DEDICATION

Lawrence “Larry” T. Harris

The 2024 Town Report is dedicated to Lawrence “Larry” T. Harris. Larry devoted his whole life to serving the Town of Rindge and its residents. Early in his career, he was on the Rindge Fire Department for 7 years. He then switched to the Rindge Police Department and was sworn in as a “Special Police Officer” by former Police Chief Ernie Goodall and was given Animal Control Officer responsibilities. He served as the Town Constable for 17 years and held the position of Animal Control Officer for over 64 years. When he retired in 2024, he was bestowed with the Honorary Lifetime Title of Animal Control Officer.

Larry is Rindge’s longest-serving town employee. In addition to his duties and responsibilities, Larry has appeared at nearly every town event and donated his time to numerous efforts. He answered calls and responded from home at all hours of the day and night, assisted with traffic control on accident scenes, removed trash after town events, shoveled and plowed driveways, checked buildings, and so much more. He was, and still is, a daily fixture at the Rindge Police Department. His dedication and loyalty to this Town and its residents bar none. So, thank you Larry for all you have done, you are an example for us all. We look forward to seeing your smiling face each day!

STATE OF THE TOWN

This year we welcomed Tom Coneys to the Board of Selectmen. Before he was elected, he spent many years serving on the Budget Advisory Committee and the Capital Improvement Plan Committee. We also thank outgoing Board member Marybeth Quill for her service during the past three years. Her great sense of humor has been missed.

This was a difficult budget year with several increases that would happen even if we made no other changes to 2024's budget. The first increase was the two new police officers that were hired in 2024, but those positions were only partially funded as they had start dates in April and the other in July. To fully fund these positions in 2025 we had to add approximately \$88,000 to the proposed budget. A second unavoidable increase to the 2025 budget is the addition of a 53rd week of pay. This happens every five to six years when there are 53 pay weeks instead of the normal 52 pay weeks. This amounted to \$53,970. The third unavoidable increase was the ambulance service through Jaffrey Rindge Memorial Ambulance, who, like many others, are struggling to retain and keep employees and to staff the ambulance and provide service they needed to increase employee wages. A significant factor in their struggles is that they have not had competitive salaries until recently. Their survival, as a service, is in the Town's best interest, as they are far less expensive than any other alternative. This increase in the ambulance service added \$46,000 to the 2025 budget. The Select Board voted to fund the other half of the substantial increase through a warrant article.

With these budget increases in mind our greatest achievement this year is that we remained firm with our wage plan for our hourly employees in the 2025 budget. We revised our wage scale five years ago to retain skilled personnel and attract qualified people. We were losing employees to other towns and organizations in the area because we could not offer competitive wages. By sticking with our new pay plan, we have stopped the hemorrhaging and even reversed this trend. For the first time in many years, the Police Department has been able to fill its ranks to the level voted upon by the voters. We have even been able to attract experienced officers who do not have to go through months of training at the Police Academy. The Fire Department can fully staff a crew during the day and the Highway Department has been able to hire and retain CDL drivers. To achieve the budget request of the Budget Advisory Committee, the Board had to reduce some positions and make some other cuts to other areas of the operating budget.

We can only stay on this path of improvement by supporting our Town budget this March. We have managed to keep the tax rate for the Town's portion relatively stable for the past few years when the County, Local School, and State Education have mainly gone up. Last year the County Tax Rate was higher than the Towns, which is equal to about one-sixth of a Rindge resident's property taxes.

Achievements

The Town has made great strides in 2024. This year, the Town, through its newly contracted assessing firm, Avitar, reviewed the Elderly Exemptions as required by law to do at least every five years. This was a challenging time for some of our residents as it was something we had not done in the past, however, our Assessing Clerk Kim Gavagan, the staff at the Town Office, and Avitar, handled the inquiries very well. It has brought the Town some tax revenue in the process, as there were several property owners that were no longer qualified, and the value of their property was added back to the overall property valuation of the Town. The Board would like to thank Kim Gavagan, who resigned in the fall, for all her hard work and efforts in the Assessing Department. Her knowledge and sense of humor is missed.

This year the Town welcomed Al Bump to the part time position of Planning Director. This has helped the Town Office tremendously as someone is present during the week to assist with the tedious needs of town planning. Al has been a great asset. The Board of Selectmen also welcomed a part time Executive Secretary, Victoria Stenersen. Victoria will be the one who greets you with a warm smile and (if you are lucky enough),

STATE OF THE TOWN

a beautiful song in her heart, as she is always singing a tune which helps make the environment a little more peaceful.

Another crucial position that was filled was the Zoning Compliance Officer. Ken Caisse has made significant progress in effective zoning enforcement. This has been a challenging position for the Town to fill, but it is needed to be able to comply with the Town's Zoning Ordinance. As mentioned above, another achievement is that the Police Department has been able to fully staff the (voter approved) nine positions within the Department and has maintained this status for several months.

In May of 2024 the Town migrated its web platform to the secure .gov platform, which was highly recommended by the Town's Insurance company. If you haven't noticed already, the town email accounts are now under one secure government platform instead of three different ones. This upgrade typically uses HTTPS encryption to protect data transmission and is subject to strict security standards including multi-factor authentication and robust access controls to safeguard sensitive information.

The grant-funded Meetinghouse project wrapped up this winter. Thanks to the Land and Community Heritage Investment Program (LCHIP), the Moose Plates Program, the Ward Trust Fund, the Congregational Church and the Voters of Rindge, the Town was able to paint the exterior of the Meetinghouse and its counterpart, the Horse shed, repair and paint the steeple, repoint the masonry on the Meetinghouse and reglaze the windows on the historic building.

This year, our Finance Director, Town Administrator and one of our Budget Advisory Committee members spent some time researching Health Insurance plans and prices. The goal was to see if the Town could save money on health insurance without stripping employee benefits. The Town was able to save about \$73,000 on health insurance by switching providers and plans.

A few more notable achievements are that we were able to keep a stable tax rate during unstable times. The Board approved the remaining ARPA Funds to be spent on many different projects for the Town. Some of those projects include a new heating system for the Fire Department, the cost of two Police Officer Academy candidates, a septic design for the Meetinghouse, SCBA equipment for our firefighters, a new website redesign, fire truck pump replacement and many more items that have significantly helped reduce the amount of funds on our taxpayers. The Board also approved a video recording/live stream service for all public meetings. Residents can now watch Town meetings from the comfort of their home if they cannot make the meetings in person. This also allows the Town to be more transparent and provides residents with a way to stay better informed. You can find the link on our website or by visiting https://townhallstreams.com/towns/rindge_nh. A full list of ARPA expenditures is provided in this report.

As I reflect on the past six years, I want to thank the people of Rindge for this opportunity to serve as a Selectman. It has been a pleasure to work with the Town Department Heads and meet the employees and volunteers who keep this town running. I would also like to give my thanks to my fellow Board members, past and present, for all they have contributed and will continue to contribute to the Town of Rindge.

Respectfully submitted,

Karl Pruter
Board of Selectmen Chair

**REPORT ON INTERNAL CONTROL BASED ON
AN AUDIT OF BASIC FINANCIAL STATEMENTS**

To the Board of Selectmen
Town of Rindge, New Hampshire

In planning and performing our audit of the financial statements of the governmental activities, each major fund, and the aggregate remaining fund information of the Town of Rindge, New Hampshire (the Town) as of and for the year ended December 31, 2023, in accordance with auditing standards generally accepted in the United States of America, we considered the Town's system of internal control over financial reporting (internal control) as a basis for designing audit procedures that are appropriate in the circumstances for the purpose of expressing our opinions on the financial statements, but not for the purpose of expressing an opinion on the effectiveness of the Town's internal control. Accordingly, we do not express an opinion on the effectiveness of the Town's internal control.

A deficiency in internal control exists when the design or operation of a control does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct, misstatements on a timely basis. A material weakness is a deficiency, or a combination of deficiencies, in internal control, such that there is a reasonable possibility that a material misstatement of the entity's financial statements will not be prevented, or detected and corrected, on a timely basis.

Our consideration of internal control was for the limited purpose described in the first paragraph and was not designed to identify all deficiencies in internal control that might be material weaknesses. In addition, because of inherent limitations in internal control, including the possibility of management override of controls, misstatements due to error or fraud may occur and not be detected by such controls. Given these limitations, during our audit we did not identify any deficiencies in internal control that we consider to be material weaknesses. However, material weaknesses may exist that have not been identified.

This communication is intended solely for the information and use of management, the Board of Selectmen, and others within the organization, and is not intended to be, and should not be, used by anyone other than these specified parties.

Requirements for Semi-Annual Billing

Pursuant to RSA 76:15-a

76:15-a Semi-Annual Collection of Taxes in Certain Towns and Cities - I. Taxes shall be collected in the following manner in towns and cities which adopt the provisions of this section in the manner set out in RSA 76:15-b. A partial payment of the taxes assessed on April 1 in any tax year shall be computed by taking the prior year's assessed valuation times 1/2 of the previous year's tax rate; provided, however, that whenever it shall appear to the selectmen or assessors that certain individual properties have physically changed in valuation, they may use the current year's appraisal times 1/2 the previous year's tax rate to compute the partial payment.

