Dedication

The 2023 Town report is dedicated to the following community members who will not be forgotten...

Susan L. Wessels

Susan was passionate about upholding civic duties and always encouraged Rindge citizens to get involved in their community. She organized a civic group to get people involved in community affairs and run for an elected position in Town. Susan served as the Chair of the Rindge Democratic Town Committee and as a Library Trustee of the Ingalls Memorial Library in Rindge.

Francis (Frank) C. Morrill

Frank joined the Peterborough Police Department in 1991 where he started his law enforcement career and served as an Officer until 2004. He graduated from Franklin Pierce University with a bachelor's degree in criminal justice. In 2013 he was celebrated as the Rindge Chamber of Commerce's Business Leader of the year. Frank brought the Rindge Police Department the "New England Chiefs of Police Community Policing Award." Sergeant, Chief, business and community leader; but above all a friend to multitudes and a respected Chief to all that served with and for him.

Dedication

The 2023 Town report is dedicated to the following community members who will not be forgotten...

William (Bill) Lloyd Harper

Community service was important to Bill and he strongly believed in developing an educated workforce. He served as a volunteer firefighter in Rindge for 8 years, a Zoning Board member, and a Cemetery Trustee. Bill also served on the Jaffrey Rindge Cooperative School District for many years.

Richard (Dick) Isakson

Dick was very involved with community affairs. He was a member of the Rindge Veteran's Association, the American Legion Post #11, Trustee of the Ingalls Memorial Library, and the Rindge Planning Board. He also served on the Meetinghouse Oversight Committee. Dick was awarded the Rindge Citizen of the year in 2007.

**REPORT ON INTERNAL CONTROL BASED ON
AN AUDIT OF BASIC FINANCIAL STATEMENTS**

To the Board of Selectmen
Town of Rindge, New Hampshire

In planning and performing our audit of the financial statements of the governmental activities, each major fund, and the aggregate remaining fund information of the Town of Rindge, New Hampshire (the Town) as of and for the year ended December 31, 2022, in accordance with auditing standards generally accepted in the United States of America, we considered the Town's internal control over financial reporting (internal control) as a basis for designing audit procedures that are appropriate in the circumstances for the purpose of expressing our opinions on the financial statements, but not for the purpose of expressing an opinion on the effectiveness of the Town's internal control. Accordingly, we do not express an opinion on the effectiveness of the Town's internal control.

Our consideration of internal control was for the limited purpose described in the preceding paragraph and was not designed to identify all deficiencies in internal control that might be material weaknesses or significant deficiencies and, therefore, material weaknesses or significant deficiencies may exist that were not identified. However, as discussed below, we identified a deficiency in internal control that we consider to be a significant deficiency.

A deficiency in internal control exists when the design or operation of a control does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct, misstatements on a timely basis. A material weakness is a deficiency, or a combination of deficiencies, in internal control, such that there is a reasonable possibility that a material misstatement of the entity's financial statements will not be prevented, or detected and corrected, on a timely basis. We did not identify any deficiencies in internal control that we consider to be material weaknesses.

A significant deficiency is a deficiency, or a combination of deficiencies, in internal control that is less severe than a material weakness, yet important enough to merit attention by those charged with governance. We consider the following deficiency in internal control to be a significant deficiency.

ARPA GRANT TRACKING

Observation

The Town has received two distributions of ARPA funding from the State of New Hampshire as grant advances. Under the terms of the awards, the Town is required to submit an annual report to the Department of Treasury detailing the Town's obligated amounts and the amounts expended under each of the obligations. The Town has designated a single ARPA expenditures account within its General Fund to track the expenditures. We obtained the Town's submission covering cumulative expenditures through March 31, 2023, the spreadsheet maintained by the Town used in the reporting, and a detail of the Town's calendar year 2022 and January 1, 2023 through March 31, 2023 ARPA expenditure account and used this as a basis for evaluating the unobligated and unspent balance as of December 31, 2022. In reconciling

the Town's expenditures recorded in the accounting software to the spreadsheet used as the basis for the submission to the Department of Treasury we noted several differences for individual obligations.

Implication

Failure to reconcile the ARPA grant activity between the operating system and spreadsheet used by the Town to track obligations on a periodic basis increases the risk the Town expends funds it may not have available. In addition, financial decisions for the use of unobligated and unspent funds by those charged with governance may result in the Town overexpending its statutorily adopted budget.

Recommendation

We recommend the Town establish a system whereby a detailed review of the amounts reported as expended within the Town's operating system are reconciled to the Town's spreadsheet used to track and report amounts expended to the Department of Treasury. At a minimum, the Town should reconcile the activity on a quarterly basis. In doing so, the Town will identify any discrepancies between its operating system and the spreadsheet utilized to report to the Department of Treasury.

Client Response

There was misunderstanding on what exactly needed to be reported on the ARPA portal. Confusion was caused due to significant change over of personnel in the position that was to track the ARPA grant. There is now a process and procedures to be sure that all ARPA requests go to that position first. All personnel involved in ARPA expenditures and reporting now understand what is required to be reported.

This communication is intended solely for the information and use of management, the Board of Selectmen, and others within the organization, and is not intended to be, and should not be, used by anyone other than these specified parties.

Town Clerk Remittance Report to Treasurer
Jan 1st 2023 through Dec 31st 2023

Regarded to be the heart of local government, the Town Clerk's office is where you go when you first move to town to find out what is required to become an "official" resident of the town. It's the office you visit each year to register your motor vehicles and license your dogs. When your family expands, it's where you can pick up your child's birth certificate. When you are preparing to marry, it's where you acquire a marriage license. And it's where you go to register to vote or file for candidacy for public office. The Town Clerk is the official keeper of municipal archives and is responsible for maintaining a chronological record of vital records pertaining to the town, including births, deaths, and marriages that occurred in the town. In addition, as a chief election official, the Town Clerk is responsible for administering oaths of office to all elected officials and appointed members of local boards and committees. The Town Clerk's office collected the following in 2023:

Motor Vehicles (including title apps.)	\$1,902,799.55
Agent Fees	\$ 29,779.60
Marriage Applications	\$ 3,341.00
Certified Copies	\$ 4,569.00

Requirements for Semi-Annual Billing

Pursuant to RSA 76:15-a

76:15-a Semi-Annual Collection of Taxes in Certain Towns and Cities - I. Taxes shall be collected in the following manner in towns and cities which adopt the provisions of this section in the manner set out in RSA 76:15-b. A partial payment of the taxes assessed on April 1 in any tax year shall be computed by taking the prior year's assessed valuation times 1/2 of the previous year's tax rate; provided, however, that whenever it shall appear to the selectmen or assessors that certain individual properties have physically changed in valuation, they may use the current year's appraisal times 1/2 the previous year's tax rate to compute the partial payment.

Fund Balance Retention

Enterprise Funds and Current Year Bonds	\$0
General Fund Operating Expenses	\$20,871,936
Final Overlay	\$64,413

DRA has provided a reference range of fund balance retention amounts below. Please utilize these ranges in the determination of the adequacy of your municipality's unrestricted fund balance, as currently defined in GASB Statement 54. Retention amounts, as part of the municipality's stabilization fund policy [1], should be assessed dependent upon your governments own long-term forecasts and special circumstances. Please note that current best practices published by GFOA recommend, at a minimum, that "...general purpose governments, regardless of size, maintain unrestricted fund balance in their general fund of no less than two months of regular general fund operating revenues or regular general fund operating expenditures." [2],[3]

BUDGET ADVISORY COMMITTEE

For 2024 the members of the Budget Advisory Committee were: Phil Motta - Chair, Roberta Oeser, Casey Burrage - Secretary, Tina Sbrega, James Burger, and Dan Whitney. Marybeth Quill was the Ex Officio member from the Board of Selectmen.

The BAC met jointly with the select board several times in public meetings. Over the course of these meetings, we reviewed the various expenses by the different town departments and we also reviewed the department head requests for the proposed 2024 budget.

The BAC also held meetings independent of the BOS where we reviewed and discussed the proposed budget. All of the BAC meetings were public and were posted publicly.

The proposed operating budget saw a significant increase this year mostly due to the costs of staff wages and benefits increases. More hours and, in some cases, more personnel are required to meet the growing needs of the town. The police department and fire department respond to an increasing number of calls than in previous years. This has been a continuing trend for several years. Expectations are for both departments to continue to manage an increasing number of calls going forward. The highway department is now clearing and maintaining more roads than in the past, and this is also expected to increase going forward.

