

Town of Rindge, New Hampshire

For the year ending December 31, 2019

DEDICATION

*With gratitude for those who have selflessly served the Town of Rindge as
Employees and Volunteers*

Thomas "Tom" Coffey
April 29, 1931 – January 5, 2020

Tom was raised and educated locally. Following school he went on to enter the United States Army, where he faithfully served his country during the Korean Conflict, until he was honorably discharged. Tom volunteered a majority of his life with the volunteer fire service, serving for many years with the Rindge Fire Department as Captain and later Deputy Chief and also with the Meadowood Fire Department.

IN APPRECIATION

Burton and Janet Goodrich have spent more than a decade working tirelessly for the Town of Rindge. They have volunteered on many boards and committees and have always made themselves available to lend a helping hand. We thank you Burt and Janet and send you off with our best wishes.

NOTES

STATE OF THE TOWN

The Town welcomed many new members on several boards and committees. Our thanks for serving the town. We also welcomed a new town administrator, Sara Gravell. The BOS renewed contracts with Recreation Director (Dan Bemis), Welfare Director (Mary Drew) and Fire Chief/Director of Life Safety (Ric Donovan). Our department heads and our employees are the backbone of the town's operations and the BOS has strived to properly compensate and retain our town employees during a tremendously low unemployment rate and an enormously competitive job market.

Last March the legislative body (the voters) passed many warrant articles and charged the town's administration to complete these tasks:

1. The second payment was passed for the new fire engine and the engine was received in May.
2. The Wellington Rd. bridge replacement money was passed, once again. The monies passed by the voters over the last 10 years has put us to a point of starting state approvals, state grants, hiring of an engineering firm to oversee the project, surveying, bidding and construction.
3. The new dump/plow truck will be delivered in early 2020.
4. The new road grader was delivered this past summer.
5. The emergency generators for the town offices, recreation building, the town meetinghouse and the highway department have been ordered and will be installed in 2020
6. The sand shed at the highway department has been re-roofed.
7. A town computer server has been replaced.
8. There have been several computers replaced and many software changes/updates. The changes are being transitioned in.
9. The fire department's radios have been replaced.
10. The new LED streetlight replacements are due to be installed in early 2020.
11. The changes in the transfer station funds have been completed and have resulted in most contracted fees for trash hauling contracts coming from the new fund and not from the annual town budget.

STATE OF THE TOWN

12. Though a land swap at the Wellington Rd. recreation area was passed there have been problems with completing this project. This may or may not be possible to achieve.

13. A study to withdraw from the Jaffrey/Rindge Cooperative School District was completed with a recommendation that it was not feasible at this time. This does not diminish the fact that Rindge is grossly overpaying for its students in comparison to Jaffrey. Paying, at least, one million dollars more annually for fewer students does not appear to be very “*Cooperative*.” Stay tuned for whatever may be proposed next.

A maintenance project to repair the mortar joints on the Ingalls Memorial Library is scheduled for the spring of 2020. The library roof was replaced, and the next project may be to replace aging windows.

The Tel/Tech committee did tremendous work on proposing to the voters a “broadband expansion project.” A vote on the bond to achieve this project will occur in March 2020. This project would bring true broadband service to 100% of the town if approved at town meeting.

The state of the Town of Rindge is very solid. Through the efforts of our department heads and our dedicated employees, we stand in very good hands. Please spare some time to thank these people personally!

Respectfully submitted,

Robert Hamilton

Charlie asked if there were a motion to move article 1 as written, Jim Qualey made the motion to move the article and Roberta Oeser seconded.

Article 2:

To see if the Town will vote to raise and appropriate as an operating budget, not including appropriations by special warrant articles and other appropriations voted separately, the amounts set forth on the budget posted with the warrant or as amended by vote of the first session, for the purposes set forth therein, totaling Four Million Fifty Three Thousand Five Hundred and Nine (\$4,053,509) Dollars. Should this article be defeated, the default budget shall be Three Million Nine Hundred Eighty Six Thousand Eight Hundred and Eighty Three (\$3,986,883) Dollars, which is the same as last year, with certain adjustments required by previous action of the Town of Rindge or by law; or the governing body may hold one special meeting, in accordance with RSA 40:13, X and XVI, to take up the issue of a revised operating budget only.

Charlie read Article 2

Jim Qualey stated that there would be a 1.9% increase in the budget; he also thanked everyone that had worked on the budget. Laurie May finance director, went over the proposed budget.

DELIBERATIVE SESSION MINUTES

No changes to article 2, the article will appear on the ballot.

Yes-635 No-376

Article 3:

To see if the Town will vote to raise and appropriate the sum of Ninety Thousand (\$90,000) Dollars for the second payment on the Fire Department Engine One replacement voted on and approved by the Town pursuant to Article 5 of the 2018 Town Warrant. The lease agreement contains an escape clause.

Charlie read article 3.

Bob Hamilton went over article 3 and explained that there would be no additional tax levied.

No changes to article 3, the article will appear on the ballot

Yes-867 No-201

Article 4:

To see if the Town will vote to raise and appropriate the sum of Twenty Thousand (\$20,000) Dollars to be added to the Wellington Road Bridge Replacement Capital Reserve Account previously established and vote to appoint the Board of Selectmen as Agents to expend from said Fund.

(Recommended by the Board of Selectmen, 3 in favor, 0 opposed. Recommended by the Budget Advisory Committee, 7 in favor, 0 opposed.)

Charlie read article 4.

Roberta Oeser explained Article 4.

No changes to article 4, the article will appear on the ballot

Yes-823 No-241

Article 5:

To see if the Town will vote to raise and appropriate the sum of Thirty Three Thousand Six Hundred (\$33,600) Dollars to be added to the Revaluation Capital Reserve Account previously established for the 2020 Revaluation. (Recommended by the Board of Selectmen, 3 in favor, 0 opposed.

Charlie read article 5.

Jim Qualey explained that the state requires an evaluation every 5 years.

DELIBERATIVE SESSION MINUTES

No changes to article 5, the article will appear on the ballot

Yes-667 No-387

Article 6:

To see if the Town will vote to raise and appropriate the sum of One Hundred Ninety Five Thousand Two Hundred Twenty Five (\$195,225) Dollars for the purpose of purchasing and equipping a comparable replacement truck for the 2004 International 7600 ten wheel dump/plow truck with said amount to be offset by trading in the old truck for \$35,000 and to authorize withdrawal of One Hundred Sixty Thousand Two Hundred Twenty Five (\$160,225) Dollars from the unassigned fund balance for this purpose.

Charlie read article 6.

Roberta Oeser explained the truck was to replace the existing truck, which is not safe to be on the road.

No changes to article 6, the article will appear on the ballot.

Yes-786 No-273

Article 7:

To see if the Town will vote to raise and appropriate the sum of Three Hundred and Fifteen Thousand (\$315,000) Dollars for the purpose of purchasing a replacement grader for the 1988 CAT grader, with said amount to be offset by trading in the old grader for \$30,000, and to authorize withdrawal of Two Hundred Eighty Five Thousand (\$285,000) Dollars from the unassigned fund balance for this purpose.

Charlie read Article 7.

Bob Hamilton explained the reason for the purchase, the grader is 21 years old and there would be no impact on taxes.

Craig Clark also added that the grader would be used as a snow plow in bad weather.

No changes to article 7, the article will appear on the ballot.

Yes-717 No-341

Article 8:

DELIBERATIVE SESSION MINUTES

To see if the Town will vote to raise and appropriate the sum of up to One Hundred Forty Five Thousand (\$145,000) Dollars for the purpose of purchasing emergency generators for the Highway Garage, the Town Office, the Recreation Center Building and the Meeting House and to authorize withdrawal of up to One Hundred and Forty Five Thousand (\$145,000) Dollars from the Electric Light Trust Fund for this purpose. (60% Majority Vote required)

Charlie read article 8.

Roberta Oeser explained we need the generators for these authorized facilities to be used as shelters in case of emergencies.

No changes to article 8, the article will appear on the ballot.

Yes-653 No-409

Article 9:

To see if the Town will vote to raise and appropriate the sum of Twenty Thousand (\$20,000) Dollars for the purpose of adding to the Ingalls Memorial Library Trust Fund previously established.

No changes to article 9, the article will appear on the ballot.

Yes-759 No-309

Article 10:

To see if the Town will vote to raise and appropriate the sum of Twelve Thousand (\$12,000) Dollars for the Cemetery Expendable Trust Fund previously established.

Charlie read article 10.

Bob Hamilton said the Cemetery Trustees came up with a plan to do tree trimming, etc. No increase in taxation.

No changes to article 10, the article will appear on the ballot.

Yes-794 No-271

Article 11:

To see if the Town will vote to raise and appropriate the sum of Fifteen Thousand (\$15,000) Dollars for the purpose of replacing the Town's sand shed roof.

DELIBERATIVE SESSION MINUTES

Charlie read article 11.

Roberta stated that the shed roof is in bad shape.

No changes to article 11, the article will appear on the ballot.

Yes- 724 No-340

Article 12:

To see if the Town will vote to raise and appropriate the sum of Fifty Five Thousand (\$55,000) Dollars to purchase a new server, software and the cost to facilitate the changeover to new assessing and tax collecting systems and authorize withdrawal from the unassigned fund balance of Fifty Five Thousand (\$55,000) Dollars for this purpose.

Charlie read article 12.

Jim Qualey explained that the town needs a proper database; right now, we have 3 pieces of software, assessing, tax software, and separate vendors. There have been some issues in the past year, May, June, and July there was a glitch in the systems. He also stated the system we are using is old and needs to be replaced or upgraded. The money would come from unassigned funds and there would be no tax impact on the town.

No changes to article 12, the article appear on the ballot.

Yes-691 No-368

Article 13:

To see if the Town will vote to discontinue the Rindge 250th Expendable Trust Fund. Any remaining funds and accumulated interest to date of withdrawal are to be transferred to the Town's general fund.

Charlie read article 13.

Roberta thanked everyone for his or her support during the 250th Celebration.

No changes to article 13, the article will appear on the ballot.

Yes-948 No-117

Article 14:

To see if the Town will vote to raise and appropriate the sum of Twenty Four Thousand (\$24,000) Dollars for the purpose of purchasing replacement radios for the Fire Department, and to authorize withdrawal of Twenty Four Thousand (\$24,000) Dollars from the Fire Department Capital Reserve Fund for this purpose.

DELIBERATIVE SESSION MINUTES

Charlie read article 14.

Jim stated that there are eight radios needed. Each member needs a radio for life safety and in case they need to get in touch with each other. New radios were purchased in 2006 and the warranty is outdated. There will be no tax increase on the town.

No changes to article 14, the article will appear on the ballot

Yes-807 No-251

Article 15:

To see if the Town will vote to raise and appropriate the sum of Eight Thousand (\$8,000) Dollars for the purpose of purchasing energy efficient replacement street lights.

Charlie read article 15.

Bob Hamilton stated that the cost of electricity rises every year. The Electrical Commission has done a study that would push the cost down \$8000 each year. We would recoup our money in a half a year. The LED lighting has been done on other towns and there will be a tax impact on the town.

No changes to article 15, the article will appear on the ballot.

Yes-762 No-297

Article 16:

To see if the Town will vote to establish a revolving fund pursuant to RSA 31:95-h, for the purpose of maintenance and replacement of equipment and the general operating expenses of the Transfer Station. All revenues received from the sale of Transfer Station permits, punch cards and recyclables will be deposited into the fund, and the money in the fund shall be allowed to accumulate from year to year and shall not be considered part of the Town's general fund balance. And, further to raise and appropriate the sum of Seventy Nine Thousand Six Hundred Sixty Six Dollars and Fifty Six Cents (\$79,666.56) with such funds to come from the unassigned fund balance, to be added to the Transfer Station Revolving Fund. The Town Treasurer shall have custody of all moneys in the Fund and shall pay out the same only upon order of the governing body and no further approval is required by the legislative body to expend. Such funds may be expended only for the purpose for which the fund was created.

