IN LOVING MEMORY

Rae DuVernay

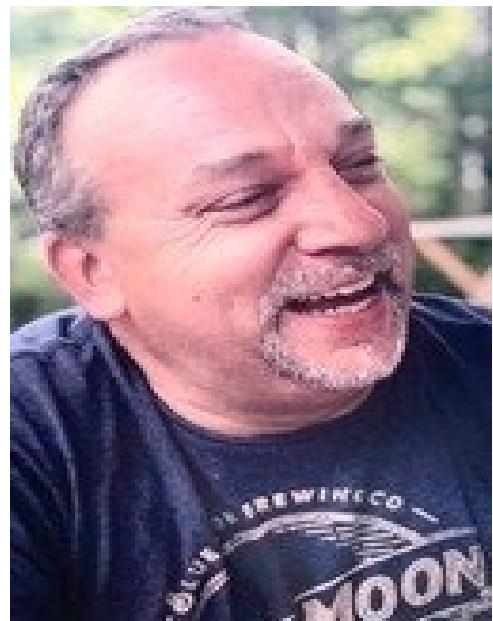

Rae DuVernay was a bundle of energy and an enormously helpful individual who was involved in community activities that benefited the Town of Rindge and its inhabitants for more than 20 years.

Because of her dedication to worthy causes, she earned the "Citizen of the Year" award in 2008. Rae also was awarded the "Distinguished Service Award" by the Rindge Woman's Club where she was a dedicated, hardworking, and valued member since 1993. For over fifteen years Rae chose, planted, and watered ALL the beautiful plants that adorned our Town Common, Meetinghouse, Library, and all of the War Memorials. As a Woman's Club Member Rae tirelessly worked on (and often initiated) many charitable projects that are too numerous to list. However, a few more notable ones include our Annual Plant Sale, the Mother's Garden at the Cathedral of The Pines, and especially Operation Santa. Rae's many contributions to the Rindge community are sadly missed but we can hope that her wonderful example will continue to inspire others to maintain the Rindge tradition of looking out for each other.

Michael DiPasquale

Michael DiPasquale was a US Army Veteran who served in the US Army Reserves from February 1992 until January 2000. Mike was a member of the RAMS (Rindge Athletic Men's Social Club) in Rindge, holding the offices of Vice President, President and Secretary for many years. Mike was a great coach in several different sports and loved coaching his children and many other children in the community. He organized and coached T-ball and Little League Baseball within our community for many years and was a member of the Jaffrey-Rindge Mt. Monadnock Little League Board of Directors. Mike's sense of humor, infectious laugh, and quick wit made for great memories and time well spent.

The Town of Rindge is forever grateful for their many years of community service.

IN LOVING MEMORY

Bernice Martin

Bernice Martin was the last recipient in the Town of Rindge to receive the Boston Post Cane as the eldest resident in Rindge. The Board of Selectmen presented the cane to Bernice in 2020. Bernice spent her retirement here in Rindge and made her presence known to the community. She was involved in the Rindge Congregational Church and was honored by the Church with the “Salt of the Earth” Award. She also volunteered her time at the Jaffrey-Rindge Food Pantry and many other community affairs.

Amy Raymond

Amy Raymond was the secretary at the Town Office for many years, and served as a Supervisor of the Checklist. She was also involved with the Rindge Historical Society and the Memorial Day Committee. She was a Charter member of the Rindge Woman’s Club and a member of the P.O.O.R. (Pumpkin Organization of Rindge). She dedicated her service to Rindge and the surrounding communities.

The Town of Rindge is forever grateful for their many years of community service.

STATE OF THE TOWN

2022 was a financially trying year for the Town and everyone else. The Town barely made it through the year within budget. The diligence and hard work of our employees and our Department Heads should be credited for that accomplishment. Our Police Department has been brought up to nearly full staff and the Fire Department has recruited several on-call volunteers. The Town also welcomed a new Town Administrator, Lori Rautiola, and a new Assessing Clerk, Kim Gavigan.

Last March the voters passed several warrant articles which included:

1. The proposed budget,
2. The third of five payments for the fire rescue vehicle,
3. The fifth and final payment for fire engine #1,
4. The fifth and final requested funding for the cemeteries' ongoing improvement project,
5. Continued expendable funding to maintain the Meetinghouse,
6. Continued reserved funding for Ingalls Library maintenance and possible furnace replacement, and
7. Ongoing "reserve account" funding for the next revaluation.

The federal government passed along funding to the Town from the American Rescue Plan Act (ARPA) with large restrictions. Many and most of the restrictions have subsequently been lifted. The Board of Selectmen has been moving forward to expend these funds for the Capital Improvement Plan Committee's list of needs and some other Town needs; within the allotted time frame. So far the fund have been expended on:

1. Police Department lockers replacement, updates in the communication needs for the police cruisers and taser replacements,
2. A Highway Department plow truck replacement which has already been ordered and soon to be delivered and additional (smaller) plow truck replacement.
3. The Town Office septic system.
4. Tentative approvals, pending the bidding process, for the Fire Dept. to rebuild the pump on one vehicle, replace a furnace, a "brush truck", and to replace their Self Contained Breathing Apparatus.
5. For the Town's buildings there has been tentative approval, pending the bidding process, to replace worn carpeting, design and replace the septic system for the Meetinghouse, replace the Town Office failing telephone system and to aid in the ongoing computer replacement/upgrade schedule. The Town does need to work on its pay plan for employees, better communication between some departments and residents.

Regarding the future development within the Town of Rindge, the federal and state governments are adamant about taking away local control over planning and zoning, so it will require volunteers to work on committees to maintain and keep our local control for the Town of Rindge.

Even with the huge increase in the rate of inflation and tremendous cost increases for everything the State of the Town is good.

Respectfully submitted,

Bob Hamilton,
Board of Selectmen, Chairman

**REPORT ON INTERNAL CONTROL BASED ON
AN AUDIT OF BASIC FINANCIAL STATEMENTS**

To the Board of Selectmen
Town of Rindge, New Hampshire

In planning and performing our audit of the financial statements of the governmental activities, each major fund, and the aggregate remaining fund information of the Town of Rindge, New Hampshire (the Town) as of and for the year ended December 31, 2021, in accordance with auditing standards generally accepted in the United States of America, we considered the Town's internal control over financial reporting (internal control) as a basis for designing audit procedures that are appropriate in the circumstances for the purpose of expressing our opinions on the financial statements, but not for the purpose of expressing an opinion on the effectiveness of the Town's internal control. Accordingly, we do not express an opinion on the effectiveness of the Town's internal control.

A deficiency in internal control exists when the design or operation of a control does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct, misstatements on a timely basis. A material weakness is a deficiency, or a combination of deficiencies, in internal control, such that there is a reasonable possibility that a material misstatement of the entity's financial statements will not be prevented, or detected and corrected, on a timely basis.

Our consideration of internal control was for the limited purpose described in the first paragraph and was not designed to identify all deficiencies in internal control that might be material weaknesses. In addition, because of inherent limitations in internal control, including the possibility of management override of controls, misstatements due to error or fraud may occur and not be detected by such controls. Given these limitations, during our audit we did not identify any deficiencies in internal control that we consider to be material weaknesses. However, material weaknesses may exist that have not been identified.

This communication is intended solely for the information and use of management, the Board of Selectmen, and others within the organization, and is not intended to be, and should not be, used by anyone other than these specified parties.

Town Clerk Remittance Report to Treasurer
Jan 1st 2022 through Dec 31st 2022

Regarded to be the heart of local government, the Town Clerk's office is where you go when you first move to town to find out what is required to become an "official" resident of the town. It's the office you visit each year to register your motor vehicles and license your dogs. When your family expands, it's where you can pick up your child's birth certificate. When you are preparing to marry, it's where you acquire a marriage license. And it's where you go to register to vote or file for candidacy for public office. The Town Clerk is the official keeper of municipal archives and is responsible for maintaining a chronological record of vital records pertaining to the town, including births, deaths, and marriages that occurred in the town. In addition, as a chief election official, the Town Clerk is responsible for administering oaths of office to all elected officials and appointed members of local boards and committees.

