

CONTOOCCOOK & NORTH BRANCH RIVERS LOCAL ADVISORY COMMITTEE

Matthew Lundsted, Chair
mlundsted@ceiengineers.com

The Contoocook and North Branch Rivers Local Advisory Committee (CNBRLAC) meets the 3rd Monday of each month (dates noted below) at the Monadnock Paper Mills, 117 Antrim Road, in Bennington, NH at 7:00 p.m. Visitors and potential members are welcome. In case of meeting cancellations, it is wise to contact the chair (contact info below).

The CNBRLAC is a local implementation of the The Rivers Management and Protection Act of 1988 (RSA 483), which established a statewide rivers program based on a unique cooperative approach: state designation of significant rivers to manage and protect the river’s values and characteristics, and local development of river corridor management plans for shorelines and adjacent lands to protect river resources. The RMPP is administered by the Department of Environmental Services (NHDES) Water Division.
