a \$10,000 Moose Plate Grant. These important grants will help the town restore the mortar of this historic building.

We are proud of our library! We really do offer something for everyone --- whether it is internet access, local newspapers, magazines, movies, books and audiobooks, jigsaw puzzles, informative and interesting programs, photocopying, faxing, printing, 3D printing, a warm place to get a cup of coffee, or a place to catch up with friends.

Ingalls Memorial Library

The Ingalls Memorial Library is open 38 hours per week: Monday, Wednesday and Friday, 10 – 5; Tuesday and Thursday, 1:00 – 8; and Saturday, 9 – 12. The library was open 304 days during 2018, and there were over 19,000 visits to the library! This is an 8.4% increase from 2017.

As of December 31st, there were 2,426 library cards issued. We issued 226 cards to new patrons during the year, many of which were a result of visits to RMS during Library Card Sign-up Month. People who reside, work, own property or attend school in Rindge are entitled to free library cards. Non-residents are able to purchase cards for a fee.

Registered users have access to 32,768 items housed at the library. This includes adult, young adult and children's books, videos, audio books, video games, magazines, jigsaw puzzles and music CDs. The library owns approximately 450 large print titles. Cardholders have access to materials owned by libraries across the state through the Interlibrary Loan system, can download e-books and audiobooks through NH Downloadable Books and have access to EBSCO and Ancestry.com databases. The Friends of the Ingalls Memorial Library purchased Cheshire Children's Museum passes, so patrons are able to visit at ½ of the regular admission price. The Friends group also purchases a pass to the Adams Pool in Peterborough each summer.

Overview of Library Operations

Adult Materials Checked Out in 2018: 26,712

Children's Materials Checked Out in 2018: 26,748

Total Materials Checked Out in 2018: 53,460, up 3.47% from 2017

Adult Books Acquired in 2018: 727

Children's Books Acquired in 2018: 408

Adult Media Acquired in 2018: 525

Children's Media Acquired in 2018: 51

Internet Use: There were 881 internet sessions during the year. This does not include access to our Wi-Fi, which is available 24/7 from inside and outside of the library.

Volunteers provided 301 hours of service to the library.

2018 also saw the retirement of beloved Children's Librarian, Ms. Georgi. Georgi shared her love of books with the children of Rindge for 21 years. In order to celebrate her retirement, the Friends of the Library paid for the Keene Cheshiremen to perform on the Rindge Common, and the library held an open-house so that families could stop by to express their appreciation. Thanks, Georgi.

I would like to thank the library Trustees, staff, Friends, and volunteers for all they do to make this library the best it can be. Thanks to the authors, artists, craftspeople, historians, and others who took time out of their busy lives to bring great programming to the community. Thank you to the individuals, local businesses, Rindge Woman's Club, Charity Lodge #18, and the Roy A. Hunt Foundation for your support of our operations, and the Ingalls 1894 Association for your fundraising efforts. Thanks to those who have supplemented our collection and programming with generous donations. Thanks to the

Ingalls Memorial Library

Public Works Department for taking such good care of the building and the grounds, and all other town employees and departments for your continued support.

I would also like to thank our patrons – for without you, the library is merely a building used to store books.

I'm looking forward to 2019 – and hope to see you at the library!

Respectfully submitted,

Donna Straitiff

Meeting House Oversight Committee

The Meeting House, Carriage Sheds, and Cemetery are listed on the National Register of Historic Places. These grand and beautiful structures anchor the center of Rindge and the Town of Rindge is diligent with the on-going care and maintenance of them.

A much needed capital improvement was the replacement of roof shingles on the Meeting House. The roof shingles on the Meeting House had seriously deteriorated and in order to ensure that water leaking and structural damage did not occur, the Meeting House Oversight Committee recommended to the Board of Selectmen that old shingles be removed and replaced with new high grade, historic slate gray colored shingles. After receiving bids for this work in April, the Board of Selectmen awarded the bid of \$34,425.00 to Pento and Sons, LLC. This important maintenance work was completed in June.