The Town Clerk's Office collected the following in 2022:

Motor Vehicles (including title apps.)	\$ 1,351,499.81
Agent Fees	\$ 27,356.56
Marriage Applications	\$ 3,936.00
Certified Copies	\$ 5,495.00
Unified Commercial Code Fees	\$ 1,560.00
Dog Licenses	\$ 5,738.50
Dog Forfeitures/Violations	\$ 1,283.50
Boat	\$ 2,382.59
Return Check Fees	\$ 101.00
Postage	\$ 220.35
Copy Fees	\$ 33.50
Look-Up Fee	\$ 195.00
Over/Short	\$ 23.40
Miscellaneous	\$ 188.40
TOTAL	\$ 1,400,013.61

Respectfully submitted,

Lauralei Knight
Town Clerk

Requirements for Semi-Annual Billing

Pursuant to RSA 76:15-a

76:15-a Semi-Annual Collection of Taxes in Certain Towns and Cities - I. Taxes shall be collected in the following manner in towns and cities which adopt the provisions of this section in the manner set out in RSA 76:15-b. A partial payment of the taxes assessed on April 1 in any tax year shall be computed by taking the prior year's assessed valuation times 1/2 of the previous year's tax rate; provided, however, that whenever it shall appear to the selectmen or assessors that certain individual properties have physically changed in valuation, they may use the current year's appraisal times 1/2 the previous year's tax rate to compute the partial payment.

General Fund Operating Expenses	\$18,919,935
Final Overlay	\$137,446

DRA has provided a reference range of fund balance retention amounts below. Please utilize these ranges in the determination of the adequacy of your municipality's unrestricted fund balance, as currently defined in GASB Statement 54. Retention amounts, as part of the municipality's stabilization fund policy [1], should be assessed dependent upon your governments own long-term forecasts and special circumstances. Please note that current best practices published by GFOA recommend, at a minimum, that "...general purpose governments, regardless of size, maintain unrestricted fund balance in their general fund of no less than two months of regular general fund operating revenues or regular general fund operating expenditures." BUDGET ADVISORY COMMITTEE

For 2022 the members of the Budget Advisory Committee (BAC) were Phil Motta - Chair, Sharon Rasku – Vice Chair, Casey Burrage - Secretary, Tom Coneys, James Burger, and Dan Whitney. Karl Pruter was the Ex Officio member from the Board of Selectmen.

The BAC met jointly with the Select Board several times in public meetings. Over the course of these meetings, we reviewed the various expenses of the different town departments and we also reviewed the department head requests for the proposed 2023 budget.

The BAC also held meetings independent of the BOS where we reviewed and discussed the proposed budget. All of the BAC meetings were public and were posted publicly.

There were several substantial increases to the proposed 2023 budget that are due to the current inflation causing higher prices for fuel, heating oil, road salt, and many other items that are beyond the control of the departments. The Police Department and Fire Department now respond to a significantly higher volume of calls than in previous years. Each year sees the call volume for both departments continue to increase. The Highway Department is now clearing and maintaining more roads than in the past.

The Town has been through cycles where it was losing staff in multiple departments because the pay rates were not competitive. This is being addressed through various wage increases and the BAC fully supports seeing efforts continue to retain quality personnel in all departments. The annual review of wages should include a focus on improving and maintaining competitiveness while still making sure to achieve the needs of the staff and the town. We want to see that effort continue as retaining experienced staff members is more productive than continually trying to fill vacancies and train new personnel. Retaining valuable staff members in all departments is more cost-effective and allows the departments to provide a better level of service to the people of our town.

The BAC also wants to see improvements to processes, tools, procedures, and other things that will make things more efficient for the departments and for the people of the town who rely on these departments.

The BAC reviews and makes recommendations on the operating budget for the town each year, so we are looking at each year as it comes, but we encourage the town to always be looking at the long-term needs of the town.

Faithfully submitted,
Phil Motta, Chairman

FIRE DEPARTMENT

In 2022 the dedicated men and women of the Department responded to a total of 974 calls for service. This is an increase of 97 calls from last year. This makes 2022 our busiest year ever. The increase in calls for service is related to the growth of the Town along with the growth of our elderly population. These calls include but not limited to medical calls (559), Fire calls (415 calls to include structure, brush and wildland, chimney fires, etc.), motor vehicle accidents, weather related incidents, residential and commercial fire alarms, HAZ-MAT incidents, service calls, and much more.

In 2023 the Fire Department will continue to find ways to build its call membership and provide all these dedicated men and women with the necessary training and equipment to respond to emergencies and preserve the safety of the Town and its residents. The dedication and hard work of these residents, who spend hundreds of hours to train and certify, allows the Department to provide a high level of professional service to the Town and protect its residents.

These emergency responders are paid per call instead of manning the station at all hours. Without a full-time Fire Department, Rindge relies on service-minded citizens to work on behalf of the community. Anyone interested in making a difference for their community as a first responder can contact Director of Life and Public Safety, Rickard Donovan at the Fire Station (603-899-3324) for details.

2022 Department Highlights:

- One FPU member graduated and stayed in Rindge – FPU Member to Permanent Member
- Six new members joined, both Fire and EMS
- Two members obtained National Certification as an EMR
- Two members obtained National Certification as an EMT
- Four members obtained National Certification as firefighter II.

In 2023 the Department will continue to offer free home fire safety guidance, fire prevention programs to school and civic groups and fire extinguisher training. We will also continue to perform mandatory annual Life Safety inspections in Places of Assembly, Business and Mercantile Occupancies, Educational Facilities, and multi-family dwellings throughout the year. The Department also offers CPR/AED and First Aid classes to citizens, businesses, and civic groups that are interested in improving their lifesaving knowledge. If you are interested in more information about these programs, please contact us at (603) 899-3324.

The Department extends a sincere thank you to all the people, businesses, and organizations that have provided their support during the past year.

Respectfully Submitted,

Rickard J Donovan, Director of Public and Life Safety

Mission Statement:

"To protect the citizens of the Town of Rindge from emergencies and disasters through aggressive fire suppression, emergency medical response, hazardous materials emergency management, fire prevention and public education, and pre-emergency planning."

The Rindge Fire Department maintains minimum training and certification levels for all emergency responders in accordance with the National Fire Protection Association and National EMS Registry requirements and recommendations. All members are required to participate in mandatory fire, rescue, and ems trainings, infectious disease training and monitoring, and leadership training.

APPARATUS BRIEF

FIRE DEPARTMENT

The Rindge Fire Department will continue its Preventative Maintenance Program on all vehicles and equipment in effort to keep all emergency equipment in a state of constant readiness. This program also helps keep repair costs down and ensures the equipment meets its recommended life span. The maintenance program consists of in-house weekly vehicle and equipment inspections; in-house fluid, filter, and lubrication service; oil changes; pump and ladder maintenance; small engine service, and building maintenance.

The Department worked on upgrading older equipment. When we obtain new apparatus, we move the older equipment from the old apparatus to the new apparatus. We will continue to seek grants in order to obtain the upgraded equipment and help keep the budget in line. In 2022 we replaced some hand tools, hose nozzles, emergency signage, power tools, etc. We will continue to update our equipment and tools in 2023.

In 2023 we will also seek grant funding to replace all our Structural Firefighting Gear.

FIRE PREVENTION, EDUCATION, AND INSPECTION OFFICE

The Rindge Fire Department will continue its Fire Prevention and Education Programs in the schools and other public and private events. We also continue to offer Fire Safety Programs, Fire Extinguisher and Prevention Programs to local businesses for their employees. The Department also offers free Home Fire Safety Inspections to the residents of Rindge and continues to perform mandated inspections at businesses and multi-family dwellings located in Town. The Department maintains an open door policy for the citizens to visit the station during business hours to check out the equipment and apparatus the Town owns. This is also a great time to see what is available and the importance of different equipment used in the fire service. Fire prevention materials are also available at the fire station.

Under NH State Fire Code and State Statutes, all businesses and residential rental units are subject to annual life safety inspections. The Town of Rindge currently inspects these properties. Our goal is to assist business and rental property owners in providing a safe environment for their customers, employees, guests, and tenants.

CPR, AED, AND FIRST AID TRAINING

The Rindge Fire Department offers CPR, AED, and First Aid classes to the general public and businesses within the Town of Rindge. We are planning on scheduling monthly classes and more if necessary. To receive more information or to sign up for a class, please contact the Department's CPR/First Aid Coordinator, Marie Pugh at 603-899-3324. Our goal is to train as many citizens as possible in CPR, AED, and First Aid.

REVENUES

The Fire Department received \$5,174 for Restitution, \$4,915 for Details, \$970.00 for CPR/First Aid Classes, and \$520.00 for Firework Permits in 2022. These funds go into the Fire Department Revolving Fund and are used to help offset the costs of Fire Prevention Materials, CPR and First Aid Class Materials, and apparatus repairs.

The Rindge Fire Department would like to thank the Town of Rindge residents and businesses for all their support throughout the years.

FIRE DEPARTMENT

BURN PERMIT AND FIREWORK'S PERMIT SCHEDULE

FIRE STATION

Mon – Fri: 3:30 PM – 6:00 PM

Sat: 10:00 AM – 4:00 PM

Note: On days that it is actively raining you may obtain a permit at the fire station for that day (Monday – Saturday) starting at 10:00 AM

There will be no permits issued on Sunday or Holiday's so plan ahead if you plan to burn on these days. Permits for those days may be obtained after 3:30PM on the Friday before, depending on the weather forecast. If you unable to obtain a permit on Friday, you can call ahead to make arrangements at (603) 899-3324.