The town has been through years where it was losing staff in multiple departments because the pay rates were not competitive. This is being addressed through various wage increases and the BAC fully supports seeing efforts continue to retain quality personnel in all departments. The annual review of wages should include a focus on improving and maintaining competitiveness while still making sure to meet the needs of the staff and the town. We want to see that effort continue as retaining experienced staff members is more productive than continually trying to fill vacancies and train new personnel. Retaining valuable staff members in all departments is more cost-effective and allows the departments to provide a better level of service to the people of our town.

The BAC also wants to see improvements to processes, tools, procedures, and other things that will make things more efficient for the departments and for the people of the town who rely on these departments.

The BAC reviews and makes recommendations on the operating budget for the town each year, so we are looking at each year as it comes, but we encourage the town to always be looking at the long-term needs of the town.

Faithfully submitted,
Phil Motta, Chair

FIRE DEPARTMENT

In 2023 the dedicated men and women of the Department responded to a total of 907 calls for service. Over the past 5 years we've experienced increasing calls for service. From 2019 to 2023 the call volume has increased an average of 100 calls. The increase in calls for service is related to the growth of the town along with the growth of our elderly population. These calls include but are not limited to medical calls (518), fire calls (389 calls to include structure, brush and wildland, chimney fires, etc.), motor vehicle accidents, weather-related incidents, residential and commercial fire alarms, HAZ-MAT incidents, service calls and much more.

In 2024 the Fire Department will continue to find ways to build its call membership and provide these dedicated men and women with the necessary training and equipment to respond to emergencies and preserve the safety of the town and its residents. The dedication and hard work of these residents, who spend hundreds of hours to train and certify allows the department to provide a high level of professional service to the town and protect its residents. In 2023 (5) five of the newest members received Firefighter and EMS Certification, (4) four members expanded their certifications and (1) one member received his Medic Certification. At this time, 99% of the Department is certified as Firefighters, or EMS, or both Firefighter and EMS. We also had (5) members receive certification as Training Instructors.

These emergency responders are paid per call instead of manning the station at all hours. Without a full-time Fire Department, Rindge relies on service-minded citizens to work on behalf of the community. Anyone interested in making a difference for their community as a first responder can contact the Director of Life and Public Safety Rickard Donovan at the Fire Station (603) 899-3324 for details.

In 2023 the heating systems for the station were replaced and upgraded. Engine 2 pump was internally inspected and repairs made. This was a 12-year Preventative Maintenance internal inspection. The purpose is to make any necessary repairs at half the life of the apparatus so we are not repairing a pump within a couple years of replacing.

In 2023 the Department will continue to offer free home fire safety guidance, fire prevention programs to school and civic groups, and fire extinguisher training. We will also continue to perform mandatory Annual Life Safety Inspections in Places of Assembly, Business and Mercantile Occupancies, Educational Facilities, and multi-family dwellings throughout the year. The department also offers CPR/AED and First Aid classes to citizens, businesses, and civic groups who are interested in improving their lifesaving knowledge. If you are interested in more information about these programs, please contact us at (603) 899-3324.

The Department extends a sincere thank you to all the people, businesses, and organizations that have provided their support during the past year.

Respectfully Submitted,

Rickard J Donovan, Director of Public and Life Safety

Mission Statement

The Rindge Fire Department maintains minimum training and certification levels for all emergency responders in accordance with the National Fire Protection Association and National EMS Registry requirements and recommendations. All members are required to participate in mandatory Fire, Rescue, and EMS trainings, Infectious Disease training and monitoring, and Leadership training.

Apparatus Brief

The Rindge Fire Department will continue its Preventative Maintenance Program on all vehicles and equipment in an effort to keep all emergency equipment in a state of constant readiness. This program also helps keep repair costs down and ensures the equipment meets its recommended life span. The maintenance program consists of in-house weekly vehicle and equipment inspections; in-house fluid, filter, and lubrication service; oil changes; pump and ladder maintenance; small engine service and building maintenance.

FIRE DEPARTMENT

FIRE PREVENTION, EDUCATION, AND INSPECTION OFFICE

The Rindge Fire Department will continue its Fire Prevention and Education Programs in the schools and other public and private events. We also continue to offer Fire Safety Programs, Fire Extinguisher and Prevention Programs to local businesses for their employees. The Rindge Fire Department also offers free Home Fire Safety Inspections to the residents of Rindge and continues to perform mandated inspections at businesses and multi-family dwellings located in town. The Rindge Fire Department maintains an open door policy for the citizens to visit the station during business hours to check out the equipment and apparatus the town owns. This is also a great time to see what is available and the importance of different equipment used in the fire service. Fire prevention materials are also available at the fire station.

Under NH State Fire Code and State Statutes, all businesses and residential rental units are subject to annual life safety inspections. The Town of Rindge currently inspects these properties. Our goal is to assist business and rental property owners in providing a safe environment for their customers, employees, guests and tenants.

CPR, AED, AND FIRST AID TRAINING

The Rindge Fire Department offers CPR, AED, and First Aid classes to the general public and businesses within the Town of Rindge. We are planning on scheduling monthly classes and more if necessary. To receive more information or to sign up for a class, please contact the Department's CPR/First Aid Coordinator, Marie Pugh at (603) 899-3324. Our goal is to train as many citizens as possible in CPR, AED, and First Aid.

REVENUES

The Fire Department received \$7,802.76 for Restitution, \$7,210.00 for Details, \$690.00 for CPR/First Aid Classes, and \$350.00 for Firework Permits in 2023. These funds go into the Fire Department Revolving Fund and are used to help offset the costs of Fire Prevention Materials, CPR and First Aid Class Materials and apparatus repairs.

The Rindge Fire Department would like to thank the Town of Rindge residents and businesses for all their support throughout the years.

FIRE DEPARTMENT

BURN PERMIT AND FIREWORKS PERMIT SCHEDULE

FIRE STATION

Mon – Fri: 3:30 PM – 6:00 PM

Sat: 10:00 AM – 4:00 PM

Note: On days that it is actively raining you may obtain a permit at the fire station for that day (Monday – Saturday) starting at 10:00 AM

There will be no permits issued on Sunday or Holidays so plan ahead if you plan to burn on these days. Permits for those days may be obtained after 3:30PM on the Friday before, depending on the weather forecast. If you are unable to obtain a permit on Friday, you can call ahead to make arrangements at (603) 899-3324.

Permits may also be obtained through the NH Division of Forests and Land online burn permitting system. <https://nhdflweb.sovsportsnet.net/> these are available 24hrs a day, weather dependent.

Burn Permits are required for all outside open burning unless 100% coverage of snow. When there is 100% snow, please call the fire department and leave a message with your name and address where the burn is taking place.

Anyone who wishes to burn clean, ordinary combustibles such as leaves, brush or untreated lumber, or have a camp or cooking fire must have written permission from the landowner and a fire permit from the Rindge Fire Warden before the fire is kindled. You must be at least 18 years of age to obtain a written fire permit.

Seasonal permits can be issued for established fire rings containing small camp and cooking fires. Such camp or cooking fires shall; be in an area cleaned to mineral soil at least 8 feet across; have at least 6 inches of sand or gravel under the fire for any fire built on the ground; and have no limbs or other burnable material to a height of 10 feet above the fireplace area.

Woody debris or brush less than 5 inches in diameter, or untreated wood and untreated dimension lumber (subject to Env-A 1001.05(g) below) can be burned. For any open burning a written fire permit is required. Even with the permit, no open burning is allowed between the hours of 9:00 am and 5:00 pm unless it is raining. When the ground where you are burning is completely covered with snow, no fire permit is required. However, it is asked that you contact the Fire Department before burning.

FIRE DEPARTMENT

FIREWORKS PERMIT

A Fireworks Permit is required to display fireworks within the Town of Rindge. Applications for Class C fireworks must be submitted at least 2 business days prior to the intended display. The permit fee for Class C consumer permissible fireworks is \$10. Class B fireworks require a permit and must be obtained and displayed by a licensed fireworks operator.