Charlie read article 16.

Roberta Oeser says this will allow us to offset the salt budget and DRA says this will allow us to reduce the solid waste budget. Ken Little asked who is responsible for the funds if BOS is not. BOS is responsible for replacing equipment. Craig Clark asked if

DELIBERATIVE SESSION MINUTES

any money has been made from recycling. Roberta says we have a contract with Monadnock Disposal and that we do make some money.

No changes to article 16, the article will appear on the ballot.

Yes-748 No-310

Article 17:

Shall the Town rescind the provisions of RSA 31:95-c to restrict revenues from the sale of Transfer Station permits, punch cards and recyclables to the Special Revenue Fund for the Transfer Station as approved in the 2012 Town Warrant Article 15 and all remaining funds and accumulated interest to date of withdrawal are to be transferred to the general fund.

Charlie read article 17.

Robert said that this is a continuation of article 16. BOS can't use funds to offset, only for repair of equipment.

No changes to article 17, the article will appear on the ballot.

Yes-790 No-265

Article 18:

To see if the Town will authorize the transfer of a 3.9 acre portion of Town owned property shown on Tax Map 3, Lot 50 to the Owner of property shown at Map 3, Lot 44 in exchange for the transfer of a 17 acre portion of Map 3, Lot 44 to the Town. This exchange will require Boundary Lot Adjustment approval from the Planning Board.

Charlie read article 18.

Jim Qualey explained the reason for the transfer. This would be a net gain for the town of 13.1 acres. The land swap would connect Wellington Fields to a landlocked parcel of land already owned by the town. Judy Unger-Clark stated that she is nervous about giving a town owned parcel of land to a developer.

Jedidiah Paquin; a land surveyor who represented Van Dyke and Roberta Letourneau, both tried to assure those present that Van Dyke has no interest in developing the land.

A few residents asked if the article could be removed from the ballot, because of the lack of information available, but Charlie Eicher said that only the article language can be amended.

DELIBERATIVE SESSION MINUTES

Robert Hamilton said he had abstained from recommending the article, not wanting to influence the voters one way or the other and urged those who wanted the article removed from the ballot to vote no on March 12.

Al Lefebvre made a motion to amend article 18; seconded by Maryann Harper.

The motion to amend is to insert (after the last sentence) the words: “and verification there are no Federal restrictions against transfer”

A vote was taken, the motion to amend carried.

Judy Unger-Clark made a motion to further the amendment with a second by Mark Tanner.

The motion to amend is insert: the 3.9 acre portion of town owned property shall be transferred with a conservation easement attached to the property pursuant to NH RSA 477:45.

A vote was taken and the motion to amend failed.

Al Lefebvre made another motion to amend; with a second by Linda Tower.

The amended article would read: To see if the Town will authorize the transfer of a 3.9 acre portion” **with deeded development restriction of Town owned property”** shown on Tax Map 3, Lot 50 to the Owner of property shown at Map 3, Lot 44 in exchange for the transfer of a 17 acre portion of Map 3, Lot 44 to the Town. This exchange will require Boundary Lot Adjustment approval from the Planning Board “**and there are no Federal restrictions against transfer”**.

A vote was taken on the amendment; the amendment passed. The amended article will be on the ballot.

Yes-775 No-268

Article 19:

To see if the Town will vote to raise and appropriate the sum of Fifty Thousand (\$50,000) Dollars to be added to the Highway Department Equipment Capital Reserve Fund previously established.

Charlie read article 19.

Ken Little asked if there was any money in the fund now. Roberta Oeser did not think there is, but she says there will be no tax increase. Craig Clark said that the town used to put money aside for this fund but when the economy tanked several years ago that the town had stopped putting money into it. Bob Hamilton also stated that that the

DELIBERATIVE SESSION MINUTES

town only has a few properties for auction, so the well is dry, and the town needs to save money for the future.

No changes to article 19, the article will appear on the ballot.

Yes-472 No- 574

Article 20:

To see if the Town will vote to allow the operation of Keno within the Town pursuant to the provisions of NH RSA 284:41 through 51. (Submitted by Petition)

Charlie read article 20.

Bob Hamilton says there are only four businesses in town that would be able to apply for Keno but the businesses would have to qualify.

No changes to article 20, the article will appear on the ballot.

Yes-439 No-608

Article 21:

To see if the Town will vote to raise and appropriate the sum of Two Thousand Five Hundred (\$2,500) Dollars in support of Contoocook Lake Area Preservation Association (formed August 1969). (CLAPA) is a non-profit 501c3 organization whose sole purpose, as its name states, is to preserve Contoocook Lake and its watershed (monies will be used for variable milfoil weed control using divers for hand weeding along with PROCELLACOR EC Treatment). CLAPA is a members association NOT and owner's association; therefore, membership is open to ALL. CLAPA's web site www.contoocooklake.org. Using US Census 2016, population of Rindge is (5,907); the support that each resident would contribute to the preservation of Contoocook Lake would be (\$2,500 divided by 5,907 or 42.3 cents per resident) (Submitted by Petition)

Charlie read article 21.

Warren Harris a member of Contoocook Lake Association spoke about this matter. He said that with all the milfoil in the water growing at alarming rate each year that the association needs help in fighting the milfoil. The association has spent \$171,000.00. They have tried pulling it out by the roots but to no avail, it seems to grow back faster than they can remove it. In 2018 a new product called procellacor was developed which is having good results. It is not harmful to people or the inhabitants of the lake, and the product has a 3 year warranty.

No changes to article 21, the article will appear on the ballot.

Yes-347 No-707

DELIBERATIVE SESSION MINUTES

Article 22:

Shall the town vote to increase the Optional veteran's tax credit for service connected total disability from \$2,000 to \$4,000, as allowed by New Hampshire RSA 72:35, I-a, effective January 1, 2019, pursuant to NH Senate Bill 41. The optional tax credit for service-connected total disability shall replace the standard tax credit in its entirety and shall not be in addition thereto. (Submitted by Petition)

Charlie read article 22.

No changes to article 22, the article will appear on the ballot.

Yes-463 No-582.

Article 23:

Shall the Town vote to request pursuant to RSA 195:25 that the Jaffrey-Rindge Cooperative School Board initiate a study of the feasibility and suitability of a plan for dissolution of the cooperative school district? Issues to be considered shall include, but not be limited to, the process for ongoing education following dissolution, maintenance of student records, employment, ongoing liability, capital issues, bond issues and disposition of district properties. (Submitted by Petition)

Kirk Stenersen read article 23.

Roberta stated this is not an article to withdraw from the school district. It is just a study to analyze the cost. Al Lefebvre asked how the study would be funded. Roberta replied that each town will have a BOS Member from each town on the committee and that it would cost some money. Dennis Casey said that two studies have already been done; Roberta replied that study was done years ago.

No changes to article 23, the article will appear on the ballot.

Yes-620 No-431

Article 24:

Shall the town vote to raise and appropriate Eight Thousand Dollars (\$8,000.00) to be added to the 2019 library budget for the purpose of creating a full time youth librarian position. (Submitted by Petition)

Charlie read article 24.

Donna Straitiff, Director of the Ingalls Memorial Library spoke on this article.

She said the graphics show the number of programs offered to kids and teens has rose from 120 to 185, and library cards for youth has increased from 41 to 94 in 2018. She

also stated that this position requires a Masters of Library Science Degree; so in order to attract and retain such qualified help a full time position is warranted.

Karla MacLeod clarified that the \$8,000 is only for half a year. Several people spoke in favor of the article.

Budget Advisory Committee Member Cheryl McCabe- Charron said she opposed the increase cost due to statistics pointing to decrease in birth rates and school enrollment.

No changes to article 24, the article will appear on the ballot.

Yes-542 No-516

A motion made by Al Lefebvre to restrict reconsideration with a second from Roberta Oeser. Motion carries.

Craig Clark thanked Jim Qualey for his services as a selectman and the audience agreed with a standing ovation.

Motion was made to dissolve the meeting and seconded by MaryAnn Harper.

Meeting concluded at 12:09 pm.

REPORT ON INTERNAL CONTROL BASED ON AN AUDIT OF BASIC FINANCIAL STATEMENTS

To the Board of Selectmen
Town of Rindge, New Hampshire

In planning and performing our audit of the financial statements of the governmental activities, each major fund, and the aggregate remaining fund information of the Town of Rindge, New Hampshire (the Town) as of and for the year ended December 31, 2018, in accordance with auditing standards generally accepted in the United States of America, we considered the Town's internal control over financial reporting (internal control) as a basis for designing audit procedures that are appropriate in the circumstances for the purpose of expressing our opinions on the financial statements, but not for the purpose of expressing an opinion on the effectiveness of the Town's internal control. Accordingly, we do not express an opinion on the effectiveness of the Town's internal control.

A deficiency in internal control exists when the design or operation of a control does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct, misstatements on a timely basis. A material weakness is a deficiency, or a combination of deficiencies, in internal control, such that there is a reasonable possibility that a material misstatement of the entity's financial statements will not be prevented, or detected and corrected, on a timely basis.

Our consideration of internal control was for the limited purpose described in the first paragraph and was not designed to identify all deficiencies in internal control that might be material weaknesses. Given these limitations, during our audit we did not identify any deficiencies in internal control that we consider to be material weaknesses. However, material weaknesses may exist that have not been identified.

This communication is intended solely for the information and use of management, the Board of Selectmen, and others within the organization, and is not intended to be, and should not be, used by anyone other than these specified parties.

2020 TOWN WARRANT WITH EXPLANATIONS

Article 2:

To see if the town will vote to raise and appropriate the sum of Five Million Thirty Seven Thousand Eight Hundred and Twenty Five Dollars (\$5,037,825) for the purpose of furnishing, constructing and installing facilities and equipment to make available to every residential and business address in the Town of Rindge a “Fiber to the premises” network by Consolidated Communications Enterprise Services, Inc. (“Consolidated”), with Two Million Five Hundred Seventy Nine Thousand One Hundred and Twenty Five (\$2,579,125) Dollars of such sum to be raised through the issuance of bonds or notes, under and in compliance with the Municipal Finance Act, RSA 33:1, et seq, as amended; and Two Million Four Hundred Fifty Eight Thousand Seven Hundred (\$2,458,700) Dollars of such sum as a donation from Consolidated; to authorize the Board of Selectmen to apply for, obtain and accept federal, state or other aid, gifts, and donations which may be available for said project and to negotiate, sell and deliver said bonds and notes and to determine the rate of interest thereon and the maturity and other terms thereof and to authorize the Board of Selectmen to take any other action or to pass any other vote relative thereto. (3/5 Vote Required) There is no tax impact.

(Recommended by the Board of Selectman 3 in favor, 0 opposed. Recommended by the Budget Advisory Committee, 6 in favor, 0 opposed)

Please note that the actual bond amount is \$2,579,125 and that Consolidated will both be paying for the bond through user fees that will be charged in addition to the internet service with the maximum amount of \$9.50 per user. Consolidated will be investing another \$2,458,700 and as explained this will provide fiber high speed internet service to every address in Rindge regardless of being on a private road or long driveway, wherever your home is it will be available. The town will own the network at the end of the term of the bond. There is no tax impact.

Article 3:

To see if the Town will vote to authorize the Selectmen to enter into a five year lease/purchase agreement and equip a new Fire Rescue Truck to replace the 1998 Freightliner FL60 rescue in the amount of Two Hundred and Sixty Five Thousand (\$265,000) Dollars, with said amount to be offset by trading in the current rescue for Fifteen Thousand (\$15,000) Dollars, said lease to be payable over a five year term, and further to raise and appropriate the sum of Fifty Five Thousand Eleven Dollars and Seventeen Cents (\$55,011.17) for the first year’s payment for that purpose. The lease agreement contains an escape clause.