The Ralph and Gertrude Ward Trust Fund generously providing full funding for this improvement to our historic Meeting House.

In the spring a wind storm took down the old wooden flagpole. In October it was replaced with a new, modern fiberglass flagpole set into a new cement pad. Installation of the new flag pole was completed by the Department of Public Works with the aid of a lift donated by 202 Truck and Equipment. The expense for this replacement was covered by the Town's insurance. The first flag raising ceremony was conducted by the Rindge Veterans Association.

Planning Board

OFFICE OF THE PLANNING BOARD
30 PAYSON HILL ROAD
RINDGE NH 03461
PH. (603) 899-5181 x 117 FAX (603) 899-2101 TDD 1-800-735-2964

The number of development proposals reviewed by the Planning Board was up in 2018 when compared to 2017. The Planning Board reviewed a total of 23 development proposal applications during the 2018 calendar year. Of the 23 applications, there were three Voluntary Mergers; ten Technical Subdivisions / Lot Line Adjustments; four Minor Subdivisions; two Minor Site Plans and four Major Site Plans.

The Planning Board submitted two warrant articles for the Town's consideration at the March 13, 2018 Town Meeting. Article 2 was intended to eliminate redundancies in the state RSA's and the Town of Rindge Zoning Ordinance in regards to Site Assessments of water front properties listed for sale. Article 3 was intended to clarify and ease restrictions on home based businesses to allow reasonable uses through a Conditional Use Permit through the Planning Board while setting parameters. Both of these articles passed.

The Planning Board Site Plan subcommittee, consists of 3 members, including the Planning Director, Kirk Stenersen and two Planning Board members, Bruce Donati and Roberta Oeser. They met regularly throughout the year. Kelen Geiger attended all meetings as a resident and her input and presence were greatly appreciated. The subcommittee work was completed in December of 2018 and will be discussed in January to determine whether to move the proposed changes to public hearing in 2019.

Planning Board members and staff were involved with the meetings of the Town Gown committee, the Roadway committee, the Capital Improvement Program committee and the Jaffrey-Rindge School Apportionment sub-committee during the 2018 calendar year.

The Planning Board voted to remove the word interim from the Planning Director title, a position which Kirk Stenersen continues to fill on a part time basis. He has planning office hours one day a week on Wednesdays from 9:00 a.m. to 1:00 p.m. Susan Hoyland, the Planning Board secretary has planning office hours Monday through Thursdays, from 9:00 a.m. to 1:00 p.m. The recently setup electronic filing system continues to be tweaked and modified; it has been valuable in research on prior and potential applications and has increased the efficiency of the Planning Department substantially.

It is anticipated that 2019 will include review of the Sign and Wetlands Ordinances, continued work with subcommittees to keep ordinances current and election and appointment of Planning Board officers.

The Board welcomed Dennis Casey who was elected to the Board at the March 13, 2018 Town Meeting. Jason Paolino was re-elected to the Board at the March 13, 2018 Town Meeting. Robert Oeser was appointed to the Planning Board as the Ex Officio member.

Planning Board

Lastly, I'm grateful to all the Planning Board members who twice chose me as Chairman. My tenure was immeasurably assisted by the knowledge, guidance and encouragement of an exceptional planning office staff – Susan Hoyland and Kirk Stenersen.

Respectfully Submitted,

Bruce Donati, Chairman

Police Department

Rindge Police Department

2018 Annual Report

2018 has been an interesting and challenging year for the Rindge Police Department. Staff turnover from 2017, and again in 2018, brought some new faces to the department. Officer Michael Eneguess came on full time to the department at the end of April. Officer Eneguess worked part-time in Hancock before accepting a full-time position with Rindge. Officer Eneguess will be attending the full time police academy starting January 7, 2019 and we look forward to his return at the end of April. Officer James Mcgeeney started full-time with us at the beginning of July. Soon after, he left to attend the full-time academy and returned to finish his training in mid-December. Toward the end of August, we hired part-time Officer Zachary Letourneau. Officer Letourneau came to us from Bennington Police Department where he still works part-time. Sgt Jeffrey Seppala, who has been a 9 year member of the agency, has resigned his full-time position here at the end of 2018 to pursue a college degree. Jeffrey will be attending school full-time and remaining as a part-time employee with us. I would like to personally thank Jeffrey for the years of service, hard work and dedication that he has given this agency and the town, good luck with your future endeavors. With the departure of Jeffrey, Detective Rachel Malynowski was promoted from Detective to Sergeant.