Permit Requirements:

- The applicant shall appear in person before the Fire Chief, or his/her authorized designee.
- The applicant shall provide proof that he, or she is the landowner of where the fireworks discharge is to occur, or has the landowner's written permission.
- The applicant shall provide a valid photo identification.
- The applicant shall be at least 21 years of age or older. (NH RSA 160-C:II)
- Fireworks shall be purchased from licensed Permissible Fireworks retailers in New Hampshire only. (Copy of Receipt for permit may be requested)
- The applicant shall only purchase the quantity of fireworks needed for the permitted display. The storage of Permissible Fireworks is prohibited.
- Fireworks shall not be ignited by minors (anyone under the age of 21).
- Fireworks shall be ignited a minimum of 50' from any structure or overhead utilities.
- The applicant is required to have a means of fire extinguishment readily accessible.
- The permit shall be valid only for the date (or rain date) it is issued.
- Anyone discharging or igniting fireworks shall not be under the influence of any drugs or alcohol.
- Permissible Fireworks shall only be discharged between the hours of 10:00 AM and 10:00 PM.
- Permits will only be valid on days when the Daily Fire Danger is Class One (low) or Class Two (moderate) as determined by the New Hampshire Division of Forest and Lands – Bureau of Forest Protection without a Fire Detail.

Detail Requirements:

The Rindge Fire and/or Police Chief reserve the right to determine if a detail is required, however; a detail will be required for the following: (SAF-C 5024.10)

- All Class B Displays
- Class C Display if permission granted on a Class 3 or Higher Fire Danger Day
- Class C Display with 100 or more attendee's
- Class C Display operated (fired) by a NH Pyrotechnic
- Class C Display at a Place of Assembly where a Place of Assembly Permit is required

The Revenue received for Firework Permits in 2023: \$350.00

NO FIREWORKS WILL DISPLAYED ON A CLASS 5 OR RED FLAG FIRE DANGER DAY

FOREST FIRE WARDEN & STATE FOREST RANGER

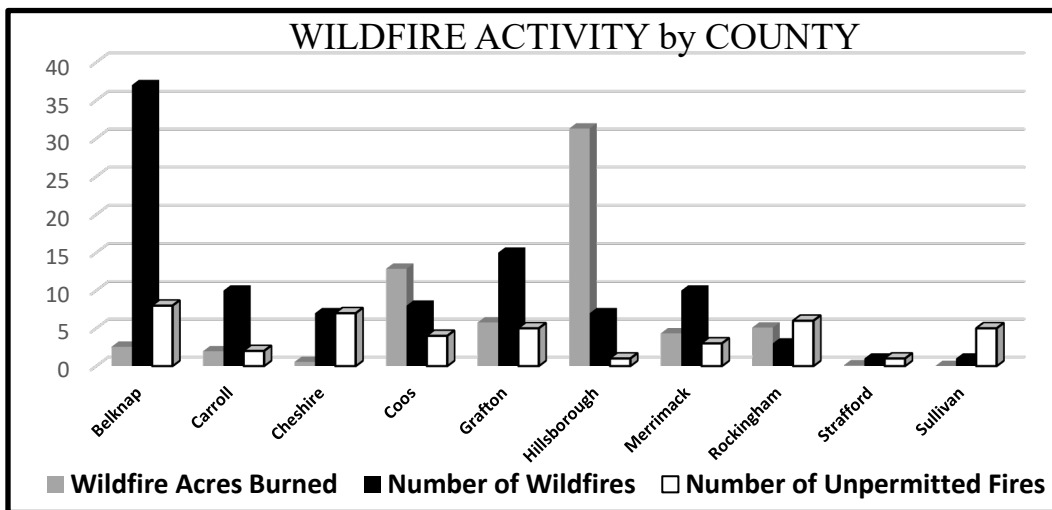

This past year we observed wet weather in late spring and throughout the summer. This led to reduced wildfire activity throughout the state and allowed many of our state firefighting resources to respond to Nova Scotia and Quebec to assist our Canadian neighbors with their record wildfire season. We were also able team up with local fire departments and provide many wildfire trainings throughout the state.

This time of year, we see fires caused by the careless disposal of woodstove ashes. Before dumping your woodstove ashes, you should place them in a covered metal container until they are out cold. Many homes in New Hampshire are located in the wildland urban interface, which is the area where homes and flammable wildland fuels intermix. Every year New Hampshire sees fires which threaten or destroy structures, a constant reminder that wildfires burn more than just trees. Even with the lower wildfire threat in New Hampshire in 2023, properties within the Wildland Urban Interface were still impacted, with 8 structures threatened and 3 destroyed by wildfires. Homeowners should take measures to prevent a wildfire from spreading to their home. Precautions include keeping your roof and gutters clear of leaves and pine needles and maintaining adequate green space around your home free of flammable materials. Additional information and homeowner recommendations are available at www.firewise.org. Please help Smokey Bear, your local fire department, and the state's Forest Rangers by being fire wise and fire safe! We ask everyone to remember Smokey's message about personal responsibility and follow his ABC's: **Always Be Careful** with fire. If you start a fire, put it out when you are done. **"Remember, Only You Can Prevent Wildfires!"**

As we prepare for the 2024 fire season, please remember to contact the Rindge Fire Department to determine if a fire permit is required before doing ANY outside burning. Under State law (RSA 227-L:17) a fire permit is required for all outside burning unless the ground is completely covered with snow. Fire permits are also available online in most towns and may be obtained by visiting www.NHfirepermit.com. The burning of household waste is prohibited by the Air Resources Division of the Department of Environmental Services. You are encouraged to contact the local fire department for more information. Safe open burning requires your diligence and responsibility. Thank you for helping us to protect New Hampshire's forest resources. For more information, please contact the Division of Forests & Lands at (603) 271-2214, or online at www.nh.gov/nhdfl/. For up-to-date information, follow us on X and Instagram: **@NHForestRangers**

Rindge Police Department

Rachel D. Malynowski
Chief of Police

158 Main Street
Rindge, NH 03461

January of 2023 began on a positive note for the Rindge Police Department. 7 of 9 full-time positions were filled and training was well underway for the Department. Officers Jacob Stone and Steven Ingman began field training and, in February, Officer Stone entered the 192nd Full-Time New Hampshire Police Academy. In April, the Rindge Police hired Officer Samuel Kelley, who also immediately began his field training period. In May, the Rindge Police hired Officer Troy Ashmore in a part-time capacity. Officer Ashmore had previously been employed by the Jaffrey Police Department and was already certified as a full-time New Hampshire police officer. Unfortunately, May also brought the loss of Steven Ingman, who was unable to satisfy the requirements to obtain his New Hampshire certification and his employment with the Town of Rindge was discontinued.

In June, as Officer Stone graduated from the Police Academy, Officer Kelley began the 193rd Academy session. In August, Officer Ashmore was hired in a full-time capacity. This was followed by Officer Stone completing

his field training period and Officer Kelley's Academy graduation in September. The Department was staffed at 8 for two weeks before Officer Ryan Aro tendered his resignation with intent to transfer to the Milford Police Department.

(Pictured left to right: Prosecutor's Assistant Michelle Szalanski, Officer Troy Ashmore, Officer Jeffrey Bain, Chief Rachel Malynowski, Officer Nicholas Lavoie, Officer Samuel Kelley, Officer Eric Glover, Officer Jacob Stone and Records Manager Susana DiMarzio)

In early 2023, the Police Department procured 8 new Taser 7 units with using an approved allotment from the American Rescue Plan Act (ARPA) funds. These units replaced the inoperable and obsolete model Taser X26P. Departmental Taser instruction took place in July and the implementation of the new Tasers immediately followed. We were also able to install Mobile Data Terminals (MDTs) in the patrol vehicles for more effective patrolling.

Due to increased stability in staffing, members of the Rindge Police Department were able to attend several trainings. Officer Nicholas "Nick" Lavoie attended a week long FBI LEEDA Supervisor Leadership Institute class, which is the first part a 3-part series that Officer Lavoie will complete during the next two years in preparation for advancement within the Department. Officer Jeffrey "Jeff" Bain attended Background Investigator and Field Training Officer training. Officer Eric Glover attended Physical Fitness Instructor training. Officer Troy Ashmore attended Introduction to Photography. Officer Ryan Aro attended a week-long training to become the in-house Firearms Instructor. However, after his departure, the position remains vacant and the training will need to be attended by current personnel.