(Recommended by the Board of Selectman 3 in favor, 0 opposed. Recommended by the Budget Advisory Committee, 6 in favor, 0 opposed)

The Town will own the Fire Rescue Truck at the end of the five year lease term. This is a “lapsing lease” i.e. there is an escape clause requiring an annual appropriation for each year’s lease payment. The approximate interest rate is 3.27% annum. The anticipated tax impact is an increase of \$20 on a home assessed for \$200,000.

Article 4:

To see if the Town will vote to raise and appropriate as an operating budget, not including appropriations by special warrant articles and other appropriations voted separately, the amounts set forth on the budget posted with the warrant or as amended by vote of the first session, for the purposes set forth therein, totaling Four Million One Hundred Seventy Five Thousand (\$4,175,000) Dollars.

2020 TOWN WARRANT WITH EXPLANATIONS

Should this article be defeated, the default budget shall be Four Million One Hundred Sixty One Thousand Seven Hundred and Sixty Seven (\$4,161,167) Dollars which is the same as last year with certain adjustments required by previous action of the Town of Rindge or by law; or the governing body may hold one special meeting, in accordance with RSA 40:13, X and XVI, to take up the issue of a revised operating budget only.

(Recommended by the Board of Selectman 3 in favor, 0 opposed. Recommended by the Budget Advisory Committee, 6 in favor, 0 opposed)

A “yes” vote would approve the operating budget of \$4,175,000. The budget is an increase of \$121,491 or a 3% increase from last year’s budget.

Article 5:

To see if the Town will vote to raise and appropriate the sum of One Million Two Hundred and Fifty Thousand (\$1,250,000.00) Dollars for engineering, environmental permitting and construction for the replacement of the Wellington Road Bridge over Converseville Brook (NHDOT Bridge No. 154/069), a Town-owned and maintained bridge with critical deficiencies and limited loading capacity of 3-tons; and to authorize withdrawal from the unassigned fund balance from this purpose.. The Town will be reimbursed 80% (up to \$1,000,000.00) of the actual engineering, environmental permitting and construction costs by the New Hampshire Department of Transportation (NHDOT) through the NHDOT Municipal Managed Bridge Aid Program. The remaining 20% of the costs (up to \$250,000.00) shall be funded by the Town through the Wellington Road Bridge Replacement Capital Reserve Fund and the Unassigned Fund Balance. This special warrant article will be a non-lapsing appropriation per RSA 32:7, VI until the project is finished or 2022, whichever occurs first. There is no tax impact. (Majority Vote Required).

(Recommended by the Board of Selectman 3 in favor, 0 opposed. Recommended by the Budget Advisory Committee, 6 in favor, 0 opposed)

A “yes” vote will allow the town to use the general fund to finance the bridge replacement. The bridge is on the State’s list which must be replaced, the town has been awarded state bridge aid which will cover 80% of the cost. The town has saved for this for 8 years. There is no tax impact.

Article 6:

To see if the Town will vote to raise and appropriate the sum of Ninety-Two Thousand Nine Hundred and Seventy-Six (\$92,976) Dollars for the third payment on the Fire Department Engine One replacement voted on and approved by the Town pursuant to Article 5 of the 2018 Town Warrant. The lease agreement contains an escape clause.

(Recommended by the Board of Selectman 3 in favor, 0 opposed. Recommended by the Budget Advisory Committee, 6 in favor, 0 opposed)

This is the third of five payments for the fire truck. The town will own the fire truck at the end of the lease term. This is a “lapsing lease” i.e. there is an escape clause requiring an annual appropriation for each year’s lease payment. The approximate interest rate is 3.75% per annum. The amount is \$2,976 more than last year and the tax impact is negligible.

2020 TOWN WARRANT WITH EXPLANATIONS

Article 7:

To see if the Town will vote to raise and appropriate the sum of One Hundred Twelve Thousand Eight Hundred and Forty (\$112,840) Dollars for the purpose of purchasing and equipping a new Backhoe to replace the 2006 backhoe with said purchase to be offset by trading in the old backhoe for \$23,500 and \$20,000 Dollars from the Transfer Station Revolving Fund and the remaining amount of \$69,340 to be raised through general taxation.

(Recommended by the Board of Selectman 3 in favor, 0 opposed. Recommended by the Budget Advisory Committee, 6 in favor, 0 opposed)

A “yes” vote would authorize the purchase and equipping of a comparable replacement backhoe for the 2006 current equipment that has reached its useful life. The anticipated tax impact is an increase of \$25 on a home assessed for \$200,000.

Article 8:

To see if the town will vote to establish a Capital Reserve Fund under the provisions of RSA 35:1 for the purpose of repair and maintenance of existing town buildings and facilities and to raise and appropriate the sum of Forty Thousand (\$40,000) Dollars to be placed in this fund and to authorize Forty Thousand Dollars to be withdrawn from the unassigned fund balance which represents sales of tax deeded properties. Further, to name the selectmen as agents to expend said fund. There is no tax impact.

(Recommended by the Board of Selectman 3 in favor, 0 opposed. Recommended by the Budget Advisory Committee, 6 in favor, 0 opposed)

There are concerns about the septic systems at Town Facilities including the Town Office and the Meeting House as well as the water supply for the Public Works Facility. This money will be available in the event that it is needed for any of these or other similar needs.

Article 9:

To see if the Town will vote to raise and appropriate the sum of Fifty Thousand (\$50,000) Dollars to be added to the Highway Department Equipment Capital Reserve Fund previously established.

(Recommended by the Board of Selectman 3 in favor, 0 opposed. Recommended by the Budget Advisory Committee, 6 in favor, 0 opposed)

A “yes” vote would authorize the appropriation of \$50,000 to the Highway Department Capital Reserve Fund to be expended for future capital expenditures as recommended by the CIP Committee, Budget Advisory Committee, and Board of Selectmen and voted on by the Town. This is in anticipation of the upcoming replacement of a Dump/Plow Truck in 2022. The anticipated tax impact is an increase of \$18 on a home assessed for \$200,000.

Article 10:

To see if the Town will vote to raise and appropriate the sum of Twelve Thousand (\$12,000) Dollars for the Cemetery Expendable Trust Fund previously established. This is the third of a five year project that will end after the five years.

2020 TOWN WARRANT WITH EXPLANATIONS

(Recommended by the Board of Selectman 3 in favor, 0 opposed. Recommended by the Budget Advisory Committee, 6 in favor, 0 opposed)

A “yes” vote will add \$12,000 to the Cemetery Expendable Trust Fund. This fund will be used for repairing and preserving graves, monuments, stonewalls, and fences; repairing and extending avenues; providing new burial lots. Since the amount of the proposed appropriation this year is the same as last year, there is no increased tax impact.

Article 11:

Shall the Town vote to increase the Optional veteran’s tax credit for service-connected total disability from \$2,000 to \$4,000, as allowed by New Hampshire RSA 72:35, I-a, effective January 1, 2020, pursuant to NH Senate Bill 341. The optional tax credit for service-connected total disability shall replace the standard tax credit in its entirety and shall not be in addition thereto. (Submitted by petition)

(Recommended by the Budget Advisory Committee, 3 in favor, 2 opposed, 1 abstention)

A “yes” vote would increase the veteran’s tax credit from the current \$2,000 to \$4,000. Using the current number receiving the credit, the anticipated tax impact is an increase of \$17 on a home assessed for \$200,000.

Article 12:

Shall the Town vote, as provided for by RSA 674:40-a, to rescind the selectmen’s delegated authority to accept dedicated streets under RSA 674:40 with that authority to revert back to the Legislative Body (town voters) at annual Town Meetings. If passed, this policy takes effect immediately. (Submitted by petition)

As more developments that have been approved and/or will be approved, it is expanding our budget services. While Fire and Police Departments budgets will be stressed, the Highway Department will feel the largest impact with a larger highway department budget for maintenance, as well as capital improvements for equipment and road repair, and can place an undue burden on the taxpayers. (Submitted by Petitioner)

Article 13:

To see if the Town will vote to re-instate the Growth Management Ordinance (GMO) as amended in 2008 which limits the number of building permits that can be issued in a calendar year for residential construction. A copy of the ordinance can be obtained by the Planning Department for review. If passed, this ordinance can only be rescinded by a vote of the legislative body (voters).

This ordinance would be enacted in accordance with RSA 674:22. The purpose of the Growth Management Ordinance is to preserve the small town rural character of Rindge in accordance with the Rindge Master Plan adopted in 2017. (Submitted by petition)

Not recommended by the Planning Board, 0 in favor, 7 opposed

Per Town Counsel there is no legal effect and it is not enforceable. Further approval is not recommended.

2020 TOWN WARRANT WITH EXPLANATIONS

Article 14:

To see if the Town will re-instate the Impact Fee Ordinance (originally passed by voters in 2003, and rescinded by the voters in 2017) that will authorize the Planning Board to assess impact fees for residential development and to adopt regulations to implement the provisions of the ordinance. If passed, this ordinance will be retroactive to January 1, 2020. This can only be rescinded by the legislative body (voters). These fees would help to off-set the costs to essential services, like our Police, Fire and Highway Departments. (Submitted by petition)

Not recommended by the Planning Board, 0 in favor, 7 opposed

Per Town Counsel there is no legal effect and it is not enforceable. Further approval is not recommended.

Article 15:

Shall the Town vote to adopt a Noise Ordinance in accordance with RSA 31:39, I (n), to promote an environment free from excessive noise which unnecessarily jeopardizes the health and welfare of the citizens of Rindge and degrades the quality of life in this community, without unduly prohibiting, limiting or otherwise regulating the function to certain noise-producing equipment which is not amenable to such controls yet is essential to the economy and quality of life of the community. The purpose of this Ordinance is to establish standards for the control of noise and noise disturbances in the Town by prohibiting specific activities during designated times and by setting maximum permissible sound levels within the Town. The prohibited hours of creating excessive noise is generally late evening through early morning hours. (Submitted by petition)

This ordinance is not a call for 'more governmental intrusion'. it is simply intended to serve as a reminder for people to have some consideration for their neighbors. We all have the right to enjoy the peace of living in our rural country setting. This ordinance simply provides for a 'quiet time' in the evenings and early morning hours. Research shows that most towns queried, including many of our neighboring towns, have adopted very similar ordinances. The police departments contacted report that complaints are very few, and that having such an ordinance provides them with another tool to effectively handle these complaints when they do occur. (Submitted by Petitioner)

Article 16:

We the town of Rindge hereby call upon our State and Federal elected representatives to enact carbon-pricing legislation to protect New Hampshire from costs and environmental risks of continued climate inaction. To protect households, we support a Carbon Fee and Dividend approach that charges fossil fuel producers for their carbon pollution and rebates the money collected to all residents on an equal basis. Enacting a Carbon Cash-Back program decreases long-term fossil-fuel dependence, aids in the economic transition for energy consumers, and keeps local energy dollars in New Hampshire's economy. Carbon Cash-Back has been championed by US economists (Jan 17, 2019 WSJ) as the most effective and fair way to deliver rapid reductions in harmful carbon emissions at the scale required for our safety. (Submitted by petition)

*****Note that all tax impact estimations are based off 2019 evaluations. There may be fluctuation in 2020 due to revaluations.***

Default Budget of the Municipality

Rindge

For the period beginning January 1, 2020 and ending December 31, 2020

RSA 40:13, IX (b) "Default budget" as used in this subdivision means the amount of the same appropriations as contained in the operating budget authorized for the previous year, reduced and increased, as the case may be, by debt service, contracts, and other obligations previously incurred or mandated by law, and reduced by one-time expenditures contained in the operating budget. For the purposes of this paragraph, one-time expenditures shall be appropriations not likely to recur in the succeeding budget, as determined by the governing body, unless the provisions of RSA 40:14-b are adopted, of the local political subdivision.