Permits may also be obtained through the NH Division of Forests and Land online burn permitting system. <https://nhdflweb.sovsportsnet.net/> these are available 24hrs a day, weather dependent.

Burn Permits are required for all outside open burning unless 100% coverage of snow. When there is 100% snow, please call the fire department and leave a message with your name and address where the burn is taking place.

Anyone who wishes to burn clean, ordinary combustibles such as leaves, brush or untreated lumber, or have a camp or cooking fire must have written permission from the landowner and a fire permit from the Rindge Fire Warden before the fire is kindled. You must be at least 18 years of age to obtain a written fire permit.

Seasonal permits can be issued for established fire rings containing small camp and cooking fires. Such camp or cooking fires shall; be in an area cleaned to mineral soil at least 8 feet across; have at least 6 inches of sand or gravel under the fire for any fire built on the ground; and have no limbs or other burnable material to a height of 10 feet above the fireplace area.

Woody debris or brush less than 5 inches in diameter, or untreated wood and untreated dimension lumber (subject to Env-A 1001.05(g) below) can be burned. For any open burning a written fire permit is required. Even with the permit, no open burning is allowed between the hours of 9:00 am and 5:00 pm unless it is raining. When the ground where you are burning is completely covered with snow no fire permit is required. However, it is asked that you contact the Fire Department before burning.

DUE TO THE COVID 19 PANDEMIC AND THE STATE OF EMERGENCY, WE ASK THAT YOU USE THE ONLINE PERMITTING PROCESS AS MUCH AS POSSIBLE. WE WILL BE GLAD TO SERVE YOU WHEN THE STATE OF EMERGENCY IS LIFTED, THANK YOU.

FIREWORKS PERMIT

Fireworks Permit is required to display fireworks within the Town of Rindge. Applications for Class C fireworks must be submitted at least 2 business days prior to the intended display. The permit fee for Class

FIRE DEPARTMENT

C consumer permissible fireworks is \$10. Class B fireworks require a permit and must be obtained and displayed by a licensed fireworks operator.

- The applicant shall appear in person before the Fire Chief, or his/her authorized designee.
- The applicant shall provide proof that he, or she is the landowner of where the fireworks discharge is to occur, or has the landowner's written permission.
- The applicant shall provide a valid photo identification.
- The applicant shall be at least 21 years of age or older. (NH RSA 160-C:II)
- Fireworks shall be purchased from licensed Permissible Fireworks retailers in New Hampshire only. (Copy of Receipt for permit may be requested)
- The applicant shall only purchase the quantity of fireworks needed for the permitted display. The storage of Permissible Fireworks is prohibited.
- Fireworks shall not be ignited by minors (anyone under the age of 21).
- Fireworks shall be ignited a minimum of 50' from any structure or overhead utilities.
- The applicant is required to have a means of fire extinguishment readily accessible.
- The permit shall be valid only for the date (or rain date) it is issued.
- Anyone discharging or igniting fireworks shall not be under the influence of any drugs or alcohol.
- Permissible Fireworks shall only be discharged between the hours of 10:00 AM and 10:00 PM.
- Permits will only be valid on days when the Daily Fire Danger is Class One (low) or Class Two (moderate) as determined by the New Hampshire Division of Forest and Lands – Bureau of Forest Protection without a Fire Detail.

Detail Requirements:

The Rindge Fire and/or Police Chief reserve the right to determine if a detail is required, however; a detail will be required for the following: (SAF-C 5024.10)

- All Class B Displays
- Class C Display if permission granted on a Class 3 or Higher Fire Danger Day
- Class C Display with 100 or more attendee's
- Class C Display operated (fired) by a NH Pyrotechnic
- Class C Display at a Place of Assembly where a Place of Assembly Permit is required

The Revenue received for Firework Permits in 2022: \$520.00

NO FIREWORKS WILL DISPLAYED ON A CLASS 5 OR RED FLAG FIRE DANGER DAY

Report of Forest Fire Warden and State Forest Ranger

This year was another year where we observed wet weather in early spring followed by rapid drying and drought conditions which extended through the summer for much of the state. Drying conditions in early May led to large fire growth on numerous fires which required multiple days to extinguish and firefighter response from local, state, and federal agencies. Wildfire activity continued through the summer months where dry conditions led to more multi-day fires. Fires burned deep into the ground, requiring firefighters to establish water supplies and to spend days digging out all the hot spots.

This fall we had multiple fires started by the careless disposal of woodstove ashes. Before dumping your woodstove ashes, you should place them in a covered metal container until they are out cold. Many homes in New Hampshire are located in the wildland urban interface, which is the area where homes and flammable wildland fuels intermix. Every year New Hampshire sees fires which threaten or destroy structures, a constant reminder that wildfires burn more than just trees. Homeowners should take measures to prevent a wildfire from spreading to their home. Precautions include keeping your roof and gutters clear of leaves and pine needles and maintaining adequate green space around your home free of flammable materials. Additional information and homeowner recommendations are available at www.firewise.org. Please help Smokey Bear, your local fire department, and the state's Forest Rangers by being fire wise and fire safe!

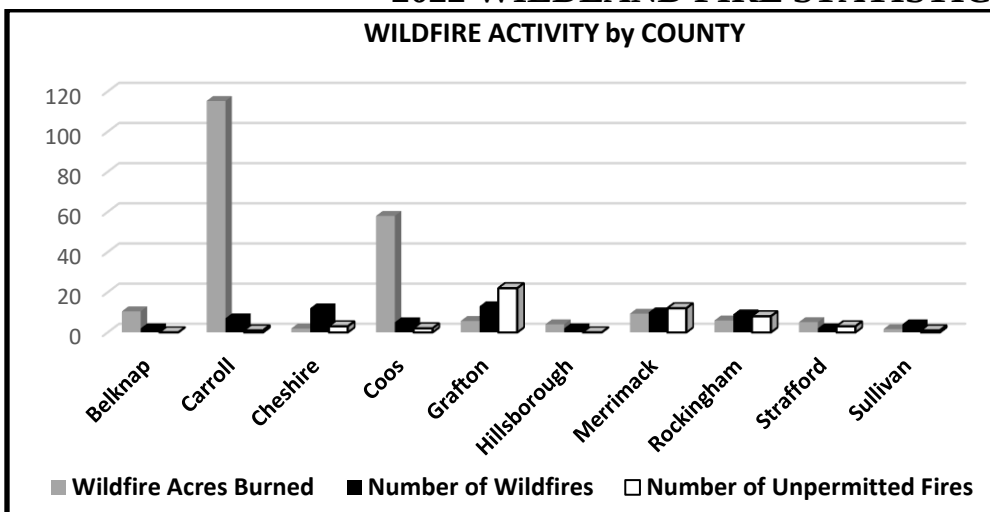

The long-lasting drought effects in Rockingham County are showing some minor signs of improvement but a good portion of Rockingham County remains in moderate drought and much of the state is still in the abnormally dry category. While the drought conditions have improved, we expect some areas of the state may still be experiencing abnormally dry or drought conditions this spring. For this reason, we ask everyone to remember Smokey's message about personal responsibility and follow his ABC's: **Always Be Careful** with fire. If you start a fire, put it out when you are done. **"Remember, Only You Can Prevent Wildfires!"**

As we prepare for the 2023 fire season, please remember to contact your local Forest Fire Warden or Fire Department to determine if a fire permit is required before doing ANY outside burning. Under State law (RSA 227-L:17) a fire permit is required for all outside burning unless the ground is completely covered with snow. Fire permits are also available online in most towns and may be obtained by visiting www.NHfirepermit.com. The burning of household waste is prohibited by the Air Resources Division of the Department of Environmental Services. You are encouraged to contact the local fire department for more information. Safe open burning requires your diligence and responsibility. Thank you for helping us to protect New Hampshire's forest resources. For more information, please contact the Division of Forests & Lands at (603) 271-2214, or online at www.nh.gov/nhdfl/. Rindge Police Department

Rachel D. Malynowski
Chief of Police

158 Main Street
Rindge, N.H.
03461

POLICE DEPARTMENT

The Rindge Police Department began 2022 with a full-time staff of 7, with 2 of our 9 approved positions vacant. Officer Scott Merrell, who had graduated the New Hampshire Police Academy in late December, completed his field training in January and assumed solo patrol status. However, before we were able to fill the remaining two vacancies, the Rindge Police received two resignations, one from Officer James McGeeney and the other from Officer Zachary Letourneau. Both left their full-time positions with the Department in March. Officer McGeeney accepted a position with the Hancock Police Department while Officer Letourneau opted to remain with the Department in a part-time capacity while exploring full time employment in the public sector.