We were able to attend and participate in numerous community-related events throughout the year. These include various Rindge Memorial School events (student luncheons, open-house fingerprinting, parades, staff trainings), the Rindge Family Festival on the common, Wreaths Across America at the Hillside Cemetery, Trunk or Treat at the Rindge Rec, Trick or Treat at Franklin Pierce University, Senior Holiday Dinner deliveries, Christmas Tree Lighting on the common, Breakfast with Santa at the Rindge Rec and many, many more.

(Pictured left to right: Officer Samuel Kelley, Chief Rachel Malynowski, Officer Nicholas Lavoie, Officer Jeffrey Bain, Officer Troy Ashmore)

We continued to maintain a positive relationship with Franklin Pierce University by meeting with University representatives on a regular basis in order to promote growth and development between the University and the Town. We worked with the University to apply for and obtain a \$400,000.00 grant from the United States Department of Justice that will provide funds for trainings and programs for both Police and University employees related to Reducing Domestic Violence, Dating Violence, Sexual Assault, and Stalking on Campus, with a focus on underrepresented populations.

In addition, the Police Department continued participating in monthly Town and Gown meetings with the University, provided security at football games, commencement ceremonies and political events, and spoke at Freshman Orientation and at several University training sessions throughout the year. We remained involved with the Rindge Crime Watch and continued our collaboration with Reality Check, a local program providing services for prevention, treatment and recovery for drug and alcohol addiction. We also participated in the two National Drug Take-Back events during the year and continue to provide year-long services in our lobby. (The drug intake box is available to the general public while the sharps collection box is available to Rindge residents only.)

The Police Department's Facebook page is maintained by our staff on a regular basis, providing information and updates on major events, critical incidents, road closures, traffic hazards, important safety reminders, community events and weekly police logs. Our goals for the coming year include staffing and retention and the continuation of trainings essential to personal and professional growth and development, with a particular focus on mental health and suicide awareness and prevention. The Rindge Police Department suffered an unimaginable loss on December 27, 2023, with the passing of retired Rindge Police Chief Francis “Frank” Morrill, Jr. In his honor, we will continue to strive to make mental health a priority.

Once again, we would like to extend our sincere gratitude and appreciation to our community, Board of Selectmen, other departments and various committees for your ongoing support.

“The purpose of human life is to serve, to show compassion and the will to help others” ~Albert Schweitzer~

DEPARTMENT OF PUBLIC WORKS

The Rindge Department of Public Works strives to give the citizens of Rindge quality roads. Assessing the condition of and maintaining the town roads are our main priorities. The Town of Rindge maintains sixty-five miles of roads.

The Department was asked to develop a Master Road Plan by the Board of Selectmen. The Town has 65 miles of class V maintained roadways, this plan is a fact- based foundation/profile of Rindge roads to develop a thoughtful ongoing strategy for road construction and maintenance and to expand this strategy into a longer range plan. The Board of Selectmen accepted this plan; however, trying to maintain a level budget has somewhat hindered the full fruition of this plan. This year the Highway Block Grant funding we received \$175,527.00, we also received an additional \$130,000.00 in bridge aid for repair and maintenance for the bridges. The Highway appropriated amount was \$273,591.00 for this year. The plan does give a solid direction for sections, evaluation of roads and year's sections need attention using the Hub and Spoke Paradigm. Again, trying to maintain a level budget we have not been able to fund the gravel road maintenance line item although we have put some gravel on dirt roads in last few years. Our other Fall projects consist of preparing the Town trucks and equipment for the Winter months, raking and picking up leaves on all town grounds, preparing the Town parks for Winter, draining the water lines and winterizing bathrooms at Wellington Park, re-grading and ditching all the gravel roads, and patching, potholes.

The winter months keep us very busy. Obviously, our main challenge is keeping the roads clear of snow and ice. This can be very challenging and tiring at times. It is not unusual for our crew to work 24-30 hours during major storms. We spend many sleepless nights to give the citizens of Rindge safe roads. The highway crew also services and maintains the equipment during the winter months and assists other town departments as needed. The town is fortunate to have such a talented and diverse group of individuals to provide this service. We have very dedicated crew members who really care about their jobs and take a lot of pride in their work. I would like to personally thank them for their dedication and many hours of work put in during the winter months keeping all town roads safe for our citizens.

The spring months keep us busy cleaning up from winter and preparing for summer. Projects in the Spring consist of: placing gravel and stone on the dirt roads during mud season, patching potholes, raking and picking up the rest of leaves from the Fall, power sweeping all the town parking lots, line striping all parking lots and crosswalks and roadways, opening the cemeteries maintaining lawns, fertilizing, cutting brush and trimming trees in preparation for Summer projects, repairing damages to property and road signs from Winter plowing, and preparing and advertising bids for the major Summer projects such as paving roads drainage and reclamation of roads.

The major Public Works projects are performed in the summer. These consist of replacing drainage pipes, reclaiming roads in preparation for paving, grading dirt roads and line striping several roads, maintaining the Town Common, Police Station, Fire Station, Library, Meeting House, cemeteries, and the Town Office lawns, preparing Wellington Park fields for Summer recreation, and Roadside Mowing.

Highway Projects

- Resurfaced Kimball Rd.
- Resurfaced Lisa Drive
- Resurfaced Major Section of Hampshire Rd.
- Resurfaced Farrar Rd., East Main St
- Replaced Culvert on Woodbound Rd. and East Monomonac Rd.
- Placed 1500 yards of crushed gravel on dirt roads
- Placed 500 yards of stone in the spring on dirt roads
- Continue Routine Roadside Ditching

DEPARTMENT OF PUBLIC WORKS

- Several Miles of Roadside Mowing

Equipment Replacement

This Year we replaced our 2012 Ford 450 one-ton plow truck with a 2023 International C-15 2-ton plow truck with a wing. Using ARPA Monies approved by the Board of Selectmen for the purchase which we will not need to put on a warrant article for funding for replacement.

Transfer Station

The Transfer Station and Swap Shop use continues to grow every year. We would like to thank the volunteers for all their personal time in organizing and staffing the Swap Shop. Without their help, the Swap Shop would not be the success that it is today. The Swap Shop is open on Saturday and Tuesday. The Hazardous Waste has taken a new direction due to the lack of grant funding for smaller municipalities. We have partnered with the City of Keene in their Household Hazardous Waste Days in the spring and fall. Rindge citizens can take their hazardous waste to the Keene Recycling Center located on Route 12 in Keene. Those dates can be found in the Keene Shopper newspaper in the spring and fall. Rindge Citizens are required to provide proof of residency to dispose of their hazardous waste. Cost of disposal is the responsibility of the citizen at the facility's disposal rate.

The Recycling Program has recycled 289.72 tons in 2023; in 2022 we recycled 277.10 tons to Monadnock Disposal of Jaffrey, NH. This is a difference of +12.62 tons. Disposal of Demo/Household waste to Monadnock Disposal in 2023 was 768.15 tons. In 2021 we disposed of 677.07 tons. This is a difference of +91.08 from last year. We have seen an increase of citizen using the facility during the 2023 calendar year. This year our contract with Monadnock Disposal expired so we agreed to a 1 year contract as next year we will be renewing our annual contract. We would like to thank the citizens of Rindge for their conscious effort in recycling and those citizens who participate in the annual Earth Day roadside cleanup in the spring keeping Rindge clean. Keep up the good work.

Building Maintenance Department

The full-time Maintenance Technician has worked hard all year at keeping up the buildings and repairing major safety and building issues, He also works with the Energy Committee on improvements to the town facilities with BOS approval. This has saved the town from having to hire out some of these projects to contractors. The Maintenance Technician along with the DPW Director works with other department heads to devise a yearly maintenance/repair plan to address maintenance issues for all town buildings. He is also responsible for winter plowing which includes roads, parking lots, sidewalks, and walkways for all of the public buildings.

This year we did a major renovation in the Town Office Building for the Town Clerk's office Boss Contractors was hired for the renovation project. Also we replaced all of the carpeting in the Town Office, Library, Police Station, Recreation, Building. In addition we replaced all of the paper towel dispensers in all of the town buildings. The oil furnace and the chimney were removed at the Fire Station and replaced with a propane furnace. Keating Plumbing and Heating did the project. The monies used for these projects came from the ARPA Funds approved By the Board of Selectmen.

DEPARTMENT OF PUBLIC WORKS

The Crew and I wish to thank the citizens of Rindge and other departments and boards for their cooperation and assistance during the past year. I especially wish to thank our Board of Selectmen and Town Administrator for all their guidance and assistance throughout the year.