BOARD OF ADJUSTMENT

The BOA provides the necessary flexibility to ensure that ordinances are applied equitably to all property in Rindge. The board consists of five members who are elected in the manner prescribed by NH RSA 669 and up to five Alternates appointed by the sitting regular member.

Board members are: George Carmichael (Chair), Marcia Breckinridge (Vice-Chair), Phil Stenersen, William Thomas and Cynthia Childs

Alternate members are: Joseph Hill, Martin Kulla and Susan Wessels.

The Zoning Board of Adjustment considered fourteen cases during 2019, they were as follows:

Appeal of Administrative Decision: This was denied.

Special Exceptions: One was granted and two were withdrawn.

Variances: One was withdrawn and nine were granted.

The hard work and dedication of all Members, Alternates, and our Clerk is greatly appreciated. A Special thank you to Janet Goodrich, a long time member and Chairperson, who recently stepped down from the board due to relocation out of town.

Respectfully Submitted,

BUDGET ADVISORY COMMITTEE

The Budget Advisory Committee (BAC) began its year by the committee electing a Chairperson, Vice Chairperson and a Secretary. However, the other committee members did not volunteer to be Secretary for this term. Our Ex-Officio, Chairperson and member Dan Whitney, agreed to fill in temporarily by taking the necessary meeting minutes. The BAC Minutes are required by law to be forwarded to the Town Clerk.

For this year the BAC had a total of twelve (12) meetings, four (4) joint meetings with the Board of Selectmen (BOS) which included a total of six (6) Department Heads and three (3) Committee Chairpersons. We also had one (1) joint meeting with the Capital Improvement Committee (CIP) and one (1) additional meeting regarding the Towns Warrant Article's (#2, through #10) were discussed, reviewed and approved for voter's acceptance.

The Budget Advisory Committee consists of six (6) members that are elected, Selectman Bob Hamilton (Ex-Officio) and Ellen Smith (Alternate). Unfortunately, one of our members Al L'Eplattenier relocated. We all will miss Al, and the great contributions he made to the Budget Advisory Committee, the residents and taxpayers of Rindge.

For 2020 the Selectman proposed an Operating Budget that totaled \$4,175,000.00, the default budget was listed as \$4,161,767.00, which indicates a difference of \$14,233.00. The BAC agrees with the BOS that the increase over last year's operating budget was \$121,491.00 (3%).

This is a thank you to all Rindge Employees for their performance this past year. We would also like to inform all of the Taxpayers that the various Department Heads who attended all of the Joint Meetings supplied the BOS and BAC with complete information necessary so the Town's Operating Budget is financially sound.

On **November 1st** the BOS and BAC met with two (2) Department Heads, Donna Straitiff (Library) and Michael Cloutier (DPW) 7-line items were reviewed and no problems resulted.

On **November 13th** the BOS and BAC reviewed the Towns expenses which had 15-line items, resulting in no unexpected cost items. However, Mary Drew (Welfare Department), stated that a problem might arise with "Rent Assistance" in the future. It was agreed upon that this would be revisited this year.

On **November 20th** the BOS & BAC met with Rick Donovan (Fire Chief) and three (3) Committee Chairpersons--all of the line items were reviewed and accepted.

On **December 4th** the last Joint Meeting was held with two (2) Department Heads, Dan Bemis (Rec Center) and Dan Anair (Police Chief). These departments were reviewed, and after much discussion with both department, explanations were approved and accepted.

January 21st was the last meeting, all nine (9) Warrant Articles assigned to the BAC for a recommendation were unanimously approved, six (6) in favor and zero (0) against.

I would like to thank all the Budget Advisory Committee Members and our Alternate Committee Member for the time to review and discuss the process this year. This effort has proved educational to all attending the meetings of the proposed 2019-2020 Operating Budget and the Warrant Articles on behalf of the taxpayers.

Respectfully,

Sharon Rasku, Chairperson

Phil Motta, Vice Chairperson

Budget Advisory Members: Cheryl McCabe-Charron, David Graham; Dan Whitney and Al L'Eplattenier

BUILDING DEPARTMENT

The Rindge Building Department conducted over 500 inspections in 2019. In 2020 we will continue to update the department's new website (rindgefire.org) with all permit applications, worksheets, inspection schedules, permit fees, and information pertaining to obtaining a permit. I continue to look forward to working with all homeowners and contractors performing work in the Town of Rindge.

The Town of Rindge Building Department issued twenty-two (22) Residential Single Family Dwelling Permits; three (3) Replacement Single Family Dwelling Permits; eighty-six (86) Residential Accessory Permits; three (3) Commercial Building Permits; seventeen (17) Commercial Accessory Permits; three (3) Swimming Pool/Hot Tub Permits; ten (10) Demolition Permits; one hundred fifty-six (156) Electrical Permits; five (5) Solar Array System Permits; sixty (60) Plumbing Permits; nineteen (19) Fire Safety Permits; one hundred fifty-six (156) Mechanical Permits; twenty-eight (28) Occupancy Permits.

REVENUE SUMMARY:

Building Permits: \$37,654.68	Electrical Permits: \$10,825.00	Plumbing Permits: \$5,030.00
Mechanical Permits: \$7,425.00	Fire Safety Permits: \$785.00	Filing Fees: \$412.50
Reports: \$35.00		

PERMIT REQUIREMENTS

Permits are required for all construction within the Town of Rindge including remodeling, additions, sheds, outbuildings, decks, pools, sun decks, and demolition of a structure, etc. A permit is also required for all electrical, plumbing, mechanical, oil and gas appliances including piping, wood burning equipment, and chimneys, etc. Permit applications and information may be obtained at the Rindge Building Office located in the Rindge Town Office Building on Payson Hill Road. Permit applications may also be downloaded from the town's website.

All contractors are required to file a permit application to obtain a permit for their respective trade prior to starting the work. Examples are electrical, plumbing, and mechanical permits, etc. This process will ensure better management of building projects within the town. This procedure will guarantee the contractor's endorsement for the building project.

The Rindge Building Department encourages all residents and contractors planning any remodeling or construction projects to first contact the Building Office prior to construction, remodeling, repairing, demolish, altering, etc. to obtain information on the permit process and what permits may be required as well as what codes and code editions are adopted.

NOTE:

A permit must be obtained prior to the commencement of work unless it is an emergency, in which, a permit must be obtained the next business day. Any work started prior to obtaining a permit will result in the permit fee being doubled.

Respectfully Submitted,

Rickard J. Donovan, Director of Public and Life Safety

CAPITAL IMPROVEMENT PLAN COMMITTEE

Over the last five years, there has been a dramatic and well needed rejuvenation of, and commitment to, the Capital Improvement Plan (CIP) and its Committee. For many years, the Town had not been saving money for future capital purchases and, at the same time, putting off the replacement of equipment, which left us in the position of having to figure out a way to replace numerous, high cost assets, in a short period of time without spiking the tax rate. The only way this was achievable was to identify revenue sources other than taxation. The Town discovered numerous properties that had been taken by the tax deeding process for nonpayment of taxes. The auction of these properties, along with the revenue generated from timber sales from Town owned property, managed by the Conservation Commission, generated approximately \$1,000,000 in revenue, earmarked for this purpose. This, however, was a one-time fix. In order to avoid getting into the same situation in future years, it is crucial to have a properly functioning CIP which is consistently funded by raising and appropriating funds via the Town Warrant to be sure money is set aside for future asset replacements. One of the keys to maintaining a stable tax rate, is to save over a number of years for future purchases rather than spending a large amount of money each time an asset needs to be replaced.

The CIP Committee meets regularly with Department Heads to update the plan based on needs and the condition of equipment currently in service. Each piece of equipment is discussed, its replacement timing is revisited and the plan updated accordingly. Adjustments are also made to the estimated cost of each item to keep the plan as accurate as possible.

For the year 2020, the CIP Committee has made the following recommendations to the Board of Selectmen for their consideration for inclusion on the Town Warrant:

- \$92,976 lease payment three of five for Engine 1
- The replacement of Rescue 1 at a cost of approximately \$250,000 recommending, at a minimum, a three-year lease.
- A \$10,000 appropriation to the Library Expendable Trust Fund for building projects such as replacing windows in the rear of the building, furnace replacement or generator purchase.
- A \$12,000 appropriation to the Cemetery Expendable Trust Fund, this is for year three of a five-year project.
- A \$95,000 appropriation to replace the 2006 backhoe that was purchased used and is at the end of its useful life.

With the last of the neglected equipment now replaced, there will be a major shift in the recommendations of the CIP Committee. The focus must now turn to saving money for when these assets come up for replacement in the future.

CAPITAL IMPROVEMENT PLAN COMMITTEE

With that in mind, the following recommendations begin our planning to save for future replacements:

- Establish an Expendable Trust Fund for Existing Facilities with the remaining auction funds or approximately \$40,000, for projects such as a new septic system for the Town Office Building.
- \$50,000 appropriation to the Highway Equipment Capital Reserve Fund. This is in anticipation of the upcoming replacement of a Dump/Plow Truck in 2022.

Voters should expect to see these types of warrant articles in the coming years as we get into the habit of saving for future purchases to both keep the tax rate stable and to be sure equipment is replaced when necessary and in keeping with the plan.

The CIP Committee meets on the third Tuesday of the month at 5:00 pm at the Town Office. Our current members are Ellen Smith, Chairman, Craig Clark, Vice-Chairman and acting Secretary, Dan Aho, Richard Isakson, Sharon Rasku and Tom Coneys.

Respectfully Submitted,

Ellen Smith, Chairman

CEMETERY TRUSTEES

Maintaining our cemeteries in good condition requires on-going effort for routine maintenance and capital improvements. The Cemetery Fund established by the Town in 2018 is being used to address needed improvements at the Meeting House Cemetery and the Hillside Cemetery. During the summer and fall of 2019 these projects were completed:

- repairing and resetting several historic monuments in the Meeting House Cemetery
- repairing cracks and seal coating a portion of the avenues in Hillside Cemetery
- removing brush and dead trees from the Meeting House Cemetery
- constructing a new three hundred foot Avenue E in Hillside Cemetery

The Cemetery Trustees, as required by New Hampshire, establishes cemetery regulations and maintains records, oversees the care of cemeteries, lot sales, and burials. A line item is included in the Rindge DPW Budget for cemeteries. All maintenance, care, and burials are conducted by the Rindge Department of Public Works. The DPW Director, Michael Cloutier, serves as Sexton of our cemeteries.

In 2019 there were 9 full burials, and 5 cremation burials. Total revenue from grave openings was \$4800.00 and went into the Town General Fund.

In 2019 there were 4 full burial lots sold and 3 cremation lots sold. Total revenue from sales was \$2200.00; of that \$1400.00 went into the Perpetual Care Trust Fund and the remaining \$800.00 went into the General Fund.

The cemeteries of Rindge provide a dignified, final resting place for our citizens. From the time Rindge was chartered as a town to the present, these cemeteries have provided an important service and outdoor history. The Cemetery Trustees express their gratitude to the Board of Selectmen and Department of Public Works for their on-going care of Rindge cemeteries.

Cemetery Trustees,

CODE ENFORCEMENT OFFICER

Our Code Enforcement officer, Dave DuVernay, retired at the end of 2019 and the Board of Selectmen would like to thank Dave for his years of service. Adding a little humor here: Dave will be missed by many and by some, not so much. Being the CEO could be challenging at times in a small town. In the meantime the Board of Selectmen is responsible to enforce town zoning and sign ordinances, conditions attached to land use decisions of the Planning Board, and Board of Adjustment (ZBA) decisions.