Fund Balance Retention

Enterprise Funds and Current Year Bonds	\$0
General Fund Operating Expenses	\$22,081,851
Final Overlay	\$23,701

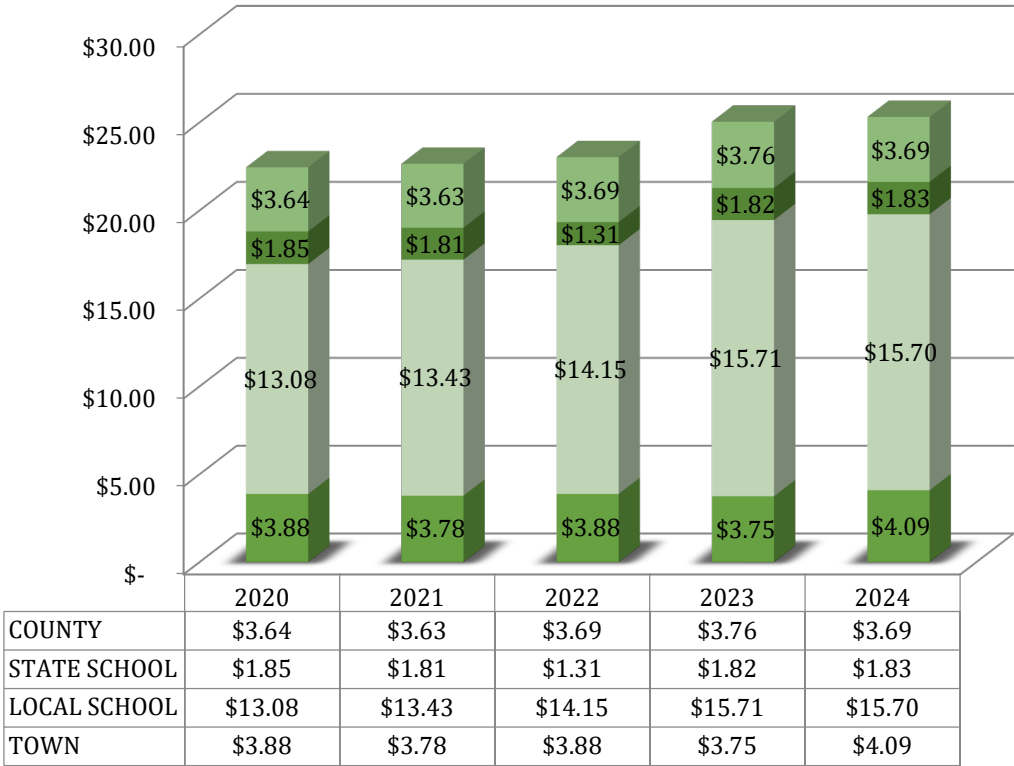

DRA has provided a reference range of fund balance retention amounts below. Please utilize these ranges in the determination of the adequacy of your municipality's unrestricted fund balance, as currently defined in GASB Statement 54. Retention amounts, as part of the municipality's stabilization fund policy [1], should be assessed dependent upon your governments own long-term forecasts and special circumstances. Please note that current best practices published by GFOA recommend, at a minimum, that "...general purpose governments, regardless of size, maintain unrestricted fund balance in their general fund of no less than two months of regular general fund operating revenues or regular general fund operating expenditures." [2],[3]

TOWN CLERK

Regarded to be the heart of local government, the Town Clerk's office is where you go when you first move to town to find out what is required to become an "official" resident of the town. It's the office you visit each year to register your motor vehicles and license your dogs. When your family expands, it's where you can pick up your child's birth certificate. When you are preparing to marry, it's where you acquire a marriage license. And it's where you go to register to vote or to file for candidacy for public office. The Town Clerk is the official keeper of municipal archives and is responsible for maintaining a chronological record of vital records of the town, including births, deaths, and marriages that occurred in the town. In addition, as a chief election official, the Town Clerk is responsible for administering oaths of office to all elected officials and appointed members of local boards and committees. The Town Clerk's office collected the following in 2024:

Motor Vehicles (including title apps.)	\$2,065,651.41
Agent Fees	\$ 29,811.00
Marriage Applications	\$ 2,900.00

Article 26 Community Power Aggregation (By Petition)

Resolved that pursuant to RSA 53-E:6(1), shall the Board of Selectmen move the default energy supply from Eversource to Cheshire Community Power (CPCNH). CPCNH has consistently offered a lower electric rate than Eversource. The projected energy savings and opportunities for the community are significant. No funding is needed from the Town. Changing the default energy supplier will not disrupt service or billing, which will continue to come from Eversource. Electric customers who do not subscribe to the default energy supply will not be impacted. Any electric customer who does not wish to participate in Community Power can opt-out at any time without charge. Community Power allows Rindge to have local oversight and accountability, whereas Eversource has no option for local input. Rindge would have the option to appoint a representative and alternate to the Cheshire Community Power Governance Council. (Submitted by Petition).

Article 27 Salt Reduction Plan (By Petition)

Shall the Town of Rindge, in order to protect its bodies of water, implement a salt reduction plan for its roads following NH State guidelines. Under this plan, the Town would actively pursue a documented and tracked Salt Reduction Program and become an active participant in the New Hampshire Municipal Green Snow Program. This will help to preserve and protect the numerous lakes, ponds, and streams which are a vital part of Rindge's rural character and appeal. (Submitted by Petition).

BUDGET ADVISORY COMMITTEE

The members of the 2024 Budget Advisory Committee were: Chairman Phil Motta, Roberta Oeser, Casey Burrage, Tina Sbrega, James Burger, Dan Whitney, and Ex-Officio, Bob Hamilton.

The BAC met jointly with the Board of Selectmen several times in public meetings. Throughout these meetings, we reviewed the various expenses of the Town Departments from 2024 and the Department Head's requests for the proposed 2025 budget.

The BAC also held meetings independent of the BOS where we reviewed and discussed the proposed budget. All BAC meetings were public and posted legally.

The proposed operating budget saw increases this year mostly due to the rising cost of staff wages and benefits increases. More hours and, in some cases, more personnel are required to meet the growing needs of the Town. The Police Department and Fire Department are responding to an increasing number of calls. This has been a continuing trend for several years. Expectations are for both Departments to continue to manage this increase in calls. The Highway Department is now clearing and maintaining more roads than in the past, and this is also expected to increase.

The Town has been through years where it was losing staff in multiple departments because the pay rates were not competitive. This is being addressed through various wage increases and the BAC fully supports seeing efforts continue to retain quality personnel in all departments. The annual review of wages should include a focus on improving and maintaining competitiveness while still making sure to meet the needs of the staff and the Town. We want to see that effort continue as retaining experienced staff members is more productive than continually trying to fill vacancies and train new personnel. Retaining valuable staff members in all departments is more cost-effective and allows the departments to provide a better level of service for the people of our Town.

The BAC also wants to see improvements made to processes and procedures within each department so that they are more efficient for the people of the town who rely on these departments' functionality.

The BAC reviews and makes recommendations on the operating budget for the Town each year, so we are looking at each year as it comes, but we encourage residents to always be looking at the long-term needs of the town.

Faithfully submitted,

Phil Motta
Budget Advisory Committee Chair

CAPITAL IMPROVEMENT PROGRAM COMMITTEE

The Capital Improvement Program (CIP) Committee is a strategic planning tool with the purpose of helping the Town of Rindge make good planning choices for the future based on goals and resources. The Committee members were Chairman Craig Clark, Planning Director Almyr L. Bump, Sharon Rasku, Casey Burrage, Roberta Oeser, Jane Fedorowicz, and Town Administrator Lori Rautiola.

The CIP Committee met five times in 2024, beginning in July 2024, to consider the town departments and facilities' short-term and long-term needs. Each Department Head attended the meetings and provided written and verbal recommendations for Committee consideration.

Budgetary appropriations over the last 5 years have not kept pace with the burgeoning needs of town infrastructure and heavy use placed on town equipment, as well as the rapid pace of inflation. The Committee identified three lines of effort within the overall Capital Improvement Strategy which deserve emphasis:

- 1) Fire Department funding for a new brush truck,
- 2) DPW funding for a new dump/plow truck, and
- 3) Funding for building construction.

The equipment needs for the Fire Department and DPW are immediate, and the funding for new construction is an ongoing need considering the condition of the police and fire buildings, as well as the need for permanent shelter for town vehicular and equipment assets to protect them from the weather. Past Capital Improvement appropriations have remained status quo while the cost of the equipment has increased substantially leaving insufficient funds to meet the ongoing degradation of buildings and equipment.

The Committee voted to recommend to the Select Board the following amounts to fund:

- To place \$145,000 in the Fire Department Equipment Capital Reserve Account. (Currently \$110,000)
- To place \$50,000 in the Police Department Equipment Capital Reserve Account. (Currently \$10,000)
- To place \$150,000 in the Highway Capital Reserve Account. (Currently \$100,000)
- To place \$50,000 in the Recreation Facility Capital Reserve Account. (currently \$55,000)
- To place \$20,000 in the Library Expendable Trust Fund. (Currently \$85,000)
- To place \$100,000 in a New Facilities Construction Trust Fund (Currently \$100,000)
- To place \$25,000 in the Meetinghouse Maintenance Fund (Currently \$35,000)
- To place \$25,000 in the Revaluation Account (Currently \$110,000)

Total appropriations for the 2025 Town Warrant: \$565,000

Respectfully,

Almyr L. Bump
CIP Committee Chair

CEMETERY TRUSTEES

Keeping our cemeteries in good condition requires an ongoing effort for routine maintenance and capital improvements. The Cemetery Fund established by the Town in 2018, is being used to address needed improvements at the Meetinghouse Cemetery on Payson Hill Road and the Hillside Cemetery on Goddard Road.

During the Summer and Fall of 2024, the following projects were completed:

- The cemetery conducted 1 cremation burial and 1 full burial
- Repaired several headstones in the Hillside and Meeting House Cemetery
- Built the new F Avenue roadway connecting to E Avenue for the expansion project at Hillside Cemetery
- Removed several bushes and trees around several headstones as requested by lot owners

I would like to thank Kyle Polino and the Eagle Scouts for the work they did at the Wood Smallpox Cemetery off Route 119 near the power lines. They did a great job rebuilding the wooden fence and did repairs to the soil around the burial site using all the materials donated by local businesses.

The Cemetery Trustees, as required by the State of New Hampshire, establish cemetery regulations, maintain records, and oversee the care of cemeteries and lot burials. A line item is included for cemeteries in the Rindge Department of Public Works budget. All maintenance, care, and burials are conducted by the Rindge Department of Public Works. The DPW director, Michael Cloutier Sr., serves as the Sexton for our cemeteries.

The cemeteries of Rindge provide a dignified, final resting place for our citizens. From the time that Rindge was chartered as a town to the present, these cemeteries have provided an important service and outdoor history. The Cemetery Trustees express their gratitude to the Board of Selectmen and Department of Public Works for their ongoing care of Rindge's Cemeteries.