Sincerely yours,

Michael Cloutier, Sr.
Director of Public Works

EMERGENCY MANAGEMENT

In 2023 the Rindge Emergency Management Department continued to apply for reimbursement for expenses with the pandemic. We also closed a couple Grants for supplies and equipment obtained through the Public Assistance Program (PA) and Emergency Management Performance Grant (EMPG). The main grant closed for the EMPG was for two (2) Variable Message Signs. The town applied for this grant through the EMPG Program. We bought two signs totaling \$36,360. The EMPG paid for one at \$18,180 and the town provided a 50% match of \$18,180. This match was at no cost to the taxpayer as the match came from funds received to rent the old variable message sign to display COVID 19 information. The old sign produced about \$67K in rental fees throughout the pandemic.

The Emergency Management Director Rickard Donovan continued to work with the Town Administrator Lori Rautiola, Finance Director Laurie May, and the Board of Selectmen with the management of the American Rescue Plan Act Funds (ARPA). We reviewed the submitted projects for eligibility and make recommendations to the Board of Selectmen for funding approvals. Most projects will help offset future Capital Improvement Plan funding by paying for projects from the ARPA Funds.

In 2024 the Emergency Management Team made up of the Town Department Directors will work on updating the town's Emergency Hazard Mitigation Plan and Local Emergency Operations Plan. We will seek grant approval to help fund and assist with these projects. We will also seek NH DOT or EMPG for funding for traffic control devices (illuminated stop signs, speed control radar signs, and illuminated crosswalk signs). We will also continue to seek an easement from the State of New Hampshire DOT to place a variable message sign at the NH RT 202 & NH RT 119 intersection. The second sign will be placed at the Transfer Station. Both signs will be used to notify citizens of emergency events and notices, town important events such as voting and important meetings. It is a town policy NOT to use the signs for fundraisers or private events.

The Department is also looking to invest in an Emergency Alerts App for real-time emergency messaging when we have emergency events with road closures, accidents, fires, etc. We will keep the public updated on our efforts.

Respectfully Submitted,
Rickard J Donovan, EMD/Director of Public and Life Safety

BUILDING DEPARTMENT

The Rindge Building Department conducted over 900 inspections in 2023. In 2024 we will be conducting a survey for Building Permit Fees and update our Fee Schedule. We will also update the Department's website (rindgefire.org) with all permit applications, worksheets, inspection schedules, permit fees, and information pertaining to obtaining a permit. I continue to look forward to working with all homeowners and contractors performing work in the Town of Rindge.

In 2022 the state adopted the 2015 Editions for Building Codes, Fire Code, and Life Safety Code. If you have a question on which code to use, please contact the Building Office.

The Town of Rindge Building Department issued Fourteen (14) Residential Single Family Dwelling Permits; two (2) Replacement Single Family Dwelling; sixty-three (63) Residential Accessory Permits; one (1) Residential Accessory Dwelling Unit; two (2) Commercial Building Permits; eleven (11) Commercial Accessory Permits; four (4) Swimming Pool/Hot Tubs; eight (8) Demolition Permits; one hundred eight (108) Electrical Permits; twenty-two (22) Solar Array Systems; fifty-eight (58) Generator; thirty-nine (39) Plumbing Permits; four (4) Fire Safety Permits; one hundred eighty-three (183) Mechanical Permits; thirty-three (33) Occupancy Permits.

REVENUE SUMMARY:

Building Permits: \$30,203.40 Electrical Permits: \$15,160.00 Plumbing Permits: \$3,920.00
Mechanical Permits: \$9,155.00 Fire Safety Permits: \$225.00 Filing Fees: \$447.95

PERMIT REQUIREMENTS

Permits are required for all construction within the Town of Rindge including remodeling, additions, sheds, outbuildings, decks, pools, sun decks, demolition of a structure, etc. A permit is also required for all electrical, plumbing, mechanical, oil, and gas appliances including piping, wood-burning equipment, chimneys, etc. Permit applications and information may be obtained at the Rindge Building Office located in the Rindge Town Office Building on Payson Hill Rd. Permit applications may also be downloaded from the town's website.

All contractors are required to file a permit application to obtain a permit for their respective trade prior to starting the work. Examples are electrical, plumbing, mechanical permits, etc. This process will ensure better management of building projects within the town. This procedure will guarantee the contractor's endorsement for the building project.

The Rindge Building Department encourages all residents and contractors planning any remodeling or construction projects to first contact the Building Office prior to construction, remodeling, repairing, demolishing, altering, etc. to obtain information on the permit process and what permits may be required as well as what codes and code editions are adopted.

NOTE:

A permit must be obtained prior to the commencement of work unless it is an emergency, in which case, a permit must be obtained the next business day. Any work started prior to obtaining a permit will result in the permit fee being doubled.

Respectfully Submitted,

Rickard J Donovan, Director of Public and Life Safety

ZONING BOARD OF ADJUSTMENT

The Zoning Board of Adjustment (ZBA) plays a crucial role in maintaining fairness and equity in the application of Zoning Ordinances to all properties in Rindge. The ZBA holds monthly meetings, public hearings, and provides citizens with a platform to voice their requests for variances or exceptions from the zoning regulations. By consistently applying the same criteria to assess each case, the Board ensures that all citizens are treated fairly, and the decisions made by voters are upheld.

The Board is composed of five elected members who are each elected for a three-year term, namely George Carmichael (Chair), Marcia Breckenridge (Vice Chair), Phil Stenersen, Marty Kulla, and Ross Thermos. Additionally, up to three alternates may be appointed by the sitting regular members. Currently, Terrance Fogg serves as an alternate member.

In the year 2023, the Zoning Board of Adjustment diligently considered a total of fifteen cases categorized as follows:

9 variances

5 special exceptions

1 equitable waiver

Respectfully submitted,
George Carmichael

TELETECH COMMITTEE

The Rindge Telecommunications and Technology Committee, also called the TelTech Committee, is comprised of a group of volunteers that offer advice to the town on matters relating to services, software, and systems used for telecommunications and technology.

The members of the committee are Phil Motta - Chair, Craig Clark – Vice-Chair, and Tim Wessels. The regularly scheduled public meetings are held on the 3rd Monday of each month. Going forward, this will be every other month until there are any projects that the committee would need to undertake. This is a volunteer committee and all of our meetings are always open to the public.

This year the Committee has continued to provide information to people regarding the Fiber to the Premises. In 2020, the town voted in favor of the warrant article to go forward with a solution offered by Consolidated Communications. The fiber has been adopted by many people in Rindge.

Consolidated introduced a new product brand name, Fidium, for their upgraded fiber internet offering, which supersedes the existing fiber offering. The committee has been answering questions about the new service offering and the newer technology and equipment that is used for the Fidium service.

The Committee has also been communicating with Consolidated Communications, bringing them questions and concerns from people in town. Craig Clark has been answering many questions for people by phone, in person, and in online discussions. Craig Clark continues to go above and beyond in this work.

This year the committee also met with a representative from Charter Communications while Charter prepared to acquire the assets of Argent Communications. Charter has begun offering its Spectrum Internet and television services where Argent had previously offered services, and is also replacing some of the older copper cable with fiber.

Faithfully submitted,

Phil Motta,
Chairman

MEETINGHOUSE OVERSIGHT COMMITTEE

The Meetinghouse Oversight Committee had a busy and productive year in 2023. The committee is charged with overseeing the maintenance needs of the Historic Meetinghouse complex which is on the National Register of Historic Places. This includes the Meetinghouse, originally constructed in 1796, and the horse sheds which were uniquely built to accommodate a slope.

We received the final Historic Building Assessment from Scully Architects. This is an invaluable tool and roadmap to use in the maintenance of our historic buildings. This assessment allowed the Town Administrator to apply for a large monetary grant through the competitive NH L-CHIP (Land and Community Heritage Investment Program) and a Moose Plate Grant.

The goal for several years was to amass the funds needed to repaint the steeple and make necessary repairs. This year, Rindge was awarded \$91,850 from the LCHIP and \$20,000 from Moose Plate. The Town is extremely grateful for the generous donation from LCHIP. The matching funds component required for the LCHIP grant was received through a large donation from the Gertrude and Ralph Ward Trust and funds already held in the Town's Meetinghouse Maintenance Fund. A total of \$202,000 will enable Rindge to accomplish its goal and also allow the Town to paint the entire church and the horse sheds, as recommended in the Historic Building Assessment Report. The entire painting project will be completed in 2024.