People who violate town ordinances are often unaware some ordinance may prohibit or limit their desired activities. Do you know what building setbacks are in your District? Do you know in what District your property is located? Do you know how far from a stream or lake you may build a shed or a deck or remove trees? Generally, a telephone call to the Planning Office is sufficient to learn the Zoning Ordinance's requirements. The Zoning Ordinances are also available at the Town web site www.rindgenh.org. When needed, relief from ordinances may be requested from the ZBA in the form of Special Exceptions and/or Variances.

If you need assistance to review a neighborhood situation, please call the Selectmen's office or the Planning Office for a Zoning Ordinance question.

CONSERVATION COMMISSION

RINDGE, NH 03461

Tel. (603) 899-5181 Fax (603) 899-2101 TDD 1-800-735-2964
Email: rindgeconcom@town.rindge.nh.us

The Rindge Conservation Commission is charged with protecting the natural resources of Rindge and 2019 was a busy year for the Commission.

The Town was approached by a landowner in the village of East Rindge about donating eight acres for the recreational enjoyment of the Town citizens. The Commission worked with the owner to develop a long term plan for the property to present to the Board of Selectmen, who accepted the gift on behalf of the Town. Look for an official acceptance, opening and trail work in the spring of 2020.

The Commission has been working for some time to conserve an important piece of property that sits over two stratified drift aquifers and is in the Upper Contoocook River and Lower Connecticut River watersheds. The 360 acres abuts or is near to other conserved properties such as Annett State Forest, Wildwood Camp and Converse Meadow and will provide habitat and corridors for wildlife such as large mammals. The Commission applied for and was awarded state grants from LCHIP, the Moose Plates and Drinking Water, Ground Water Trust Fund. These awards and Conservation Fund monies bring the financing to 70% of the purchase budget. The Commission is working to raise the balance of the funds necessary, about \$225K, to close on the property in late 2020, at no cost to the residents of Rindge through taxation. If you would like to contribute to these efforts, please contact the Commission.

The newest addition to the Commission managed Town lands; Schoolhouse Park on Able Rd., initially begun in 2018, was surveyed and saw a lot of activity in 2019 with a couple of work days with trails being cleared, cleaned up and marked, the parking was expanded and leveled off and a kiosk was added with information including a history of the property from the Rindge Historical Society.

On the subject of work on Town lands, there was much done in 2019 including a new loop trail at the Miriam Hunt Forest on Rt.119, trails maintained at Converse Meadows on Converseville Rd., Tetreault Park on Rand Rd, and the Town Forest on Homestead Rd.. All featured properties on the Commission's new trail maps available onsite, at the Town office, Ingalls Library and various locations around town. Once again the Commission hosted guided walks, including a moon lit walk, and a paddle on these managed properties with good success and the Commission is keeping five properties plowed open for winter recreation including hiking, cross country skiing and snow shoeing.

The Commission continues to work with the Recreation Department to install a natural playscape at Tetreault Park for the enjoyment of the youth of Rindge and will be soliciting volunteers for this exciting project.

The Commission reached out to NH Fish and Game to discuss the opening of the gates at Annett State Park, a cleanup around the parking and the fate of the structures on site. We hope to continue working with the state regarding trail maintenance and marking in 2020 on this important property in Rindge.

The Commission also worked with NH Fish and Game to have them do an electronic fish survey for species and population in Tarbell Brook as it runs through Schoolhouse Park. The

CONSERVATION COMMISSION

Commission had a Wildlife Habitat presentation for the public in March, a Natural Resources report and presentation in May and a session on Cyanobacteria in lakes and ponds, with an update on the Pearly Pond cleanup from FPU in October. The Commission installed lead tackle collection boxes at the transfer station and the County Rd launch ramp, so please use them to properly dispose of your now banned lead fishing weights.

The Commission wishes to thank the Board of Selectmen, the Highway Dept, the Historical Society, the Recreation Dept, the Conservation Corps, Friends of Conservation, Wildwood Camp, neighbors and all the citizens that contributed to more than 900 volunteer hours in 2019.

Feel free to join the Commission at its two meetings a month or at a property work day. You can find out more by joining the Conservation Corps or joining the Friends of Conversation.

The Commission wishes to thank the people of Rindge for its continued support.

EMERGENCY MANAGEMENT DEPARTMENT

The Rindge Emergency Management Team hosted an Active Shooter Workshop presented by NH Homeland Security and Emergency Management. We invited all town departments, Franklin Pierce University, and public and private schools to the workshop. In 2020 we will be setting up more meetings and trainings to develop an Active Shooter Annex to our Local Emergency Operations Plan. We will conduct a tabletop exercise to test the plan that will be evaluated by NH Homeland Security and Emergency Management.

I would like to take a moment again to thank Ron Osimo for his dedicated service. Ron was appointed by the Board of Selectmen as a member of the Rindge Emergency Team in 2015. Ron has been extremely helpful with many projects completed in 2019 that will enhance our capabilities in emergency situations.

In times of storm events, the Emergency Management Department asks all residents and visitors to respect all road barricades for closed roads and partially closed roads. We experience road barricades being run down or thrown off the roads into the woods or over the shoulder. These barricades are placed for public safety to indicate a hazardous condition. Your cooperation in this matter would be greatly appreciated.

We will continue to seek NHDOT approval to install a message center at the NH RT 119 & US RT 202 intersection.

The department will continue to utilize the Variable Message Sign (VMS) to notify citizens of any important information and/or meetings that need to be relayed to the community. The sign will be placed at Rindge Fire Department or Rindge Transfer Station entrance. I would also encourage all residents to install NH Alerts app on their cell phones and computers. This app allows us to send important information about affected areas of the town in an event, along with “what to do” messages. You can also find a wide range of valuable information regarding preparedness information and notifications at ReadyNH.gov. I encourage all Rindge residents to visit the site and be prepared before an event happens.

Respectfully Submitted,

Rickard J Donovan, Emergency Management Director

ENERGY COMMISSION

The Rindge Energy Commission began 2019 with the following objectives:

- 1.) Implement/identify energy efficiency/weatherization projects with paybacks of 5 to 7 years as identified in the 2011 Investment Grade Energy Audit Reports.
- 2.) Assist other town boards, departments, and committees in tracking and optimizing energy usage.
- 3.) Troubleshoot problems identified through tracking energy usage at various buildings.
- 4.) Support the efforts of the Jaffrey-Rindge School District to reduce energy consumption.
- 5.) Convert all town streetlights to LED as authorized by approval of 2019 warrant article.
- 6.) Install a heat pump in the Meeting House sprinkler shed.
- 7.) Participate in “solarize” and “weatherize” campaigns with neighboring towns

Progress on the LED streetlight project and Meeting House sprinkler shed heat pump installation are described in the electricity section below.

In 2019, volunteers from the Rindge Energy Commission partnered with volunteers from the Fitzwilliam Energy Committee and the non-profit Monadnock Energy Hub to sponsor a “Solarize” campaign for residents of the two towns. Four homes in Rindge installed solar in 2019, with another scheduled for 2020. Three residents of Fitzwilliam added solar to their homes.

The Energy Commission aspires to evaluate the effectiveness of the Energy Savings Performance Contract for the Jaffrey-Rindge School District now that there’s a full years’ worth of data, but more volunteer help is needed to tackle that in 2020.

In 2020, the Energy Commission hopes to participate in a statewide task force studying Community Power purchasing options. Much like the Monadnock Buying Collaborative that the town participates in for lower electric supply pricing, Community Power would allow businesses and residents to participate in a bulk electricity supply purchase agreement.

The Energy Commission meets on the second Thursday of every month at the Town Offices at 7 PM. New members and the public are always welcome to join us.

Total Energy

The Town of Rindge spent approximately \$4,918.45 less on energy consumption in 2019 compared with 2011. Rindge expended approximately \$81,955 in energy dollars (excluding transportation but including the 50% paid by the Congregational Church for the Meeting House energy expense) in 2019. In contrast, Rindge spent \$82,405 in 2018 and \$86,874 in 2011. Since most of the energy efficiency projects were completed in 2012, the baseline year is 2011. Rindge spent \$32,596.36 on oil, \$1697.07 on propane, \$36,975.83 for building electric, and \$10,685.75 for streetlight electric for a total of \$81,955.01 in 2019.

Heating

2019 was a relatively cold year with 5954 Heating Degree Days (HDDs) compared with 5813 in 2011 and only 4911 in 2012. Overall, the Town used 1,095 (7.4%) fewer gallons of oil than in

ENERGY COMMISSION

2011, but there were dramatic increases in consumption at certain facilities starting in 2018. The town spent slightly less on oil in 2019 than in 2018, but \$11,349 more for oil heating than in 2017. Although consumption was up over 2017 levels in 5 of 8 buildings tracked, the largest percentage increases came in buildings that have not been weatherized because of physical constraints or marginal payback opportunities. Specifically, the most dramatic increases in oil consumption occurred at the Town Offices (57.4%) and Wellington Recreation Building (22.9%). Although oil consumption was up by 24.5% at the Fire Station, propane use was down by 49%.

The Meeting House, while still below 2011 consumption levels, had the biggest increase of 1014 gallons (40%) over 2017. The DPW has repaired some control system problems on the 2011 boiler and consumption dropped relative to 2018, but IR scans of the building show potential opportunities for insulation and sealing.

With the help of the Department of Public Works, these buildings will be re-evaluated for weatherization and control system remedies.

Electricity

In 2019, Electricity consumption for the town buildings was down by 2.14% compared with 2011 usage levels. Electric consumption increased 12% over 2018, however. The fire station, one of the largest users of electricity in the town, decreased consumption compared with 2018, offsetting increases in other buildings. All buildings will be reviewed for opportunities to reduce electricity consumption in 2020 through a free consulting program offered through NHSAVES.

The 2011 Streetlight conversion project continues to save at least \$5000/year compared with the higher rate paid prior to 2010 (Streetlight conversion project occurred in mid-2011).

Voters passed a warrant article in 2019 authorizing the replacement of all streetlights with LED lamps. Only one vendor responded to the RFP despite significant outreach efforts. The proposal from the vendor was higher than the money allotted through the warrant article. Thus, began a long negotiation process. The vendor has an excellent reputation and Eversource had no reluctance in accepting the vendor's proposal, but the price could not exceed what had been voted. Once again, DPW Director, Mike Cloutier, came to the rescue noticing that 3 of the streetlights scheduled for replacement were ones that he needed to remove since the fire department had mounted outside lights at their facility. The replacement program is just starting with all equipment on site. Projected annual savings from this project should be approximately another \$4000 off the streetlight bill.

The heat pump for the sprinkler shed project was funded in late December and should help the town avoid approximately \$1000 per year in electricity costs at the Meeting House. Unfortunately, that installation will probably happen too late to help with this season's heating bill.

The DPW should continue the excellent job it's been doing with procurement and energy efficiency projects.

FIRE DEPARTMENT

In 2019 the Fire Department responded to 837 calls for service. Fire-related incidents accounted for 359 calls and EMS related incidents accounted for 478 calls for service.

In 2020 the Fire Department will continue to build its call membership and provide all these dedicated men and women with the necessary training and equipment to respond to emergencies and preserve the safety of the town and its residents. This is very important to ensure firefighter safety and help keep the town tax rate in check. The dedication and hard work of these residents, who spend hundreds of hours to train and certify, allows the department to provide a high level of professional service to the town and protect its residents.

These emergency responders are paid per call instead of manning the station at all hours. Without a full-time Fire Department, Rindge relies on service-minded citizens to work on behalf of the community. Anyone interested in making a difference for their community as a first responder can contact Director of Life and Public Safety Rickard Donovan at the Fire Station (603) 899-3324 for details.