In continued efforts to stay in touch with the public, we tried to be more engaged with social media and our web page. We have added sections to include much of our data including calls for service (CFS), motor vehicle stops (MVS) and accidents. It has been a vision of mine for some time, and it was nice to get to see it happen. We will continue to work on this flow over data and information over time but my goal is to provide as much information as possible to the volume and types of calls we are responding to.

We also continued to participate in the National Drug Take Back Days. During the spring event, I saw a growing need for a means to safely dispose of sharps. Throughout the year, I was able to fundraise and thus located a grant that allowed the department to obtain a prescription drug take back box as well as a sharps take back box. This again helped provide, what I felt, was a much needed service to the community. Both boxes are housed in the lobby of the police department and can be accessed during normal business hours for Rindge residents.

Another public service that I felt needed attention was the Internet Exchange Zone. There are 2 designated parking spots at the police department where people conducting internet sales can

Police Department

safely meet. The parking spots are at the edge of the parking lot and clearly marked. Both spots are in a location that has security camera coverage so even if an officer was not in the station, if there were an issue it would be recorded.

In October, and again in November, we participated for the first time in the Coffee with a Cop program. This is a national program that designates times and locations for community members to come and meet the local police officers. It was a very fun event for the officers and a great atmosphere for each event. We will continue to have these events during the coming year.

We have had some cases that received local media attention in the latter part of 2018. These cases were investigated in cooperation with other jurisdictions including state and federal agencies. Being able to work with, and rely on, the agencies that assisted us shows the level of professionalism with both members of the Rindge Police Department and other assisting agencies who all had the same goal in mind, conducting a complete and thorough investigation. During these cases, we have also reached out to the public for assistance. I am pleased to say that on every occasion that we have reached out to the public, it has paid off! I would like to thank everyone who responded and gave tips that may have helped solve a case. I can truly say it was greatly appreciated and that the relationship with our community is strong and growing stronger.

	2016	2017	2018
Calls for Service	3328	3287	3482
Misdemeanor Offenses	309	249	256
Felony Offenses	71	62	100
Misdemeanor Arrests	88	62	75
Felony Arrests	5	11	14
Juvenile Arrests	9	4	5
DWI Arrests	15	14	12

Vehicle Accidents	126	115	121
MVA Fatalities	0	1	0
Animal Control	389	329	305

Police Department

Statistically, our calls for service slightly increased for 2017 seeing a large increase in Felony Level cases. We have been seeing a significant increase in violent crimes and domestic incidents. The increases have seen our officers behind the desk on follow-up investigation due to the nature of the incidents and demand for reports in a timely manner. Traffic enforcement remained around the same for the year and we are trying to address as many of the traffic complaints as we can. We have utilized placement of the speed signs along with directed patrols as well as visual patrols. Visual patrols are where you see a Rindge cruiser driving with the blue lights on with no strobe pattern. This is generally when we are trying to get the attention of the drivers on the road to the potentially poor road conditions or some other hazard. While we have answered a lot of questions about that type of patrol, it seems to be effective for the times that we have utilized them.

It has been an eventful year here at the Rindge Police Department. I look forward to continuing to serve the residents of Rindge by growing our bonds with the community and effecting strategies to address some of the issues we face. I would like to speak for both myself and the officers to say thank you for your continued support. It has been very much appreciated!

Respectfully submitted,

Daniel J Anair

Daniel J Anair
Chief of Police

Public Works Department

The Rindge Department of Public Works strives to give the citizens of Rindge quality roads. Assessing the condition of and maintaining the town roads are our main priorities. The Town of Rindge maintains sixty-five miles of class 5 roadways. We also accepted White Tail Run as a town class 5 roadway earlier this year.