The remaining 5 members forged ahead, adjusting personal schedules and working as much overtime as was necessary to appropriately staff the needs of the Town. In April, Officer Eric Glover was added to the full time roster and in May, Officer John Ciarcia was promoted to the rank of Sergeant, a position that had been vacant since Chief Malynowski's promotion six months prior.

Also in May, critical staffing issues and ongoing retention struggles resulted in the Department working diligently with the Board of Selectmen to utilize a portion of unspent Police Department wages and benefits to fund Retention Bonuses. Each existing full time officer was offered this Retention Bonus in exchange for signing a one-year contract to remain employed with the Police Department through at least May of 2023, providing opportunity for the Department to obtain full staffing status without worry of any other departures. 5 of the 6 officers accepted the bonus and signed the contract. However, Officer Scott Merrell declined the bonus and shortly gave his resignation to accept a full-time position with the Jaffrey Police Department.

With Officer Merrell's resignation and Officer Glover's enrollment in the New Hampshire Police Academy, actively working full-time staff was reduced to 4, with Chief Malynowski resuming a full-time role in the patrol schedule. The Department continued to work with the Board of Selectmen, conducting wage studies and reaching out to numerous other police departments dealing with similar critical staffing issues to learn how other agencies were handling both the stress and the workload.

Ultimately, the Board agreed to approve a July 1st starting wage increase in order to become more competitive with both surrounding towns and towns throughout the State. In order to do so, the existing officer's wages were increased by the same amount across the board so as to create a fair wage within the Department. For the duration of 2022, this was completed by, once again, utilizing unpaid wages and benefits with the agreement that the Department would forgo filling their previously approved 9th position for the duration of the 2023 calendar year in order to mitigate the cost of the wage increases. However, the 9th position is necessary and exhaustive efforts will be made to fill the 9th position for 2024. In addition, a hiring bonus was approved by the Board in order to entice New Hampshire certified police officers to consider a transfer to the Rindge Police Department.

In August, after carefully weighing his options and determining that the progressive mission and vision of the Rindge Police Department was in line with his own, Officer Nicholas Lavoie made the decision to accept the certified officer bonus and transfer his 8+ years of full-time New Hampshire law enforcement experience

with the Brookline Police Department to Rindge. Officer Lavoie provided almost immediate relief to an extremely difficult schedule and has blended seamlessly into the Department, quickly proving himself to be an invaluable addition.

During the remaining summer and early fall months, while Officer Glover completed his Academy training, 5 full-time officers filled the schedule. Just prior to Officer Glover's graduation and certification, Sergeant Ciarcia made the decision to leave the Rindge Police Department and accept a full time position with the Mason Police Department. Weeks later, when Officer Glover returned to the Department after graduation, the scheduling relief that would have taken place was undermined by Sergeant Ciarcia's departure. Full time staffing remained at 5. Officer Jeffrey Bain, Officer Ryan Aro, Officer Nicholas Lavoie and Officer Eric Glover worked tirelessly, without complaint, and completed every task asked of them while, in addition to her duties and responsibilities as the Chief, Chief Malynowski resumed all Sergeant responsibilities as well as routinely filled patrol shifts on a weekly basis. Officer Bain also became certified as a Physical Fitness Instructor and a Taser Instructor and is scheduled to become certified as a Field Training Officer in 2023. Officer Aro was certified as a Glock armorer and is scheduled to become certified as a Firearms Instructor in 2023. Officer Lavoie has certification in Interview and Interrogation as well as Property Room/Evidence Management. He is scheduled to attend advanced leadership and supervisor instruction in 2023.

As we neared the end of the 2022 year, the Rindge Police received resignations from two part time officers, Officers Zachary Letourneau and Corporal Maximin Rocheleau, as well as an anticipated resignation from part time Officer Michael Eneguess. However, we welcomed two new additions to the full time roster; Officer Steven Ingman and Officer Jacob Stone. Officer Ingman is a Fitchburg State University graduate and a certified Massachusetts police officer. He will attend a modified certification process through New Hampshire Police Standards and Training as well as complete, at minimum, a 12 week Departmental field training program before assuming solo patrol status. Officer Stone will complete his field training program prior to attending the full time New Hampshire Police Academy, with an anticipated graduation and certification date of June, 2023.

Perhaps the most notable, yet unexpected addition to the Rindge Police Department, however, came in July. The Rindge Police rescued an injured kitten, provided medical care and then quickly foster-failed. The Department staff voted to both keep the kitten as a "pet" and to self-fund all of his needs. The name Bandit was chosen by votes cast by our community. He has fully recovered from his injuries and is enjoying his new life within the Police Station. His easy-going demeanor and love of people provides a much-needed morale boost to both staff and visitors alike.

In 2022, the Rindge Police began utilizing social media on a more regular basis in order to continue more effective communication with the community. The Department's Facebook page now has over 4,500 followers that we are able to share information with on a regular basis. Information includes press releases on major events, road closures and other events that may impact travel and important safety reminders.

Utilization of the page allows us to be more transparent with the community in which we serve and to engage with the community on a more regular basis.

The Police Department has continued its mission to become a more community-oriented Department. This past year, we participated in numerous Town events. These include fingerprinting at the Rindge Memorial School during drop-off and pick-up times, attending school and town parades, presenting at various schools and learning facilities, attending the Rindge Fire Department open house, participating in the Flags for Forgotten Heroes ceremony, the 9/11 ceremony, as well as Trunk or Treat, the annual Senior Dinner deliveries, the Christmas Tree Lighting ceremony, Breakfast with Santa, and numerous others.

Our relationship with the Franklin Pierce University community continues to improve, with the implementation of monthly meetings and numerous trainings throughout the year. We continued to be involved with the Rindge Crime Watch and with our collaboration with Reality Check, a local program providing services for prevention, treatment and recovery for drug and alcohol addiction. We participated in the two National Drug Take-Back events during the year and continue to provide year-long services in our lobby. (The drug intake box is available to the general public while the sharps collection box remains available to Rindge residents.) We also forged a new relationship with a pastor who agreed to become our Department Chaplain on a trial basis. This relationship, once solidified, will provide much-needed services to both our Department and to our Community during difficult times.

As the Pandemic restrictions eased, the number of calls for service increased, with mental health issues at the forefront. Despite our ongoing staffing challenges, we continued to respond and address each call in as timely a manner as possible. We saw a substantial increase in medical calls, theft and scam/fraud-related calls, motor vehicle accidents, and domestic violence incidents. It was recently brought to our attention that our police activity logs have not been posting properly to our web page, which is an issue that is currently being addressed. Soon, our regularly posted activity logs will again be viewable on our web page, <https://rindgepolice.com/>.

Lastly, the Rindge Police was able to utilize some grant funding and a few donations made to the Rindge Police Association to make some minor, yet impactful improvements within our building. We've been scouring, purging and cleaning in order to make the best use of our space. The lobby received a complete makeover, making our entrance a much more inviting. On one extremely hot Saturday last July, every Department member donated their time to purge the existing locker/storage room and install the newly purchased, grant-funded lockers. This was accomplished with the help of some family members who happen to also be licensed plumbers and general contractors – a special thank you to them.

Once again, we would like to extend our sincere gratitude and appreciation to our community for your ongoing support as well as to the Board of Selectmen, other departments, and numerous committees who collectively work to try to improve the quality of life within the town of Rindge. We have set the bar high. The Rindge Police Department will continue moving forward, working cohesively as a team, listening, responding, rebuilding and strengthening, until we reach our goals.

This year's quote, prominently displayed in the Chief's office is: "Ability is what you are capable of doing; Motivation determines what you do; Attitude determines how well you do it". ~Lou Holtz~

Respectfully submitted,

Rachel D. Malynowski, Chief of Police

BUILDING DEPARTMENT

The Rindge Building Department conducted over 900 inspections in 2022. In 2023 we will be conducting a survey for Building Permit Fee's and update our Fee Schedule. We will also update the department's website, www.rindgefire.org with all permit applications, worksheets, inspection schedules, permit fees, and information pertaining to obtaining a permit. I continue to look forward to working with all homeowners and contractors performing work in the Town of Rindge.

In 2022 the State adopted the 2015 Editions for Building Codes, Fire Code, and Life Safety Code. If you have a question on which code to use, please contact the Building Office.

The Town of Rindge Building Department issued twenty-six (26) Residential Single Family Dwelling Permits; five (5) Replacement Single Family Dwelling; seventy-three (73) Residential Accessory Permits; two (2) Residential Accessory Dwelling Unit; four (4) Commercial Building Permits; twenty-three (23) Commercial Accessory Permits; four (4) Swimming Pool/Hot Tubs; ten (10) Demolition Permits; one hundred twenty-five (125) Electrical Permits; twenty (20) Solar Array Systems; sixteen (16) Generator; sixty-five (65) Plumbing Permits; four (4) Fire Safety Permits; one hundred ninety (190) Mechanical Permits; thirty (30) Occupancy Permits.