In addition, the Meetinghouse septic system is scheduled to be replaced this year using ARPA funds. The Committee will continue to address the additional recommendations in the Historic Assessment Report, utilizing existing grant funding and minimizing the impact on the taxpayer.

The Meetinghouse Oversight Committee is seeking a resident to serve on this Board. If you have some knowledge of the building trades and would like to be a part of this beautiful historic Meetinghouse and its counterpart, the horse sheds, please contact the Town Administrator by email townadmin@rindgenh.org or by phone 603.899.5181 ext. 101.

Respectfully submitted,
Karla MacLeod

PLANNING BOARD

The Planning Board reviewed a total of 11 applications and/or proposals during the 2023 calendar year. An overview of the prior four years shows that in 2022 there were 13 applications /proposals reviewed; in 2021 there were 23 applications/proposals reviewed; in 2020 there were 13 applications/proposals reviewed and in 2019 there were 11 applications/proposals reviewed. Of the 11 applications and/or proposals reviewed in 2023 there were two Technical Subdivisions /Lot Line Adjustments; one Minor Subdivision; one Major Subdivision/Planned Unit Residential Development, that is still before the Planning Board; one Major Site Plan; two Minor Site Plans; and two voluntary mergers. The Planning Board also conducted two Conceptual Consultations.

The Planning Board had three warrant articles proposing changes to the Zoning Ordinance on the 2023 Town Warrant. All were passed by the Town. This year the Planning Board has eight warrant articles proposing changes to the Zoning Ordinance, one is a proposed change to the Zoning Map. One is to remove a conflict regarding ADUs (Accessory Dwelling Units), one to add where ADUs are permitted. Another adds the requirement that adequate parking is available for rental properties. The Planning Board has recommended the removal of the entire Village Plan Alternative section as well as the definition. One warrant article clarifies that manufactured homes and mobile homes are the same. The proposed Zoning Map change is for a property at the eastern end of Rt 119 from Business/Lt Industrial to Residential Agricultural. The Planning Board has also proposed two changes to the Sign Ordinance to reflect the actual sizes of the signs presently used in the Commercial and Business/Lt Industrial Zones on Route 202 and Route 119. The Planning Board staff was also involved with the meetings of the Town Gown committee and the Emergency Management committee during the 2023 calendar year.

With regret, the Planning Board accepted Kirk Stenersen's resignation as Planning Director as a subcontractor in August. His appointment nine years ago was intended to be an interim position. The Planning Board is grateful for his many years of service to the Town, both as the Director and his previous years as an elected member and Chairman of the Planning Board. The Planning Board is currently searching for a replacement. Susan Hoyland continues in her role as the Planning Board secretary, and is in the planning office two days a week, Monday and Wednesday until midday. The electronic filing system continues to be modified and improved; it has been valuable in research on prior and potential applications and continues to increase the efficiency of the Planning Department.

The Board welcomed Robert Chamberlain from Alternate to Elected member, Joel Aho from appointed to Elected and Roberta Oeser who were all elected at the March 14th, 2023 Town Meeting. Robert Hamilton was re-appointed to the Planning Board as the Ex Officio member. Kelen Geiger accepted an appointment as an Alternate.

CONSERVATION COMMISSION

2023 was a very busy year for your Conservation Commission, to say the least. Our biggest news is that after many years of work, the Commission finalized the purchase of 228 acres between Old New Ipswich and Perry Roads, formally part of Rindge Stone and Gravel, now known as the Mattabeseck Wildlife Corridor. This project was facing an uncertain future, due to a midstream ownership change, but was completed after working with the Pittorino family to finalize the acquisition. Rindge Stone & Gravel also constructed a new driveway, parking area and trailhead that exceeded the expectations of the Commission. Many thanks to Jay Pittorino and his family for their efforts in working with the Commission on this project.

Another project that came to fruition after a couple of years of work was the completion of Phase 1 of the Natural Playscape at Tetreault Park on Rand Road, with an opening in early December. This joint project with the Recreation Department installed play features that work with the natural landscape of the property and includes a hard pack walking loop suitable for strollers. At the same time, the Commission had the access driveway and parking area upgraded and also added an electrical service. This addition to Rindge recreational facilities has been positively received to date and is a fine addition to the western side of Town. The Commission thanks Jason Gorman and the crew DigZ for their skill, patience and extra effort in bringing this project to completion in a timely manner.

The Commission also had the driveway and parking area reconstructed and expanded at the Miriam Hunt Forest on Rt 119 to improve the year-round access to this hidden gem that already offers wide and gently sloping trails, perfect for hiking and snow shoeing. The Commission wishes to thank Paul Knight of Sunrise Landscaping, Marty Kulla Excavating, Rt. 202 Truck and Equipment and Rindge Stone & Gravel for their support and efforts in completing this wonderful project.

The Commission partnered with the Sno-Moles; our local snowmobile club, and the Eric Olson family to create a new access trail from the Rail Trail into the Town Forest, bypassing a steep trailhead and moving snow machine traffic off a class 6 road. This work widened and graded an existing trail and addressed some access and drainage issues. The Commission thanks the trail crew of the Sno-Moles for their efforts, the Olsons for access and we look forward to continuing this partnership.

Commission member Deni Dickler headed up a successful grant project from the Merrimack River Partnership to develop and install informational nature and conservation signage at the Contoocook Conservation Complex off the Rail Trail from County Road. Check out these interesting signs on your next Rail Trail walk, as well as some of the ten new benches assembled by members of the Conservation Corps and installed at various scenic vistas at different properties.

The winter of 2022-2023 featured two ice storms that damaged many trails across Town, closing them down due to limited access. The Commission held workdays to clean up and open five different properties, some more than once, with the Conservation Corps, Boy Scout Troop 308, the Audubon Wildwood Leadership Camp and other volunteers assisting. Without the support and efforts of our volunteers, the maintenance of these trails would be greatly limited.

The Commission continues to hold our ever-popular monthly hikes, summer paddles and various presentations. This year our resident rock star, Dr. Fred Rogers, FPU professor, had a very well attended and

interesting presentation on the geology of Rindge, New England and the Atlantic coast. These hikes and presentations are posted on the Town website and in local papers, we look forward to seeing you join us. Once again the Commission was at the Rindge Women's Club Fall Harvest Fair and assisted the POOR organization with one of their meat raffles. We thank them for including us in their events and ask that our fellow residents support these worthy groups in their efforts as well.

At this time of year, we look back at what has been accomplished with pleasure, but we also realize that none of this could be accomplished without the assistance of the individuals mentioned earlier, the efforts of the Conservation Corps and many other volunteers, to the tune of several hundred hours every year. We also need to acknowledge and thank the Board of Selectmen, the Town Administrator, all of the staff at the Town Office and the Rindge DPW for their support, patience and indulgence.

I want to thank my fellow Conservation Commission members for their tireless efforts, sharing their enthusiasm, time, energy and skills to keep the Commission moving forward in such a positive manner.

Please feel free to join us at one of our meetings on the second Monday or fourth Thursday of every month at the Town Office or contact us if you have any questions we can help you with.

Finally, we want to thank all of you, our Rindge neighbors, for your support in our efforts to protect the natural resources of Rindge and to expand the natural recreational opportunities in Town.

Respectfully submitted,

David G. Drouin
Chair, RCC

CAPTIAL IMPROVEMENT COMMITTEE

The Capital Improvement Committee (CIP) met several times this fall to consider the future needs of the various town departments and facilities. We also reviewed previous recommendations and considered input from department heads.

What became obvious was those recommendations for and saving for future needs have been extremely limited. In some cases, needed purchases were only possible by leasing to purchase which increases cost. Further, numerous recent capital purchases, equipment and upgrades would not have been possible without monies received in the form of Federal American Rescue Plan Act (ARPA) funding and previously from unassigned fund moneys and sale of town owned properties.

In general, all committee members agree that the Town needs to annually, be saving larger amounts of money for all departments and facilities moving forward since current reserve savings are very limited. Consistent saving annually in all areas to meet the coming need for equipment and facility upgrades in the future will smooth out the demand on the taxpayers when the needs arise.