The Department was asked to develop a 5-year Road Plan by the Board of Selectmen. This plan is a fact-based foundation/profile of Rindge roads to develop a thoughtful ongoing strategy for road construction and maintenance and to expand this strategy into a longer range plan. The Board of Selectmen accepted this plan; however, trying to maintain a level budget has somewhat hindered the full fruition of this plan we have increased the paving line a little in the last couple of years. This year the Highway Block Grant funding we receive is \$182,000.00. The plan does give a solid direction for sections, evaluation of roads and year's sections need attention using the Hub and Spoke Paradigm. Again, trying to maintain a level budget we have not been able to fund the gravel road maintenance line item. Our other fall projects consist of preparing the Town trucks and equipment for the Winter months, raking and picking up leaves on all town grounds, preparing the Town parks for Winter, draining the water lines and winterizing bathrooms at Wellington Park, re-grading and ditching all the gravel roads, and patching potholes.

The winter months keep us very busy. Obviously, our main challenge is keeping the roads clear of snow and ice. This can be very challenging and tiring at times. It is not unusual for our crew to work 24-30 hours during major storms. We spend many sleepless nights to give the citizens of Rindge safe roads. The highway crew also services and maintains the equipment during the winter months and assists other town departments as needed. The town is fortunate to have such a talented and diverse group of individuals to provide this service. We have very dedicated crew members who really care about their jobs and take a lot of pride in their work. I would like to personally thank them for their dedication and many hours of work put in during the winter months keeping all town roads safe for our citizens.

The spring months keep us busy cleaning up from winter and preparing for summer. Projects in the spring consist of: placing gravel and stone on the dirt roads during mud season, patching potholes, raking and picking up the rest of leaves from the fall, power sweeping all the town parking lots, line striping all parking lots and crosswalks, opening the cemeteries maintaining lawns, fertilizing, cutting brush and trimming trees in preparation for summer projects, repairing damages to property and road signs from winter plowing, and preparing and advertising bids for the major summer projects such as paving roads, drainage and reclamation of roads.

The major Public Works projects are performed in the summer. These consist of: replacing drainage pipes, reclaiming roads in preparation for paving, grading dirt roads and line striping several roads, maintaining the Town Common, Police Station, Fire Station, Library, Meeting House, cemeteries, and the Town Office lawns, preparing Wellington Park fields for summer recreation, and roadside mowing.

Highway Projects

- Placing 500 cubic yards of gravel on several dirt roads
- Resurfaced County Road
- Resurfaced South Woodbound Road
- Resurfaced Section Woodbound Lane Road
- Resurfaced Old Jaffrey Road
- Resurfaced Fox Run Lane
- Resurfaced Main Street
- Continued major ditching on several roads and replaced several culverts

Public Works Department

Equipment Replacement

This year we replaced our 1998 Caterpillar Loader with a John Deere with a power broom and a set of lifting forks. We also replaced our 2 ton dump truck with a plow sander and wing to maintain our road ways. I would like to thank the Rindge voters for passing these warrant articles so we can improve our service and better serve our citizens, Thank You.

Transfer Station

The Transfer Station and Swap Shop use continues to grow every year. We would like to thank the volunteers for all their personal time in organizing and staffing the Swap Shop. Without their help, the Swap Shop would not be the success that it is today. Hazardous waste has taken a new direction due to the lack of grant funding for smaller municipalities. We have partnered with the City of Keene in their Household Hazardous Waste Days in the spring and fall. Rindge citizens can take their hazardous waste to the Keene Recycling Center located on Route 12 in Keene, NH. Citizens are required to provide proof of residency to dispose of their hazardous waste. Cost of disposal is the responsibility of the citizen at the facility's disposal rate.