In 2019 the department replaced all apparatus mobile radios. This project was necessary due to the current radios reaching the end of their useful life. We had 2 mobile radios fail and took a proactive approach and replaced them all before they all failed. In 2020 we will apply for a Federal Grant to replace all of our portable radios, upgrade our Hydraulic Rescue Tool (Jaws of Life), purchase new PASS Devices, and replace the 2000 Brush Truck. We will also be seeking town approval to replace our 1998 Rescue Truck through a Warrant Article.

In 2020 the department will continue to offer free home fire safety guidance, fire prevention programs to school and civic groups and fire extinguisher training. We will also continue to perform mandatory annual Life Safety inspections in Places of Assembly, Business and Mercantile Occupancies, Educational Facilities, and multi-family dwellings throughout the year. The department also offers CPR/AED and First Aid classes to citizens, businesses, and civic groups who are interested in improving their lifesaving knowledge. If you are interested in more information about these programs, please contact us by telephone at (603) 899-3324.

The department extends a sincere thank you to all the people, businesses, and organizations that have provided their support during the past year.

The Rindge Fire Department maintains minimum training and certification levels for all emergency responders in accordance with the National Fire Protection Association (NFPA) and National EMS Registry (NREMT) requirements and recommendations. All members are required to participate in mandatory Fire, Rescue, and EMS trainings, Infectious Disease training and monitoring, HIPAA Privacy Rule training and Leadership training.

Apparatus Brief

FIRE DEPARTMENT

The Rindge Fire Department will continue its Preventative Maintenance Program on all vehicles and equipment in an effort to keep all emergency equipment in a state of constant readiness. This program also helps keep repair costs down and ensures the equipment meets its recommended expected service life. The maintenance program consists of in-house weekly vehicle and equipment inspections; in-house fluid, filter, and lubrication service; oil changes; pump and ladder maintenance; small engine service, and building maintenance.

The department is seeking the Town's support and approval to replace our 1998 Rescue. The Rescue is 21 years old and is deteriorating quickly. We tried to replace the rear body a few years back, but it was cost-prohibitive. The proposed new Rescue will be much more user- friendly with no wasted storage space, lower profile, 4 wheel drive, and will be on a Ford F550 cab and chassis.

FIRE PREVENTION, EDUCATION, AND INSPECTION OFFICE

The Rindge Fire Department will continue its Fire Prevention and Education Programs in the schools and at other public and private events. We also continue to offer Fire Safety Programs, Fire Extinguisher and Prevention Programs to local businesses for their employees. The Rindge Fire Department also offers free Home Fire Safety Inspections to the residents of Rindge and continues to perform mandated inspections at businesses and multi-family dwellings located in town. The Rindge Fire Department maintains an open door policy for the citizens to visit the station during business hours to check out the equipment and apparatus the town owns. This is also a great time to see what apparatus is available and the importance of different equipment used in the fire service. Fire prevention materials are also available at the fire station.

Under NH State Fire Code and State Statutes, all businesses and residential rental units are subject to annual Life Safety Inspections. The Town of Rindge currently inspects these properties. Our goal is to assist business and rental property owners in providing a safe environment for their customers, employees, guests, and tenants.

CPR, AED, AND FIRST AID TRAINING

The Rindge Fire Department offers CPR, AED, and First Aid classes to the general public and businesses within the Town of Rindge. We are planning on scheduling monthly classes, and more if necessary. To receive more information or to sign up for a class, please contact the Department's CPR/First Aid Coordinator, Marie Pugh at (603) 899-3324. Our goal is to train as many citizens as possible in CPR, AED, and First Aid.

Miscellaneous

The Rindge Fire Department recovered \$6,103.52 in Restitution in 2019 through the court system.

The Rindge Fire Department would like to thank the Town of Rindge residents and businesses for all their support throughout the years.

FIRE DEPARTMENT

BURN PERMIT AND FIREWORKS PERMIT SCHEDULE

FIRE STATION

Mon – Fri: 3:30 PM – 6:30 PM

Sat: 9:00 AM – 1:00 PM

Note: On days that it is actively raining you may obtain a permit at the fire station for that day (Monday – Saturday) starting at 10:00 AM

There will be no permits issued on Sunday or Holidays, so plan ahead if you plan to burn on these days. Permits for those days may be obtained after 3:30PM on the Friday before, depending on the weather forecast. If you are unable to obtain a permit on Friday, you can call ahead to make arrangements at (603) 899-3324.

Permits may also be obtained through the NH Division of Forests and Land online burn permitting system at <https://nhdfweb.sovsportsnet.net/> These are available 24hrs a day, weather dependent.

Burn Permits are required for all outside open burning unless 100% coverage of snow. When there is 100% snow, please call the fire department and leave a message with your name and address where the burn is taking place.

Anyone who wishes to burn clean, ordinary combustibles such as leaves, brush or untreated lumber, or have a camp or cooking fire must have written permission from the landowner and a fire permit from the Rindge Fire Warden before the fire is kindled. You must be at least 18 years of age to obtain a written fire permit.

Seasonal Permits can be issued for established fire rings containing small camp and cooking fires. Such camp or cooking fires shall be in an area cleaned to mineral soil at least 8 feet across, have at least 6 inches of sand or gravel under the fire for any fire built on the ground, and have no limbs or other burnable material to a height of 10 feet above the fireplace area.

Woody debris or brush less than 5 inches in diameter, or untreated wood and untreated dimension lumber (subject to Env-A 1001.05(g) below) can be burned. For any open burning, a written fire permit is required. Even with the permit, no open burning is allowed between the hours of 9:00 am and 5:00 pm unless it is raining. When the ground where you are burning is completely covered with snow, no fire permit is required; however, it is asked that you contact the Fire Department before burning.

FIRE DEPARTMENT

FIREWORKS PERMIT

A Fireworks Permit is required to display fireworks within the Town of Rindge. Applications for Class C fireworks must be submitted at least 2 business days prior to the intended display. The permit fee for Class C consumer permissible fireworks is \$10.00. Class B fireworks require a permit and must be obtained and displayed by a licensed Fireworks Operator.

Permit Requirements:

- The applicant shall appear in person before the Fire Chief, or his/her authorized designee.
- The applicant shall provide proof that he/she is the landowner of where the fireworks discharge is to occur, or has the landowner's written permission.
- The applicant shall provide a valid photo identification.
- The applicant shall be at least 21 years of age or older. (NH RSA 160-C:II)
- Fireworks shall be purchased from licensed Permissible Fireworks retailers in New Hampshire only. (Copy of Receipt for permit may be requested)
- The applicant shall only purchase the quantity of fireworks needed for the permitted display. The storage of Permissible Fireworks is prohibited.
- Fireworks shall not be ignited by minors (anyone under the age of 21).
- Fireworks shall be ignited a minimum of 50' from any structure or overhead utilities.
- The applicant is required to have a means of fire extinguishment readily accessible.
- The permit shall be valid only for the date (or rain date) it is issued.
- Anyone discharging or igniting fireworks shall not be under the influence of any drugs or alcohol.
- Permissible Fireworks shall only be discharged between the hours of 10:00 AM and 10:00 PM.
- Permits will only be valid on days when the Daily Fire Danger is Class One (Low) or Class Two (Moderate) as determined by the New Hampshire Division of Forest and Lands – Bureau of Forest Protection without a Fire Detail.

Detail Requirements:

The Rindge Fire and/or Police Chief reserve the right to determine if a detail is required; however, a detail will be required for the following: (SAF-C 5024.10)

- All Class B Displays
- Class C Display if permission granted on a Class 3 or higher Fire Danger Day
- Class C Display with 100 or more attendees
- Class C Display operated (fired) by a NH Pyrotechnic
- Class C Display at a Place of Assembly where a Place of Assembly Permit is required

NO FIREWORKS WILL DISPLAYED ON A CLASS 5 OR RED FLAG FIRE DANGER DAY

FOREST FIRE WARDEN & STATE FOREST RANGER

Report of Forest Fire Warden and State Forest Ranger

This past year we were fortunate enough to have favorable weather conditions in the spring and summer which limited the amount of wildfire activity throughout the state. Your local fire departments and the Division of Forests & Lands worked throughout the year to protect homes and the forests. The statewide system of 16 fire lookout towers continues to operate on high fire danger days. The towers' fire detection efforts are supplemented by the NH Civil Air Patrol when the fire danger is especially high.

Many homes in New Hampshire are located in the wildland urban interface, which is the area where homes and flammable wildland fuels intermix. Every year New Hampshire sees fires which threaten or destroy structures, a constant reminder that wildfires burn more than just trees. Homeowners should take measures to prevent a wildfire from spreading to their home. Precautions include keeping your roof and gutters clear of leaves and pine needles, and maintaining adequate green space around your home free of flammable materials. Additional information and homeowner recommendations are available at www.firewise.org. Please help Smokey Bear, your local fire department, and the state's Forest Rangers by being fire wise and fire safe!

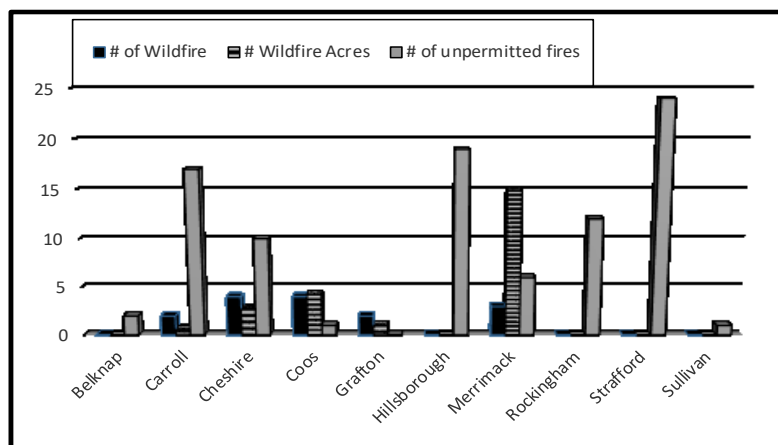

The Forest Protection Bureau and local fire departments were very busy this year celebrating Smokey Bear's 75th year preventing wildfires. Many events were held at local libraries, in fact, this program was so successful we will be offering it again in 2020. We were fortunate enough to partner with the Northeast Forest Fire Protection Compact and bring the Smokey Hot Air Balloon to Franconia Notch in August. The weather was fantastic and hundreds of people got the chance to ride in the balloon! Smokey's message has always been about personal responsibility – remember his ABC's: Always Be Careful with fire. If you start a fire, put it out when you are done. **"Remember, Only You Can Prevent Wildfires!"**

As we prepare for the 2020 fire season, please remember to contact your local Forest Fire Warden or Fire Department to determine if a fire permit is required before doing ANY outside burning. Under State law (RSA 227-L:17) a fire permit is required for all outside burning, unless the ground is completely covered with snow. Fire permits are also available online in most towns and may be obtained by visiting www.NHfirepermit.com. The burning of household waste is prohibited by the Air Resources Division of the Department of Environmental Services (DES). You are encouraged to contact the local fire department or DES at 603-271-3503 or www.des.nh.gov for more information. Safe open burning requires your diligence and responsibility. Thank you for helping us to protect New Hampshire's forest resources. For more information please contact the Division of Forests & Lands at (603) 271-2214, or online at www.nh.gov/nhdfl/.

INGALLS MEMORIAL LIBRARY

It is very rewarding to be able to look back at a year and say, "That was a success." I consider myself very fortunate to be in that position.

During 2019, our circulation increased by over 4%, library visits were up by 3.5% and program attendance was up by nearly 28.5%. We offered 386 programs to the residents of Rindge!