The committee voted to recommend that the Select Board fund the following reserve accounts:

- To place \$100,000 in the Highway capital reserve account. (Currently \$200.00)
- To place \$45,000 in the Fire Department Equipment reserve account. (Currently \$97,900)
- To place \$100,000 in the Town Building Maintenance reserve account. (Currently \$49,400)
- To place \$50,000 in the Police Department Equipment reserve account. (Currently \$0)

(CAPITAL IMPROVEMENT CONTINUED)

- \$25,000 Recreational Facility Reserve account (Currently \$25,000)

Total \$ 320,000

The committee also voted to recommend:

- \$55,000 final lease payment for Fire Department Rescue truck

Grand total \$375,000

Respectfully,
Tom Coneys, Chairman

CEMETERY TRUSTEES

Keeping our cemeteries in good condition requires an on-going effort for routine maintenance and capital improvements. The Cemetery Fund established by the Town in 2018 is being used to address needed improvements at the Meeting House Cemetery and the Hillside Cemetery.

During the summer and fall of 2023 these projects were completed:

- The cemetery conducted 12 cremation burials and 3 full burials
- Repaired several headstones in the Hillside and Meeting House Cemetery
- Staked out and laid a new section of roadway to build in 2024
- Removed several bushes and overgrown trees around several of the headstones

The Cemetery Trustees, as required by the State of New Hampshire, establish cemetery regulations, maintain records, and oversee the care of cemeteries, lot sales, and burials. A line item is included in the Rindge DPW Budget for cemeteries. All maintenance, care, and burials are conducted by the Rindge Department of Public Works. The DPW Director, Michael Cloutier, serves as Sexton of our cemeteries.

The cemeteries of Rindge provide a dignified, final resting place for our citizens. From the time Rindge was chartered as a town to the present, these cemeteries have provided an important service and outdoor history. The Cemetery Trustees express their gratitude to the Board of Selectmen and Department of Public Works for their ongoing care of Rindge cemeteries.

Respectfully Submitted,

Michael Cloutier
DPW Director and Cemetery Sexton

INGALLS MEMORIAL LIBRARY

As 2023 came to an end, we were looking forward to celebrating the 130th birthday of Ingalls Memorial Library – and celebrating the fact that the library is still a cultural center for the town of Rindge! For 130 years, Ingalls Memorial Library has been providing access to information to all members of the community to improve their lives, and we plan to do so for 130 years or more.

During 2023, we were awarded two grants.

- A \$4,000 grant from the Roy A. Hunt Foundation allowed us to upgrade our network security equipment, ensuring that staff and patrons can use our systems safely. We renewed our calendar software, allowing patrons to stay informed of the great programming we offer, and also our LibraryAware subscription that allows us to promote our collections, displays and activities. We purchased signage that helps our patrons find the materials they need. And we purchased a movie license, which allows us to show movies in the library – for book clubs, evening programs and after school activities. We appreciate the support of the Roy A. Hunt Foundation. It makes an incredible difference to the operations of the library.
- A \$250 grant from New Hampshire Humanities for the purpose of participating in the statewide NEA Big Read event. This grant allowed us to invite Mary C. Kelly, Ph.D., a Professor of History at Franklin Pierce University, to facilitate a discussion of *The Bear* by Andrew Krivak. We also invited the Mount Kearsage Indian Museum to bring their traveling display to the Rindge Meeting House. Both events were great successes.
- The Jaffrey-Rindge Lion's Club also donated \$1,000 for the purpose of purchasing large print books for our patrons.

It is wonderful to have the opportunity to offer the residents of Rindge programs, services and materials like this without adding to the tax burden. We are always on the lookout for these opportunities.

During the year, we added over 1,000 new books and 150 DVDs. Many of these were donated by townspeople or purchased with generous donations from patrons. Thank you to all who support the operations of the library. We were also able to add a new audiobook service, Blackstone Unlimited, which allows library patrons to borrow digital audiobooks with no holds, no waiting and no limits! Digital services are becoming more and more important to our patrons. Circulation of electronic resources increased by over 17% during 2023.

Our library truly offers something for everyone. In addition to offering a warm and welcoming environment and a wide variety of book clubs and other programs, we offer 24/7 internet access, local newspapers, magazines, movies, books, audiobooks, jigsaw puzzles, board games, craft kits, a ukulele and a telescope! We offer photocopying, faxing services, printing, 3D printing, art displays, seeds, cake pans, science kits, magnifiers, electronic resources and help with technology. As we look to the future, we continue to look for opportunities to offer even more.

We also offer notary public services Monday through Friday.

The Ingalls Memorial Library is open 38 hours per week: Monday, Wednesday, and Friday, 10:00 – 5:00; Tuesday and Thursday, 1:00 – 8:00; and Saturday, 9:00 – 12:00.

INGALLS MEMORIAL LIBRARY

We are applying for a grant to digitize our collection of Rindge Oral History cassettes, which will afford our patrons and others the ability to explore Rindge's history, as told through stories from Rindge residents, from the comfort of their homes.

As of December 31st, there were 2,830 registered patrons. Free library cards are available to people who reside, work, or own property in Rindge, or attend Rindge schools. Non-residents are able to purchase cards for a fee.

Registered users have access to 34,756 items housed at the library. Cardholders also have access to materials owned by libraries across the state through the Interlibrary Loan System, and are able to directly search the state catalog and place holds on items owned by other libraries if they chose to do so. During the year, our patrons borrowed 1,817 items through the Interlibrary Loan system, and we sent 1,545 items to patrons of other libraries in the state. Registered users can also download e-books and audiobooks through NH Downloadable Books powered by Overdrive and audiobooks through Blackstone Unlimited. Our patrons enjoyed 7,131 downloadable titles this year. The NH State Library also coordinates access to the NoveList and Ancestry.com databases. Our patrons accessed these databases 400 times this year.

Overview of Library Operations

Adult Materials Checked Out in 2023: 28,525

Children's Materials Checked Out in 2023: 27,641

Total Materials Checked Out in 2023: 56,166 – an increase of nearly 2%

Adult Books Acquired in 2023: 629

Children's Books Acquired in 2023: 448

Adult Media Acquired in 2023: 146

Children's Media Acquired in 2023: 13

There were 395 internet sessions during the year. This does not include access to our Wi-Fi, which is available 24/7 from inside and outside the library. Our improved security equipment and system monitoring helps us protect all who access our network.

Volunteers provided 182 hours of service to the library. Volunteers help with things like story times, book sale inventory and more.

I would like to thank the Library Trustees, Friends of the Ingalls Memorial Library, and volunteers for all they do to help the library. Thank you to the individuals, local businesses, RAMS, P.O.O.R., Charity Lodge #18, Rindge Chamber of Commerce, Jaffrey-Rindge Lion's Club, New Hampshire Humanities and the Roy A. Hunt Foundation, and New Hampshire State Library for your support of our operations, and the Ingalls 1894 Association for your fundraising efforts. Thanks to all who have generously donated materials to the library. Thanks to the Public Works Department for taking such good care of the building and the grounds. Thanks to all other town employees and departments.

I would also like to take a moment to recognize Dick Isakson, who passed during 2023. Dick served on the Board of Trustees of the library for many years, both as a Trustee and an alternate. He was a tireless advocate for the library, and we miss him.

INGALLS MEMORIAL LIBRARY

I would like to extend a special thank you to the residents of Rindge for patronizing the library. We consider you part of our library family!

I look forward to seeing you at the library!

RECREATION DEPARTMENT

The Recreation Department had another successful year in 2023. We experienced growth in many of our programs as well as adding new programming and events to continually meet the needs of the family's in our community. Our community continues to show strong support for all of our programs and events throughout the year.

We are excited to announce the hiring of a new Program Coordinator at the end of 2023, Ally Faircloth. Ally has worked for the Rec Dept. since 2019 in a part-time capacity and has proved to be an invaluable asset to the Department with her strong attention to detail and organization. She has already started working on new and exciting programs and events in 2024 for our community.

One of our ongoing projects that the Recreation Dept. and Conservation Commission are working jointly on is the construction and development of Tetreault Park Natural Playscape located on Rand Road in town. We had a soft opening this year in December and plan to have more features installed in 2024. We are still fundraising for the project and have \$65,000 raised out of the total \$125,000 needed to complete the project's second phase. We currently have installed a climbing wall, gaga pit, tepee, log walk, and spider web. If you would like to be help volunteer for this project or donate towards its completion please contact the Recreation Dept.