The Recycling Program has recycled 345.26.00 ton in 2018; in 2017 we recycled 361.00 ton to Monadnock Disposal of Jaffrey, NH. This is a difference of -15.26 ton. Disposal of Demo/Household waste to Monadnock Disposal in 2018 is 796.86 ton. In 2017 we disposed of 799.00 ton. This is a difference of -2.14 from last year. We have seen an increase of citizen use of the facility during the 2018 calendar year. We would like to thank the citizens of Rindge for their conscious effort in recycling and those citizens who participate in the annual Earth Day roadside cleanup keeping Rindge clean. Keep up the good work.

Building Maintenance Department

The full-time Maintenance Technician has worked hard all year at keeping up the buildings and repairing major safety and building issues, He also works with the Energy Committee on improvements to the town facilities with BOS approval. This has saved the town from having to hire out some of these projects to contractors. The Maintenance Technician along with the DPW Director work with other department heads to devise a yearly maintenance/repair plan to address maintenance issues for all town buildings. He is also responsible for winter plowing which include roads, parking lots and sidewalks, walkways for all of the public buildings.

The Crew and I wish to thank the citizens of Rindge and other departments and boards for their cooperation and assistance during the past year. I especially wish to thank our Board of Selectmen and Town Administrator for all their guidance and assistance throughout the year.

Sincerely yours,

Michael Cloutier, Sr.
Director of Public Works

Recreation Department

The Recreation Department had many exciting changes throughout the 2018 year. One of the most notable enhancements was the development of the Program Coordinator position from part-time to full-time. Karissa Forzese, who has been part of our department since last summer, has been promoted to full-time status this past October. Karissa has been working diligently on creating new programming for the department, so keep your eyes open for some amazing new additions in 2019!

Karen Chemello continues to do outstanding work in her role as the Extended Day Program Director. Karen has made the after-school program our most successful program, and we fully expect to see continuous growth under her leadership.

After a long awaited period of time, we were finally able to purchase a 14-passenger shuttle bus this year. We have put it to immediate use with summer camp trips, after school program trips, and new senior activities. We unfortunately had to say goodbye to our aging white school bus that served us faithfully for roughly 5 years. Thankfully, we were able to find a quality replacement school bus that is ten years newer and can seat up to 77 passengers. We plan on utilizing both of these vehicles to start new programs and enhance our existing programs.

The Recreation Department's ongoing programs continue to have steady participation, including instructional basketball, youth travel basketball, youth softball, youth summer camp, youth soccer, and the extended day (before and after school) program. The annual holiday events including the Easter Egg Hunt, Fourth of July celebrations, Halloween Trunk-or-Treat, Town Tree Lighting, and Senior Holiday dinner all had increased attendance compared to 2017!

One new addition to the Recreation Department this year was our archery program. With the help of Don Huntington and a donation from our own Rindge Women's Club, we were able to offer our first ever archery program! Don graciously trained our staff allowing them to then teach our 4th-9th grade campers. The Recreation Center building rentals have been very active again this year with various events including: birthday parties, wedding receptions, company BBQ's, holiday events, baby showers, and so much more.

In addition to these seasonal events, the Rindge Recreation Department coordinated several ongoing activities as well throughout the year. Some of these activities include: After School Karate class with Elizabeth Kenny, Senior Coffee on Wednesday mornings, a knitting group on Thursday afternoons, the Rindge Woman's Club crafters group, and year-round Chaos Soccer program.

Recreation Department

As many of you are aware, we have our monthly “Night Out With The Family” events. In 2018, the NOWTF events included: the Easter Egg Hunt, a Minute to Win It game night, Memorial Day picnic in the Park, Fourth of July Family Festival with fireworks at Franklin Pierce University, Trunk or Treat, tree lighting and breakfast with Santa, and Pokemon Night.

A BIG thank you goes out to the hardworking and generous volunteers of the Recreation Committee. They continue to be a strong support base for the Recreation Department. The Recreation Committee serves as an advisory board to the Recreation Director and all members volunteer their time throughout the year to assist at the many events the Department offers. Without the dedication of the Recreation Committee and part-time staff, the well-loved community traditions would not be possible. If you are interested in joining the Recreation Committee please give us a call.

The Recreation Committee consists of the following members: Jennifer Helsel, Jaime Hennessey, Tom Ciglar (secretary), Lydia Hatch, David Graham, and Roberta Oeser (Selectmen’s Liaison).