Respectfully submitted,

Michael Cloutier Sr.
DPW Director and Cemetery Sexton

CONSERVATION COMMISSION

The Rindge Conservation Commission's mission is simple; to protect the natural resources of Rindge for the benefit of its residents. The most important of these resources is water; since there is no inflowing source of water in Rindge, the only source of water is what falls from the sky, so we need to hold on to and protect that water. One of the ways to protect these natural resources is through land conservation of which Rindge has multiple properties that the Commission manages, these offer many recreational opportunities.

The Commission is comprised of seven regular members and five alternate members. We are also complimented and supported by the Rindge Conservation Corps and the Friends of Rindge Conservation. Both groups assist the Commission with development and maintenance projects. To find out more about these groups, contact us through the Town website or join us at one of our two monthly meetings. As managed properties grow and recreational opportunities are expanded, the amount of attention required to expand and maintain them grows as our resources are stretched thinner. Please consider lending a hand in these efforts to protect our resources for present and future generations. We can use a wide range of skills and knowledge and are very happy to share our skill knowledge with any volunteers. Come join your friends and neighbors to make Rindge even better!

One of our most popular offerings to the public are the monthly guided walks at various properties on a rotating basis. Look for these on the website and in local newspapers and join us. Stop by one of the kiosks at a property or at the Town Office and get a copy of the new and expanded trail maps of the conserved properties.

Once again 2024 was a full year for the Commission, in addition to our regular meetings and presentations, there were over 500 hours of volunteer labor to cut new trails, remove wind and ice damage from trails, and update trail marking and kiosks at several properties. We had much ice damage to deal with in the spring and a localized microburst early in the summer which required professional attention at the Mattabeseck property. None of this work would be possible without the support of local volunteers, a big thank you to them.

Visitors to Tetreault Park on Rand Road will find the new Natural Playscape Recreation Department project with expanded parking and a spiffed-up cabin. This property also has a camping area available to anybody, just reserve it with the Commission.

The Commission received a grant from the Society for the Protection of NH Forests from its Merrimack River project for wetlands signage at the Mattabeseck Wildlife Corridor on Old New Ipswich Road. Twice this past year the Commission was able to hold public presentations with two excellent speakers; Jeff Littleton of Moosewood Ecological discussing watersheds and FPU professor Dr. Robert Goodby regarding the indigenous people in the Monadnock area.

The Commission is very lucky to have the generous support of the residents of Rindge as well as several local businesses. The Converse Meadow parking area was improved with the efforts of Sunrise Landscaping, Rindge Stone & Gravel, and 202 Truck and Equipment. Gordon Services has been contracted to mow the trails and plow the parking lots at some of the conserved properties. The Sno-Moles have been the lead in constructing a new trailhead to connect the Town Forest trail system to the Rail Trail to improve the hiking and riding experience there.

CONSERVATION COMMISSION

In early 2025 the Commission will be awarding the first annual Conservationist of the Year award which will recognize an individual or organization that has done the most to advance conservation efforts in Rindge. Please consider nominating someone for the 2026 award in the fall of 2025.

I would like to thank our vice-chair and long-time member Richard Mellor, clerk Al Lefebvre, members Rob Rubendall, Fred Rogers, Phil Simeone, Doreen Richards, Fred Dodge, Deni Dickler, Del Friedman, and Joe Desruisseaux for the continued efforts, enthusiasm and dedication to the Conservation Commission.

Respectfully submitted,

David G. Drouin
Rindge Conservation Commission Chair

COMMUNITY POWER COMMITTEE

The Power Committee was established by the Board of Selectmen in late 2023. The Committee was tasked with researching the lowest-cost opt-in plan. The first two meetings were held in November and December of that year. The Committee, despite initial incorrect information from the Community Power Coalition of NH (CPCNH), was able to confirm that “all Cheshire County” residents did have the ability to opt-in to CPCNH as an energy provider. Their rates at the time were nearly the lowest available. The Selectmen thanked them for completing the task assigned but the Committee felt that they could do more and continued to meet.

The Committee struggled with attendance, with only one meeting having full attendance, three meetings with 2 or more missing, and one meeting without a quorum. There was very low participation at a CPCNH Zoom meeting and the viewing of a recommended video about an opt-out plan presented in Peterborough. The Committee was divided mostly over a town-wide opt-out plan or the already available, opt-in plan. The final vote at the last meeting was 3-3 of those in attendance.

To make your own choice of energy provider, please visit:

www.energy.nh.gov/engvapps/ceps/ResidentialCompare.aspx?choice=Eversource

To allow the town to make the choice of energy provider for you, you have probably already voted for that at the March election for Community Power.

My thanks to the Community Power Committee:

James Burger,
Phil Motta,

Tina Sbrega,
Dwight Shenk, and
Jim Qualey

ENERGY COMMISSION

The Rindge Energy Commission began 2024 with the following objectives:

- 1.) Implement/identify energy efficiency/weatherization projects with paybacks of 5 to 7 years as identified in the 2011 Investment Grade Energy Audit Reports and more recent audits.
- 2.) Assist other town boards, departments, and committees in tracking and optimizing energy usage.
- 3.) Troubleshoot problems identified through tracking energy usage at various buildings.
- 4.) Support the efforts of the Jaffrey-Rindge School District to reduce energy consumption.
- 5.) Follow developments in New Hampshire's newly enacted Community Power legislation.

While weather conditions and fossil fuel costs vary widely from year to year, savings from our two streetlight projects are very consistent. Before the first streetlight project in 2011, the Town spent nearly \$12,000 per year on outdoor lighting. With the recent 2019 LED streetlight project the Town spent \$5,294 in 2024 with a cost avoidance of \$6,700 this year.

The Energy Commission supports Community Power purchasing options. Two members of the Energy Commission served on the Community Power (CP) Study Committee. Although the CP study committee did NOT result in a recommendation to pursue CP for Rindge (4 in Favor and 3 against), members of the Energy Commission sponsored a petition warrant article requesting the Board of Selectmen to enroll Rindge in the Cheshire County Community Power aggregation plan. Based on historical consumption data and pricing, Rindge retail customers can expect to save approximately \$200 per year on their electric supply charges if the Town joins the Cheshire County Community Power Plan.

In late 2022, NHSAVES funded a comprehensive energy audit for the Wellington Recreation building. The recommendations from that audit included sealing and insulation work estimated at \$8,000. A warrant article for this work at a cost of up to \$10,000 was approved at the 2023 Town Meeting. Eversource awarded matching funds of \$8,562 to complete the work since qualified bids were higher than the voter-approved \$10,000. The weatherization and sealing project at Wellington was completed in February of 2024 at a cost to the town of \$8562. Oil consumption at the Wellington Recreation building was reduced by 16% compared with 2023 and over 18% compared with 2011.

The Energy Commission supports the design and implementation of a ventilation system for the Town Offices. No insulation or sealing work of the Town Offices has been possible due to poor air quality and high CO2 levels within the building. This was called out in a 2011 energy audit.

The Energy Commission is also following developments regarding potential large-scale and/or community solar projects in the region.

The Energy Commission meets on the second Thursday of every month. New members and the public are always encouraged to join us. We are seeking new members to help us expand our services to the Town.

Total Energy

The Town of Rindge spent slightly less money on energy consumption in 2024 compared with 2011. Rindge expended approximately \$81,802 in energy dollars (excluding transportation but including the 50% paid by the Congregational Church for the Meeting House energy expense) in 2024. In contrast, Rindge spent \$87,143 in 2023, \$76,111.50 in 2022, \$60,872 in 2021, and \$86,874 in 2011. Since most of the energy efficiency projects were completed in 2012, the baseline year is 2011. Rindge spent \$21,661.47 on oil, \$5125.63 on

ENERGY COMMISSION

propane, \$49,721.47 for building electricity, and \$5,293.67 for streetlight electricity for a total of \$81,802.24 in 2024.

Oil and propane prices stabilized in 2024, but electricity prices continued to soar, underscoring the value of reducing energy consumption with better controls and weatherization work. In 2024 Rindge paid 6% less than it did in 2023, but 34% more than it did in 2021 for comparable consumption.

Heating

2024 was a warm year with 5445 Heating Degree Days (HDDs)* compared with 5813 in 2011 and only 4911 in 2012. Overall, the Town used 6743 (45.35%) fewer gallons of oil in 2024 than in 2011. The Town spent \$21,661 on oil in 2024. Oil consumption was down relative to 2011 at all buildings in 2024, except for the Town Offices which saw a 63% increase (total of 1021.8 gallons) in oil. The Town Office building has a ventilation problem that makes it difficult to do additional sealing and insulation of the building without negatively affecting air quality. The Commission will continue to study these increases and advocate for proper ventilation in the Town Office building.

The Fire Department replaced its old oil furnace with a propane-fired furnace in 2023. This resulted in a 100% reduction in oil consumption, but propane usage will increase. Since the new propane furnace is more efficient, there should be an overall reduction in cost as well as emissions. Although propane consumption seems to have more than doubled in 2024 compared with 2023, it is most likely an artifact of the delivery schedule. The Energy Commission will continue to monitor this situation.

Electricity

In 2024, Electricity consumption for the Town buildings was up by 1% compared with 2011 usage levels. The Town spent over \$3,000 more on electricity compared with 2023. Increases in consumption occurred mostly at the Highway Garage (261%), the Fire Department (21%), the Meeting House (21%), and the Wellington Recreation Building (37%).

The Office Trailer and the Highway Garage were switched to be on the same meter in May of 2020. This caused the Highway Garage meter to double in consumption since the two buildings consumed similar amounts of electricity in 2020. The Meeting House's electric consumption increased 21% over 2011 levels, but nearly 34% over 2023. This increase may be due to the extensive painting and window renovation projects during the year. The Energy Commission will continue to monitor.

The DPW should continue the excellent job it has been doing with procurement and energy efficiency projects.

Respectfully submitted,

Daniel Bissex
Energy Commission Chair

MEETINGHOUSE OVERSIGHT COMMITTEE

This has been a very productive and exciting year for the Committee in our mission as stewards of the historical Second Rindge Meetinghouse. The Rindge Meetinghouse has served the community since it was built in 1796. The Meetinghouse, Horse Sheds, and Cemetery are listed on the National Register of Historic Places. The Meetinghouse is one of the last in the state that serves both church and state.