During 2019, our youth services librarian collaborated with the Cathedral of the Pines. The library housed a growing table provided by the Cathedral, and the afterschool group started seeds, grew plants and took a field trip to the Cathedral to plant the new "Children's Garden." She also worked with the Recreation Department on their "Bee Kind" program, and the two groups took a trip to Mass. Audubon's Wildwood Camp for outdoor activities. She established a monthly program at the library, led by Wildwood Camp, during which our young patrons learned about nature. These programs were in addition to our weekly afterschool programs and story times for children of all ages. We also held many special programs for children during the year, including the Stuffed Animal Sleepover, the Flying Irish Step Dancers, Ingalls Adventurers, sky watches with the NH Astronomical Society and very robust Summer Reading and Winter Reading programs.

Teen Services continued to be a focus. The Teen Garden, built during 2018, was planted (with flower seeds from our Seed Library) and thrived. Dungeons and Dragons was held most Saturdays during the year. New during 2019 was T.A.C.O. – The Teen After Class Organization. Working with the bus company, our youth services librarian was able to establish a middle/high school bus stop at the library on scheduled Thursdays – and teens and tweens were invited to participate in special programs or create works of art.

Adults were able to participate in book clubs, attend lectures and author visits, work on their genealogy, participate in summer and winter reading programs, learn how to bead, and find out more about history, retirement, healthcare, technology and many other interesting topics.

Our seed library continued to grow – with infusions both from Seed Savers Exchange and patrons who donated saved seeds to be shared with others. We are very excited about the upcoming growing season!

Through a donation from the Nashua Public Library, the library has added over 100 cake pans to our collection --- which our patrons are able to borrow with their library card! We are pleased to be able to offer this service to the community.

The library applied for and was awarded a \$2,000 Library Census Equity Fund mini-grant from the American Library Association. As the only New Hampshire library to receive this grant, we are looking forward to receiving the funds and upgrading our public access computers so that all Rindge residents will have the opportunity to be counted in the 2020 census.

INGALLS MEMORIAL LIBRARY

We are proud of our library. We really do offer something for everyone – including internet access, local newspapers, magazines, movies, books, audiobooks, jigsaw puzzles, interesting programs, photocopying, faxing services, printing, 3D printing, art displays, seeds, cake pans, help with technology – and a friendly, warm place to have a cup of coffee and catch up with friends.

The Ingalls Memorial Library is open 38 hours per week: Monday, Wednesday, and Friday, 10:00 – 5:00; Tuesday and Thursday, 1:00 – 8:00; and Saturday, 9:00 – 12:00. The library was open 301 days during 2019, and there were over 19,750 visits!

As of December 31st, there were 2,417 registered patrons. One of our projects during 2019 was going through the patron database and deactivating accounts that have not been used in the recent past. This project will be ongoing during 2020. Free library cards are available to people who reside, work, or own property or go to school in Rindge. Non-residents are able to purchase cards for a fee.

Registered users have access to 33,357 items housed at the library. Cardholders also have access to materials owned by libraries across the state through the Interlibrary Loan System, and, new this year, are able to directly search the state catalog and place holds on items owned by other libraries if they chose to do so. Registered users can also download e-books and audiobooks through NH Downloadable Books powered by Overdrive. They have access to EBSCO databases, including Novelist, and Ancestry.com.

Our Friends group purchased passes which provide access to Cheshire Children's Museum, Tower Hill Botanic Garden and the Adams Pool in Peterborough, either free or at reduced rates.

There were 965 internet sessions during the year, up 9.5% from 2018. This does not include access to our Wi-Fi, which is available 24/7 from inside and outside the library.

Volunteers provided 264 hours of service to the library.

I would like to thank the Library Trustees, Friends of the Ingalls Memorial Library, and volunteers for all they do to help the library. Thanks to the authors, artists, musicians, craftspeople, historians and others who took time out of their busy lives to bring outstanding programming to the community. Thank you to the individuals, local businesses, Rindge Woman's Club, RAMS, P.O.O.R., Charity Lodge #18, the

INGALLS MEMORIAL LIBRARY

Rindge Parent Teacher Group, Jaffrey-Rindge Rotary, and the Roy A. Hunt Foundation for your support of our operations, and the Ingalls 1894 Association for your fundraising efforts. Thanks to all who have supplemented our collection and programming efforts with generous donations. Thanks to the Public Works Department for taking such good care of the building and the grounds, and all other town employees and departments for your help and continued support.

And thank you to all the residents of Rindge for patronizing the library – without you, the library is merely a building used for storage.

We have lots of great plans for 2020 – and look forward to seeing you at the library!

MEETING HOUSE OVERSIGHT COMMITTEE

The Meeting House, Carriage Sheds, and Cemetery are listed on the National Register of Historic Places. These grand and beautiful structures anchor the center of Rindge and the Town of Rindge is diligent with the on-going care and maintenance of them. The Meeting House Oversight Committee is appointed by the Board of Selectmen to make recommendations that ensure the maintenance and care of this historic building.

In March the Town voted to approve a warrant article to install electric generators in Town buildings, including the Meeting House. The Board of Selectmen and the Department of Public Works developed a plan and received bids for the installation of a diesel electric generator at the Meeting House.

This will further enhance the upkeep and maintenance of the Meeting House with protection from power outages. And, it will provide the Town with space for school children and residents in times of emergencies.

The Ralph and Gertrude Ward Trust Fund provided ten thousand dollars for this improvement to our historic Meeting House.

Respectfully submitted,

The Planning Board reviewed a total of 11 development proposals during the 2019 calendar year. This is significantly less than the 23 development proposals reviewed in 2018. Of the 11 development proposals, there was one Voluntary Merger; two Technical Subdivisions / Lot Line Adjustments; three Minor Subdivisions; two Minor Site Plans; two Major Site Plans and one Planned Unit Residential Development proposal, that was reviewed both as a Major Subdivision and Major Site Plan. The Planning Board also conducted two Conceptual Consultations; one for a determination whether a Site Plan was required and one for a potential Planned Unit Residential Development.

The work of the Planning Board Site Plan subcommittee came to fruition with the adoption of the proposed amendments to the Site Plan Regulations at a March 5th, 2019 public hearing. The hard work of the 3 members of the committee, including the Planning Director, Kirk Stenersen, ex Planning Board member, Bruce Donati and Ex Officio Planning Board member, Roberta Oeser, is greatly appreciated. A special thanks to Kelen Geiger who attended all subcommittee meetings as a resident, her input, interest and presence were greatly appreciated.

Planning Board members and staff were involved with the meetings of the Town Gown committee, the Roadway committee, the Capital Improvement Program committee and the Jaffrey-Rindge School Apportionment sub-committee during the 2019 calendar year.

Kirk Stenersen continues to fill the Planning Director position on a part time basis. He has planning office hours one day a week on Wednesdays from 9:00 a.m. to 1:00 p.m. Susan Hoyland, the Planning Board secretary, was out for a significant portion of the year and resigned the position in October of 2019 for health reasons. Susan has been filling in a couple of times a week on a part time basis, as she is able, since mid-November which has been a huge help to the Planning Office. The electronic filing system continues to be modified and improved; it has been valuable in research on prior and potential applications and has increased the efficiency of the Planning Department substantially.

Due to absence of a Planning Secretary for a significant portion of the year there were not any Zoning Articles proposed for the 2020 warrant. It is anticipated that 2020 will include review of the Sign and Wetlands Ordinances, continued work with subcommittees to keep ordinances current and election and appointment of Planning Board officers.

The Board welcomed Kim McCummings back to the Planning Board and Holly Koski to the Planning Board as an elected member, as they were both elected to the Board at the March 12th, 2019 Town Meeting. Robert Oeser was re-appointed to the Planning Board as the Ex Officio member. The Board welcomed Katelyn Smith to the Planning Board as an alternate on September 3rd.

POLICE DEPARTMENT

Rindge Police Department

2019 Annual Report

2019 has been a busy but promising year for the Rindge Police Department. Experiencing continued staff turnover, and having an officer in either an academy or field training ended in October and we are at full staff for the first time in 6 years! Officer Brianna Rogers filled our last full time position. With that being said, the first 3 quarters of the year were extremely busy and having us being short staffed meant that officers stepped up to ensure shift coverage and thus took time away from their families and friends to be here to cover the town.

What does full staffing mean to us? We now have more shifts with a second officer on. By re-evaluating the schedule, we were able to make some new creative shifts to cover our busier times allowing us to better handle our community's demand on our services. It also means that officers will now have a more even case flow to allow them less time behind the desk.

In continued efforts to include much of our data including calls for service (CFS), arrests, cases and charges, case status, motor vehicle stops (MVS) and accidents have all been published on our web page, <https://rindgepolice.com/>. This is an ongoing vision of mine and we will continue to work on this flow of data and provide as much knowledge as possible to the volume and types of calls we are responding to. I believe in providing statistics, as an agency, about what we are responding to on a regular basis. We are working on keeping the data as conscience and robust as we can but are limited by the software that we currently use for our records. We have explored other programs and are actively seeking funding for this type of conversion, however, this will likely be a long term plan but remains a priority.

Both the drug and sharps drop box are still being utilized on a regular basis here at the PD which shows the continuing need for this. I am glad to see that other agencies have taken this

POLICE DEPARTMENT

initiative on as well and are making these boxes available to the public. Our online exchange zone is also still doing well and is still being utilized. It is nice to see that the projects from last year are still having a positive impact and making for a better community.

We continue to have cases that receive local media attention and we continue to work in cooperation with other jurisdictions including state and federal agencies. Rindge was commended by other agencies for the ease of cooperation and transition in joint cases. It is a good feeling to know that all the hard work of this agency shows through inter agency calls.

	2017	2018	2019
Calls for Service	3287	3482	4011
Misdemeanor Offenses	249	256	230
Felony Offenses	62	100	67
Misdemeanor Arrests	62	75	135
Felony Arrests	11	14	11

Vehicle Accidents	115	121	108
MVA Fatalities	1	0	0
Animal Control	329	305	270

Statistically, our calls for service significantly increased from 2018, seeing a large increase in total arrests from 129 to 205. We continue to see a significant increase in violence, domestic incidents, forgery and property damage. The increases has remained steady across the board in

POLICE DEPARTMENT

all lines and have kept the department very busy. We took some initiatives in traffic enforcement this year to include a "Saturation Patrol" which was conducted with NH State Police. While there was some misunderstanding in this, this type of patrol is done in high volume traffic areas to raise awareness to a particular problem. Both State Police and the Rindge Police Department felt this was an effective way to assist in raising awareness to the traffic violations with volume in that area. We also are awarded grants from the NH Office of Highway Safety based on our data and request. These grants helped by putting an extra patrol car designated specifically for traffic enforcement. We were able to add several 4 hour patrols throughout the year where the officer was specifically assigned to traffic enforcement.

It has been a busy year here at the Rindge Police Department. I look forward to continuing to serve the residents of Rindge by continuing to work within the community and addressing the ongoing needs through community outreach and actively participating in community events. We will be looking to add newsletters via email, proactive & community policing as well as opening dialogs through meetings, speaking engagements and blogs as needed. I would like to speak for both myself and the staff to say thank you for your continued support and kindness over the last year. It truly means a lot to all of us to have your continued support.

PUBLIC WORKS DEPARTMENT

The Rindge Department of Public Works strives to give the citizens of Rindge quality roads. Assessing the condition of and maintaining the town roads are our main priorities. The Town of Rindge maintains sixty-five miles of roads.

The Department was asked to develop a 5-year Road Plan by the Board of Selectmen. The Town has 65 miles of class 5 maintained roadways. The plan is a fact-based foundation/profile of Rindge roads to develop a thoughtful ongoing strategy for road construction and maintenance and to expand this strategy into a longer range plan. The Board of Selectmen accepted this plan; however, trying to maintain a level budget has somewhat hindered the full fruition of this plan we have increased the paving line a little in the last couple of years. This year the Highway Block Grant funding we receive is \$182,000.00 .The plan does give a solid direction for sections, evaluation of roads and year's sections need attention using the Hub and Spoke Paradigm. Again, trying to maintain a level budget we have not been able to fund the gravel road maintenance line item. Our other Fall projects consist of preparing the Town trucks and equipment for the Winter months, raking and picking up leaves on all town grounds, preparing the Town parks for Winter, draining the water lines and winterizing bathrooms at Wellington Park, re-grading and ditching all the gravel roads, and patching potholes.