The following programs were offered:

Winter:

Travel Basketball, Instructional Basketball
Thursday Night Lights Ski Program
February Vacation Field Trips
Chaos Travel Soccer

Spring:

Instructional Softball
Coed T-Ball
Girls Softball
April Vacation Field Trips
Chaos Travel Soccer

Summer:

7 weeks of summer Day Camp (K-9th)
British Soccer Camp
Archery

Fall:

Instructional Soccer
Travel Soccer
Chaos Travel Soccer

Recreation Department

Many of our programs are supported by local businesses that make generous donations, making these events successful! Thank you to all of the individuals, civic groups, businesses, and foundations that made donations and grants to the Rindge Recreation Department. Without your support we would not be able to offer the variety of community activities that we do. With the ongoing help of our community and volunteers we look forward to see even more growth in 2019!

Respectfully Submitted,

Daniel Bemis
Recreation Director

Roadway & Highway Safety Committee

The Roadway and Highway Safety Committee is an advisory body that addresses issues concerning Town roadways and highway safety as well as related pedestrian, vehicle, signage and other transportation issues. It meets on an as needed basis.

Members this year included Dan Anair, Chief of Police; Mike Cloutier, Public Works Director; Rick Donovan, Public Safety Director; Joe Byk, Town Administrator; Kirk Stenersen, Planning Director, Chairman; Phil Stenersen, Charlie Eicher.

In 2018 the committee heard, participated in, resolved or provided recommendations to the Board of Selectmen concerning:

- Acceptance of Whitetail Run Road.
- Fiber optic cable on University Drive
- Bowers Hill Road, Class VI road maintenance
- Dale Farm Road, Class VI road maintenance
- Woodbound Road and South Woodbound Road truck restriction
- Bemis Tavern Road, Class VI road maintenance
- Ferin Road, GPS access complaint

Safety Committee

The Safety Committee, also known as the Joint Loss Management Committee, is mandated by New Hampshire Workers Compensation law. The Committee oversees the safety of employees and members of the general public who use Town facilities. The Committee meets quarterly and is comprised of representatives of both management and the labor force. Workforce accidents/injuries are investigated by the Committee which makes recommendations for workplace safety improvements to reduce the Town's liability and workers compensation claims. This results in reduced premiums with our property and liability carrier, Primex.

The Committee completed the Primex Prime Risk Management Benchmarks self-assessment form and the Town's Prime Program status was renewed and the benefits package awarded.

The Committee reviewed pedestrian and vehicular traffic flow for Town events, particularly on the Common, and facilitated several improvements for traffic, lighting and seating.

The Safety Committee will continue to monitor the safety of Town employees and facilities. We welcome your input and questions.

Respectfully submitted,

Joe Byk, Town Administrator

Technology Committee

This year the Technology Committee for the town has worked on several different items.

- We reviewed the proposal from WiValley for their plan to provide internet access to Camp Starfish by placing an antenna at the Rec Center. We evaluated the proposal from a technical perspective and provided information to the Select Board.
- The committee also was involved in reviewing the cable television contract for Argent communications. Ultimately, this contract was recommended to the select board.
- The committee is currently working to get information from Argent for getting videos onto the Public, Education, and Government channel that is a part of the contract.
- The Tech committee has met with a representative from Consolidated Communications in relation to internet access via DSL service. We voiced complaints from town citizens and have the representative's contact information placed onto the town website so that people may contact this representative directly. We have also sent mail to them on behalf of new complaints that we have received from Rindge citizens.
- We have also been reviewing proposals for updating the software used by the town for tax assessments and tax collections. The town currently has some older software and systems that are no longer supported and we have been reviewing proposals from different vendors which cover upgrading existing software to migrating to new software from different vendors.

Town-Gown Team

The Town of Rindge and Franklin Pierce University work collaboratively together on the Town Gown Committee. The committee consists of Representatives from Franklin Pierce University, The Town of Rindge, and members of the Rindge community. The committee meets every month.