In 2023, the Town contracted with Scully Architects for a historic property assessment. This allowed the Town of Rindge to apply for a grant through the NH Land and Community Heritage Investment Program (LCHIP) and the NH Moose Plate Grant Program. The assessment listed several goals for the upkeep of the Meetinghouse and horse sheds. Our original goal was to just paint and repair the steeple, but we accomplished many more suggested repairs. The entire Meetinghouse structure including the steeple was painted and the horse sheds were painted as well. Repairs to the ramp and repointing of the masonry were accomplished. We were also able to have the windows reglazed and painted. The town clock was restored, and the numerals and hands were repainted in gold leaf.

The Town of Rindge was awarded \$91,000 through LCHIP and \$20,000 from the NH Moose Plate grant to help reach these goals at the end of 2023. The Ward Trust was able to contribute \$74,000 to the project. The First Congregational Church of Rindge contributed \$3,000. The remaining costs came from the Meetinghouse Expendable Trust which was raised through taxation. We are extremely grateful for the support from the Land and Community Heritage Investment Program, the NH Moose Plates Grant Program, the Ward Trust Fund, the First Congregational Church of Rindge, and the Voters of Rindge. Only with this support can the Town maintain the historical building and offer it as a wonderful resource for the Community.

Many thanks to Lori Rautiola, Town Administrator, for writing, implementing, and coordinating the grants and DPW Director, Mike Cloutier, for overseeing this project.

The Meetinghouse Oversight Committee has decided to keep going on the list of recommended projects in the assessment. In 2025, we will apply for another L-CHIP grant and Moose Plate grant to replace the wood-shingled roof on the horse sheds, repair and refinish the wood floors, and replace the curtain on the stage.

The people of Rindge can be proud of their stewardship of this historical, well-preserved, and valuable community resource.

Respectfully submitted,

Karla MacLeod
Historical Society Representative of the Meetinghouse Oversight Committee

TELTECH COMMITTEE

The Rindge Telecommunications and Technology Committee, also called the TelTech Committee, is comprised of volunteers who advise the Town on matters relating to services, software, and systems used for telecommunications and technology. The members of the Committee are Chairman, Phil Motta, Vice-Chair, Craig Clark, and Tim Wessels.

Regularly scheduled public meetings are held on the 3rd Monday of each month. Going forward, this will be every other month unless there are any projects the Committee needs to undertake. This is a volunteer committee, and all meetings are open to the public.

This year the Committee has continued to provide information to people regarding Fiber to the premises. In 2020, the Town voted in favor of the warrant article to go forward with a solution offered by Consolidated Communications. Many Rindge residents have adopted Fiber.

Consolidated introduced a new product brand name, Fidium, for their upgraded fiber internet offering, which supersedes the existing fiber offering. The Committee has been answering questions about the new service offering and the newer technology and equipment that is used for the Fidium service.

The Committee has also been communicating with Consolidated Communications, bringing them questions and concerns from Rindge residents. Craig Clark has been responding to many questions residents have by phone, in person, and in online discussions. Craig Clark continues to go above and beyond in this work.

This year the Committee also met with a representative from Charter Communications while Charter prepared to acquire the assets of Argent Communications. Charter has begun offering Spectrum Internet and television services which Argent had previously offered. They are also replacing some of the older copper cables with fiber.

Faithfully submitted,

Phil Motta
Teltech Committee Chair

ZONING BOARD OF ADJUSTMENT

The Zoning Board of Adjustment (ZBA) plays an essential role in ensuring fairness and equity in the application of zoning ordinances throughout the Town of Rindge. The Board holds monthly public hearings, giving citizens the opportunity to request variances or exceptions to zoning regulations. By adhering to consistent evaluation criteria, the ZBA upholds the principles of fairness, preserves the integrity of the Town's ordinances, and respects the decisions made by voters.

The ZBA is authorized to:

- Hear appeals of administrative decisions,
- Grant variances and equitable waivers, and
- Approve special exceptions.

The Board consists of five elected members, each serving a three-year term. The current members are:

- **George Carmichael**, Chair
- **Marcia Breckenridge**, Vice Chair
- **Phil Stenersen**
- **Marty Kulla**
- **Ross Thermos**

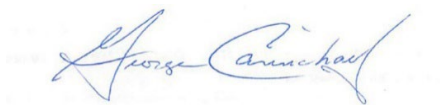

Additionally, up to three alternates may be appointed by the regular board members. The current alternates are:

- **Terence Fogg**
- **Kevin Sawyer**
- **Peter Letourneau**

In 2024, the Zoning Board of Adjustment reviewed 15 cases, categorized as follows:

- 9 Variances
- 8 Special Exceptions
- 1 Rehearing Request

Respectfully submitted,

George Carmichael
Zoning Board of Adjustment Chair

BUILDING DEPARTMENT

The Rindge Building Department conducted over 900 inspections in 2024. In 2025 we will be reviewing the Building Permit Fees and updating our Fee Schedule as necessary. We will also update the Department's website (**rindgefire.org**) with all permit applications, worksheets, inspection schedules, permit fees, and information on obtaining a permit. I look forward to continuing to work with all homeowners and contractors in the Town of Rindge.

In 2024 the state adopted the 2021 Editions for Building Codes, Fire Code, and Life Safety Code. A list of all adopted state and local codes can be obtained at the Rindge Building Department. Please contact the Building Department if you have any questions on Building Codes, Permit Requirements, which code to use, what does or does not require a permit, etc.

The Town of Rindge Building Department issued thirteen (13) Residential Single-Family Dwelling Permits; two (2) Replacement Single-Family Dwelling Permits; fifty-two (52) Residential Accessory Permits; two (2) Residential Accessory Dwelling Units; four (4) Commercial Accessory Permits; three (3) Swimming Pool/Hot Tubs; six (6) Demolition Permits; eighty-six (86) Electrical Permits; ten (10) Solar Array Systems; twenty-nine (29) Generators; twenty-nine (29) Plumbing Permits; two (2) Fire Safety Permits; one hundred forty-five (145) Mechanical Permits; and fourteen (14) Occupancy Permits.

REVENUE SUMMARY:

Building Permits: \$27,829
Mechanical Permits: \$8,030

Electrical Permits: \$10,300
Fire Safety: \$175

Plumbing Permits: \$2,765
Filing Fees: \$199

PERMIT REQUIREMENTS

Permits are required for all construction within the Town of Rindge including remodeling, additions, sheds, outbuildings, decks, pools, sun decks, demolition of a structure, etc. A permit is also required for all electrical, plumbing, mechanical, oil, and gas appliances, including piping, wood-burning equipment, chimneys, etc. Permit applications and information may be obtained at the Rindge Building Office in the Rindge Town Office Building at 30 Payson Hill Rd. Permit applications may also be downloaded from the town's website.

All contractors are required to file a permit application to obtain a permit for their respective trade before starting work. Examples include but are not limited to electrical, plumbing, and mechanical permits. This process will ensure better management of building projects within the town. This procedure will guarantee the contractor's endorsement for the building project.

The Rindge Building Department encourages all residents and contractors planning any remodeling or construction projects to first contact the Building Department before construction, remodeling, repairing, demolishing, altering, etc. to obtain information on the permit process and what permits may be required as well as what codes and code editions are adopted.

NOTE: A permit must be obtained before the commencement of work unless it is an emergency, in which, a permit must be obtained the next business day. Any work started before obtaining a permit will result in the permit fee being doubled.

Respectfully Submitted,

Rickard J Donovan, Director of Public and Life Safety

DEPARTMENT OF PUBLIC WORKS

The Rindge Department of Public Works strives to provide the citizens of Rindge with quality roads. Our main priorities are assessing the condition of and maintaining town roads. The Town of Rindge maintains sixty-five miles of roads.

In the fall, the Department starts evaluating the roads to decide which roads will need to be repaved. Many factors influence our decisions. The major factors considered are the age and condition of the existing pavement, the condition of the road base, and the condition of the drainage structures in and along the roadway. This year the Highway Block Grant funding we received was \$175,527.00. The Highway Department appropriated amount for this year for repaving roads was \$273,591.00. Every year we put the cost of paving out for competitive bidding. In trying to maintain a level budget we have not been able to fund the gravel road maintenance line item. But in the last several years we have put some gravel and stone on dirt roads and will continue to do so if monies allow. Our other fall projects consist of preparing the Town trucks and equipment for the winter months, raking and picking up leaves on all town grounds, preparing the Town parks for winter, draining the water lines and winterizing bathrooms at Wellington Park, re-grading and ditching all the gravel roads, and patching potholes.

The winter months keep the Department very busy. Our main challenge is keeping the roads clear of snow and ice. This can be very challenging as it overextends our employees. It is not unusual for our crew to work 24-30 hours consecutively during major storms. We spend many sleepless nights ensuring the roads are safe for the citizens of Rindge. The highway crew also services and maintains the equipment during the winter months and assists other town departments as needed. The Town is fortunate to have such a talented and diverse group of individuals to provide this service. We have very dedicated crew members who care about their jobs and take pride in their work. I would like to personally thank them for their dedication and many hours of work put in during the winter months keeping all the town roads safe for our citizens.

The spring months keep us busy cleaning up from winter and preparing for summer. Projects in the spring consist of: placing gravel and stone on the dirt roads during mud season, patching potholes, raking and picking up the rest of the leaves from the fall, power sweeping all the town parking lots, line striping all parking lots, crosswalks, and roadways, opening the cemeteries by maintaining lawns, fertilizing, cutting brush and trimming trees in preparation for summer projects, repairing damages to property and road signs from winter plowing, and preparing and advertising bids for the major summer projects such as paving roadways and drainage.

The major Public Works projects are performed in the summer. These consist of replacing drainage pipes, ditching, trimming brush in preparation for paving, grading dirt roads and line striping several roads, maintaining the Town Common, Police Station, Fire Station, Library, Meeting House, Cemeteries, and Town Office lawns, preparing Wellington Park fields for summer recreation, and roadside mowing.