REVENUE SUMMARY:

Building Permits: \$67,100.80
Electrical Permits: \$14,110.00
Plumbing Permits: \$7,045.00
Mechanical Permits: \$10,725.00
Fire Safety: \$400.00
Filling Fees: \$299.30

PERMIT REQUIREMENTS

Permits are required for all construction within the Town of Rindge including remodeling, additions, sheds, outbuildings, decks, pools, sun decks, demolition of a structure, etc. A permit is also required for all electrical, plumbing, mechanical, oil, and gas appliances including piping, wood-burning equipment, chimneys, etc. Permit applications and information may be obtained at the Rindge Building Office located in the Rindge Town Office Building on Payson Hill Rd. Permit applications may also be downloaded from the Town's website.

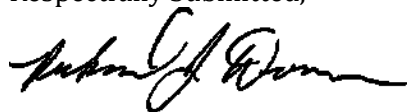

All contractors are required to file a permit application to obtain a permit for their respective trades prior to starting the work. For example, all electrical, plumbing, and mechanical work requires a permit. This process will ensure better management of building projects within the town. This procedure will guarantee the contractor's endorsement for the building project.

The Rindge Building Department encourages all residents and contractors considering any remodeling or construction projects to first contact the Building Office prior to construction, remodeling, repairing, and demolition to obtain information on the permit process and what permits may be required as well as what codes and code editions are adopted.

NOTE:

A permit must be obtained prior to the commencement of work unless it is an emergency, in which, a permit must be obtained the next business day. Any work started prior to obtaining a permit will result in the permit fee being doubled.

Respectfully Submitted,

EMERGENCY MANAGEMENT

The Rindge Emergency Management Department continued to experience a challenging year in 2022 dealing with the pandemic. In March 2020, we started to deal with the COVID 19 pandemic which still continues in 2021 and 2022. On March 13, 2020 Governor Sununu declared a State of Emergency which ended on December 31, 2022. In 2022 we continued to record all expenses that were for the pandemic and submitted the reports to the State of New Hampshire Emergency Management and GOFFR Committee for reimbursement. The following are the different programs managed by the Rindge Emergency Management Department.

- Public Assistance Program (PA) – Program is to reimburse the town for supplies, cleaners, personal protective equipment, etc. used to respond to the pandemic.
- Locality Equipment Purchase Program (LEPP) – Program is to provide the Town with communication equipment and other vital equipment used to respond to COVID related calls and to assist with future events.
- Emergency Management Performance Grant (EMPG) – Program is to assist purchasing of equipment for notification, storage of supplies, etc.
- Assistance to Firefighting Grant (AFG-S) – Program is to assist purchase Personal Protective Equipment (PPE) for the response to pandemics.
- American Rescue Plan Act (ARPA) – 1. Used to respond to COVID-19 or its negative impacts, 2. Provide premium pay to eligible workers or grants to eligible employers, 3. Provide government services affected by reductions in revenue due to COVID-19, 4. Make investments in water, sewer or broadband infrastructure, 5. Support public health expenditures by funding COVID-19 mitigation, medical expenses, behavioral healthcare, and certain public health and safety staff.

These programs were very helpful to the Town's budget, we were able to recover expenses in response to the pandemic, obtain necessary equipment needed to respond the pandemic, and to prepare for any future events that may arise.

The Emergency Management Director Rickard Donovan will continue to work with the Town Administrator, Lori Rautiola, Finance Director, Laurie May, and the Board of Selectmen (BOS) with the management of the ARPA Funds. We review the submitted projects for eligibility and make recommendations to the BOS for funding approvals. Most of the projects will help offset future Capital Improvement Plan funding by paying for projects from ARPA Funds. Some of the items the Town was

able to receive with ARPA funds include: the replacement of the Town Office septic system, tasers for the Police Department, repair of the Fire Department water system (Reverse Osmosis System), and a new truck for the Highway Department. We will provide a full expense report in the 2023 Annual Report as the funding will continue to the end of 2023.

In 2023 the Rindge Emergency Management Team along with the department heads will work to update the Town's Local Emergency Operation Plan. This plan needs to be updated and approved by the State every five years. We will seek an EMPG grant to hire a consultant to assist us with the process.

I would like to take a moment again to thank Ron Osimo for his dedicated service. Ron was appointed by the Board of Selectmen as a member of the Rindge Emergency Team in 2015. Ron has been extremely helpful assisting the REOC with this Pandemic situation.

We will continue to seek NHDOT approval to install a message center at the NH RT 119 & US RT 202 intersection. We are waiting for the final grant approval from the State for the message boards. We are also researching other ways to notify the community of emergency events, important town meetings, weather events, etc. We are researching social media platforms, alert apps along with the message signs.

The Department will continue to utilize the Variable Message Sign (VMS) to notify citizens of any important information and/or meetings that need to be relayed to the community. The sign will be placed at the Rindge Transfer Station entrance. I would also encourage all residents to install the NH Alerts app on their cell phones and computers to receive important information. ReadyNH.gov is another valuable resource for information. I encourage all Rindge residents to visit the site and be prepared before an event happens.

Respectfully Submitted,

DEPARTMENT OF PUBLIC WORKS

The Rindge Department of Public Works strives to give the citizens of Rindge quality roads. Assessing the condition of and maintaining the town roads are our main priority. The Town of Rindge maintains sixty-five miles of roads.

The Department was asked to develop a Master Road Plan by the Board of Selectmen. The Town has 65 miles of class 5 maintained roadways. This plan is a fact-based foundation/profile of Rindge roads to develop a thoughtful ongoing strategy for road construction and maintenance and to expand this strategy into a longer-range plan. The Board of Selectmen accepted this plan; however, trying to maintain a level budget has somewhat hindered the full fruition of this plan as we have increased the paving line very little in the last couple of years. This year the Town received \$173,120 from the State Highway Block Grant. The Department's appropriated amount this year was \$316,59. The plan does give solid direction for sections, evaluation of roads, and year's sections needing attention using the Hub and Spoke Paradigm. Again, trying to maintain a level budget we have not been able to fund the gravel road maintenance line item although we did put some gravel on dirt roads.

Our other Fall projects consist of preparing the Town trucks and equipment for the Winter months, raking and picking up leaves on all town grounds, preparing the Town parks for winter, draining the water lines and winterizing bathrooms at Wellington Park, re-grading and ditching all the gravel roads, and patching, potholes.

The winter months keep us very busy. Our main challenge is keeping the roads clear of snow and ice. This can be very challenging and tiring at times. It is not unusual for our crew to work 24-30 hours during major storms. We spend many sleepless nights to give the citizens of Rindge safe roads. The highway crew also services and maintains the equipment during the winter months and assists other Town departments as needed. The Town is fortunate to have such a talented and diverse group of individuals to provide this service. We have very dedicated crew members who really care about their jobs and take a lot of pride in their work. I would like to personally thank them for their dedication and many hours of work put in during the winter months to keep all town roads safe for our citizens.

The spring months keep us busy cleaning up from winter and preparing for summer. Projects in the Spring consist of: placing gravel and stone on the dirt roads during mud season, patching potholes, raking and picking up the rest of leaves from the fall, power sweeping all the Town parking lots, line striping all parking lots, crosswalks, and roadways, opening the cemeteries, maintaining lawns, fertilizing, cutting brush, and trimming trees in preparation for summer projects. Repairing damages to property and road signs from winter plowing as well as preparing and advertising bids for the major summer projects such as paving roads, drainage, and reclamation of roads are also some of the job duties.

The majority of the Department's projects are performed in the summer. These consist of: replacing drainage pipes, reclaiming roads in preparation for paving, grading dirt roads and line striping several roads, maintaining the Town Common, Police Station, Fire Station, Library, Meeting House, cemeteries, and the Town Office lawns, preparing Wellington Park fields for Summer recreation, and Roadside Mowing.

DEPARTMENT OF PUBLIC WORKS

Highway Projects completed in 2022 were as follows:

- Resurfaced Old Ashburnham Rd
- Resurfaced Heritage Drive
- Resurfaced Major Section of Hampshire Rd
- Resurfaced East Main Street
- Replaced Culvert on Goddard Rd
- Placed 500 yards of Gravel on several Dirt Roads
- Placed 500 yards of stone in the spring on Dirt Roads
- Continue Routine Roadside Ditching
- Several Miles of Roadside Mowing

This Year we put a warrant Article to replace the Highway Department 2011 International 6-Wheel Dump Truck. I would like to thank the Citizens of Rindge for approving the replacement to continue our ability to keep our roads safe for the traveling public.

