Requirements for Permit Applications

1. All information must be printed legibly.
2. Owner name, address and phone number.
3. Location and address of work site.
4. Plans & payment must be submitted at time of application.

Notes:

The property owner of record may exercise their right to perform their own work on their residence if he or she lives at the residence and the residence is a Single Family Dwelling occupied by the owner of record

It is the responsibility of all contractors, to obtain the necessary permits from the Rindge Building Office at Town Offices before ANY work has begun. Work must begin within six (6) months of the issuance of any permit.

Permits are non-transferable. If this is an "After the Fact" permit, it will be subject to a fee described in the Official Building / Fire Fee Schedule

It is the responsibility of the contractor to obtain all inspections required. A rough-in inspection is required before any work is covered, and a final inspection is required when all work is complete. *This signed application constitutes consent on the applicant's part to allow for all inspections at the property location listed.*

No permit will be issued until all of the above information is furnished, and all the above conditions met.

INSPECTIONS REQUIRED:

Contact the Rindge Building Department for Required Inspections and Scheduling.

Rindge Building Department Approval certifies that the applicant may proceed with installation of the approved fire protection system(s) in accordance with specifications submitted. Any deviation from the specifications submitted will require an amendment to this permit or additional permits.

If you have any questions, feel free to contact the Rindge Building Department office at (603) 899-5181 Ex 109.

Statement of Compliance:

I have read and understand the statement and hereby agree to all of the terms stated therein. I agree to abide by any and all codes relating to my field of work, including all national, state and local codes. I also realize that any false statement made in the application for permit may be grounds for revocation of said permit.

***** Plans will be forwarded to Rindge Fire / Building Department for Approval*****