Highway Projects

- Resurfaced Goddard Road, installed 700ft of underdrain, and replaced all culverts
- Resurfaced Lord Brook Road and replaced all culverts
- Resurfaced the lower part of Middle Winchendon Road
- Resurfaced Tervo Road and Jericho Road
- Resurfaced Tico Road
- Resurfaced Short Street
- Placed 500 yards of stone on dirt roads in the Spring
- Placed 500 yards of gravel on dirt roads
- Several miles of roadside mowing

DEPARTMENT OF PUBLIC WORKS

Transfer Station

The Transfer Station and Swap Shop use continues to grow every year. We would like to thank the volunteers for all their personal time to organize and staff the Swap Shop. Without their help, the Swap Shop would not be the success it is today. The Swap Shop is open on Saturday and Tuesday. Hazardous Waste has taken a new direction due to the lack of grant funding for smaller municipalities. We have partnered with the City of Keene in their Household Hazardous Waste Days in the spring and fall. Rindge citizens can take their hazardous waste to the Keene Recycling Center located on Route 12 in Keene. Those dates can be found in the Keene Shopper Newspaper and Rindge Citizens are required to provide proof of residency to dispose of their hazardous waste. The cost of disposal is the citizen's responsibility at the facility's disposal rate.

The Recycling Program has recycled 287.06 tons in 2024; in 2023 we recycled 289.72 tons to Monadnock Disposal of Jaffrey, NH. This is a difference of – 2.66 tons. Disposal of Demo/Household waste to Monadnock Disposal in 2024 was 682.68 tons. In 2023 we disposed of 768.15 tons. This is a difference of – 85.47 tons from last year. We have seen an increase of citizen use of the facility during the 2024 calendar year. This year our contract with Monadnock Disposal expired so we agreed to a 1 year contract next year we will be renewing our annual contract. We would like to thank the citizens of Rindge for their conscious effort in recycling and those citizens who participate in the annual Earth Day roadside cleanup in the spring keeping Rindge clean. Keep up the good work.

Building Maintenance Department

The full-time Maintenance Technician has worked hard all year at keeping up the buildings and repairing major safety and building issues. He also works with the Energy Committee on improvements to the town facilities with BOS approval. This has saved the Town from having to hire out some of these projects to contractors. The Maintenance Technician along with the DPW Director works with other department heads to devise a yearly maintenance/repair plan to address maintenance issues for all town buildings. He is also responsible for winter plowing which includes roads, parking lots, sidewalks, and walkways for all of the public buildings.

Building Projects Performed Year

The Town Office Building converted all the light fixtures to LED and installed a new security alert system. The Library upgraded the Fire Alarm panel, installed a new security system and keyless door entry, converted 32 light fixtures to LED, and added an electric outlet and LED light in a small working area. The Fire Station removed an old storage shed, installed cement blocks, applied several yards of gravel, and erected the new shed for Fire Equipment storage. The Recreation Center replaced and painted the plywood of the backstop in the tennis courts and replaced bathroom faucets.

The Crew and I wish to thank the citizens of Rindge and all other departments and boards for their cooperation and assistance during the past year. I especially wish to thank our Board of Selectmen and Town Administrator for all their guidance and assistance throughout the year.

Sincerely yours,

Michael Cloutier, Sr.
Director of Public Works

EMERGENCY MANAGEMENT

In 2024 the Emergency Management Department finished outfitting the 2 Traffic Control Trailers with barricades, traffic cones, and signage. These trailers are used for weather events involving trees and wires blocking roads, washed-out roads, special events, and all other road hazards. We also purchased a 100-gallon portable diesel fuel tank to help the DPW fuel the town-owned generators during storm events.

The Emergency Management Director Rickard Donovan continued to work with the Town Administrator Lori Rautiola, Finance Director Laurie May, and the Board of Selectmen with the management of the American Rescue Plan Act Funds (ARPA). We reviewed the submitted projects for eligibility and made recommendations to the Board of Selectmen for funding approvals. Most projects will help offset future Capital Improvement Plan funding by paying for projects using the ARPA Funds.

The Emergency Management Department received funding from ARPA to replace the Equipment Storage Shelter behind the fire station. Thank you to the Highway Department for your help in removing the old structure and assembling the frame for the new structure. The project is scheduled to be completed by late winter/early spring.

The Emergency Management Department also launched a new App called "RINDGE ALERTS". This App is a notification tool that will be used by all departments to notify the subscribers of emergency and scheduled road closures, emergency incidents within the town, department requests for public help (both emergency and non-emergency), important town meetings, voting, recreation programs, etc. You can download the App from your App Store on your cell, computer, or tablet. You can choose to receive notifications via text, phone message, or email. This is an opt-in and out program.

PLEASE DOWNLOAD THE APP TO HELP US NOTIFY AND BETTER COMMUNICATE WITH THE PUBLIC.

In 2024 the Emergency Management Team members were the Town Department Directors, Deputy EMD Deb Douglas, EM Member Ron Osimo, and a few members of the public. They worked on updating the Town's Emergency Mitigation Plan. The Town is required to update the plan every five (5) years and submit the update to New Hampshire Homeland Security and Emergency Management (NHHSEM) and FEMA for approval. The updated plan will be approved and ready for town and public viewing shortly.

In 2024, the Rindge Emergency Operation Center (REOC) opened 3 times locally and once state-wide by the State of New Hampshire Emergency Operations Center (SEOC). In March 2024 the Emergency Management/Fire Department and State of NH opened the REOC and SEOC for 2 days and RFD responded to 29 calls for Tree/Wires Down and weather-related events. In April 2024 the REOC opened for 2 days and responded to 13 calls, and in July 2024 the REOC opened for 1 day and responded to 6 calls.

In 2025, The Emergency Management Team will apply for an EMPG Grant to update the Town's Emergency Operations Plan, which is also required to be updated every (5) five years. We plan to have the update completed by the end of the year.

EMERGENCY MANAGEMENT

We will continue to seek NH DOT or EMPG for Grant Funding for Traffic Control Devices (Illuminated Stop Signs, Speed Control Radar Signs, and Illuminated Crosswalk Signs). We will also continue to seek an easement from the State of New Hampshire DOT to place a Variable Message Sign at the NH RT 202 & NH RT 119 intersection. The second sign will be placed at the Transfer Station, both signs will be used to notify citizens of emergency events and notices, town important events such as voting, and important meetings. It is a town policy NOT to use the signs for fundraisers or private events.

Respectfully Submitted,

Rickard J Donovan
Director of Emergency Management

FIRE DEPARTMENT

In 2024 the dedicated men and women of the department responded to a total of 906 calls for service. These calls include medical calls (482), fire calls (424) including structural, brush, wildland, chimney, etc., motor vehicle accidents, weather-related incidents, residential and commercial fire alarms, HAZ-MAT incidents, service calls, and more. These call stats do not include many nonemergency service calls to assist residents with Smoke/CO Detectors, Heating Equipment, pet distress calls, etc.

In 2024 the Fire Department will continue to find ways to build its call membership and provide these dedicated men and women with the necessary training and equipment to respond to emergencies and preserve the safety of the town and its residents. The dedication and hard work of these residents, who spend hundreds of hours training and certification, allow the department to provide a high level of professional service for the town and protect its residents.

These emergency responders are paid per call instead of manning the station at all hours. Without a full-time Fire Department, Rindge relies on service-minded citizens to work on behalf of the community. Anyone interested in making a difference for their community as a first responder can contact the Director of Life and Public Safety, Rickard Donovan at the Fire Station (603-899-3324) for details.

In 2024 the Fire Department was approved via the budget process for Per-Diem shifts to help the weekday shifts. The Per-Diem shifts are scheduled from 8:00 AM to 6:00 PM Monday through Saturday. Due to the increase in call volume and the state of the economy, it is the best option for the town to meet the call demand without additional full-time staff. The Fire Department responds to 45% of the 911 calls during the weekday hours. NFPA and ISO require us to respond with 4 firefighters on fire calls and 2 EMT's on EMS calls. These Per-Diem shifts help us meet these requirements; however, most importantly they help us to meet safety concerns for our responders.

Another cost-saving project in 2024 was to have the Tanker refurbished with a new pump and other electrical issues repaired. These repairs were made possible through the American Rescue Plan Act (ARPA) Funds. During the 2024 pump service and testing, we discovered that the Tanker pump had pinholes in the casing. The vendor discontinued the pump due to this and many other problems. We can move the Tanker replacement out 10 years by completing these repairs. This will give us time to save for the next apparatus replacement.

FIRE DEPARTMENT

In 2025 we will seek approval to replace our 1999 Ford Forestry Unit (Brush Truck). This unit is 26 years old with extensive rust and electrical issues, and other pump and equipment issues. With the lack of snow and rain contributing to the drought conditions and what we have been experiencing with wildland fires over the past couple of years, we need to replace this unit as soon as possible.

In 2025 the Department will continue to offer free home fire safety guidance, fire prevention programs to school and civic groups, and fire extinguisher training. We will also continue to perform mandatory annual Life Safety inspections in Places of Assembly, Business and Mercantile Occupancies, Educational Facilities, and multi-family dwellings throughout the year. The Department also offers CPR/AED and First Aid classes to citizens, businesses, and civic groups that are interested in improving their lifesaving knowledge. If you are interested in more information about these programs, please call us at (603) 899-3324.

The Department extends a sincere thank you to all the people, businesses, and organizations that have provided their support during the past year.

IMPORTANT NOTICE: The Rindge Fire Department will be celebrating its 100th Anniversary on August 2, 2025 (August 4, 1925 to August 4, 2025). We will be holding fundraising events in 2025 leading up to the main event on August 2, 2025. If you would like to help by donating to the event, please contact the Fire Department.

Respectfully Submitted,

Rickard J Donovan, Director of Life and Public Safety

The Rindge Fire Department maintains minimum training and certification levels for all emergency responders per the National Fire Protection Association and National EMS Registry requirements and recommendations. All members are required to participate in mandatory fire, rescue, and EMS training, infectious disease training and monitoring, and leadership training.