TRANSFER STATION

The Transfer Station and Swap Shop use continues to grow every year. We would like to thank the volunteers for all their personal time in organizing and staffing the Swap Shop. Without their help the Swap Shop would not be the success that it is today. This year the Swap Shop is open on Tuesdays and Saturdays. Hazardous Waste has taken a new direction due to the lack of grant funding for smaller municipalities. We have partnered with the City of Keene in their Household Hazardous Waste Days in the spring and fall. Rindge citizens can take their hazardous waste to the Keene Recycling Center located on Route 12 in Keene. Those dates can be found in the Keene Shopper Newspaper during the spring and fall. Rindge Citizens are required to provide proof of residency to dispose of their hazardous waste. Cost of disposal is the responsibility of the citizen at the facility's disposal rate.

The Recycling Program has recycled 274.24 tons in 2022; in 2021 we recycled 333.65 tons to Monadnock Disposal of Jaffrey, NH. This is a difference of -59.41 tons. Disposal of Demo/Household waste to Monadnock Disposal in 2022 was 677.07 tons. In 2021 we disposed of 783.96 tons. This is a difference of -106.89 from last year. We have seen an increase of citizen use of the facility during the 2022 calendar year. Our contract with Monadnock Disposal will expire in 2023 so the Department will look to the Select Board to extend the contract for another two years. We would like to thank the citizens of Rindge for their conscious effort in recycling and those citizens who participate in the annual Earth Day roadside cleanup in the spring keeping Rindge clean. Keep up the good work.

Building Maintenance Department

The full-time Maintenance Technician has worked hard all year at keeping up the buildings and repairing major safety and building issues, He also works with the Energy Committee on improvements to the Town facilities with BOS approval. This has saved the Town from having to hire contractors for some of the smaller projects. The Maintenance Technician, along with the DPW Director works with other department heads to devise a yearly maintenance/repair plan to address maintenance issues for all town buildings. He is also responsible for winter plowing which includes roads, parking lots, sidewalks, and walkways for all of the public buildings.

DEPARTMENT OF PUBLIC WORKS

This year we converted the lighting at the Highway Department Building to LED. Repaired the parking lot lights at the Meeting House, replacing underground power with new conduit. We also replaced a window and trim at the Town Office Building. Painted the Highway Garage, and the interior walls of the Police Station.

The Crew and I wish to thank the citizens of Rindge and other departments and boards for their cooperation and assistance during the past year. I especially wish to thank our Board of Selectmen and Town Administrator for all their guidance and assistance throughout the year.

Sincerely yours,

Michael Cloutier, Sr.
Director of Public Works

TELTECH COMMITTEE

The Rindge Telecommunications and Technology Committee, also called the TelTech Committee, is comprised of a group of volunteers that offer advice to the town on matters relating to services, software, and systems used for telecommunications and technology.

The members of the committee are Phil Motta - Chair, Craig Clark – Vice-Chair, and Tim Wessels. The regularly scheduled public meetings are held on the 3rd Monday of each month. This is a volunteer committee and all of our meetings are always open to the public.

This year the Committee has continued to provide information to people regarding the Fiber to the Premises. In 2020, the town voted in favor of the warrant article to go forward with a solution offered by Consolidated Communications. The fiber has been adopted by many people in Rindge.

Consolidated introduced a new product brand name, Fidium, for their upgraded fiber internet offering, which supersedes the existing fiber offering. The committee has been answering questions about the new service offering and the newer technology and equipment that is used for the Fidium service.

The Committee has also been communicating with Consolidated Communications, bringing them questions and concerns from people in town. Craig Clark has been answering many questions for people by phone, in person, and in online discussions. Craig Clark continues to go above and beyond in this work.

Faithfully submitted,

Phil Motta,
Chairman

PLANNING BOARD

The Planning Board reviewed a total of 13 applications and/or proposals during the 2022 calendar year. An overview of the prior four years shows that in 2021 there were 23 applications /proposals reviewed; in 2020 there were 13 applications / proposals reviewed; in 2019 there were 11 applications / proposals reviewed and in 2018 there were 23 applications / proposals reviewed. Of the 13 applications and/or proposals reviewed in 2022 there were three Technical Subdivisions / Lot Line Adjustments; four Minor Subdivisions; one Major Subdivision / Planned Unit Residential Development, that is still before the Planning Board; one Minimum Expedited Site Plan; one Minor Site Plan; and three Major Site Plans. The Planning Board also conducted three Conceptual Consultations.

There were no Planning Board zoning warrant articles for the 2022 Town Meeting. The Planning Board and Conservation Commission worked closely together in 2022 to propose changes to the Wetlands Conservation District Ordinance to provide clarity in interpretation between the Town of Rindge land use boards. The hard work and dedication of the members of the Planning Board and Conservation Commission is very much appreciated. This warrant article will be on the Town Warrant at the March 14th, 2023 town meeting. The Planning Board also worked with the Building Department to propose a zoning warrant article that is intended to clarify that the Town of Rindge is following the State of New Hampshire Building Code. The final zoning warrant article proposed by the Planning Board is to eliminate any density bonuses for Elderly Housing in the Zoning Ordinance which in turn eliminates any density bonuses for Workforce Housing set to go into effect July 1, 2023 due to House Bill 1661 and RSA 674:17.IV.

Planning Board members and staff were involved with the meetings of the Wetlands Ordinance Subcommittee, the Town Gown Committee, and the Emergency Management Committee during the 2022 calendar year.

Kirk Stenersen continues to fill the Planning Director position on a part-time basis as a subcontractor. He has planning office hours one day a week on Wednesdays from 9:00 a.m. to 1:00 p.m. Susan Hoyland continues in her role as the Planning Board secretary and is in the planning office two days a week or more as her health allows. The electronic filing system continues to be modified and improved; it has been valuable in research on prior and potential applications and continues to increase the efficiency of the Planning Department.

The Board welcomed Holly Koski and Kim McCummings back to the Planning Board, both of whom were re-elected at the March 8th, 2022 Town Meeting. Robert Hamilton was re-appointed to the Planning Board as the Ex Officio member. The Board thanks Holly Koski, who resigned her position on the Planning Board due to relocating out of Rindge, for her many years of service to the Town of Rindge on the Planning Board. Joel Aho was appointed to fill Holly Koski's position until the next election at the March 14th, 2023 town meeting.

ZONING BOARD OF ADJUSTMENT

The Zoning Board of Adjustment (BOA) provides the necessary flexibility to ensure that ordinances are applied equitably to all property in Rindge. The BOA is an elected board that provides citizens a monthly public hearing to express their need for a variance or exception from a zoning regulation. Using the same criteria to assess every case, the board ensures all citizens are treated equitably and the voter's decisions are upheld.

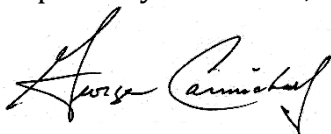

The Board consists of five members who are elected in the manner prescribed by NH RSA 669 and up to five Alternates appointed by the sitting regular member. Board members are George Carmichael (Chair), Marcia Breckenridge (Vice-Chair), Phil Stenersen, Marty Kulla and Ross Thermos. Alternate members are Terence Fogg and Adam Rickenbach

The Zoning Board of Adjustment considered eighteen cases in 2022, they were as follows:

One (1) application for Appeal of Administrative Decision.
Six (6) Special Exceptions.
Eleven (11) Variances.

The hard work and dedication of all Members, Alternates, and our Clerk, Kim McCummings is greatly appreciated. A special thank you to Bill Thomas, a longtime member, who recently resigned from the board to focus more on other commitments and opportunities.

Respectfully Submitted,

George Carmichael
Board of Adjustment Chairman

CONSERVATION COMMISSION

Fellow Rindge Residents:

The Rindge Conservation Commission had a very busy and productive 2022. After more than three years of work, the Town of Rindge completed the purchase of 225 acres between Old New Ipswich and Perry Rd., now known as the Mattabessee Wildlife Corridor. Mattabessee; meaning the land between two waters, is now conserved in perpetuity by the Monadnock Conservancy with an entrance and parking area off Old New Ipswich Rd. and is available for your use. A formal opening ceremony will happen in spring 2023 after further trail marking.

This project was made possible through the hard work of the Commission grant writers resulting in grants from NH LCHIP, Moose Plate, NH DES Drinking Water Trust, the Davis, Fields Pond and Roy Hunt Foundations as well as more than fifty local donors. The Commission would like to thank the various departments in the Town Office, and especially the Board of Selectmen, for their assistance through this long and arduous process.

The Commission continued our popular tours of conserved properties with five tours and two moonlight walks that were very well attended, look for this to continue in 2023, noticed in local papers and the Rindge website. The Commission accepted the donation of a canoe and trailer that is available for loan out to residents of Rindge to explore the local waterways.