The annual holiday events we offered this year included: Easter Egg Hunt, Trunk-or-Treat, 4th of July Celebration, Town Tree Lighting, Breakfast with Santa, and the Senior Holiday dinner.

The Senior Holiday Dinner was once again held at Hidden Hills this year. This year was another great success with a total of 225 meals for seniors in town between in-person and delivery. A big thank you to the Rindge Chamber of Commerce for their help and all the other volunteers! Without help from local organizations this event would not be possible; thank you to C&S and Toah Nipi for supplying the food donations.

Our 4th of July "Family Festival" celebration on the town common was once again a very popular event. This is a great community event with over 500+ people attending. The Rindge Chamber of Commerce was a co-sponsor of this event and was a huge help in making this event a success once again.

In addition to these seasonal events, the Rindge Recreation Department coordinated several ongoing activities as well throughout the year. Some of these activities include: After School Karate class, a knitting group, the Rindge Woman's Club, Quilting Club, Home School groups, and Crafters Group. Kara Beall has continued to teach her Barre and High classes that are have been in high attendance each class.

Our before and after school program (EDP) once again had another great year under the leadership of our EDP Director, Karen Chemello. She put on quality programs and clubs that were new and exciting for the kids as well as educational. This program continues to be one of our flagship programs throughout the school year and an invaluable resource to many families in town.

The Recreation Center building rentals have been active again this year with various events including: birthday parties, wedding receptions, company BBQ's, holiday events, and baby showers. This year we had a total of 169 building reservations, an increase of 8% from 2022.

Most of our programs rely on parents and local community members volunteering their time and energy to make our programs as amazing and successful as they are. Thank you to all of our coaches, parents, and community members who took time out of their busy lives to enrich our programs!

The hardworking volunteers of the Recreation Committee continue to be a strong support base for the Recreation Department. The committee serves as an advisory board to the Recreation Director and all

RECREATION DEPARTMENT

members volunteer their time throughout the year to assist at the many events the Department offers. Without the dedication of the Recreation Committee and part-time staff, the well-loved community traditions would not be possible. If you are interested in joining the Recreation Committee, please give us a call.

The following programs were offered in 2023:

Winter: Zumba Classes, Barre and High Workout Classes Travel Basketball, Instructional Basketball, Thursday Night Lights Ski Program, February Vacation Field Trips, Chaos Travel Soccer, Before and After School Program, Adult Pick Up Basketball.

Spring: Zumba Classes, Barre and High Workout Classes, Before and After School Program, Chaos Travel Soccer

Summer: 7 weeks of summer Day Camp (K-9th), Le Tour de Common 5k Road Race

Fall: Instructional Soccer, Chaos Travel Soccer

Many of our programs are supported by local businesses who make generous donations to keep programs running. Thank you to all of the individuals, civic groups, businesses, and foundations that made donations and grants to the Rindge Recreation Department. Without your support, we would not be able to offer the variety of community activities that we do. With the ongoing help of our community and volunteers, we look forward to even more growth in 2024!

Respectfully submitted,

Daniel Bemis
Recreation Director

ENERGY COMMISSION

The Rindge Energy Commission began 2023 with the following objectives:

- 1.) Implement/identify energy efficiency/weatherization projects with paybacks of 5 to 7 years as identified in the 2011 Investment Grade Energy Audit Reports and more recent audits.
- 2.) Assist other town boards, departments, and committees in tracking and optimizing energy usage.
- 3.) Troubleshoot problems identified through tracking energy usage at various buildings.
- 4.) Support the efforts of the Jaffrey-Rindge School District to reduce energy consumption.
- 5.) Follow developments in New Hampshire's newly enacted Community Power legislation.

While weather conditions and fossil fuel costs vary widely from year to year, savings from our two streetlight projects are very consistent. Before the first streetlight project in 2011, the town spent nearly \$12,000 per year on outdoor lighting. With the recent 2019 LED streetlight project the town now spends \$3,462 per year with a total anticipated cost avoidance of \$8,500 per year.

The Energy Commission supports Community Power purchasing options. Two members of the Energy Commission are serving on the Community Power Study Committee. In 2022, the Energy Commission requested and received an electric load profile from Eversource. This information allows the Community Power Committee to calculate overall savings for residents and businesses considering different supply options.

In late 2022 NHSAVES funded a comprehensive energy audit for the Wellington Recreation building. The recommendations from that audit include sealing and insulation work estimated at \$8,000. A warrant article for this work at a cost of up to \$10,000 was approved at the 2023 Town Meeting.

A Request for Proposal was issued for the weatherization work at Wellington over the summer of 2023. Unfortunately, the bids received were nearly double the approved funding. Most likely this is due to the impact of inflation on labor and construction materials.

Fortunately, Eversource was quick to respond with a matching fund grant and the weatherization project will go forward in the spring of 2024. Thanks to the match from Eversource, the taxpayer share of the project cost is \$8,561.60 (Less than the warrant article \$10,000). Much of the credit for keeping this project alive goes to the Town Administrator.

The Energy Commission commends the DPW for implementing an LED replacement project for the Town Offices (proposed in 2020) that should save the town about \$100/month. It will be completed in early 2024. The Energy Commission is also following developments regarding potential large-scale and/or community solar projects in the region.

The Commission welcomed Daniel Bissex as the new Chair of the Rindge Energy Commission in 2023. It's great to have young leadership and new ideas.

The Energy Commission meets on the second Thursday of every month. New members and the public are always encouraged to join us. We are seeking new members to help us expand our services to the Town.

ENERGY COMMISSION

Total Energy

The Town of Rindge spent slightly more money on energy consumption in 2023 compared with 2011, even though usage for electric, oil and propane were all significantly less than in 2011. Rindge expended approximately \$87,143 in energy dollars (excluding transportation but including the 50% paid by the Congregational Church for the Meeting House energy expense) in 2023. In contrast, Rindge spent \$76,111.50 in 2022, \$60,872 in 2021 and \$86,874 in 2011. Since most of the energy efficiency projects were completed in 2012, the baseline year is 2011. Rindge spent \$34,359 on oil, \$2,966 on propane, \$46,356 for building electric, and \$3,462 for streetlight electric for a total of \$87,143 in 2023.

Oil and propane prices increased dramatically in 2022 and electricity prices soared in 2023, underscoring the value of reducing energy consumption with better controls and weatherization work. In 2023 Rindge paid 14% more than it did in 2022 and 43% more than it did in 2021 for comparable consumption.

Heating

2023 was a warm year with 5174 Heating Degree Days (HDDs)* compared with 5813 in 2011 and only 4911 in 2012. Overall, the Town used 4700 (25.831%) fewer gallons of oil than in 2011. The town spent \$34,359 on oil in 2023. Oil consumption was down relative to 2011 at all buildings in 2023, except for the Town Offices which saw a 54% increase (total of 967 gallons) in oil consumption and the Transfer Station which was up 274% (total of 469 gallons) over 2011. The Town Office building has a ventilation problem that makes it difficult to do additional sealing of the building without negatively affecting air quality. The Transfer Station usually burns waste oil, but the heating system has had maintenance issues this year. The commission will continue to study these increases as well as advocate for proper ventilation in the Town Office building.

The Fire Department replaced its old oil furnace with a propane fired furnace. This resulted in a 100% reduction in oil consumption, but propane usage will increase. Since the new propane furnace is more efficient, there should be an overall reduction in cost as well as emissions.

*<https://www.weatherdatadepot.com/degree-day-comparison>

Electricity

In 2023, Electricity consumption for the town buildings was down by 3% compared with 2011 usage levels. Unfortunately, even with reduced consumption, the town spent over \$10,000 more for electricity compared with 2022 due to steep price increases. Increases in consumption occurred mostly at the Highway Garage (230%), Fire Department (22%), and the Wellington Recreation building (45%).

The Office Trailer and the Highway Garage were switched to be on the same meter in May of 2020. This caused the Highway Garage meter to double in consumption since the two buildings consumed similar amounts of electricity in 2020.

The Fire Department increase reflects a conversion to heat pumps (electrification) for heating the office areas. This causes more electricity consumption, but less oil/propane consumption.

Voters passed a warrant article in 2019 authorizing \$8000 to be spent replacing streetlights with LED lamps. The project paid for itself in 18 months and continues to save the town approximately \$5,000 per year in streetlight costs. (A 2011 streetlight project saves an additional \$3,500/year.)

The DPW should continue the excellent job it has been doing with procurement and energy efficiency projects.