Apparatus Brief

The Rindge Fire Department will continue its Preventative Maintenance Program on all vehicles and equipment in an effort to keep all emergency equipment in a state of constant readiness. This program also helps to keep repair costs down and ensure the equipment meets its recommended life span. The maintenance program consists of in-house weekly vehicle and equipment inspections; in-house fluid, filter, and lubrication service; oil changes; pump and ladder maintenance; small engine service and building maintenance.

The Tanker was Refurbished in 2024 to extend its replacement out 10 years. We will be looking to replace the Brush Truck in 2025.

FIRE PREVENTION, EDUCATION, AND INSPECTION OFFICE

The Rindge Fire Department will continue its Fire Prevention and Education Programs in the local schools and other public and private events. We also continue to offer Fire Safety Programs and Fire Extinguisher and Prevention Programs to local businesses for their employees. The Rindge Fire Department also offers free Home Fire Safety Inspections to the residents of Rindge and continues to perform mandated inspections at businesses and multi-family dwellings located in town. The Rindge Fire Department maintains an open-door policy for the citizens to visit the station during business hours to check out the equipment and apparatus the town owns. This is also a great time to see what is available and the importance of different equipment used in the fire service. Fire prevention materials are also available at the fire station.

Under NH State Fire Code and State Statutes, all businesses and residential rental units are subject to annual life safety inspections. The Town of Rindge currently inspects these properties. Our goal is to assist business and rental property owners in providing a safe environment for their customers, employees, guests, and tenants.

CPR, AED, AND FIRST AID TRAINING

The Rindge Fire Department offers CPR, AED, and First Aid classes to the general public and businesses within the Town of Rindge. We are planning on scheduling monthly classes, and more if necessary. To receive more information or to sign up for a class, please contact the Fire Department's CPR/First Aid Coordinator, Marie Mahon at 603-899-3324. Our goal is to train as many citizens as possible in CPR, AED, and First Aid.

FIRE DEPARTMENT

BURN PERMIT AND FIREWORK'S PERMIT SCHEDULE

FIRE STATION

Mon – Fri: 3:30 PM – 6:00 PM

Sat: 10:00 AM – 4:00 PM

Note: On days that it is actively raining you may obtain a permit at the fire station for that day (Monday – Saturday) starting at 10:00 AM

There are no permits issued on Sundays or Holidays so please obtain one before if you plan to burn on these days. Permits for those days may be obtained after 3:30 PM the Friday before, depending on the weather forecast. If you cannot obtain a permit on Friday, please call ahead to make arrangements at (603) 899-3324.

Permits may also be obtained through the NH Division of Forests and Land online burn permitting system. <https://nhdfweb.sovsportsnet.net/>. These are available 24 hours a day and are weather-dependent.

Burn Permits are required for all outside open burning unless there is 100% snow coverage. When there is 100% snow coverage, please call the fire department and leave a message with your name and address of where the burn is taking place.

Anyone who wishes to burn clean, ordinary combustibles such as leaves, brush, or untreated lumber, or have a camp or cooking fire must have written permission from the landowner and a fire permit from the Rindge Fire Warden before the fire is kindled. You must be at least 18 years of age to obtain a written fire permit.

Seasonal permits can be issued for established fire rings containing small campfires and cooking fires. Such camp or cooking fires shall; be in an area cleaned to mineral soil at least 8 feet across; have at least 6 inches of sand or gravel under the fire for any fire built on the ground; and have no limbs or other burnable material to a height of 10 feet above the fireplace area.

Woody debris or brush less than 5 inches in diameter, or untreated wood and untreated dimension lumber (subject to Env-A 1001.05(g) below) can be burned. For any open burning a written fire permit is required. Even with the permit, no open burning is allowed between the hours of 9:00 am and 5:00 pm unless it is raining. When the ground where you are burning is completely covered with snow no fire permit is required. However, it is asked that you contact the Fire Department before burning.

FIREWORKS PERMIT

A Fireworks Permit is required to display fireworks within the Town of Rindge. Applications for Class C fireworks must be submitted at least 2 business days before the intended display. The permit fee for Class C consumer permissible fireworks is \$10. Class B fireworks require a permit and must be obtained and displayed by a licensed fireworks operator.

Permit Requirements:

- The applicant shall appear in person before the Fire Chief or his/her authorized designee.
- The applicant shall provide proof that he or she is the landowner of where the fireworks discharge is to occur or has the landowner's written permission.
- The applicant shall provide valid photo identification.
- The applicant shall be at least 21 years of age or older. (NH RSA 160-C:II)

FIRE DEPARTMENT

- Fireworks shall be purchased from licensed Permissible Fireworks retailers in New Hampshire only. (A copy of the receipt may be requested)
- The applicant shall only purchase the quantity of fireworks needed for the permitted display. The storage of Permissible Fireworks is prohibited.
- Fireworks shall not be ignited by minors (anyone under the age of 21).
- Fireworks shall be ignited a minimum of 50' from any structure or overhead utilities.
- The applicant is required to have a means of fire extinguishment readily accessible.
- The permit shall be valid only for the date (or rain date) it is issued.
- Anyone discharging or igniting fireworks shall not be under the influence of any drugs or alcohol.
- Permissible Fireworks shall only be discharged between the hours of 10:00 AM and 10:00 PM.
- Permits will only be valid on days when the Daily Fire Danger is Class One (low) or Class Two (moderate) as determined by the New Hampshire Division of Forest and Lands – Bureau of Forest Protection without a Fire Detail.

Detail Requirements:

The Rindge Fire and/or Police Chief reserve the right to determine if a detail is required, however; a detail will be required for the following: (SAF-C 5024.10)

- All Class B Displays
- Class C Display if permission is granted on a Class 3 or Higher Fire Danger Day
- Class C Display with 100 or more attendees
- Class C Display operated (fired) by an NH Pyrotechnic
- Class C Display at a Place of Assembly where a Place of Assembly Permit is required

NO FIREWORKS WILL BE DISPLAYED ON A CLASS 5 OR RED FLAG FIRE DANGER DAY

FOREST FIRE WARDEN & STATE FOREST RANGER

In 2024, New Hampshire experienced an average spring wildfire season which included a 20-acre fire in Effingham in late April. Conditions remained wet enough throughout most of the summer to keep fire occurrence low. However, the fall conditions experienced throughout the northeast were higher than normal as drought conditions set in, keeping state and local firefighters very busy. The week before Thanksgiving found firefighters and forest rangers spending 3 days in an effort to extinguish a 21-acre fire in Exeter. State resources also responded to Connecticut, Massachusetts and Vermont to assist with large fires which occurred in the fall.

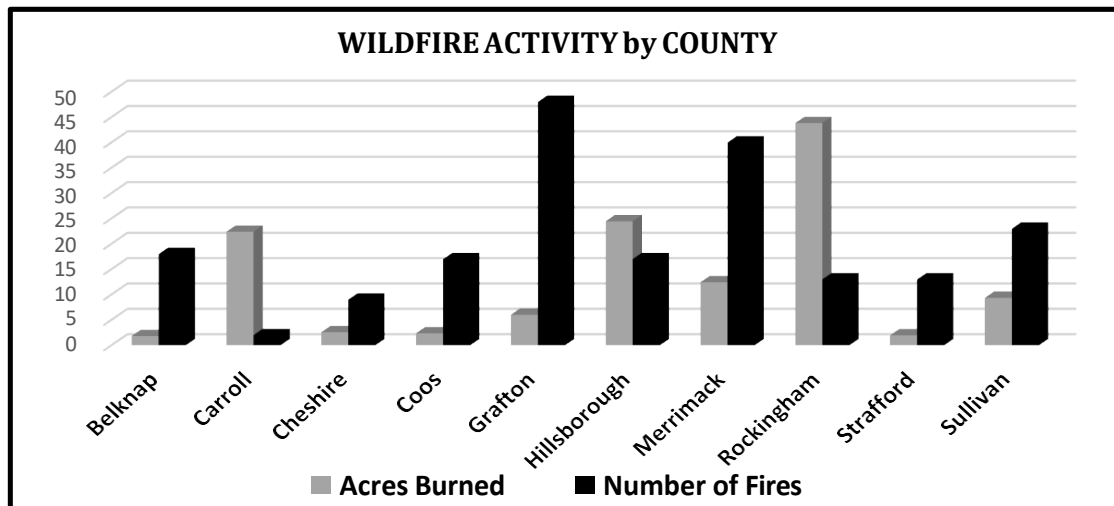

Many homes in New Hampshire are located in the wildland urban interface, which is the area where homes and flammable wildland fuels intermix. Every year New Hampshire sees fires which threaten or destroy structures, a constant reminder that wildfires burn more than just trees. In 2024, New Hampshire properties within the Wildland Urban Interface were impacted, with 37 structures threatened and 4 destroyed by wildfires. Homeowners should take measures to prevent a wildfire from spreading to their home. Precautions include keeping your roof and gutters clear of leaves and pine needles and maintaining adequate green space around your home free of flammable materials. Additional information and homeowner recommendations are available at www.firewise.org. Please help Smokey Bear, your local fire department, and the state's Forest Rangers by being fire wise and fire safe! We ask everyone to remember Smokey's message about personal responsibility and follow his ABC's: **Always Be Careful** with fire. If you start a fire, put it out when you are done. **"Remember, Only You Can Prevent Wildfires!"**

FOREST FIRE WARDEN & STATE FOREST RANGER

As we prepare for the 2025 fire season, please remember to contact your local Forest Fire Warden or Fire Department to determine if a fire permit is required before doing ANY outside burning. Under State law (RSA 227-L:17) a fire permit is required for all outside burning unless the ground is completely covered with snow. Fire permits are also available online in most towns and may be obtained by visiting www.NHfirepermit.com or using the QR code. The burning of household waste is prohibited by the Air Resources Division of the Department of Environmental Services. You are encouraged to contact the local fire department for more information. Safe open burning requires your diligence and responsibility. Thank you for helping us to protect New Hampshire's forest resources. For more information, please contact the Division of Forests & Lands at (603) 271-2214, or online at www.nhdf.dncr.nh.gov. For up-to-date information, follow us on X and Instagram: @NHForestRangers

INGALLS MEMORIAL LIBRARY

Wow! What a year we had during 2024.