The Commission had a very interesting presentation at the Community Center on Birds of New Hampshire and we plan on continuing to bring interesting subjects to our neighbors. One of our ongoing projects is the pollinator plantings at the Town Forest, Roger's Landing and the Ford Family Nature Preserve. These are long term projects that will take several cycles of replanting and tending to come maturity, so watch for their progress as you visit these properties.

We continue to work with the Recreation Department to bring a natural playscape to Tetreault Park on Rand Rd., with the hope of breaking ground in 2023 to start initial installation of equipment that has been acquired. The Commission and Planning Board created a subcommittee to clarify some of the language and intent of the Wetlands Ordinance and we encourage passage of the warrant article on this subject.

The Commission lost long-term member, Bill Preston this year. He was our resident bird expert and a voice of reason. His presence and contributions are greatly missed but he is remembered fondly.

INGALLS MEMORIAL LIBRARY

As we said goodbye to 2022, we said hello to a future full of possibilities at the library. 2022 was a great year. We circulated over 55,000 items, just a few less than the last “normal” year of 2019. We added 174 new patrons – both new arrivals to town and long-term residents. There were 16,353 visits to the library and over 3,600 people attended library programs. The library was a valuable part of Rindge life.

During 2022, we were awarded four major grants!

- A \$4,000 grant from the Roy A. Hunt Foundation allowed us to renew our subscription to LibraryAware, a software package that gives us the tools needed to promote our collection and our programs. We were able to add a ukulele to our Library of Things, and it is available to check out. We added some equipment to service the teens of Rindge, including a Nintendo Switch and a turntable. During the coming year, we will be adding more teen programming, including a Vinyl Club that will allow teens to share and talk about their favorite albums. We were able to purchase some lamps that will make the Symonds room more functional for those who want to work, study or sit and read at the library. We added a new event calendar to our website, so that patrons can better plan their time to allow attendance at our programs. And we bought the supplies needed to run our monthly Cookbook Book Club, the most popular of our regular adult programming. We greatly appreciate the support of the Roy A. Hunt Foundation. It makes an incredible difference in the operations of the library.
- A \$1,000 honorarium as a partner for the Tangled Bank Studios/PBS Nature #PlantWildflowers initiative! The purpose of this grant was to supply the Library the tools needed to offer community-focused, partner-driven, pollinator friendly programs to Rindge. There were over 300 applicants for this award, and Ingalls Memorial Library was the only library to receive the grant in NH. As part of this partnership, we also received 2,000 regionalized wildflower seed packs, which were shared with library patrons, Rindge Conservation Commission, and Wildwood Camp. The money received was used to add books for adults and children to the collection, and to bring great programming to town, including a visit from Imagine That Honey, two screenings of the documentary “My Garden of a Thousand Bees”, a BioBlitz, special story times and more. The Rindge Conservation Commission also seeded areas of conservation property using seeds we received through this initiative.
- A \$469 grant from the New Hampshire State Library allowed us offer #Adulthood programming during the summer. We focused our energies on the teens of Rindge ---- the hardest segment of the population to draw to the library. #Adulthood took place over six weeks. Each week, an adult with skills to share spoke to the group, sharing information that may not be presented in the school environment. Included in this programming were preparing a budget, planning meals, eating from the garden, applying for college scholarships, making healthy smoothies and more.
- A \$10,000 grant from MilliporeSigma was a game-changer at the library. This funding was for the purpose of adding STEM (Science, Technology, Engineering and Math) programs to our calendar. Through this funding, we have brought back our afterschool programming. Our STEM Club meets weekly. There is a monthly Astronomy Club, led by a NASA Ambassador. We provide Coding programs, Engineering Challenges, Nature (with help from Mass. Audubon’s Wildwood Camp) and more. We were also able to purchase a FlashForge Adventurer-4 3D printer, and have started a monthly 3D Printing Club for students in grades 6 and up, and are working on getting an Adult 3D Printing program off the ground. We also became a Citizen Science Library, and are now offering kits for families to check out and use at home, including Exploring Biodiversity, Observing Pollinators and

INGALLS MEMORIAL LIBRARY

Mapping Mosquito Habitats. This funding will allow us to offer programs and materials to the town that in the past we could only dream about. We greatly appreciate the support of MilliporeSigma/EMD Millipore. We feel fortunate to have a community partner that understands the importance of STEM programming and the libraries role in making it available.

It is wonderful to have the opportunity to offer the residents of Rindge programs and services like this without adding to the tax burden!

In April, the library welcomed the installation of the Thomas Clock. This Nathaniel Munroe Tall Clock, which has been in the Thomas family since the 1800s, was donated to the Town of Rindge by Lee R. Thomas. In May, members of the Thomas family, library Trustees, and Board of Selectmen gathered at the library for a formal dedication ceremony. If you haven't had the chance, stop by the Symonds Room at the library to see this wonderful addition.

During the year, we added over 1,260 books and 150 DVDs. Many of these were donated by townspeople or purchased with generous donations from patrons. Thank you to all who support the operations of the library.

Our library truly offers something for everyone – including internet access, local newspapers, magazines, movies, books, audiobooks, jigsaw puzzles, photocopying, faxing services, printing, 3D printing, art displays, seeds, cake pans, help with technology, and electronic resources. As we look to the future, we continue to look for opportunities to offer even more, and are exploring adding more musical instruments, craft supplies and more great programming. We also offer notary public services during our Monday through Friday open hours. We are looking forward to participating in a statewide “Big Read” of “The Bear” by Andrew Krivak in the fall of 2023. By purchasing a movie license through the NH State Library, we are able to screen movies at the library, and have started a new Page to Screen Book Club with monthly selections.

The Ingalls Memorial Library is open 38 hours per week: Monday, Wednesday, and Friday, 10:00 – 5:00; Tuesday and Thursday, 1:00 – 8:00; and Saturday, 9:00 – 12:00.

As of December 31st, there were 2,779 registered patrons. Free library cards are available to people who reside, work, or own property in Rindge, or attend Rindge schools. Non-residents are able to purchase cards for a fee.

Registered users have access to 34,712 items housed at the library. Cardholders also have access to materials owned by libraries across the state through the Interlibrary Loan System and are able to directly search the state catalog and place holds on items owned by other libraries if they chose to do so. During the year, our patrons borrowed 1,969 items through the Interlibrary Loan system, and we sent 1,450 items to patrons of other libraries in the state. Registered users can also download e-books and audiobooks through NH Downloadable Books powered by Overdrive. Our patrons enjoyed 6,083 downloadable titles this year. The NH State Library also coordinates access to the NoveList and Ancestry.com databases.

There were 402 internet sessions during the year. This does not include access to our Wi-Fi, which is available 24/7 from inside and outside the library. With the addition of broadband service by Consolidated Communications, internet services at the library are faster, more reliable and less expensive than in the past.

Volunteers provided 181 hours of service to the library.

I would like to thank the Library Trustees, Friends of the Ingalls Memorial Library, and volunteers for all they do to help the library. Thank you to the individuals, local businesses, RAMS, P.O.O.R., Charity Lodge #18 and the Roy A. Hunt Foundation, the New Hampshire State Library and MilliporeSigma for your support of our operations, and the Ingalls 1894 Association for your fundraising efforts. Thanks to all who have generously donated materials to the library. Thanks to the Public Works Department for taking such good care of the building and the grounds. Thanks to all other town employees and departments.

I would like to extend a special thank you to the residents of Rindge for patronizing the library. We consider you part of our library family!

I look forward to seeing you at the library!

RECREATION DEPARTMENT

2022 was another year of growth for the Recreation Department and nearly all of our program numbers have risen from the past several years. It was a welcome sight to see the community once again participating in recreational activities and events in full force.

The annual holiday events we were able to offer this year included: Easter Egg Hunt, Trunk-or-Treat, 4th of July Celebration, Town Tree Lighting, Breakfast with Santa, and the Senior Holiday dinner.

The Senior Holiday Dinner was able to be held back in person at Hidden Hills this year and fortunately we were still able to have a delivery option for those we weren't able to attend in person. This year was our biggest year yet with over 250 meals total! A big thank you to the Rindge Chamber of Commerce for their help and all the other volunteers! Without help from local organizations this event would not be possible; thank you to C&S and Toah Nipi for supplying the food donations.

We were also able to bring back our 4th of July celebration to the Town Common where it had not been for many years. This was a great community event with over 500+ people attending. The Rindge Chamber of Commerce was a co-sponsor of this event and were a huge help in making this event a success.

In addition to these seasonal events, the Rindge Recreation Department coordinated several ongoing activities as well throughout the year. Some of these activities include: After School Karate class with Elizabeth Kenny, a knitting group, the Rindge Woman's Club, Quilting Club, and Crafters Group. Two new programs we added this year were Zumba and Barre classes.