The Town Gown Committee's Vision: Rindge is a community of people who live, work and learn together in a positive, synergistic way on a daily basis.

The Town Gown Committee's Mission: The mission of the Rindge-Franklin Pierce University Town Gown Team is to ensure a vibrant working relationship and reliable communication for the betterment of all.

During 2018, the committee collaborated on the following:

- Welcoming students back in August (Police, Fire, EMS)
- Commencement (Police, Fire, EMS)
- Numerous training sessions on topics such as alcohol and other drug, enforcement and prevention (Police, Safety, Fire, EMS, Res. Life, etc.)
- Athletic clinics sponsored by RRD with participation from FP athletes
- Trick or Treat
- Homecoming Bus Tour
- Working on safety inspections for off-campus students
- Voter registration and education
- Fire Fighter I class at FP, taught by RFD
- Rindge Fire Department (RFD) Engine 1 is now housed at Franklin Pierce University
- Police Chief meetings with classes and clubs
- Franklin Pierce University Student Community Service areas include: Jaffrey head Start, Senior Computer Tutoring, Kitty Rescue and Adoption, Jaffrey After-School Program, Telephone Tales, Boynton Buddies, and Good Shepard Rehabilitation and Nursing Center
- Franklin Pierce University Education students help with homework time at Rindge Rec. Extended Day Program.
- RRD Youth Day at a Franklin Pierce University Softball game
- RRD Extended Day Program students take field trips to Fitzwater Center, to work with Franklin Pierce University students to create THE EDP Times
- Camp Quest Summer program held on the Franklin Pierce Campus
- Discussions regarding traffic control at major Franklin Pierce events
- Discussions regarding Police, Fire and EMS call response protocol
- July 4 Fireworks at FPU

Respectively submitted,

Joe Byk

Town Administrator

Welfare Department

The suggestions below will help reduce your outgoing expenses and improve financial health:

- ✓ **Homeless or Being Evicted:** Call Southwestern Community Services 352-7512, Shelter From The Storm 532-8222, or Monadnock Area Transitional Shelter 924-5033
- ✓ **Fuel & Electric assistance:** Call Southwestern Community Services 352-7512
- ✓ **Medical Bills:** Call hospital and ask for financial grant and medication programs
- ✓ **Food & Health Insurance:** Call the Dept. Health & Human Services 357-3510
- ✓ **Mortgage help** <https://www.makinghomeaffordable.gov/pages>
- ✓ **Back-Rent & Security Deposits:** Call Southwestern Community Services 352-7512
- ✓ **Emergency Rent:** Call NHHFA Emergency Housing Assistance 800-439-7247 x 9283
- ✓ **Employment:** Call to get a job or unemployment benefits 357-1904 and nhworks.org
- ✓ **Child Support:** Call to get Child Support Services 357-3510
- ✓ **Disability:** Call SSDI 357-2034. Voc Rehab can help you find work 357-0266
- ✓ **Debt:** send monthly payments to your fuel supplier, doctor, dentist, and credit cards
- ✓ **Savings & Retirement:** use this money to pay living expenses until your income increases
- ✓ **Paycheck Deductions:** cancel these to increase take home pay
- ✓ **Phones:** Choose home OR cell. Look at Consumer Cellular www.consumercellular.com
- ✓ **Cable & Internet:** cancel it until your income increases *(internet is free at the library)
- ✓ **Car Loan:** Refinance loan to extend the repayment term and lower monthly payment
- ✓ **Car Insurance:** reduce car insurance, get a quote from www.commerceinsurance.com
- ✓ **College Debt:** put college loans into deferment or forbearance
- ✓ **Credit Cards:** Consolidate cards with www.greenpath.com then cut up the cards.
- ✓ **PayDay Loans:** Do not get one – you will end up paying back up to 400% interest!

2017 EXPENSES

Contracted Services	\$ 26,600.25
Rent & Shelter	\$ 16,469.81
Burials	\$ 1,000.00
Fuel & Electricity	\$ 1,752.23
Office Supplies	\$ 61.86
TOTAL:	\$ 45,884.15