In February, the library was notified that one of our patrons, Don Burness, had left the library \$153,045! As you can imagine, this was a game-changer! And a couple of months later, when the estate was settled, we received another \$23,000.

What do you do with funds like this? We are proud of what we accomplished!

- We donated just over \$81,000 to the town to purchase a generator for the library, which will be installed in the spring. This will protect the building in the future, eliminating the concerns of damage that could occur to the building and our collection during long-term power outages. It will also allow us to serve as a resource for the community in emergency situations. While the building is not equipped to serve as an overnight shelter, we will be able to offer the library as a warming center, a place to charge electronics, and our collection of materials will be available to people who aren't able to be in their homes.
- We made other improvements to the library at no cost to taxpayers, including installing brighter and more energy-efficient lighting in the stacks, updating the fire, entry, and security systems, updating the elevator recall system, and making cosmetic updates to the children's area. The building will have new, energy-efficient, fully operational windows in the old part of the building, and soon we will have the windows in the front entryway restored.
- We held some great programs that would not have been possible otherwise. Hannah Pylvainen, author of *The End of Drum Time* and a finalist for the 2023 National Book Award, spoke at a library-sponsored potluck dinner. Professor Bugman thrilled children with his knowledge of the insect world. And the Poop Museum will be here during the 2025 February vacation.

...and so much more. We hope you will stop by the library sometime to see the changes that were made possible because of this generous bequest.

In 2024, we were awarded a grant of \$3,000 from the Roy A. Hunt Foundation. This grant served as a catalyst for upgrading our ILS software from Koha to Apollo Biblionix. Our new software allows us to streamline our daily operations and makes it easier for our patrons to take advantage of our collection of materials. More importantly, it allowed us to assist in the formation of the Monadnock Regional Library Consortium! Ingalls Memorial Library cards are now welcomed at the Jaffrey Public Library and Frost-Free Library in Marlborough, NH. Patrons can now take their cards to these libraries to browse and borrow materials or they can request items and have them brought to Rindge within a day or two – all at no cost to taxpayers. The consortium allows us to more than double the materials our patrons have access to quickly without relying on state van services. It protects our future. The next step in the process is to combine calendars so that patrons from all three libraries can see what programs are available in the area from a simple visit to our website. Patrons will be able to search by library, age, program type, or any combination of these things. This upgrade will be available in the spring of 2025.

We also used funds from the Roy A. Hunt Foundation grant to purchase the equipment necessary to digitize our oral history collection, preserving this important resource despite changing technologies. The project should be completed in 2025.

We welcomed our new Youth Librarian during the summer. Mr. Joe has his Master of Arts in Teaching – English and came to us from Innovation Academy Charter School in Massachusetts. Mr. Joe has made many great changes to our programming lineup for all ages of youth, and has made some exciting changes to the department, too! He also updated our website, making it more modern and easier to navigate.

This has certainly been an exciting year at the library – one that will live in my memory!

INGALLS MEMORIAL LIBRARY

During the year, we added over 1,100 new books and 140 DVDs. Many of these were donated by townspeople or purchased with generous donations from patrons. Thank you to all who support the operations of the library. We “circulated” over 7,400 eBooks and audiobooks during the year – representing a 5% increase in the use of electronic materials.

Our library truly offers something for everyone. In addition to offering a warm and welcoming environment and a wide variety of book clubs and other programs, we offer 24/7 internet access, local newspapers, magazines, movies, books, audiobooks, jigsaw puzzles, board games, craft kits, a ukulele, and a telescope! We offer photocopying, faxing services, printing, 3D printing, art displays, seeds, science kits, magnifiers, electronic resources, and help with technology. We host movies for both adults and children each month. And our monthly Cookbook Book Club is a favorite! As we look to the future, we continue to look for opportunities to offer even more. During the next few months, we will be creating a “community” space that will be available for use by all ages! Notary public services are offered Monday through Friday – and can be arranged during open Saturday hours.

As of December 31st, there were 1,869 active patrons. As part of our conversion to the new system, cards that had been inactive for three years or more were deleted from the system. While this number is lower than has been reported in the past, it is an accurate representation of how many Rindge residents take advantage of the library’s services. Throughout 2024, we issued cards to 203 new Rindge residents. Free library cards are available to people who reside, work, or own property in Rindge, or attend Rindge schools. Non-residents are still able to purchase cards for a fee.

Registered users have access to 32,873 items housed at the library. In addition to having access to the Jaffrey and Marlborough collections, cardholders have access to materials owned by libraries across the state through the Interlibrary Loan System and can directly search the state catalog and place holds on items owned by other libraries if they choose to do so. During the year, our patrons borrowed 2,522 items through the Interlibrary Loan system, and we sent 1,558 items to patrons of other libraries in the state.

Overview of Library Operations

Adult Materials Checked Out in 2024:	29,369		
Children’s Materials Checked Out in 2024:	29,535		
Total Materials Checked Out in 2024:	58,904 – an increase of nearly 4.8% from 2023		
Adult Books Acquired in 2024:	633	Children’s Books Acquired in 2024:	496
Adult Media Acquired in 2024:	87	Children’s Media Acquired in 2024:	56

There were 423 internet sessions during the year. This does not include access to our Wi-Fi, which is available 24/7 from inside and outside the library.

Volunteers provided 225 hours of service to the library. Volunteers help with things like story times, book sale inventory, and more.

Library programs were attended by 3,747 people. There were over 18,800 visitors this year, up 7.98%.

I would like to thank the Library Trustees, Friends of the Ingalls Memorial Library, and volunteers for all they do to help the library. Thank you to the individuals, local businesses, RAMS, P.O.O.R., Charity Lodge #18, Rindge Chamber of Commerce, Jaffrey-Rindge Lion’s Club, and the Roy A. Hunt Foundation, and New Hampshire State Library for your support of our operations, and the Ingalls 1894 Association for your fundraising efforts. A special thanks is given to the family of Don Burness. You told us to dream big, and you made those dreams come true! Thanks to all who have generously donated materials to the library. Thanks to the Public Works Department for taking such good care of the building and the grounds. And thank you to all other town employees and departments. It takes a village.

INGALLS MEMORIAL LIBRARY

I would like to extend a special thanks to our patrons. While I have always considered you part of our library family, this year so many of you proved that you were more than that, and your kindness will be remembered.

I look forward to seeing you at the library!

Respectfully submitted,

Donna Straitiff
Library Director

PLANNING DEPARTMENT

The Planning Board reviewed a total of 7 applications and/or proposals during the 2023 calendar year, and 4 conceptual consultations. An overview of the prior four years shows that in 2023 there were 11 applications /proposals reviewed; in 2022 there were 13 applications/proposals reviewed; in 2021 there were 23 applications/proposals reviewed and in 2020 there were 13 applications/proposals reviewed. Of the 7 applications and/or proposals reviewed in 2024, there were three Technical Subdivisions /Lot Line Adjustments; two Minor Site Plans; one Conditional Use Permit, and one Voluntary Merger.

The Planning Board had eight warrant articles proposing changes to the Zoning Ordinance on the 2024 Town Warrant. The Board appreciates that all were passed by the Town.

This year the Planning Board has eight warrant articles proposing changes to the Zoning Ordinance, one is a proposed change to Article III, Section A for clarification. One is regarding ADUs (Accessory Dwelling Units) to add how ADUs are permitted. Another adds the requirement that campers, travel trailers, and motor homes may be stored unoccupied on the owner's property in any district in the Town of Rindge for any period. The Planning Board has recommended a change to the short-term rental ordinance, Article III, Section S, adding a requirement for Site Plan approval and the issuance of a Conditional Use Permit. One warrant article clarifies the Phased Development ordinance, and a separate article amends the phasing table. The Planning Board has also proposed two changes to the definitions in Article XX, adding definitions of Dwelling Unit, Short-Term Rental, and Transient Occupancy.

Planning Board staff were involved with the meetings of the Town-Gown Committee and the Emergency Management Committee during the 2024 calendar year.

The Planning Board hired Almyr L. Bump as Planning Director in June. Susan Hoyland continues in her role as the Planning Board secretary. The electronic filing system continues to be modified and improved; it has been valuable in research on prior and potential applications and continues to increase the efficiency of the Planning Department. The Board welcomed Max Geesey and Doug Seppala who were elected at the March 2024 Town Meeting. Tom Coneys was appointed to the Planning Board as the Ex Officio member.

The Planning Office is open Monday – Wednesday from 9:00 am to 4:00 pm and on Thursday from 9:00 am to 12:00 pm. Please drop by if you have any land use questions or concerns.

Respectfully Submitted,

Almyr L. Bump
Planning Director

POLICE DEPARTMENT

2024 was a year of exciting achievements and the continuation of forward progression for the Police Department. We began 2024 with seven of the nine voter-approved full-time positions filled. In February, Nicholas Lavoie was promoted to the rank of Sergeant. In April, Rindge local, Tessa Yoder was added to the full-time roster and immediately began her field training period. Officer Yoder entered the 197th NH Police Academy in June and graduated in October. She has since been released from field training and has entered solo patrol officer status. In September, Officer Jeffrey Bain passed a required examination and was promoted to the rank of Master Patrolman. In October, the Police Department welcomed the return of full-time Police Officer Christopher Martin into the

role of Detective. Detective Martin began his law enforcement career in Rindge in 2012 but, in 2014, decided to remain only part-time with Rindge and continue his full-time career with the Peterborough Police Department. He remained there for 10 years, achieving the rank of Detective Sergeant before making the decision to return back to Rindge and fill a much-needed role within the Department.

* includes 10 years as a part-time officer ** denotes "Honorary Lifetime Title"

While we made substantial progress with staffing and retention during the year, forward momentum did temporarily decline towards the end of the year when two officers became first-time dads and a third sustained a work-related injury. We anticipate a return to normal in early 2025 when our injured officer is restored to full duty status.