Our before and after school program (EDP) had another great year. Our EDP Director Karen Chemello put on quality programs and clubs that were new and exciting for the kids as well as educational. This program continues to be one of our flagship programs throughout the school year and an invaluable resource to many working families.

The Recreation Center building rentals have been active again this year with various events including: birthday parties, wedding receptions, company BBQ's, holiday events, and baby showers. This year we had a total of 138 building reservations.

Most of our programs rely on parents and local community members volunteering their time and energy to make our programs as amazing and successful as they are. Thank you to all of our coaches, parents, and community members who took time out of their busy lives to enrich our programs! If you are interested in volunteering, please contact the Recreation Department.

The hardworking volunteers of the Recreation Committee continue to be a strong support base for the Recreation Department. The Committee serves as an advisory board to the Recreation Director and all members volunteer their time throughout the year to assist at the many events the Department offers. Without the dedication of the Recreation Committee and part-time staff, the well-loved community traditions would not be possible. If you are interested in joining the Recreation Committee, please give us a call.

The following programs were offered in 2022:

RECREATION DEPARTMENT

Winter: Travel Basketball, Instructional Basketball, Thursday Night Lights Ski Program, February Vacation Field Trips, and Chaos Travel Soccer.

Spring: Monadnock Youth Softball, T-Ball, Chaos Travel Soccer

Summer: 7 weeks of summer Day Camp (K-9th), Le Tour de Common 5k Road Race

Fall: Instructional Soccer, and Chaos Travel Soccer.

Many of our programs are supported by local businesses who make generous donations to keep programs running. Thank you to all of the individuals, civic groups, businesses, and foundations that made donations and grants to the Rindge Recreation Department. Without your support we would not be able to offer the variety of community activities that we do. With the ongoing help of our community and volunteers we look forward to even more growth in 2023!

Daniel Bemis

WELFARE DEPARTMENT

Each New Hampshire town is required to care for residents who experience economic hardship. In partnership with social service agencies, the Department provides comprehensive assistance to meet temporary gaps. Supporting like-mission community service agencies helps ensure residents receive help for basic needs and access to holistic resources to change their life circumstances while keeping the welfare department to meet projected needs. Applicants receive referrals for fuel and electric assistance, jobs, security deposits, back rent, mental health and addiction services, food, social security, childcare, rental assistance, domestic violence services, suicide help, transportation, education, car repairs, and more.

CAPITAL IMPROVEMENT PLAN COMMITTEE

The Capital Improvement Plan Committee (CIP) met several times this years to review the needs of the various Town departments that provide services to the Town. We also considered future needs for equipment and facilities necessary to continue providing the citizens of Rindge the services they expect, need, and desire.

The Committee voted to recommend the following items to be placed on the 2023 Town Warrant for consideration:

- \$25,000 for the rebuilding of the FD Engine #2 pump
- \$55,011 for the fourth payment on the Fire Rescue Truck #1
- \$80,000 for SCBA (self-contained breathing apparatus) for FD (1st of 2 payments)
- \$54,000 for maintenance Tech Truck w/ plow/sander for the Highway Department
- \$25,000 to add to the Recreation Facilities (for the purpose of tennis court replacement)
- \$30,000 for the Revaluation (for the purpose of the assessing revaluation)
- \$20,000 for the Library Expendable Trust (for the purpose of a new boiler)

TOTAL: 289,011

MEETINGHOUSE OVERSIGHT COMMITTEE

The Committee is responsible for and charged with seeing to the maintenance needs of the Meetinghouse. With the funds gathered from grants and donations the Committee was able to hire Scully Architects to do a re-assessment of the entire building needs. As of this writing, the report from Scully Architects has been delayed but we do have assurances that it will be done in time to apply for a larger monetary grant which will help to fund the re-painting of the steeple and to make necessary repairs. General repairs and maintenance are done by the Town's Building Maintenance Department on a continual basis.

Additional funding for the building's maintenance is provided for by the Ralph and Gertrude Ward Trust Fund. Where we have allowed this fund to increase to help pay for this expensive project, the State of NH requested an explanation of why the funds were not being spent annually. The State seemed to have been appeased with our reasoning. We expect to apply for additional grant funding once we receive Scully's final report.

The Committee is determined, despite continual roadblocks and delays, to start this project this year and see it to completion. There are plans for future projects that have been pushed back because of these complications.

Bob Hamilton,
Secretary Pro Tem

ENERGY COMMISSION

The Rindge Energy Commission began 2022 with the following objectives:

- 1.) Implement/identify energy efficiency/weatherization projects with paybacks of 5 to 7 years as identified in the 2011 Investment Grade Energy Audit Reports and more recent audits.
- 2.) Assist other town boards, departments, and committees in tracking and optimizing energy usage.
- 3.) Troubleshoot problems identified through tracking energy usage at various buildings.
- 4.) Support the efforts of the Jaffrey-Rindge School District to reduce energy consumption.
- 5.) Follow developments in New Hampshire's newly enacted Community Power legislation.

Since 2012, Rindge has spent an average of \$11,000 less per year on total energy costs over expenditures in 2011. While weather conditions and fossil fuel costs vary widely from year to year, savings from our two streetlight projects are very consistent. Since the first streetlight project in 2011 the town saved \$5,000 per year by converting to energy efficient lighting. With the recent 2019 LED streetlight project the town is saving an additional \$7,000 per year for a total anticipated cost avoidance of \$12,000 per year.

The Energy Commission continues to participate in statewide meetings regarding Community Power purchasing options. Much like the Monadnock Buying Collaborative that the town participates in for lower electric supply pricing, Community Power would allow businesses and residents to participate in a bulk electricity supply purchase agreement.

In late 2022 NHSAVES funded a comprehensive energy audit for the Wellington Recreation building. The recommendations from that audit include sealing and insulation work estimated at \$8,000 that should pay for itself in 4 to 5 years. A warrant article for this work will be presented to the voters at town meeting.

The Energy Commission is also following developments regarding potential large-scale and/or community solar projects in the region.

The Commission welcomed Daniel Bissex to the Energy Commission in 2022. It's great to have a member with a young family who has experience with conservation, agriculture, and solar.

The Energy Commission meets on the second Thursday of every month. New members and the public are always encouraged to join us. We seek new members to help us.

Total Energy

The Town of Rindge spent approximately \$10,562.5 less on energy consumption in 2022 compared with 2011. Rindge expended approximately \$76,111.5 in energy dollars (excluding transportation but including the 50% paid by the Congregational Church for the Meeting House energy expense) in 2022. In contrast, Rindge spent \$60,872 in 2021 and \$86,874 in 2011. Since most of the energy efficiency projects were completed in 2012, the baseline year is 2011. Rindge spent \$33,360 on oil, \$2,626 on propane, \$35,630 for building electric, and \$4,496 for streetlight electric for a total of \$76,111.5 in 2022.

Heating

2022 was an average year with 5623 Heating Degree Days (HDDs)* compared with 5813 in 2011 and only 4911 in 2012. Overall, the Town used 3,839.6 (25.8%) fewer gallons of oil than in 2011. The town spent \$33,360 on oil in 2022. Oil consumption was down relative to 2011 at all buildings in 2022, except for the Town Offices which saw a 105% increase in oil consumption over 2011. This is most likely an accounting error and includes deliveries for 2021. The January 2022 delivery at the Town Offices was for 746 gallons (which would mean at least 2 tanks in one month and would be unprecedented). The commission will continue to study this increase at the Town Offices.

Oil, propane, and electricity prices soared in 2022 and underscore the value of reducing energy consumption with better controls and weatherization work. Rindge paid 25% more in 2022 than it did in 2021 for comparable consumption. *<https://www.weatherdatadepot.com/degree-day-comparison>

Electricity

In 2022, Electricity consumption for the town buildings was up by 4% compared with 2011 usage levels. The increases in consumption occurred mostly at the Highway Garage (315%) and the Wellington Recreation building (62%).

The Office Trailer and the Highway Garage were switched to be on the same meter in May of 2020. This caused the Highway Garage meter to double in consumption since the two buildings consumed similar amounts of electricity in 2020. In 2021 and 2022, electricity consumption at the Highway Garage increased significantly and should be studied.

The 2011 Streetlight conversion project continues to save at least \$5,000/year compared with the higher rate paid prior to 2010 (Streetlight conversion project occurred in mid-2011).

Voters passed a warrant article in 2019 authorizing the replacement of all streetlights with LED lamps. The project was completed in May of 2020 at a cost of \$8,000. The project paid for itself in 18 months and will continue to save the town approximately \$7,000 per year in streetlight costs.

The Energy Commission still supports an LED replacement project for the Town Offices proposed in 2020 that would save the town at least \$100/month. It has yet to be budgeted.

The DPW should continue the excellent job it has been doing with procurement and energy efficiency projects.