The winter months keep us very busy. Obviously, our main challenge is keeping the roads clear of snow and ice. This can be very challenging and tiring at times. It is not unusual for our crew to work 24-30 hours during major storms. We spend many sleepless nights to give the citizens of Rindge safe roads. The highway crew also services and maintains the equipment during the winter months and assists other town departments as needed. The town is fortunate to have such a talented and diverse group of individuals to provide this service. We have very dedicated crew members who really care about their jobs and take a lot of pride in their work. I would like to personally thank them for their dedication and many hours of work put in during the winter months keeping all town roads safe for our citizens.

The spring months keep us busy cleaning up from winter and preparing for summer. Projects in the spring consist of: placing gravel and stone on the dirt roads during mud season, patching potholes, raking and picking up the rest of leaves from the fall, power sweeping all the town parking lots, line striping all parking lots and crosswalks and roadways, opening the cemeteries maintaining lawns, fertilizing, cutting brush and trimming trees in preparation for summer projects, repairing damages to property and road signs from winter plowing, and preparing and advertising bids for the major Summer projects such as paving roads, drainage and reclamation of roads.

The major Public Works projects are performed in the summer. These consist of: replacing drainage pipes, reclaiming roads in preparation for paving, grading dirt roads and line striping several roads, maintaining the Town Common, Police Station, Fire Station, Library, Meeting House, cemeteries, and the Town Office lawns, preparing Wellington Park fields for summer recreation, and roadside mowing.

Highway Projects

- Placing 500 cubic yards of gravel on several dirt roads
- Resurfaced Conversville Rd
- Resurfaced Wellington RD
- Resurfaced Section East Monomonock Rd
- Resurfaced Fieldstone Lane
- Roadside Mowing
- Built new Road in the Cemetery
- Continued major ditching on several roads and replaced several culverts

PUBLIC WORKS DEPARTMENT

Equipment Replacement

This year we replaced our 1988 Caterpillar Grader with a 2019 John Deer all-wheel drive with plow capabilities. Also we replaced our 2004 10 wheel Dump truck with a 2020 Western Star with plow sander and wing to maintain our road ways. I would like to thank the Rindge voters for passing these warrant articles so we can improve our service and better serve our citizens Than You.

Transfer Station

The Transfer Station and Swap Shop use continues to grow every year. We would like to thank the volunteers for all their personal time in organizing and staffing the Swap Shop. Without their help, the Swap Shop would not be the success that it is today. Hazardous Waste has taken a new direction due to the lack of grant funding for smaller municipalities. We have partnered with the City of Keene in their Household Hazardous Waste Days in the spring and fall. Rindge citizens can take their hazardous waste to the Keene Recycling Center located on Route 12 in Keene, NH. Citizens are required to provide proof of residency to dispose of their hazardous waste. Cost of disposal is the responsibility of the citizen at the facility's disposal rate.

The Recycling Program has recycled 317.78.00 ton in 2019; in 2018 we recycled 345.18 ton to Monadnock Disposal of Jaffrey, NH. This is a difference of -27.48 ton. Disposal of Demo/Household waste to Monadnock Disposal in 2019 is 819.85 ton. In 2018 we disposed of 796.86 ton. This is a difference of +22.99 from last year. We have seen an increase of citizen use of the facility during the 2019 calendar year. We would like to thank the citizens of Rindge for their conscious effort in recycling and those citizens who participate in the annual Earth Day roadside cleanup keeping Rindge clean. Keep up the good work.

Building Maintenance Department

The full-time Maintenance Technician has worked hard all year at keeping up the buildings and repairing major safety and building issues, He also works with the Energy Committee on improvements to the town facilities with BOS approval. This has saved the town in having to hire out some of these projects to contractors. The Maintenance Technician along with the DPW Director work with other department heads to devise a yearly maintenance/repair plan to address maintenance issues for all town buildings. He is also responsible for winter plowing which include roads, parking lots and sidewalks, walkways for all of the public buildings.

This year with voter's approval we replaced the Sand Shed Roof at the Highway Department, and the Roof at the Library. Voters also approved Power Generators for the Highway Garage, Meeting House, Town Office, Recreation Building that will be completed this spring.

This year with voter's approval we also are replacing all of the Street Lights with LED lights which will save the taxpayers monies that project should be complete by this spring as well.

The Crew and I wish to thank the citizens of Rindge and other departments and boards for their cooperation and assistance during the past year. I especially wish to thank our Board of Selectmen and Town Administrator for all their guidance and assistance throughout the year.

Sincerely yours,

Michael Cloutier, Sr.
Director of Public Works

RECREATION DEPARTMENT

The Recreation Department has experienced another profitable year of growth in 2019. With the assistance of our FT program coordinator, Karissa Forzese, we were able to increase participation in almost all of our programs in 2019.

Karen Chemello, our Before and After School Program Director, has continued to do an excellent job maintaining our largest program. The Before and After School Program increased in size from 2018, despite losing a large part of our program participants to aging out to middle school. This program continues to be one of the community's favorite programs for families.

The Recreation Department's ongoing programs continue to have steady participation, including: instructional basketball, youth travel basketball, youth softball, youth summer camp, youth soccer, and the extended day (before and after school) program. The annual holiday events including the Easter Egg Hunt, Fourth of July celebrations, Halloween Trunk-or-Treat, Town Tree Lighting, and Senior Holiday dinner all had increased attendance compared to 2018.

A new program we were able to offer this year is our Senior Fitness program, which was run in conjunction with Franklin Pierce University. This program was led by Professor Lindsay Vago and physical therapy students. We are able to offer this program completely free of charge to all of our senior citizens here in Rindge. Due to the program being incredibly successful, we are offering another 9 week program starting in February 2020.

In addition to these seasonal events, the Rindge Recreation Department coordinated several ongoing activities as well throughout the year. Some of these activities include: After School Karate class with Elizabeth Kenny, Senior Coffee on Wednesday mornings, a knitting group on Thursday afternoons, the Rindge Woman's Club crafters group, and year-round Chaos Soccer program.

The Recreation Center building rentals have been very active again this year with various events including: birthday parties, wedding receptions, company BBQ's, holiday events, and baby showers.

As many of you are aware, we have our monthly "Night Out With The Family" events. In 2019, the NOWTF events included: the Easter Egg Hunt, a Minute to Win It game night, Memorial Day picnic in the Park, Fourth of July Family Festival with fireworks at Franklin Pierce University, Trunk or Treat, tree lighting and breakfast with Santa, and Pokémon Night.

Most of our programs rely on parents and local community members volunteering their time and energy to make our programs as amazing and successful as they are. Thank you to all of our coaches, parents, and community members who took time out of their busy lives to enrich our programs! If you are interested in volunteering please contact the Recreation Department.

Also, a BIG thank you goes out to the hardworking and generous volunteers of the Recreation Committee. They continue to be a strong support base for the Recreation De-

RECREATION DEPARTMENT

partment. The Recreation Committee serves as an advisory board to the Recreation Director and all members volunteer their time throughout the year to assist at the many events the Department offers. Without the dedication of the Recreation Committee and part-time staff, the well-loved community traditions would not be possible. If you are interested in joining the Recreation Committee please give us a call!

The Recreation Committee consists of the following members: Jennifer Helsel, Jaime Hennessey, Tom Ciglar (secretary), Lydia Hatch, David Graham, and Karl Pruter (Selectmen's Liaison).

The following programs were offered:

Winter:

Travel Basketball, Instructional Basketball

Thursday Night Lights Ski Program

February Vacation Field Trips

Chaos Travel Soccer

Spring:

Instructional Softball

Coed T-Ball

Girls Softball

April Vacation Field Trips

Chaos Travel Soccer

Summer:

7 weeks of summer Day Camp (K-9th)

British Soccer Camp

Archery

Fall:

Instructional Soccer

Travel Soccer NHSL

Chaos Travel Soccer

RECREATION DEPARTMENT

Many of our programs are supported by local businesses who make generous donations to keep programs our running. Thank you to all of the individuals, civic groups, businesses, and foundations that made donations and grants to the Rindge Recreation Department. Without your support we would not be able to offer the variety of community activities that we do. With the ongoing help of our community and volunteers we look forward to even more growth in 2020!

ROADWAY & HIGHWAY SAFETY COMMITTEE

The Roadway and Highway Safety Committee is an advisory body that addresses issues concerning Town roadways and highway safety as well as related pedestrian, vehicle, signage and other transportation issues. The Committee meets on an as needed basis.

In 2019 the Committee meet on two occasions to hear, participate in, resolve or provide recommendations to the Board of Selectman concerning the following:

1. A request to improve the Class VI Road / Class A Trail known as Bowers Hill Road
2. A request for signage on Annett Road that there is no boat launch to Hubbard Pond
3. A recommendation for a renaming the west end of Dale Farm Road

SAFETY COMMITTEE

The Safety Committee, also known as the Joint Loss Management Committee, is mandated by New Hampshire Workers Compensation law. The Committee oversees the safety of employees and members of the general public who use Town facilities. The Committee meets quarterly and is comprised of representatives of both management and the labor force. Workforce accidents/injuries are investigated by the Committee which makes recommendations for workplace safety improvements to reduce the Town's liability and workers compensation claims. This results in reduced premiums with our property and liability carrier, Primex.

The Committee completed the Primex Prime Risk Management Benchmarks self-assessment form and the Town's Prime Program status was renewed and the benefits package awarded.

The Committee reviewed pedestrian and vehicular traffic flow for Town events, particularly on the Common, and facilitated several improvements for traffic, lighting and seating.

The Committee also facilitated training courses offered by Primex.

The Safety Committee will continue to monitor the safety of Town employees and facilities. We welcome your input and questions.

Respectfully submitted,

Sara Gravell, Town Administrator

The Rindge Telecommunications and Technology Committee, also called the TelTech Committee, is a volunteer committee that provides expert advice to the Town on matters relating to telecommunication services, software, and computer systems used by the Town.

The members of the committee are Chair Phil Motta, Vice-Chair Craig Clark, Secretary John Bonell, and Tim Wessels. This year the ex-officio member of the committee has been Selectman Karl Pruter.

The regularly scheduled public meetings were held on the 3rd Monday of each month.

The TelTech Committee assisted the Town when it switched to a different information technology provider for the Town in June.

The TelTech Committee reviewed the specifications for a new server that was purchased for the Town and was part of the discussion about upgrading or replacing a number of Town computers so they could be supported by the Town's computer services vendor.

The major project for the TelTech Committee in 2019 was its work to bring improved broadband service to Rindge residents. With the approval of the Board of Selectmen, the committee used a law recently passed in the state called New Hampshire Senate Bill 170 which permits cities and towns to bond for publicly-owned broadband infrastructure for unserved areas in the town. The committee followed the process outlined in the law, which included requesting information from internet service providers, sending out a request for proposals to responsive internet service providers, and selecting a bidder to recommend to the Board of Selectmen. Consolidated Communications was the bidder selected to build a new Fiber-to-the-Premises (FTTP) network in the Town. The committee held public hearings for the proposals received, the bond to build the network, and the public benefit calculation for building a new FTTP network in Town.

In 2020, if the Warrant Article to bond to build the FTTP network passes, the TelTech Committee will be working to assist in the next phase of the FTTP project. This new network will provide every home and business in Rindge with the option of having high-speed broadband internet service.

Phil Motta, Chair

TOWN-GOWN TEAM