In early 2024, Animal Control Officer and former Town Constable Lawrence T. Harris, fondly referred to as "Larry", officially retired from his lifetime of service to the Rindge community. Larry served in countless capacities during the 65+ years that he committed to the Town, including working with the DPW, Fire, and Police Departments. Larry is arguably the most dedicated, reliable, and valued employee the Town has ever had, and his retirement has left a void in the community that has been felt by all. In December, part-time Sergeant Jeffrey Seppala made the difficult decision to leave law enforcement to pursue family and career opportunities. After beginning his Rindge service with the Fire Department, Sergeant Seppala served with

POLICE DEPARTMENT

the Police Department for 16 years with an exemplary record. He epitomized everything that a law enforcement officer should represent, and his presence will be greatly missed. We wish both Larry and Jeff great happiness and success – and would like to remind them that our door is always open to them!

Due to increased stability in staffing, members of the Police Department were able to continue our growth and staff development by attending several trainings. Chief Malynowski completed Death and Homicide Investigations and Hate Crimes classes. Sergeant Lavoie attended a week-long FBI LEEDA Command Leadership Institute, the second part of a 3-part series, which will be completed in 2025. Officer Bain became certified as a Firearms Instructor. Officer Glover and Officer Stone attended Active Shooter training. Officer Stone additionally attended SPEAR Defensive Tactics Instructor and Criminal Investigative Interviewing Techniques. Officer Kelley attended Mental Health training and Search and Seizure classes. Officer Ashmore completed Sexual Assault Investigations and Crime Scene Investigations. Records

Manager DiMarzio contributed to the growing needs of the Department by obtaining an Evidence Technician certificate and attending the Sex Offender Registration Updates course. In addition, we implemented a bi-monthly in-house training program, during which we covered the topics of the Aftermath of Trauma and Crime Scene Investigations, Narcan, CPR, Involuntary Emergency Admissions, Juvenile Procedure Updates, Field Sobriety Testing, Defensive Tactics, Use of Force and Firearms Qualifications.

We continued to increase our participation in a number of community-related events throughout the year. These include various Rindge Memorial School events (student luncheons, open-house fingerprinting, parades, walk to school), the Family Festival on the common, Wreaths Across America at the Hillside Cemetery, Trunk or Treat at the Rindge Rec, Senior Holiday Dinner deliveries, Christmas Tree Lighting on the common, Breakfast with Santa at the Rindge Rec, Franklin Pierce and Conant Career Days, Franklin Pierce Freshman Orientation, Cedarcrest Battle of the Badges Hockey Game, the first annual Tempesta's Law Enforcement Appreciation Day - Police vs. Firefighter's Softball Game, and the Tom Fors Memorial Event.

The Police Department remained consistent with our partnership with Franklin Pierce University, participating in monthly Town and Gown meetings, periodic meetings and trainings pertinent to the OVW Grant acquired in 2023, providing security at football games and the commencement ceremony, as well as speaking at Freshman Orientation and at several University training sessions throughout the year. This year, we faced additional challenges as the result of a sizable staff turnover at the University, extending from the President's Office, Administration, and a new Security Company, but the relationship between the Town and the University continues to move forward in a positive direction.

We remained involved with the Rindge Crime Watch and continued our collaboration with Reality Check, a local program providing services for prevention, treatment, and recovery for drug and alcohol addiction. We also participated in the two National Drug Take-Back events during the year and continue to provide year-long services in our lobby. (The drug intake box is available to the public while the sharps collection box is available to Rindge residents only.)

In April of 2024, the Police Department purchased five Golden Eagle III radar units, which replaced the existing obsolete and unreliable 20+ year-old units. We reduced the fleet of vehicles from seven to five, by the Chief opting to forgo an administrative/take-home cruiser and by transferring ownership of the 2018 Ford F150 pickup truck to the Rindge Rec. Mid-year, we were chosen as recipients of a \$3,000.00 grant from

POLICE DEPARTMENT

the Tom Fors Memorial Foundation, which we used to purchase the fifth and final cruiser Mobile Data Terminal needed to complete the years-long project.

The Police Department's Facebook page is updated and maintained on a regular basis, providing information about major events, critical incidents, road closures, traffic hazards, important safety reminders, community events, and weekly police logs. We also began utilizing the new Rindge Alerts system to provide information on a timelier basis for active or ongoing incidents. Monthly call logs are posted on both the Police Department Facebook page and the Town of Rindge website at <https://www.rindgenh.gov/police-department>.

2024 Call Summary:

Total Calls	5,511
Total Motor Vehicle Stops	2,249
Total Reportable Accidents	112
Total Arrests	193
Total Investigations Opened	351

We are excited about the possibilities in 2025. We will continue to focus on the advancement of the Police Department, staff retention, and community relations. Once again, we would like to extend our sincere gratitude and appreciation to our community, the Board of Selectmen, other departments, and various committees for your ongoing support.

RECREATION DEPARTMENT

The Recreation Department experienced another successful year in 2024, marked by growth across a variety of programs and the addition of new offerings to better serve the families in our community. We continue to be grateful for the strong support we receive from residents throughout the year for our events and activities.

Ally Faircloth, our Program Coordinator, joined the team at the beginning of 2024. Ally has proven to be an invaluable asset to our team. Her meticulous attention to detail and exceptional organizational skills have already made a significant impact, and she's been working hard to develop exciting new programs and events for 2025.

In collaboration with the Conservation Commission, we have continued progress on one of our key projects—the development of Tetreault Park Natural Playscape on Rand Road. The project reached a milestone with the completion of the first phase of the Playscape with the installation of the embankment slide. To date, we have raised \$70,000 toward the \$125,000 required for the second phase of the project. The first phase offerings include a climbing wall, embankment slide, gaga pit, teepee, log walk, and a spider web. We are still seeking volunteers and donations to help complete the second phase of this exciting addition to our community. For those interested in contributing, please reach out to the Recreation Department.

Our annual holiday events were once again a highlight of the year. These included the Easter Egg Hunt, Trunk-or-Treat, the 4th of July Celebration, Town Tree Christmas Lighting, Breakfast with Santa, and the Senior Holiday Dinner.

The Senior Holiday Dinner, held at Hidden Hills, was a resounding success, with 255 meals provided to seniors in town, both in person and through delivery. A special thank you to the Rindge Chamber of Commerce, C&S, Boy Scouts, Police Department, and Toah Nipi for their generous food donations, and to all the volunteers whose support made this event possible.

The 4th of July “Family Festival” on the town common was another standout event, with over 600 attendees. This community favorite continues to grow each year, and we are grateful to the Rindge Chamber of Commerce for their ongoing sponsorship and support.

In addition to seasonal events, the Recreation Department continued to offer several year-round activities, including After-School Karate, a knitting group, the Rindge Woman's Club, Quilting Club, Home School groups, Senior Fitness, and the Crafters Group. Our Before and After School Program (EDP) continued to be a cornerstone of our department, led by EDP Director Karen Chemello. This program provided educational and fun activities for local children, making it an essential resource for families in town.

The Recreation Center remained a hub for community gatherings, with 197 building reservations in 2024, a notable 16% increase from the previous year. Events included birthday parties, wedding receptions, company barbecues, holiday celebrations, and baby showers. The Recreation Building was in use for a total of 291 days out of 365 in 2024 with an 80% usage rate.

Our programs thrive thanks to the dedication of parents and community members who volunteer their time and energy. We extend our deepest gratitude to all the coaches, parents, and volunteers who make our programs successful and enjoyable.

The Recreation Committee continues to be a vital source of support for the department, serving as an advisory board and assisting with events throughout the year. Their tireless efforts, alongside our part-time staff, ensure the success of our community traditions. If you're interested in joining the Recreation Committee, we welcome new members and encourage you to get in touch.

RECREATION DEPARTMENT

The following programs were offered in 2024:

Winter:

- Senior Fitness
- Barre and High Workout Classes
- Travel Basketball, Instructional Basketball
- Thursday Night Lights Ski Program
- February Vacation Field Trips
- Before and After School Program
- Adult Pick-Up Basketball

Spring:

We are also deeply grateful to the many local businesses and organizations that support our programs through generous donations. Your contributions help make it possible for us to continue offering a wide variety of community activities. With the continued help of our volunteers and supporters, we look forward to even more growth and success in 2025!

Respectfully Submitted,

Daniel Bemis
Recreation Director

WELFARE DEPARTMENT

The Welfare Departments of NH municipalities exist to assist residents when they are unable to meet their basic needs. Assistance is not ongoing and must be applied for each month you require assistance for rent, electricity, heating fuel, food, medications, funeral costs, and emergency needs.

Here are some simple ways to reduce monthly expenses:

- ✓ **Homeless or Being Evicted?** Southwestern Community Services 352-7512, Shelter From The Storm 532-8222, or Monadnock Area Transitional Shelter 924-5033
- ✓ **Fuel & Electric assistance:** Call Southwestern Community Services 352-7512
- ✓ **Medical Bills:** Call your hospital for financial grant and medication programs
- ✓ **Food Stamps & Health Insurance:** Call Dept. Health & Human Services 357-3510
- ✓ **Past Rent or Security Deposit:** Call Southwestern Community Services 352-7512
- ✓ **Emergency Rent:** Call NHHFA Emergency Housing Assistance 800-439-7247 x 9283
- ✓ **Job Help:** www.unemploymentbenefits.nh.gov/ or <https://www.nhworks.org/job-seekers/>
- ✓ **Child Support:** Call to get Child Support 357-3510 and find a parent
- ✓ **Disability:** Call SSDI 357-2034. Vocational Rehab can help you find work 357-0266
- ✓ **Past Debt:** Set up and send small monthly payments to pay off old debt
- ✓ **Savings & Retirement:** use to pay expenses until your income increases again
- ✓ **Phones:** Choose one – home or cell phone. Try www.consumercellular.com
- ✓ **Cable & Internet*:** Cancel it until your income increases *(it's free at the library)
- ✓ **Car Loan:** refinance your loan and extend the repayment term to lower monthly payment
- ✓ **College Debt:** Put college loans into deferment or forbearance until income improves
- ✓ **Credit Cards:** Consolidate cards with www.greenpath.com then cut up the cards.
- ✓ **Pay-Day Loans** You could pay 400% interest – strongly advise not get these types of loans.
